Colonial empire - Wikipedia

A colonial empire is a collective of territories (often called colonies), either contiguous with the imperial center or located overseas, settled by the population of a certain state and governed by that state.. Before the expansion of early modern European powers, other empires had conquered and colonized territories, such as the Romans in Iberia, or the Chinese in what is now southern China.

American Hegemony Is Ending With a Whimper, Not a Bang

The New World Order theory states that a group of international elites controls governments, industry, and media organizations, with the goal of establishing global hegemony. They are alleged to be implicated in most of the major wars of the last two centuries, to carry out secretly staged events, and to deliberately manipulate economies.

List of conspiracy theories - Wikipedia

The concept of Yugoslavia, as a single state for all South Slavic peoples, emerged in the late 17th century and gained prominence through the Illyrian Movement of the 19th century. The name was created by the combination of the Slavic words "jug" (south) and "slaveni" (Slavs). Yugoslavia was the result of the Corfu Declaration, as a joint project of the Slovene and Croatian intellectuals and

Before European Hegemony The World

The United States experienced a decade of booming technological innovation and unexpectedly high economic growth. The result was what many hailed as a “unipolar moment” of American hegemony. But this time really is different. The very forces that made U.S. hegemony so durable before are today driving its dissolution.

How American Hegemony Ends - Foreign Affairs

Axis powers, coalition headed by Germany, Italy, and Japan that opposed the Allied powers in World War II. It originated in a series of agreements between Germany and Italy, followed by the proclamation of an 'axis' binding Rome and Berlin (October 25, 1936), on which they claimed the world would rotate.

Neoliberalism (international relations) - Wikipedia

In the study of international relations, neoliberalism is a school of thought which believes that states are, or at least should be, concerned first and foremost with absolute gains rather than relative gains to other states. Neoliberalism is a revised version of liberalism. Alongside neorealism, neoliberalism is one of the two most influential contemporary approaches to international relations
