The Scariest Nicknames What's the scariest nonhuman nickname? Our vote is for the Israeli Deathstalker, a highly lethal scorpion. Another candidate is the Assassin Bug, which kills 10,000 human beings per year —more than sharks, alligators, crocodiles, wolves, lions, hippos and elephants combined, and with lots of room to spare! But there is

The Take Down - TheCrowhouse. Excellent Video! | Christian

THE RIGHT TO BEAR ARMS – JAN 6 2007. Great overview of Americans right to bear arms and how they plan on confiscating the guns. History tells us that the government will starve the population until you trade your guns in for food just as what happened in prior Communist takeovers.

Dark Fic - TV Tropes

The Race War in South Africa was really a race war between the Communist Jews and the Whites. The Jews used the Black to fight against the Whites just like they are doing in America today to try and create a Civil War between the Blacks and Whites to reduce the population.

The Fan Fic version of Darker and Edgier. Related to Grimmification. Often the result of Fridge Horror, in which case it is the fandom equivalent of Ascended Fridge Horror.. Contrast with Fix Fic. A Dark Fic may or may not be the end result of a Deconstruction Fic. If the series was already dramatic and dark, it shouldn't really be here (e.g. it's impossible to make a dark fic of The Walking Dead)
