Serial Killer Coloring Book

Julien I'm a hit man, an assassin. A deviant by all accounts. I never pretended to be the good guy. She was the opposite. But the minute she pulled the curtains back and saw my face, watched me screwing the blonde who happened to be my next mark, she sealed her own fate. There could be no witnesses, ever. Imagine my surprise when I turned up to take care of her

only to find two goons breaking down her door, weapons in hand. Turned out she had a price on her head. Her stepbrother wanted her and he wanted her alive. I'd never been one to pass up an opportunity to collect the kind of money he was offering, especially if I could have some fun while I was at it. It just never occurred to me she'd be anything more than my next mark. Mia "Curiosity killed the kitten." I'll never forget the look in his eyes when he said those words. When I watched them from the window, I didn't suspect for a moment that he'd seen me, that he was watching me back. Not while he was doing what he was doing to the woman on her knees before him. But then she turned up dead, and he turned up in my hotel room, waiting for me in the dark. I didn't think for one second him being there that night would save my life. I'd been on the run for two years, but my stepbrother had finally caught up with me. Or his two thugs had. Finding out I had a quarter-of-a-million dollar bounty on my head convinced Julien I was more valuable alive than dead. But to collect it would mean returning me to my stepbrother, who had sworn to make me pay for what I'd done. Julien was cruel. He was merciless. He scared the crap out of me. But there was something else, something he never wanted me to see. Inside, he was broken, like me. My stepbrother was wrong if he thought I'd ever let him get his hands on me again. I had no intention of allowing that to happen, even if it meant I'd have to sleep with the devil to survive. And I had no doubt Julien was the devil.

that lays bare the secretive cult that shocked the world—for fans of Leah Remini’s *Troublemaker* and Lawrence Wright’s *Going Clear*. I am a mother whose child is being abused and exploited. And I am not alone. In 2011, former *Dynasty* star Catherine Oxenberg joined her daughter, India, at a leadership seminar for a new organization called NXIVM. Her then twenty-year-old daughter was on the threshold of starting her own professional life and they both thought this program might help her achieve her dream. But quickly, Catherine saw a sinister side to the program that claimed to simply want to help its clients become the best versions of themselves. Catherine watched in horror as her daughter fell further and further down the rabbit hole, falling under the spell of NXIVM’s hypnotic leader, Keith Raniere. Despite Catherine’s best efforts, India was drawn deeper into the cult, eventually joining an elite “sorority” of women members who were ordered to maintain a restricted diet, recruit other women as “slaves,” and were branded with their leader’s initials. In *Captive*, Catherine shares every parent’s worst nightmare, and the lengths that a mother will go to save her child. Catherine’s efforts finally led the FBI to take notice—and the journey is not yet over. A powerful depiction of a mother’s love and determination, and with horrifying insider details never revealed in any news story, *Captive* will keep you reading until the very last page.

calming coloring Color the Classics: Anne of Green Gables is a part of Waves of Color's "Color the Classics" line—a collection of books that allows you to color your favorite literary classics for hours of fun and relaxation. Return to beautiful Prince Edward Island where young Anne Shirley joins her new adoptive family. Follow Anne in her spirited adventures, as she adapts to the joys and the heartache of her new life on a farm, as rendered here in Jae-Eun Lee's poignant coloring book adaptation of the classic Anne of Green Gables novel series. An all-new Anne of Green Gables TV movie, starring Martin Sheen, is slated for release in early 2016, and is sure to reignite interest in this perennial classic!
