Machaut's Mass

It's been ten years since clean-cut, sexy-as-hell police officer Todd Keenan had a white-hot fling with wild, uninhibited rocker Erin Brown. What happened between them got under his skin—even if love wasn't in the cards just yet... Now that they're back together, picking up where they left off is tough in light of Erin's troubled past. As Todd earns her trust, their relationship takes an unexpected turn. Todd's best friend, Ben, comes to play, arousing their deepest fantasies. The passion they share transforms Erin, but it may not be enough to face the evil she thought she had left behind.

The Devil Wears Black

The good thing about hitting rock bottom is I've nothing left to lose, and the only way is up. He thinks he's destroyed me. Broken me beyond repair. But he always underestimates women. All he's done is reinforced my resolve. I won't stop until justice prevails and he gets what's coming to him. Kaiden is the only light in the darkness. He gives me the strength to continue fighting for the future we both crave--a world where we are free to love one another and make our own choices. Until then, the charade must continue. Game on. This concludes Abby and Kai's romance. 106k words, full-length novel. This is a dark romance, and some scenes may be triggering. Only recommended to readers aged eighteen and older.

Defy

They say that life is a beautiful lie and death a painful truth. They're right. No one has ever made me feel more alive than the guy who serves as a constant reminder that my clock is ticking. He is my forbidden, shiny apple. The striking fallacy to my blunt, raw, truth. He is also my sister's ex-boyfriend. One thing you should know before you judge me; I saw him first. I craved him first. I loved him first. Eleven years later, he waltzes into my life, demanding a second chance. Dean Cole wants to be my bronze horseman. But my clock is ticking. See, I'm not like the rest. I have an illness. Sometimes I conquer it. Sometimes it conquers me. My white knight has finally arrived. Hopefully, he isn't too late.

Broken Knight

Bane Naked surfer. Habitual pothead. A con, a liar, a thief and a fraud. Last I heard, he was extorting the rich and screwing their wives for a living. Which is why I'm more than a little surprised to find him at my threshold, looking for my friendship, my services, and most puzzling of all-looking humbled. Thing is, I'm on a boycott. Literally-I cut boys from my life. Permanently. Problem is, Bane is not a boy, he is all man, and I'm falling, crashing, drowning in his sweet, perfect lies.

The Best Years

Savannah This town ain't big enough for the two of us. Which is why I left. I was determined never to return to Hale, Texas. But when my new life in the Big Apple throws me a curve ball, I have to go back to tie up loose ends. One of those being him. Jason Whitney was my first everything. Kiss, love, epic heartbreak. He shattered my world once upon a time, and apparently, he's not done yet. With old demons lurking around every corner, hightailing it out of my hometown is at the top of my list. Complete my unfinished business, and I get to leave any memory of my country existence behind. Only, with each day I spend in it, with each moment I spend with him, I'm turning back into the girl who laid in the tall grass and swam in the creek all those years ago. And I'm not sure that who I was is ready to let me go again. Jason We drew a line down the middle, and neither of us has crossed it. That is, until Savannah Reese blew back into our hometown. The day my high school sweetheart left, she took my whole heart with her. We promised each other forever, made plans that only teenagers could believe in, and crashed and burned on the grandest of scales. When Savannah last saw me, I was a disgraced high school athlete. All washed up, I took it out on the only person who loved me. Then her world really fell apart, and I was too selfish to care. Now she's back, ready to sell the only remaining thing tying us to each other. I've been breaking my back for the last ten years not to think about her, not to be reminded of the love we shared. But now that she's right here, it's impossible to forget how we used to be. Or let go of what we still are.

