A NEW YORK TIMES BESTSELLER "Valerie has been one of Barack and my closest confidantes for decades the world would feel a lot better if there were more people like Valerie blazing the trail for the rest of us."--Michelle Obama "The ultimate Obama insider" (The New York Times) shares her journey at a pivotal moment in American history When Valerie Jarrett interviewed a promising young lawyer named Michelle Robinson in July 1991 for a job in Chicago city government, neither knew where that meeting might take them. Jarrett would go on to become a trusted friend and advisor to Michelle and Barack Obama -- and one of the most visible, influential African-American women of the twenty-first century. Now, in her forthright and optimistic memoir, Jarrett shares her experience as a mother, daughter, and woman who's experienced the magic that happens once we cast aside any unrealistic expectations of a perfect life or a perfect outcome. In *Finding My Voice*, she offers a galvanizing testament to the power in staying open to a change in course and an embrace of the uncomfortable. Only then, she argues, can we move forward together and truly learn to value--and listen to--our own voices.

And So the Adventure Begins (a Motivational Journal/Diary)

A holocaust is coming to Earth in the form of a deadly virus one that will bring pandemonium and disaster to all. To survive, a wealthy billionaire named Simion builds a gigantic complex in the side of a mountain. He becomes a modern-day Noah, bringing in two of each living creature and providing protection for all those working on the top-secret project. When the day of reckoning arrives, one of Simions key people, Zack, is home attending to his fathers funeral. Too far away to make it to the complex, Zack has no choice but to stay put and watch the destruction around him. Incredibly, Zack discovers he is immune to the virus. He finds six other survivors,

and the small group is determined to stay alive, no matter the obstacles they face. The group begins the long, arduous journey to find the compound, but as the years pass and Zack grows more and more confused as to its exact location, hope begins to run out. Yet before his death, Zack passes on the information to his children; now it is up to them to find Simions complex. Only then will the future of the world be secure. Unique in scope, So It Begins is a riveting tale of how one individuals foresight and intellect becomes mankind's last hope.

The Unforgettable Guinevere St. Clair

In this fascinating book, New Yorker business columnist James Surowiecki explores a deceptively simple idea: Large groups of people are smarter than an elite few, no matter how brilliant—better at solving problems, fostering innovation, coming to wise decisions, even predicting the future. With boundless erudition and in delightfully clear prose, Surowiecki ranges across fields as diverse as popular culture, psychology, ant biology, behavioral economics, artificial intelligence, military history, and politics to show how this simple idea offers important lessons for how we live our lives,

Spirit Riding Free: The Adventure Begins

Since the discovery over one hundred years ago of a body of Mesopotamian poetry preserved on clay tablets, what has come to be known as the Epic of Gilgamesh has been considered a masterpiece of ancient literature. It recounts the deeds of a hero-king of ancient Mesopotamia, following him through adventures and encounters with men and gods alike. Yet the central concerns of the Epic lie deeper than the lively and exotic story line: they revolve around a man's eternal struggle with the limitations of human nature, and encompass the basic human feelings of loneliness, friendship, love, loss, revenge, and the fear of oblivion of death. These themes are developed in a distinctly Mesopotamian idiom, to be sure, but with a sensitivity and intensity that touch the modern reader across the chasm of three thousand years. This translation presents the Epic to the general reader in a clear narrative.

Lumica: The Adventure begins

There's no lack of people out there telling you to find your passion and dream big. But why does it seem like when we try, we so often end up more lost and overwhelmed than when we started? Liz Forkin Bohannon wants you to rethink everything you've been told about finding your passion and following your dreams. Why? Hate to break it to you, but you're likely never going to "find your passion." Because your passion and purpose are something you build--actively--day by day. In her signature tell-it-like-it-is fashion, Liz shares 14 actionable principles that will teach you how to do just that. With total transparency, Liz shares hilarious and heartbreaking stories of her journey of screwups and successes that illustrate the mindsets and principles that will give you a jolt of energy, inspiration, and direction toward your True North. By embracing your Inner Beginner, dreaming small, choosing curiosity

over criticism, and so much more, Liz's story and the principles of Beginner's Pluck will have you on your way to building a life of purpose, passion, and lasting impact. Ready to rise to the occasion? It's time to make this life everything you want it to be. *****

"Brave, practical, and true, Liz shares her magical journey for anyone brave enough (and generous enough) to want to go on the journey of a lifetime."--Seth Godin "I met Liz more than a decade ago in Gulu, Uganda. Beginner's Pluck is a thoughtful book about what Liz has been strategically doing in the world, not merely optimistically hoping for. Her authentic voice is one I trust because I've seen what she's done. As you flip these pages, you won't want to be more like Liz. Instead, you'll want to figure out what your next steps are to release your passions, hopes, and love into a world which is in desperate need of someone just like you to engage it."--Bob Goff, hon. consul for the Republic of Uganda and author New York Times bestsellers Love Does and Everybody Always "I am SO VERY GLAD this book exists. We have long needed Liz's expert voice speaking into the minds of dreamers and doers, the ones who have the ideas and want to execute, and the ones who are exhaustedly executing. We want purpose in our day, and Liz does it with her life and teaches it here."--Annie F. Downs, bestselling author of 100 Days to Brave and Remember God

