The Supernaturalist: The Graphic Novel

From: Colfer, Eoin (pronounced 'Owen' by the way) Sent: Last night To: The World (and all its time zones) Subject: A message from Artemis Fowl's Official Biographer Artemis Fowl. Where do I begin? This young criminal genius is no stranger to trouble. In fact, he's a magnet for it. Man-eating trolls, armed and dangerous (not to mention hi-tech) fairies, flame-throwing goblins - he's seen the lot. He had decided to forego criminal activity of the more magical kind. However . . . Now his mother is gravely ill. Artemis Fowl must travel back through time to steal the cure from the clutches of the devious mastermind . . . Artemis Fowl. That's right. With fairy ally Captain Holly Short by his side, Artemis is going back in time to do battle with his deadliest enemy yet. Himself. Let the misadventure begin. Eoin Colfer **DISCLAIMER:** This man is NOT my Biographer. He is a fantasist, writing sensationalist stories about me. I will neither confirm nor deny anything that appears between these covers. However, my lawyers - and my bodyguard - are watching. Signed Artemis Fowl II Visit Artemis Fowl online

A Handful of Stars

Soon to be a major motion picture! Winner of the Newbery Medal and a #1 New York Times bestseller This stirring and unforgettable novel from renowned author Katherine Applegate celebrates the transformative power of unexpected friendships. Inspired by the true story of a captive gorilla known as Ivan, this novel is told from the point of view of Ivan himself. Having spent 27 years behind the glass walls of his enclosure in a shopping mall, Ivan has grown accustomed to humans watching him. He hardly ever thinks about his life in the jungle. Instead, Ivan occupies himself with television, his friends Stella and Bob, and painting. But when he meets Ruby, a baby elephant taken from the wild, he is forced to see their home, and his art, through new eyes. The One and Only Ivan was hailed as a best book of the year by Kirkus, School Library Journal, and Amazon, demonstrating it is a true classic in the making. In the tradition of timeless stories like Charlotte's Web and Stuart Little, Katherine Applegate blends humor and poignancy to create Ivan's unforgettable first-person narration in a story of friendship, art, and hope. An author's note depicts the differences between the fictional story and true events. Plus don't miss The One and Only Bob, Katherine Applegate's return to the world of Ivan, Bob, and Ruby, coming in 2020!

Artemis Fowl and the Last Guardian

One week after their eleventh birthday, the Fowl twins--scientist Myles, and Beckett, the force of nature--are left in the care of house security (NANNI) for a single night. In that time they befriend a troll who has clawed his way through the earth's crust to the surface. Unfortunately for the troll, he is being chased by a nefarious nobleman and an interrogating nun, who both need the magical creature for their own gain, as well as a fairy-in-training who has been assigned to protect him. The boys and their new troll best friend escape and go on the run. Along the way they get shot at, kidnapped, buried, arrested, threatened, killed (temporarily), and discover that the strongest bond in the world is not the one forged by covalent electrons in adjacent atoms, but the one that exists between a pair of twins.

The Art of WolfWalkers

New York Times bestselling author Chris d'Lacey spins the epic conclusion to his saga of the original clash between humans and dragons.

Artemis Fowl and the Last Guardian

The hilarious debut novel from one of the world's favourite children's authors. Benny Shaw, a young sporting fanatic, is forced to leave his beloved Wexford, home of all his heroes, and move with his family to Tunisia! How will he survive in a place like this? Then he teams up with Omar, and a madcap friendship between the two boys leads to trouble, crazy escapades, a unique way of communicating, and heartbreaking challenges.