Laid Bare

I shouldn't have remembered him. He was just a guy who walked through a restaurant. I didn't know his name. We never made eye contact. There was no connection between us at all. But I could feel him. The tingle down my spine. The command in his presence. The snap of tension in the air around him. That was the first time I saw him, and I was captivated. The second time was different. He was in the mysterious back elevator of my apartment building. Our eyes met for a fleeting second before the doors closed, and I was staggered. My breath was robbed. My senses on high alert. My body hummed. That was just the beginning. He was the leader of the mafia. I was about to fall in love with him, and his name Cole Mauricio. **Full length stand-alone

I Dare You

From USA Today bestselling author L.J. Shen comes a second-chance romance about love, loss, finding yourself, and getting lost in the right person. Maddie Goldbloom stitched up a plan to ensure everything in her life was perfect--from a career in fashion to a chic NYC apartment to a pediatrician boyfriend. When her ex, Chase Black, storms back into her life with an outrageous request, her immediate reaction is to refuse him. But he only wants to fulfill his father's last wish. So even though he's the man who broke her heart, playing his fiancée shouldn't be hard, especially if it means she gets to watch the arrogant devil squirm a bit. What ensues is a chain of events that detonates Maddie's life--and when Chase's walls come down, they both are forced to face reality. They say keep your enemies close. But what if your enemy is also the man you love?

Sweet Retribution

A woman is held prisoner and plots a way to escape using sex and a dangerous man.

Blood to Dust

From New York Times bestselling author Penelope Ward, comes a new standalone novel. It was the summer of my life. I'd met the guy of my dreams. Unfortunately, he was the son of my uppity employer—and very much off-limits. But Gavin was a rebel. He knew his mother would disown him if

she found out about us; in his eyes, we just had to be careful. He never treated me as his mother did—like hired help. Instead, Gavin put me on a pedestal and loved me harder than I'd ever been loved in my life. What a summer it was. Until it all ended—badly. I was never supposed to see Gavin again. That didn't stop me from thinking about him every day for ten years. I knew little about his life now, just that he was an entrepreneur living an ocean away. When a twist of fate had me working again in the very place our love affair started a decade earlier, I knew it was only a matter of time before I might see him again. But I wasn't prepared. What if he hated me? What if he loved someone else now? I wasn't prepared for all the unknowns. And most of all, I wasn't prepared for today to be the day he came back.

Gentleman Nine

Emilia They say love and hate are the same feelings experienced under different circumstances, and it's true. The man who comes to me in my dreams also haunts me in my nightmares. He is a brilliant lawyer. A skilled criminal. A beautiful liar. A bully and a savior, a monster and a lover. Ten years ago, he made me run away from the small town where we lived. Now, he came for me in New York, and he isn't leaving until he takes me with him. Vicious She is a starving artist. Pretty and evasive like cherry blossom. Ten years ago, she barged into my life unannounced and turned everything upside down. She paid the price. Emilia LeBlanc is completely off-limits, my best friend's ex-girlfriend. The woman who knows my darkest secret, and the daughter of the cheap Help we hired to take care of our estate. That should deter me from chasing her, but it doesn't. So she hates me. Big fucking deal. She better get used to me.

Pretty Reckless

They call him The Mute for a reason. Hard, cold and calculated, he rarely speaks. When he does, it's with disdain. When he does, his words aren't meant for me. When he does, my stomach flips and my world tilts on its axis. He is thirty-three. I am eighteen. He's a single dad and my father's business partner. I'm just a kid to him and his enemy's daughter. He's emotionally unavailable. And I am feeling. Feeling things I shouldn't feel for him. Trent Rexroth is going to break my heart. The writing isn't just on the wall, it's inked on my soul. And yet, I can't stay away. A scandal is the last thing my family needs. But a scandal is what we're going to give them. And oh, what beautiful chaos it will be.

