A unique and edgy cookbook, Prison Ramen takes readers behind bars with more than 65 ramen recipes and stories of prison life from the inmate/cooks who devised them, including celebrities like Slash from Guns n' Roses and the actor Shia LaBeouf. Instant ramen is a ubiquitous food, beloved by anyone looking for a cheap, tasty bite—including prisoners, who buy it at the commissary and use it as the building block for all sorts of meals. Think of this as a unique cookbook of ramen hacks. Here's Ramen Goulash. Black Bean Ramen. Onion Tortilla Ramen Soup. The Jailhouse Hole Burrito. Orange Porkies—chili ramen plus white rice plus ½ bag of pork skins plus orange-flavored punch. Ramen Nuggets. Slash's J-Walking Ramen (with scallions, Sriracha hot sauce, and minced pork). Coauthors Gustavo "Goose" Alvarez and Clifton Collins Jr. are childhood friends—one an ex-con, now free and living in Mexico, and the other a highly successful Hollywood character actor who's enlisted friends and celebrities to contribute their recipes and stories. Forget flowery writing about precious, organic ingredients—these stories are a first-person, firsthand look inside prison life, a scared-straight reality to complement the offbeat recipes.

Chicken Soup for the Soul: The Power of Forgiveness

An anthology of illustrated narratives about the prison and the lives it changed forever In January 2002, the United States sent a group of Muslim men they suspected of terrorism to a prison in Guantánamo Bay. They were the first of roughly 780 prisoners who would be held there-and 40 inmates still remain. Eighteen years later, very few of them have been ever charged with a crime. In Guantánamo Voices, journalist Sarah Mirk and her team of diverse, talented graphic novel artists tell the stories of ten people whose lives have been shaped and affected by the prison, including former prisoners, lawyers, social workers, and service members. This collection of illustrated interviews explores the history of Guantánamo and the world post-9/11, presenting this complicated partisan issue through a new lens.

Chicken Soup for the Teenage Soul on Love & Friendship

A decade ago, former military counterintelligence officer Terry Henry joined his precocious young daughter, Kyria, on a trip to a nursing home in order to allow its residents to play with their family dog, a golden retriever named Riley. Terry was astounded by the transformations that unfolded before his eyes. Soon after, Terry and Kyria started their service dog organization, paws4people, with the goal of pairing dogs with human beings in need of healing, including traumatized and wounded war veterans and children living with physical, emotional, and intellectual disabilities. In A Dog's Gift, award-winning journalist and author Bob Drury movingly captures the story of a year in the life of paws4people and the broken bodies and souls the organization mends. The book follows the journey of pups bred by the organization from their loving, if rigorous, early training to an emotional event that Terry and Kyria have christened "the bump," where each individual service dog chooses its new owner through an almost mystical connection that ignites the healing process. Incorporating vivid storytelling, insights into canine wisdom, history, science, and moving tales of personal transformation, A Dog's Gift is a story of miracles bound to be embraced by not only the 60 million Americans who own dogs, but by anyone with a full heart and a loving soul.

A Dog's Gift

Sex work was once thought to be anathema to women's liberation. Now, to some, we represent the tenacity of women's struggles under patriarchy and capitalism—that is, at least, the white, straight, cis, able-bodied sex workers who don't engage in actual sex with clients. These are the workers who get the glossy media profiles and get touted as feminist icons. But the red umbrella is wide and covers so many: escorts, sugar babies, strippers, session wrestlers, cam performers, fetish models, DIY queer porn stars, and the full range of gender, race, and ability. Our work and our identities are as vast and variable as the spectrum of sexuality itself. We do the work. In the streets, in the clubs, in hotel rooms, and in play party dungeons. We make dreams come true so we can afford a place to sleep. We do business in a marketplace that politicians and police are constantly burning down for our "own safety and dignity." We have high heels and higher anxiety. This isn't a collection of sob stories of heartbroken

whores. This is a testament of life at ground zero of sexual discourse, the songs of canaries in the coal mines of sex, gender, class, race, and disability. We may dance on the table, but we still demand our seat at it. Sex workers of the world unite. This is A Whore's Manifesto.