Artemis Fowl

Riley, an orphan boy living in Victorian London, has achieved his dream of becoming a renowned magician, the Great Savano. He owes much of his success to Chevie, a seventeen-year-old FBI agent who traveled from the future in a time pod and helped him defeat his murderous master, Albert Garrick. But it is difficult for Riley to enjoy his new life, for he has always believed in his heart of hearts that Garrick will someday, somehow, return to seek vengeance. Chevie has assured Riley on numerous occasions that Garrick was sucked into a temporal wormhole, never to emerge. The full nature of the wormhole has never been understood, however, and just as a human body will reject an unsuitable transplant, the wormhole eventually spat him out. By the time Garrick makes it back to Victorian London, he has been planning his revenge on Riley for half a century. But even the best-laid plans can go awry, and when the assassin decides to include Chevie in his retaliation, the three are tossed once more into the wormhole with no idea where—or when—they will end up.

The New Age (The Erth Dragons #3)

A collection of four all-new strange stories from the sleepy town of Gravity Falls in one original graphic novel. Written by Alex Hirsch. Illustrated by Asaf Hanuka, Dana Terrace, Ian Worrel, Jacob Chabot, Jim Campbell, Joe Pitt, Kyle Smeallie, Meredith Gran, Mike Holmes, Priscilla Tang, Serina Hernandez, Stephanie Ramirez, and Valerie Halla.

Art and Making of Artemis Fowl

Riley, a teen orphan boy living in Victorian London, has had the misfortune of being apprenticed to Albert Garrick, an illusionist who has fallen on difficult times and now uses his unique conjuring skills to gain access to victims' dwellings. On one such escapade, Garrick brings his reluctant apprentice along and urges him to commit his first killing. Riley is saved from having to commit the grisly act when the intended victim turns out to be a scientist from the future, part of the FBI's Witness Anonymous Relocation Program (WARP) Riley is unwittingly transported via wormhole to modern day London, followed closely by Garrick. In modern London, Riley is helped by Chevron Savano, a nineteen-year-old FBI agent sent to London as punishment after a disastrous undercover, anti-terrorist operation in Los Angeles. Together Riley and Chevie must evade Garrick, who has been fundamentally altered by his trip through the wormhole. Garrick is now not only evil, but he also possesses all of the scientist's knowledge. He is determined to track Riley down and use the timekey in Chevie's possession to make his way back to Victorian London where he can literally change the world.

Gravity Falls: Lost Legends

Meg Finn is in trouble. Unearthly trouble. Cast out of her own home by her stepfather after her mother's death, Meg is a wanderer, a troublemaker. But after a botched attempt to rob a pensioner's flat, Meg, along with her partner in crime, Belch, ends up in a very sticky situation. Meg's soul is up for grabs as the divine and the demonic try every underhanded ploy imaginable to claim it. Her only chance for salvation is the Wish List. But how can she persuade the pensioner Lowrie to help her when she has wronged him? And even if she can persuade him, will she really have enough good points to face up to St Peter? An unforgettable and gritty tale of life, death and an unexpected hereafter.

Artemis Fowl and the Time Paradox

"They are Hazel, James, Aubrey, and Colette. A classical pianist from London, a British would-be architect-turned-soldier, a Harlem-born ragtime genius in the U.S. Army, and a Belgian orphan with a gorgeous voice and a devastating past. Their story, as told by goddess Aphrodite, who must spin the tale or face judgment on Mount Olympus, is filled with hope and heartbreak, prejudice and passion, and reveals that, though War is a formidable force, it's no match for the transcendent power of Love"--

Airman

In 2001, audiences first met and fell in love with a twelve-year-old criminal mastermind named Artemis Fowl. Since then, the eight-book series about his adventures has sold over twenty-five million copies throughout the world. To coincide with the major motion picture coming from the Walt Disney Studios in August 2019, here is an all-new graphic novel adaptation of the book with crisp, accessible storytelling and clear, cinematic perspectives. Readers of all ages can now follow the siege at Fowl Manor between Artemis and the fairies in action-packed, full-color panels.