Wicked Gods

Nowhere is safe when the gods are wicked. Since the beginning of times, there have always been two sides: Norms and Idols. But never have the scales been so unbalanced as they are today. I'm a Norm, which means, I grew up in fear of the Idols and their godly powers. And now, I'm going to be surrounded by them, day and night. I've been offered a place at the prestigious Gifted Academy, an opportunity very few Norms get. To survive, I must become invisible. But my hope to get through the academy unscathed goes down the drain when the most powerful boys in school set their eyes on me. They hate me simply because I'm a Norm. If they knew who I truly am, they'd tear me apart limb by limb. But I'm done cowering away from Idols. It's time for the Norms to fight back, and it all starts with me.

Wild Highway

Jolie Louis is a smart girl. She knows that her best friend, Sage Poirier, is a bad idea. He's a walking, talking cliché. The Adonis quarterback with the bulging biceps and harem of fangirls trailing behind him on campus like a stench you can't get rid of. Sadly, that's also the reason she can't stay away from him. Well, that and the fact that they're roommates. Jolie is already straddling the line between friendship and

more when Sage comes to her with an offer she cannot refuse: Be his fake girlfriend and live for free for the rest of the semester. She tells herself that she can handle it. He's just the boy she saved 10 years ago, right? Wrong. So very wrong. He is a man now, and she is his captive, heart, body, and soul.

Drunk Dial

Just as this nightmare began, I once again find myself bound, destination unknown. However, this time, my kidnapper is the man who shattered my world beyond repair. Aleksei Popov--Russia's number one mobster, and the man I was sold to. His intentions for me are clear--submit, obey him, and call him master--but I won't surrender. I'm not like the other girls. Whether that's a blessing or curse, I've yet to decide. The problem is, my disobedience intrigues my captor all the more. When we arrive in Russia, the rules change. Saint, the man who was once a sinner, is my only salvation. What was forbidden now gives me hope that there is light in the darkness. He will risk everything to set me free. But behind these opulent walls, things aren't what they seem, and when the fine line between pleasure and pain begins to blur, only one thing matters--saving my soul. I will lie. Cheat. Steal. I was once an angel, but now I'm a fallen saint, ready to inflict my own pain and burn this hellhole to the ground.

The Soulmate Equation

Gemma Lane built an empire. Not a small feat, considering her home as a teenager was a makeshift tent in a California junkyard. She's dedicated her life to turning pennies into millions. She has power, fortune and prestige. And she's leaving it all behind. Gemma is headed across the country in her best friend's Cadillac when a detour in Montana reunites her with old acquaintances and a man who hasn't changed. Easton Greer challenges her every word and tests her every limit because he doesn't believe she's really abandoned her riches. She ignores his snide remarks and muttered censure—until the day she's ready to return to the wild highway, and Easton taunts her to stay. She'll prove to him she's not just running back to her wealthy life, that she's more than her money. She'll unlock her guarded heart and hope that this time around, he'll treasure the key.

Ruckus

Through humor and lively storytelling author, Sam Jerry shares a bizarre, chaotic coming of age tale of growing up in the south during the late '70s and '80s. By pulling back the curtain of shame, she gives an honest, first-hand glimpse into the dysfunction and uncertainty she faced once her parents divorced. With the end of her parents' marriage, came the end to both supervision and structure, resulting in childhood of abandonment and self-sabotage. Part memoir, part self-help, Sam Jerry cuts straight to the heart, reminding us we are each capable and deserving of getting to the other side of trauma. "We each represent a story, and our stories are meant to be shared. Once we experience someone through their story, the walls of division wear away, and we're left with the beauty of humanity. By shedding light on my shame, I hope to encourage you, the reader, to believe in yourself and in your ability to resolve." Sam Jerry

