"Book one of the After series--the Internet sensation with millions of readers. Tessa didn't plan on meeting Hardin during her freshman year of college. But now that she has, her life will never be the same"--

### The Missing Piece

"A beautiful, dream-like, unsettling narrative in which every word, like a small jewel, feels carefully chosen, considered and placed. Rarely do debut novels come as assured and impressive as this one."  
—Sarah Waters, New York Times bestselling author of The Paying Guests  
Elegant, sinister and psychologically complex, After Me Comes the Flood is the haunting debut novel by the bestselling author of The Essex Serpent and Melmoth. One hot summer's day, John Cole decides to shut his bookshop early, and possibly forever, and drives out of London to see his brother. When his car breaks down on an isolated road, he goes looking for help and finds a dilapidated house. As he approaches, a laughing woman he's never seen before walks out, addresses him by name and explains she's been waiting for him. Entering the home, John discovers an enigmatic clan of residents all of whom seem to know who he is, and also claim they have been awaiting him arrival. They seem to be waiting for something else, too—something final... Written before Sarah Perry's ascension to an internationally bestselling author, After Me Comes the Flood is a spectacular novel of obsession, conviction and providence.

Laura Lippman, the acclaimed New York Times bestselling author of *The Most Dangerous Thing, I'd Know You Anywhere*, and *What the Dead Know*, returns with an addictive story that explores how one man's disappearance echoes through the lives of the wife, mistress, and daughters he left behind. Though Bambi has no idea where her husband—or his money—might be, she suspects one woman does: his mistress, Julie. When Julie disappears ten years to the day that Felix went on the lam, everyone assumes she's left to join her old lover—until her remains are eventually found. Now, twenty-six years after Julie went missing, Roberto "Sandy" Sanchez, a retired Baltimore detective working cold cases for some extra cash, is investigating her murder. What he discovers is a tangled web stretching over three decades that connects five intriguing women. And at the center is the missing man Felix Brewer. Somewhere between the secrets and lies connecting past and present, Sandy will find the truth. And when he does, no one will ever be the same.
