William and Kate

The shocking truth about postwar adoption in America, told through the bittersweet story of one teenager, the son she was forced to relinquish, and their search to find each other During the Baby Boom in 1960s America, women were encouraged to stay home and raise large families, but sex and childbirth were taboo subjects. Premarital sex was common, but birth control was hard to get and abortion was illegal. In 1961, sixteen-year-old Margaret Erle fell in love and became pregnant. Her enraged family sent her to a maternity home, and after she gave birth, she wasn't even allowed her to hold her own son. Social workers threatened her with jail until she signed away her parental rights. Her son vanished, his whereabouts and new identity known only to an adoption agency that would never share the slightest detail about his fate. Claiming to be acting in the best interests of all, the adoption business was founded on secrecy and lies. American Baby lays out how a lucrative and exploitative industry removed children from their birth mothers and placed them with hopeful families, fabricating stories about infants' origins and destinations, then closing the door firmly between the parties forever. Adoption agencies and other organizations that purported to help pregnant women struck unethical deals with doctors and researchers for pseudoscientific "assessments," and shamed millions of young women into surrendering their children. Gabrielle Glaser dramatically demonstrates the power of the expectations and institutions that Margaret faced. Margaret went on to marry and raise a large family with David's father, but she never stopped longing for and worrying about her firstborn. She didn't know he spent the first years of his life living just a few blocks away from her; as he grew, he wondered about where he came from and why he was given up. Their tale--one they share with millions of Americans--is one of loss, love, and the search for identity. Adoption's closed records are being legally challenged in states nationwide. Open adoption is the rule today, but the identities of many who were adopted or who surrendered a child in the postwar decades are locked in sealed files. American Baby illuminates a dark time in our history and shows a path to reunion that can help heal the wounds inflicted by years of shame and secrecy.

HRH

The most intimate and informative portrait yet of Prince Harry, from royal expert Katie Nicholl, author of the bestselling William and Harry and Kate. From his earliest public appearances as a mischievous redheaded toddler, Prince Harry has captured the hearts of royal enthusiasts around the world. In Harry, Britain's leading expert on the young royals offers an in-depth look at the wayward prince turned national treasure. Nicholl sheds new light on growing up royal, Harry's relationship with his mother, his troubled youth and early adulthood, and how his military service in Afghanistan inspired him to create his legacy, the Invictus Games. Harry: Life, Loss, and Love features interviews with friends, those who have worked with the prince, and former Palace aides. Nicholl explores Harry's relationship with his

Online PDF Finding Freedom Harry And Meghan And The Making Of A Modern Royal Family

family, in particular, the Queen, his father, stepmother, and brother, and reveals his secret "second family" in Botswana. She uncovers new information about his former girlfriends and chronicles his romance and engagement to American actress Meghan Markle. Harry is a compelling portrait of one of the most popular members of the royal family, and reveals the inside story of the most intriguing royal romance in a decade.

Harry

"I want to be healthy and fit 52 weeks of the year, but that doesn't mean I have to be perfect every day. This philosophy is a year-round common-sense approach to health and fitness that involves doing your best most of the time—and by that I don't mean being naughty for three days and good for four. I mean doing your absolute best most of the time during every week, 52 weeks of the year."—Carrie Underwood

Carrie Underwood believes that fitness is a lifelong journey. She wasn't born with the toned arms and strong legs that fans know her for. Like all of us, she has to work hard every day to look the way that she does! In *FIND YOUR PATH* she shares her secrets with readers, with the ultimate goal of being the strongest version of themselves, and looking as good as they feel. Carrie's book will share secrets for fitting diet and exercise into a packed routine—she's not only a multi-Platinum singer, she's a businesswoman and busy mom with two young children. Based on her own active lifestyle, diet, and workouts, *FIND YOUR PATH* is packed with meal plans, recipes, weekly workout programs, and guidelines for keeping a weekly food and workout journal. It also introduces readers to Carrie's signature Fit52 workout, which involves a deck of cards and exercises that can be done at home—and it sets her fans on a path to sustainable health and fitness for life. Fit52 begins with embracing the "Pleasure Principle" in eating, making healthy swaps in your favorite recipes, and embracing a long view approach to health—so that a cheat a day won't derail you. Throughout the book, Carrie shares her personal journey towards optimal health, from her passion for sports as a kid, to the pressure to look perfect and fit the mold as she launched her career after winning *American Idol*, to eventually discovering the importance of balance and the meaning of true health. For Carrie, being fit isn't about crash diets or a workout routine that you're going to dread. It's about healthy choices and simple meals that you can put together from the ingredients in your local grocery store, and making the time, every day, to move, to love your body, and to be the best version of yourself.