Vicious - Limited Edition

"How long do you last in bed?" Those were her first words to me, swiftly followed up with, "And how big would you say you are?" Cue the record scratching, what?! Persephone Alexander. Math genius. Lover of blazers. The only girl I know who can make Heidi braids look sexy as hell. And she's on a mission. Lose her virginity by the end of the semester. I walked in on her interview session for potential candidates (who even does that?) and saw straight through her brave front. She's got a list of Firsts to

accomplish like she's only got months to live. I've decided to be her guide for all her firsts except one. Someone's got to keep her out of trouble. I have one rule, no sex. We even shook on it. I'll help her find the right guy for the job. Someone like her doesn't need someone like me and my massive baggage for her first time. Drinking at a bar. Check. Partying all night. Double check. Skinny dipping. Triple check. She's unlike anyone I've ever met. The walls I'd put up around my heart are slowly crumbling with each touch that sets fire to my soul. I'm the first to bend the rules. One electrifying kiss changes everything and suddenly I don't want to be her first, I want to be her only. But her plan was written before I came onto the scene and now I'm determined to get her to re-write her future with me.

The Perfect First

"Everyone needs to read this book. I'm certain you won't feel a single regret." - Harloe Rae, USA Today Bestselling author. From USA Today and Washington Post bestselling author L.J. Shen comes a new, standalone romance about first loves, betrayal and loss. Not all love stories are written the same way. Ours had torn chapters, missing paragraphs, and a bittersweet ending. Luna Rexroth is everyone's favorite wallflower. Sweet. Caring. Charitable. Quiet. Fake. Underneath the meek, tomboy exterior everyone loves (yet pities) is a girl who knows exactly what, and who, she wants—namely, the boy from the treehouse who taught her how to curse in sign language. Who taught her how to laugh. To live. To love. Knight Cole is everyone's favorite football hero. Gorgeous. Athletic. Rugged. Popular. Liar. This daredevil hell-raiser could knock you up with his gaze alone, but he only has eyes for the girl across the street: Luna. But Luna is not who she used to be. She doesn't need his protection anymore. When life throws a curveball at All Saints' golden boy, he's forced to realize not all knights are heroes. Sometimes, the greatest love stories flourish in tragedy.

The Body Painter

"A runaway train of revenge, rivalry and angst. This complex and venomous tale takes on a modern-day Cruel Intentions/Mean Girls vibe. Pretty Reckless is unputdownable and absolute Kindle Crack." - Kindle Crack Book Reviews From USA Today and Washington Post bestselling author L.J. Shen comes an intense, high school enemies-to-lovers romance with a twist. Penn They say revenge is a dish best served cold. I'd had four years to stew on what Daria Followhill did to me, and now my heart was completely iced. I took her first kiss. She took the only thing I loved. I was poor. She was rich. The good thing about circumstances? They can change. Fast. Now, I'm her parents' latest shiny project. Her housemate. Her tormentor. The captain of the rival football team she hates so much. Yeah, baby girl, say it—I'm your foster brother. There's a price to pay for ruining the only good thing in my life, and she's about to shell out some serious tears. Daria Followhill thinks she is THE queen. I'm about to prove to her that she's nothing but a spoiled princess. Daria Everyone loves a good old unapologetic punk. But being a bitch? Oh, you get slammed for every snarky comment, cynical eye roll, and foot you put in your adversaries' way. The thing about stiletto heels is that they make a hell of a dent when you walk all over the people who try to hurt you. In Penn Scully's case, I pierced his heart until he bled out, then left it in a trash can on a bright summer day. Four years ago, he asked me to save all my firsts for him. Now he lives across the hall, and I want nothing more than to be his last everything. His parting words when he gave me his heart were that nothing in this world is free. Now? Now he is making me pay.

Cruel Prince

Taking her is my right. Breaking her, my duty. I was always going to choose Helena. I knew it the instant I saw her. She's different than the others. There's a darkness about her. Something wild inside her. And it calls to the beast inside me. But she isn't what I expect. With every word and every touch,

she pushes me, burrows deep under my skin, challenging the rules, upending history. And all the while, I see how my brother watches her. He wants her, and as the rules stand, she'll become his in one year's time. Except that I have no intention of giving her up.