WARP Book 1: The Reluctant Assassin

Doctor Who: Thirteen Doctors 13 Stories

Best-selling author Rick Riordan presents J.C. Cervantes' epic finale to the Storm Runner trilogy, a tale of mystery, magic, and mayhem featuring gods from both Maya and Aztec mythology. Zane Obispo has been looking forward to his training at the Shaman Institute for Higher Order Magic, and not only because it means he'll be reunited with his best friend, Brooks. Anything would be better than how he has spent the last three months: searching for the remaining godborns with a nasty demon who can sniff them out (literally). But when Zane tracks down the last kid on his list, he's in for a surprise: the "one" is actually a pair of twins, and they're trying to prevent a mysterious object from falling into the wrong hands. After a shocking betrayal, Zane finds himself at SHIHOM sooner than expected. Even more shocking is the news that the Maya gods have gone missing. The bat god, Camazotz, and Ixkik' (aka Blood Moon) have taken them out of commission . . . and the godborns are their next target. The only thing the villains need now? The object that the twins possess. Zane knows the godborns aren't strong enough yet to stand up to Zotz, Ixkik', and their army. There might be a way to save the gods, but it involves locating a magical calendar that can see across time and space . . . not to mention traveling more than thirty years into the past. In *The Shadow Crosser*, Zane and his friends embark on their most treacherous mission yet--a mission that, with one blunder, could change history as we know it, and worse, destroy the universe.

Artemis Fowl

It all began with the FBI and WARP (Witness Anonymous Relocation Programme). Hiding witnesses in the past to protect the future - until now . . . Riley is a Victorian orphan, hurtled into the twenty-first century and on the run from his evil master . . . Albert Garrick, the terrifying assassin-for-hire pursuing Riley through time, along with . . . Chevie Savano, the FBI's youngest and most impulsive special agent. As Garrick relentlessly hunts them down, Riley and Chevie face a desperate race to stay alive and stop Garrick from returning to his own time - armed with knowledge and power that could change the world forever.

Shadow Crosser, The (Volume 3)

In the future, in a place called Satellite City, fourteen-year-old Cosmo Hill enters the world, unwanted by his parents. He's sent to the Clarissa Frayne Institute for Parentally Challenged Boys, Freight class. At Clarissa Frayne, the boys are put to work by the state, testing highly dangerous products. At the end of most days, they are covered with burns, bruises, and sores. Cosmo realizes that if he doesn't escape, he will die at this so-called orphanage. When the moment finally comes, Cosmo seizes his chance and breaks out with the help of the Supernaturalists, a motley crew of kids who all have the same special ability as Cosmo--they can see supernatural Parasites, creatures that feed on the life force of humans.

Benny and Omar

The first official chapter book series based on Minecraft! The adventures continue in the third official Minecraft chapter book based on one of the most popular video games of all time. As Ash, Morgan, and three of their fellow Minecraft players, who can actually enter the game, take a deep dive into the Aquatic biome, they find a world filled with beauty and wonder. A treasure map promises adventure and the opportunity to explore--but it could also be a trap set by the mysterious Evoker King. With air running low, will they survive to find out?

The Dog Who Lost His Bark

The evil pixie Opal Koboi has spent the last year in a self-induced coma, plotting her revenge on all those who foiled her attempt to destroy the LEPrecon fairy police. And Artemis Fowl is at the top of her list. After his last run-in with the fairies, Artemis had his mind wiped of his memories of the world belowground. But they have not forgotten about him. Once again, he must stop the human and fairy worlds from colliding – only this time, Artemis faces an enemy who may have finally outsmarted him.

Artemis Fowl: A Fowl Adventure

Tony Stark is known throughout the world as many things: billionaire, inventor, Avenger. But mainly for being the Invincible Iron Man. Just when Tony is about to add his pizzazz to an international eco-summit in Ireland, someone close to him forces him to question his role in making the world a more dangerous place with his high-tech weaponry. But Stark doesn't have much time to reflect before an old enemy presents him with an even greater challenge: the assassination of all the eco-ministers, and Iron Man himself. Just how invincible Iron Man is when he is stripped of everything remains to be seen in this breathless adventure by the best-selling author of Artemis Fowl.
