ABOUT THE AUTHOR:
Growing up with a keen interest in illustration, I began perusing animation with the love of drawing unique characteristics. Though over the years the stress of creating content frame by frame took its toll on my diminishing patience and well-being. It wasn't until I was introduced to color therapy books, that I realised how astonishingly relaxing and stress relieving they can truly be. Therefore I created 'Color Me In' a series of various different themes that aim to give those of all ages and interests an enjoyable and calming coloring experience. Giving the option of gifting this fun and relaxing coloring activity to either a mature loved one or a child that may place their favourite colored images on their bedroom walls. All forms of feedback are greatly encouraged and appreciated!