Scandalous

My life is over. I swore I would never work at the whiskey distillery with my last name on it, that I would never be a part of my father's legacy. But when I graduated with my art degree and realized there were no jobs, the devil appeared, and I sold my soul, agreeing to work in the family business if he'd give me the art studio I'd always dreamed of. It can't be that bad, I thought. Until I realized my new boss was Logan Becker. The Becker brothers have a reputation for being trouble, and since I love trouble, it's no surprise to me that I'm infatuated by that forbidden fruit the first day I walk into the distillery. That lean, whiskey-eyed, too-hot-for-his-own-good man hates me - and I can't blame him. His family has been at war with mine for decades, and for good reason. The Beckers and the Scooters are the Montagues and Capulets of Stratford, Tennessee. But if he's Romeo, and I'm Juliet? Well we all know how that story ends - and for that reason, I tell myself to steer clear. Because if my father finds out I'm falling for Logan Becker, my life actually will be over. And Logan's will be, too.

Fallen Saint

From New York Times bestselling author Penelope Ward, comes a new, sexy standalone novel. Growing up, the three of us were friends. He was the nerd. I was the playboy. She was the beauty. Deep down, I only ever wanted her. I kept it inside because Rory and I made a pact that our friend, Amber, was off-limits. He lied. I went off to college, and he got the girl. Amber never knew how I felt. They were together for years before he broke her heart. Through it all and across the miles, she and I casually stayed in touch. When my job sent me to Boston for a three-month contract position, Amber let me stay in her spare room. Still reeling from her breakup, she'd sworn off men. One night, I opened her computer to find the shock of my life. She'd hesitantly contacted a male escort company. Afraid to date and get her heart broken again, she was looking for sex with no strings. Every emotion imaginable ran through me: protectiveness, jealousy, curiosity. Amber had chosen Gentleman Number Nine and sent him a message. She opened up to him, confessing, among other things, her physical attraction to her friend - me. But she considered me off-limits and she thought I was a manwhore. (Ironic, considering the circumstances.) Eventually, she set up a date to meet Gentleman Nine at a hotel. When she showed up several nights later to meet him, she was stunned to see me standing there with an offer I hoped she wouldn't refuse.

Broken

SAINT College. My one chance to escape. And I ran as far and fast as I could. Straight into the arms of something more dangerous. Oliver. He thinks I'm a good girl. But he doesn't know what I'm running from. He thinks I should stay away from him. But I can't. I like his cruel words. And his intoxicating smile. He's a temptation I can't resist. Am I a sinner or saint? SINNER College. Second year. There are bad decisions at every turn. Including the new freshman, Layla. Temptations I can't fight. Shackles I can't escape. I'm only comfortable with the cruelty that slips from my lips. Her innocent charm isn't going to polish away my bad reputation. This wasn't going to end well. We all have secrets. What's your sin?

The Consolation Duet

Can you ever truly leave the past behind in a house full of haunted souls? Kiara always wanted a loving

family she could take care of. She never thought she'd find it with the Falcones. Nino and Kiara both lost part of themselves in their traumatic childhood. Together they're trying to recover the missing pieces, but they aren't the only broken souls in the Falcone mansion; Kiara fears that not all of them can be saved. Determined to protect her new family and the future of her dreams, she's on a mission to help each of them in her own way, even if it means stacking up secrets. Four brothers bound together by an unbreakable bond forged in their dark past. If one of them falls, will they all?

Torn

"Must be slim, able to stand for long periods of time, and be impervious to the cold." The headline caught my attention. "Hours are negotiable, pay is minimal, clothing absolutely forbidden." The second line piqued my curiosity. "Able to hold your bladder and tongue, refrain from opinions or suggestions, and be the perfect living canvas." The third made me scowl. "Other attributes required: non-ticklish, contortionist, and obedient. Must also enjoy being studied while naked in a crowd." The fourth made me shudder. "Call or email 'YOUR SKIN, HIS CANVAS' if interested in applying." The final made my heart race. I should've kept scrolling past the advertisement. I should've applied for the boring receptionist job at minimum wage. I should've clicked on any other job where I got to keep my clothes on. But I didn't. I applied. My interview is tomorrow...