Kensington Palace

April 18, 1906: A massive earthquake rocks San Francisco just before daybreak, igniting a devouring inferno. Lives are lost, lives are shattered, but some rise from the ashes forever changed. Sophie Whalen is a young Irish immigrant so desperate to get out of a New York tenement that she answers a mail-order bride ad and agrees to marry a man she knows nothing about. San Francisco widower Martin Hocking proves to be as aloof as he is mesmerizingly handsome. Sophie quickly develops deep affection for Kat, Martin's silent five-year-old daughter, but Martin's odd behavior leaves her with the uneasy feeling that something about her newfound situation isn't right. Then one early-spring evening, a stranger at the door sets in motion a transforming chain of events. Sophie discovers hidden ties to two other women. The first, pretty and pregnant, is standing on her doorstep. The second is hundreds of miles away in the American Southwest, grieving the loss of everything she once loved. The fates of these three women intertwine on the eve of the devastating earthquake, thrusting them onto a perilous journey that will test their resiliency and resolve and, ultimately, their belief that love can overcome fear. From the acclaimed author of *The Last Year of the War* and *As Bright as Heaven* comes a gripping novel about the bonds of friendship and mother love, and the power of female solidarity.

Royals at War

Online PDF Finding Freedom Harry And Meghan And The Making Of A Modern Royal Family

From the line of succession to the Queen's corgis, this charming book is a perfect primer on the fascinating world of British royalty. Full of fun facts and surprising stories to delight longtime enthusiasts and new fans alike, *This Is a Book for People Who Love the Royals* digs into all of the aspects of everyone's favorite monarchy. Uncover the history of British royalty and answers to common questions -- like how royal titles work, who is in the line of succession, and why the guards at Buckingham Palace never smile -- as well as deep dives into fashion, jewelry, and other palace perks. Profiles of popular family members, including Her Majesty Queen Elizabeth II, Princess Diana, Prince William and Kate Middleton, and more, add personality to this irresistible celebration of the crown.

The Crown in Crisis

From the author of New York Times bestseller *MEGHAN* comes a scandalous historical drama about the secrets hidden between the royal family, Franklin D. Roosevelt, Winston Churchill, the Duke of Windsor, and Adolf Hitler before, during, and after World War II. Andrew Morton tells the story of the feckless Edward VIII, later Duke of Windsor, his American wife, Wallis Simpson, the bizarre wartime Nazi plot to make him a puppet king after the invasion of Britain, and the attempted cover-up by Churchill, General Eisenhower, and King George VI of the duke's relations with Hitler. From the alleged affair between Simpson and the German foreign minister to the discovery of top secret correspondence about the man dubbed "the traitor king" and the Nazi high command, this is a saga of intrigue, betrayal, and deception suffused with a heady aroma of sex and suspicion. For the first time, Morton reveals the full story behind the cover-up of those damning letters and diagrams: the daring heist ordered by King George VI, the smooth duplicity of a Soviet spy as well as the bitter rows and recriminations among the British and American diplomats, politicians, and academics. Drawing on FBI documents, exclusive pictures, and material from the German, Russian, and British royal archives, as well as the personal correspondence of Churchill, Eisenhower, and the Windsors themselves, *17 CARNATIONS* is a dazzling historical drama, full of adventure, intrigue, and startling revelations, written by a master of the genre.