Chicken Soup for the Recovering Soul

A top-ranked horse trainer's gorgeous, life-affirming memoir that offers profound insight into the fascinating ways both horses and humans seek relationships to survive. At the start of this remarkable story of recovery, healing, and redemption, Ginger Gaffney answers a call to help retrain the troubled horses at an alternative prison ranch in New Mexico, a facility run entirely by the prisoners. The horses are scavenging through the dumpsters, kicking and running down the residents when they bring the trash out after meals. One horse is severely injured. The horses and residents arrive at the ranch broken in one way or many: the horses are defensive and terrified, while the residents, some battling drug and alcohol addictions, are emotionally and physically shattered. With deep insight into how animals and humans communicate through posture, body language, and honesty of spirit, Gaffney walks us through her struggle to train the untrainable. Gaffney peels away the layers of her own story—a solitary childhood, painful introversion, and a transformative connection with her first horse, a filly named Belle—and she, too, learns to trust people as much as she trusts horses. As her year-long odyssey builds toward a dramatic conclusion, the group experiences triumphs and failures, brave recoveries and relapses, as well as betrayals and moving stories of trust and belonging. Resonant, smart, and beautifully written, *Half Broke* tears at the heart of what it takes to find wholeness after years of trauma and addiction and offers profound insight on how working with animals can satisfy our universal need for connection.

Chicken Soup for the Volunteer's Soul

From the critically acclaimed author of *The 25th Hour* and *When the Nines Roll Over* and co-creator of the HBO series *Game of Thrones*, a captivating novel about war, courage, survival – and a remarkable friendship that ripples across a lifetime. During the Nazis' brutal siege of Leningrad, Lev Beniov is arrested for looting and thrown into the same cell as a handsome deserter named Kolya. Instead of being executed, Lev and Kolya are given a shot at saving their own lives by complying with an outrageous directive: secure a dozen eggs for a powerful Soviet colonel to use in his daughter's wedding cake. In a city cut off from all supplies and suffering unbelievable deprivation, Lev and Kolya embark on a hunt through the dire lawlessness of Leningrad and behind enemy lines to find the impossible. By turns insightful and funny, thrilling and terrifying, the *New York Times* bestseller *City of Thieves* is a gripping, cinematic World War II adventure and an intimate coming-of-age story with an utterly contemporary feel for how boys become men.

Chicken Soup for the Couple's Soul

The number of people incarcerated across the United States reached two million in 2002. That number has increased since then, and the U.S. holds the highest incarceration rate in the world - one out of every 100 Americans are in prison. The rate of imprisoned females is rising at a faster rate than imprisoned males, and many individuals are imprisoned for non-violent crimes. Individuals with otherwise respectable lives are incarcerated with little or no idea of what to expect and how it will affect them and their families. This book was written to help anyone who is preparing to go to prison with the possibilities, expectations, and realities of their situation from the strain it will put on a marriage, to the conversations you will need to have with your children. You will learn everything you need to know about prison that the system is unwilling to tell you. Learn how visitation works and how often you will be able to see your family. Learn how to discuss prison with your children and how to maintain a healthy relationship with your spouse regardless of the duration of your incarceration. Learn about the unique issues women go through in prison. Learn how to write a loving letter and how to effectively bide your time in prison without succumbing to the temptations and bad influences. Learn how to maintain your dignity and the respect of your children despite everything that has happened, by consistently keeping in touch. After interviewing more than 100 past and present inmates along with their families, this book provides a complete perspective into how people respond to the prospect and reality of incarceration,

and what you can do to prepare for those realities. Learn what prison life is really like depending on your crime and where you will be sent. Learn how you can reduce your prison time through good behavior and how you can: prepare your family for your departure, prepare your finances, ensure friends or family members will help your spouse, and set aside the necessary resources to maintain your family's lifestyle and comfort. For anyone preparing to go to prison and leaving behind a family, this book will provide the necessary information that no one else is willing to tell you before you go in. Chicken Soup for the Veteran's Soul