Twisted Bonds

Welcome to their kingdom I never thought I'd step foot in Royal Manor again. But four years later, here I am back to finish my senior year at Royal Hearts Academy. And forced to face Jace Covington. My first friend. First crush. First kiss. The one I left behind. Only he isn't the same boy I gave my heart to. This new Jace is as cruel as he is gorgeous. And he's determined to make my life a living hell. Along with the rest of his glorified family and crew of tyrants. They expect me to worship the ground they walk on like everyone else, but I'd rather eat dirt. If Jace Covington wants me gone he'll have to try harder. Because

I've never been the kind of girl to play by the rules. **WARNING:** Royal Hearts Academy is a New Adult/High School series of standalones filled with drama, a touch of angst, and boys who are bad to the bone. This series is recommended for mature readers due to graphic language and sexual content.

Over the Woodward Wall

Lauren Layne's heart-wrenching novel tells the story of a girl with secrets, a guy with scars, and a love that could save them both . . . or destroy them. When Olivia Middleton abandons the glamour of Park Avenue for a remote, coastal town in Maine, everyone assumes she's being the kind do-gooder she's always been. But Olivia has a secret: helping an injured war veteran reenter society isn't about charity—it's about penance. Only, Olivia's client isn't the grateful elderly man she's expecting. Instead, he's a brooding twenty-four-year-old who has no intention of being Olivia's path to redemption . . . and whose smoldering gaze and forbidden touch might be her undoing. Paul Langdon doesn't need a mirror to show him he's no longer the hotshot quarterback he was before the war. He knows he's ugly—inside and out. He'll do anything to stay in self-imposed exile, even accept his father's ultimatum that Paul tolerate the newest caretaker for three months or lose his inheritance. But Paul doesn't count on the beautiful twenty-two-year-old who makes him long for things that he can never have. And the more she slips past his defenses, the more keeping his distance is impossible. Now Paul and Olivia have to decide: Will they help each other heal? Or are they forever broken? Praise for *Broken* "A solid tale and a quick read, with plenty of steamy romance and sex."—Library Journal "Broken is as heartbreaking as it is heartwarming. Angry God

Machaut's *Messe de Notre Dame* stands as an enduring monument of medieval musical art. As such it is one of the most widely studied and performed works of music written before 1600. The Mass itself, however, is surrounded by uncertainty; its date of composition is unknown, its purpose is unclear, and its construction yields much ambiguity. Daniel Leech-Wilkinson has now prepared a much-needed modern performing edition of this work, published by OUP's music department. This companion volume defines his editorial methods in the context of the minefield of controversies surrounding the principles of editing music of this period, and indeed of the many different interpretations of the compositional structure and function of the music. Relating the Mass to other works of the period, he provides the student and performer with an invaluable guide to its intricacies, while his approach will be welcomed by scholars as both controversial and stimulating.

Writing as A. Deborah Baker, New York Times bestselling and award-winning author Seanan McGuire introduces readers to a world of talking trees and sarcastic owls, of dangerous mermaids and captivating queens in *Over the Woodward Wall*, an exceptional tale for readers who are young at heart. If you trust her you'll never make it home Avery is an exceptional child. Everything he does is precise, from the way he washes his face in the morning, to the way he completes his homework – without complaint, without fuss, without prompt. Zib is also an exceptional child, because all children are, in their own way. But where everything Avery does and is can be measured, nothing Zib does can possibly be predicted, except for the fact that she can always be relied upon to be unpredictable. They live on the same street. They live in different worlds. On an unplanned detour from home to school one morning, Avery and Zib find themselves climbing over a stone wall into the Up and Under – an impossible land filled with mystery, adventure and the strangest creatures. And they must find themselves and each other if they are to also find their way out and back to their own lives. Once upon a time, there was this pampered rich girl who was kind of full of herself. She really only cared about appearances and hiding all her dark, ugly secrets under the guise of an opinionated snob. But then Eva Mercer got pregnant, shot by a psycho, and kicked out of the only home she knew. Now she's broke, unemployed, and has to start anew with a newborn to raise. But how? On the other side of town, sexy, tattooed orphan, Patrick Ryan, can't get a break. He's out on parole for defending the last damsel in distress while trying to help her support her child, but all he wants is to find his one true love. He knows this woman by scent, smile, and laugh, but he's never actually met her. He doesn't even know her name. He just knows she's the key to fixing everything. One kind of hero can save you from physical harm. Another can rescue you from a different kind of doom. To reach their dreams, Eva and Pick can save each other. But first, they must open their hearts and learn how to trust.

