The Tempest - Wikipedia

The question of how many plays William Shakespeare wrote is one of some dispute among scholars. There are of course the various factions that believe he did not write any of the works attributed to him. And there ' s the question of whether he co-wrote a play titled "Double Falsehood", which was previously attributed to Lewis Theobald.

A Tempest Based On Shakespeares

The Tempest is a play by English playwright William Shakespeare, probably written in 1610–1611, and thought to be one of the last plays that Shakespeare wrote alone. After the first scene, which takes place on a ship at sea during a tempest, the rest of the story is set on a remote island, where the sorcerer Prospero, a complex and contradictory character, lives with his daughter Miranda, and

Performances during Shakespeare's lifetime. The troupe for which Shakespeare wrote his earliest plays is not known with certainty; the title page of the 1594 edition of Titus Andronicus reveals that it had been acted by three different companies. After the plagues of 1592–93, Shakespeare's plays were performed by the Lord Chamberlain's Men, a new company of which Shakespeare was a founding