Have you ever asked yourself why you are on planet Earth? And what the ultimate purpose for your life might be? Well, Jack Canfield asked himself this very question and came up with a surprising answer –part of which included a vision revealing that he is part of a "Golden Motorcycle Gang" –a gang whose intent is to have fun, but also to make significant contributions to the well-being of humanity. During a joyful dinner many years ago in Santa Barbara, California, Jack told his friend William Gladstone about the Gang. Upon hearing this account, William had an epiphany that Jack's story held a powerful underlying truth not only explaining Jack's true purpose, but William's as well. For more than ten years, William encouraged Jack to write a book based on the story of the Gang, so they have now collaborated on this work to show you its relevance to this critical moment in the history of human civilization . . . and also to you, personally. As you read, you will be introduced to some of the extraordinary members of the Golden Motorcycle Gang, including visionary thinkers such as Barbara Marx Hubbard, the originator of the concept of Conscious Evolution. The mystery and adventure inherent in

The reassuring bromides of "chicken soup for the soul" provide little solace for nurses—and the people they serve—in real-life hospitals, nursing homes, schools of nursing, and other settings. In the minefield of modern health care, there are myriad obstacles to quality patient care—including work overload, inadequate funds for nursing education and research, and poor communication between and within the professions, to name only a few. The seventy RNs whose stories are collected here by the award-winning journalist Suzanne Gordon know that effective advocacy isn't easy. It takes nurses willing to stand up for themselves, their coworkers, their patients, and the public. When *Chicken Soup Isn't Enough* brings together compelling personal narratives from a wide range of nurses from across the globe. The assembled profiles in professional courage provide new insight into the daily challenges that RNs face in North America and abroad—and how they overcome them with skill, ingenuity, persistence, and individual and collective advocacy at work and in the community. In this collection, we meet RNs working at the bedside, providing home care, managing hospital departments, teaching and doing research, lobbying for quality patient care, and campaigning for health care reform. Their stories are funny, sad, deeply moving, inspiring, and always revealing of the different ways that nurses make their voices heard in the service of their profession. The risks and rewards, joys and sorrows, of nursing have rarely been captured in such vivid first-person accounts. Gordon and the authors of the essays contained in this book have much to say about the strengths and shortcomings of health care today—and the role that nurses play as irreplaceable agents of change.

The Tale of Despereaux

True crime stories provide the foundation of this prison memoir. Bill Dyer was robbed and shot at an ATM. In *Doing Time with God*, you go into prison with him and other victims of violence to meet with convicted felons who will be facing their worst and greatest realizations, before they are released. Nothing is predictable when victims and offenders come together and share their stories of the true crimes that have devastated their lives and reshaped them. Victim-survivors remember their losses and feel their pain; Offenders come face-to-face with the hurt they have caused, and open wounds from their own past. Walls of defensiveness and fear are knocked down by

empathy and compassion, vulnerability and tears. Raw emotions flow. The way to peace is often intense, turbulent, and heartbreaking. Chicken Soup For The Soul **Prison Ramen**

There are many battlefields upon which faith and courage are summoned—hospital rooms, WWII beachheads, crime-infested neighborhoods, overseas missionary fields, and more. But the peculiar darkness of prison sends fear through almost everyone. This book uncovers the power of God's light to penetrate "Satan's playground," through the faith and courage of His people.

Loving God

Jesus tells us that the greatest commandment is to "love the Lord your God with all your heart and with all your soul and with all your mind." But how many of us know what this looks like in daily life? Does loving God mean going to church, tithing, having regular prayer times? Is it a feeling in our hearts? A few years after Chuck Colson became a Christian, he realized that the more he learned about God's love for him, the more he wanted to know how to love God. This book is the masterpiece Colson wrote after searching Scripture, history, and his own difficult experiences to answer his deepest question. He discovered that loving God is obeying God—rarely easy, sometimes inconvenient, often painful, and entirely satisfying. When we love God, we know the pleasure of living out our true calling. Billy Graham considers Loving God "one of the most spiritually satisfying books I have ever read." Joni Eareckson Tada refers to it as "the complete volume on Christian living." With fascinating stories and engaging theological insights, Loving God has been bringing people closer to Jesus for over thirty years. In this hour of opportunity for the church and for our own spiritual lives, Loving God will inspire you to love God with your whole being. It's what you were created to do.