All I own is a nice, juicy grudge against him for that time he almost killed me. Between hooking up with a different girl every weekend, breaking hearts, noses and rules, Vaughn also finds the time to bully little ole' me. I fight back, tooth and nail, never expecting him to chase me across the ocean after we graduate high school. But here he is, living with me in a dark, looming castle on the outskirts of London. A fellow intern. A prodigal sculptor. A bloody genius. They say this place is haunted, and it is. Carlisle Castle hides two of our most

awful secrets. Vaughn thinks he can kill the ghosts of his past, but what he doesn't know? It's my heart he's slaying.

Cole

Liam wasn't supposed to be my happily ever after. He wasn't even on my radar. He was my husband's best friend-forbidden. But my husband died and I fell in love with Liam only to be left shattered into a million pieces. Again. I want him. I need him. I yearn for him, but he's gone. Now I have to decide if it's him I love or if he was just the consolation prize all along.

The End Zone

What do you do when the devil has you in his sights? You show him that you can play his game. Austin Lowes is new to town. She's running from a mom who hates her to her dad who cares nothing about her. Only a few months and she will be free, or at least, that's what she hopes until she meets him. Cole Reynolds is the devil disguised as a man. He wants her fear, he wants her blood, and he wants her soul. Just a little game, he says, I dare you. Will Austin survive him, or will she lose herself and the game? Secrets are revealed and justice will be served, but at what cost? Who survives and who doesn't?

Dirty Headlines

The New York Times bestselling author of *The Unhoneymooners* returns with a witty and effervescent novel about what happens when two people with everything on the line are thrown together by science—or is it fate? Perfect for fans of *The Rosie Project* and *One Plus One*. Single mom Jess Davis is a data and statistics wizard, but no amount of number crunching can convince her to step back into the dating world. Raised by her grandparents—who now help raise her seven-year-old daughter, Juno—Jess has been left behind too often to feel comfortable letting anyone in. After all, her father's never been around, her hard-partying mother disappeared when she was six, and her ex decided he wasn't "father material" before Juno was even born. Jess holds her loved ones close, but working constantly to stay afloat is hard and lonely. But then Jess hears about GeneticAlly, a buzzy new DNA-based matchmaking company that's predicted to change dating forever. Finding a soulmate through DNA? The reliability of numbers: This Jess understands. At least she thought she did, until her test shows an unheard-of 98% compatibility with another subject in the database: GeneticAlly's founder, Dr. River Pena. This is one number she can't wrap her head around, because she already knows Dr. Pena. The stuck-up, stubborn man is without a doubt not her soulmate. But GeneticAlly has a proposition: Get to know him and we'll pay you. Jess—who is barely making ends meet—is in no position to turn it down, despite her skepticism about the project and her dislike for River. As the pair are dragged from one event to the next as the "Diamond" pairing that could make GeneticAlly a mint in stock prices, Jess begins to realize that there might be more to the scientist—and the science behind a soulmate—than she thought. Funny, warm, and full of heart, *The Soulmate Equation* proves that the delicate balance between fate and choice can never be calculated.