Kate

NEW YORK TIMES BESTSELLER Nominated for the NAACP Image Award for Outstanding Literary Work Named a Best Book of the Year by The Root Chosen by Emma Straub as a Best New Celebrity Memoir "A book of essays as raw and honest as anyone has ever produced." — Lena Dunham, Lenny Letter In the spirit of Amy Poehler's *Yes Please*, Lena Dunham's *Not That Kind of Girl*, and Roxane Gay's *Bad Feminist*, a powerful collection of essays about gender, sexuality, race, beauty, Hollywood, and what it means to be a modern woman. One month before the release of the highly anticipated film *The Birth of a Nation*, actress Gabrielle Union shook the world with a vulnerable and impassioned editorial in which she urged our society to have compassion for victims of sexual violence. In the wake of rape allegations made against director and actor Nate Parker, Union—a forty-four-year-old actress who launched her career with roles in iconic '90s movies—instantly became the insightful, outspoken actress that Hollywood has been desperately awaiting. With honesty and heartbreaking wisdom, she revealed her own trauma as a victim of sexual assault: "It is for you that I am speaking. This is real. We are real." In this moving collection of thought provoking essays infused with her unique wisdom and deep humor, Union uses that same fearlessness to tell astonishingly personal and true stories about power, color, gender, feminism, and fame. Union tackles a range of experiences, including bullying, beauty standards, and competition between women in Hollywood, growing up in white California suburbia and then spending summers with her black relatives in Nebraska, coping with crushes, puberty, and the divorce of her parents. Genuine and perceptive, Union bravely lays herself bare, uncovering a complex and courageous life of self-doubt and self-discovery with incredible poise and brutal honesty. Throughout, she compels us to be ethical and empathetic, and reminds us of the importance of confidence, self-

Online PDF Finding Freedom Harry And Meghan And The Making Of A Modern Royal Family

awareness, and the power of sharing truth, laughter, and support.

Find Your Path

The fall from popular grace of Prince Harry, the previously adulated brother of the heir to the British throne, as a consequence of his marriage to the beautiful and dynamic Hollywood actress and "Suits star" Meghan Markle, makes for fascinating reading in this groundbreaking book from Lady Colin Campbell, who is the New York Times bestselling biographer of books on Princess Diana, the Queen Mother, and Queen Elizabeth's marriage.

Meghan and Harry

DIV A tough Welshman, he was softened by the affections of a breathtakingly beautiful woman: she was a modern-day Cleopatra madly in love with her own Mark Antony. For quarter of a century, Elizabeth Taylor and Richard Burton were the king and queen of Hollywood. Yet their two marriages to each other represented much more than outlandish romance. Together, Elizabeth and Richard were a fascinating embodiment of the mores and transgressions of their time and even luminaries like Jacqueline Kennedy looked to them as a barometer of the culture. The enduring glamour, grandeur, drama and bravado embodied in the couple gave rise to the type of rabid gossip and wide-eyed adoration that are the staples of today's media. Using brand-new research and interviews — including unique access to Taylor herself, the Burton family, and Taylor's extensive personal correspondence — this ultimate celebrity biography is the gripping real-life story of a fairy-tale couple whose lives were even grander and more outrageous than the epic films they made. /div

A Very Punchable Face

INSTANT INTERNATIONAL BESTSELLER * NEW YORK TIMES BESTSELLER * #1 SUNDAY TIMES BESTSELLER The first, epic and true story of the Duke and Duchess of Sussex's life together, finally revealing why they chose to pursue a more independent path and the reasons behind their unprecedented decision to step away from their royal lives, from two top royal reporters who have been behind the scenes since the couple first met. Finding Freedom is complete with full color photographs from Harry and Meghan's courtship, wedding, Archie's milestones, and many more unforgettable moments. When news of the budding romance between a beloved English prince and an American actress broke, it captured the world's attention and sparked an international media frenzy. But while the Duke and Duchess of Sussex have continued to make headlines—from their engagement, wedding, and birth of their son Archie to their unprecedented decision to step back from their royal lives—few know the true story of Harry and Meghan. For the very first time, Finding Freedom goes beyond the headlines to reveal unknown details of Harry and Meghan's life together, dispelling the many rumors and misconceptions that plague the couple on both sides of the pond. As members of the select group of reporters that cover the British Royal Family and their engagements, Omid Scobie and Carolyn Durand have witnessed the young couple's lives as few outsiders can. With unique access and written with the participation of those closest to the couple, Finding Freedom is an honest, up-close, and disarming portrait of a confident, influential, and forward-thinking couple who are unafraid to break with tradition, determined to create a new path away from the spotlight, and dedicated to building a humanitarian legacy that will make a profound difference in the world.

Princess Diana's life, discussing rumors of her eating disorder, her marriage to Prince Charles, and more. Reprint.

The Nature of Fragile Things

The eyes of the world are fixed upon Meghan Markle. But who exactly is this fierce, enigmatic new Royal and mother-to-be? Find out what makes Meghan tick with this insightful illustrated biography, which explores the driving forces behind the actress-turned-duchess. With visual intimacy, Meghan reveals why Markle became a feminist and began charity work at just 13 years old. Follow the evolution of Meghan's style and philosophy, and her love of food and travel, with both favorite recipes and vacation inspiration.