Jonathan Stone s life is over literally. He passed from his body and moved on to Heaven. What do you suppose Heaven looks or feels like? Jonathan s mind can barely comprehend all that is happening around him, but it s so much more than angels with harps and saints sitting on clouds. In Heaven, he has an unhindered relationship with the ones he loves and the Lord himself, his great shepherd. Jonathan Stone tried to live a devout Christian life on earth. He has arrived in Heaven, where he has a chance to discuss Jesus second coming. He meets the martyrs who died for their Lord. He even watches as Moses and the apostle Paul speak before the great assembly. On a personal level, Jonathan has the chance to finally ask God the simple question, Why? Why did you allow me go through those terrible times, Lord? Why did you make me feel such loneliness and pain? Why did you take so long in answering my prayers? On Earth, it is not always easy to see the plans God has laid out for us.

Even so, He is all-knowing and ever wise; He is to be trusted, because He is always right. In Heaven, Jonathan gets his questions answered and sees the light. He has no fear; he has no doubt. He is at home with his Savior, and we can all look forward to the day when we walk the same streets of Gold in unbroken fellowship with the Lord.

Hero, Villain, Saint

Alice's Adventures in Wonderland (1865) is a novel written by English author Charles Lutwidge Dodgson, better known under the pseudonym Lewis Carroll. It tells the story of a girl named Alice who falls down a rabbit-hole into a fantasy world populated by peculiar and anthropomorphic creatures. The tale is filled with allusions to Dodgson's friends (and enemies), and to the lessons that British schoolchildren were expected to memorize. The tale plays with logic in ways that have made the story of lasting popularity with adults as well as children. It is considered to be one of the most characteristic examples of the genre of literary nonsense, and its narrative course and structure has been enormously influential, mainly in the fantasy genre.

about coming home.” —Publishers Weekly A ten-year-old girl is

determined to find her missing neighbor, but the answers lead her to

places and people she never expected—and maybe even one she’s

been running away from—in this gorgeous debut novel that’s perfect

for fans of *The Thing About Jellyfish*. Guinevere St. Clair is going

to be a lawyer. She was the fastest girl in New York City. She

knows everything there is to know about the brain. And now that

she’s living in Crow, Iowa, she wants to ride into her first day of

school on a cow named Willowdale Princess Deon Dawn. But

Gwyn isn’t in Crow, Iowa, just for royal cows. Her family has

moved there, where her parents grew up, in the hopes of jogging her

mother Vienna’s memory. Vienna can no longer remember

anything past the age of thirteen, not even that she has two young

daughters. Gwyn’s father is obsessed with finding out everything

he can to help his wife, but Gwyn’s focused on problems that seem

a little more within her reach. Like proving that the very strange

Gaysie Cutter who lives next door is behind the disappearance of

her only friend, Wilbur Truesdale. Gwyn is sure she can crack the

case, but when she does she finds that not all of her investigations

lead her to the places she would have expected. In fact they might

just lead her to learn about the mother she’s been doing her best to

her father, and her aunt leave their neat-and-tidy city life and travel to their new home out west-the Wild West. At first Lucky is excited, but during the long train ride to her new hometown of Miradero, she begins to worry. What if she doesn't make any new friends? Everyone in the West rides horses, but she's never been allowed to even sit on one. How can she possibly fit in? Anxious about the future, Lucky looks out the train window and sees a majestic wild stallion. When their eyes meet, she senses a connection. But when the stallion is caught by wranglers, Lucky's heart breaks. And when she next sees the stallion, he's tied to a post, refusing to be "broken in." So It Begins

- Chronicles the first all-African American summit attempt on Denali, the highest point in North America
- Part adventure story, part history, and part argument for the importance of inspiring future generations to value nature

The nation's wild places—from national and state parks to national forests, preserves, and wilderness areas—belong to all Americans. But not all of us use these resources equally. Minority populations are much less likely to seek recreation, adventure, and solace in our wilderness spaces. It's a difference that African American author James Mills addresses in his new book, *The Adventure Gap: Changing the Face of the Outdoors*. Bridging the so-called "adventure gap" requires role models who can inspire the uninitiated to experience and enjoy wild places. Once new visitors are there, a love affair often follows. This is important because as our country grows increasingly multicultural, our natural legacy will need the devotion of people of all races and ethnicities to steward its care. In 2013, the first all-African American team of climbers, sponsored by the National Outdoor Leadership School (NOLS), challenged themselves on North America's highest point, the dangerous and forbidding Denali, in Alaska. Mills uses Expedition Denali and its team members' adventures as a jumping-off point to explore how

minority populations view their place in wild environments and to share the stories of those who have already achieved significant accomplishments in outdoor adventures—from Mathew Henson, a Black explorer who stood with Peary at the North Pole, to Kai Lightner, a teenage sport climber currently winning national competitions. The goal of the expedition, and now the book, is to inspire minority communities to look outdoors for experiences that will enrich their lives, and to encourage them toward greater environmental stewardship.