Meghan Misunderstood

Based on extensive fresh material and resources, Robert Jobson's biography provides a definitive insight into the extraordinary life of HRH Charles, Prince of Wales as he approaches his seventieth birthday at a watershed in the history of the modern British monarchy. Exploring beyond the banal newspaper headlines that have caricatured Charles over the years, the book debunks the myths about the man who will be King, telling his full, true story; exploring his complex character, his profoundly held beliefs and deep thinking about religion - including Islam - politics, the armed services, monarchy and the constitution, providing an illuminating portrait of what kind of monarch Charles III will be. Although this book is not an official biography, the Prince's office, Clarence House, has agreed to cooperate with the author - who has spent nearly thirty years chronicling the story of the House of Windsor as an author, journalist and broadcaster. The author, who has met Prince Charles on countless occasions, will draw on the knowledge and memories of a number of sources close to the Prince who have never spoken before, as well as members of the Royal Household past and present who have served the Prince during his decades of public service. It will reveal that there are plans for Charles to serve as Prince Regent once the Queen turns ninety-five, how he already reads ALL the Government papers/boxes at his mother's insistence, and why he feels it is his constitutional duty to pass on to ministers his thoughts and feelings in his controversial 'black spider memos'. Beyond that, Charles at Seventy also reveals the truth about the Prince's deeply loving but occasionally volatile relationship with his second wife and chief supporter, Camilla. The result is an intriguing new portrait of a man on the cusp of kingship.

Finding Freedom

The #1 New York Times bestselling, controversial portrait of the British royal family -- as told from behind the palace walls -- for fans of Netflix's *The Crown* and all royal watchers They are the most chronicled family on the face of the globe. Their every move attracts headlines. Now Kitty Kelley has gone behind the scenes at Buckingham Palace, Windsor Castle and Kensington Palace to raise the curtain on the men and women who make up the British royal family. Queen Elizabeth, Prince Charles, Princess Dianahere are the scandals of the last decades: the doomed marriages and the husbands, wives, lovers and children caught in their wake and damaged beyond repair. No one is spared.

For this controversial, headline-making study of the heir to the throne, Dimbleby spent hours in candid conversations with the prince, his personal staff, and close friends, and was given access to the prince's letters, private diaries, and journals. An intimate portrait of a life trapped by destiny, *The Prince of Wales* offers unique insight into the man born to be King. of photos. 8-page color insert.

The Final Curtsey

"When I met Diana at a mutual friend's house in 1990, I was astonished by her conduct. Up to this point, the Diana I had encountered was a princess who had behaved very much in keeping with the forms and traditions of royalty. In social situations, she was as circumspect as the rest of them, as indeed all ladies are. "Now, however, she was the antithesis of circumspect. Throwing caution and reserve to the wind, she said that she wanted me to write the truth about her life 'because I feel as if the whole fairy tale is crushing whatever's left of the real me. If you'd just write about the real Diana, it would make all the difference.'" --Lady Colin Campbell Who was the real Diana? What was it like to be so privileged yet so anguished, so beloved yet so self-loathing, so spoiled yet so despairing? The Princess of Wales was all these things--far more complicated, conflicted, and intriguing a person than the wildly disparate saint or lunatic she is frequently portrayed to be. Royal insider Lady Colin Campbell sets the record straight on many of the most controversial aspects of Diana's turbulent life: how Charles and Diana's engagement came to pass, though it seemed ill-advised to those closest to both of them; what their honeymoon was really like; the truth behind Diana's bulimia, her widely reported suicide attempts, and her obsession with Camilla Parker Bowles; Diana's search for love and fulfillment with numerous men before, during, and after her marriage; her brilliant manipulations of the press; and her relationship with Dodi Fayed. Lady Colin Campbell's New York Times bestselling biography *Diana in Private* was the first to expose the truth about Diana and her troubled marriage. In *The Real Diana*, she reveals that the reason she knew so much about what went on behind the palace gates was because Diana herself was the source. Drawing upon these confidences--as well as on conversations with countless people who knew Diana and with Diana herself in the final years of her life--Lady Colin Campbell combines true insight with true compassion to bring us the most intimate and revealing portrait of the Princess of Wales that we will ever have.

The Royals

Reveals Shocking Revelations about Prince Harry, Meghan Markle, and the British Royal Family—and the Divisive Rifts Between Them This explosive exposé, *Royals at War*, takes readers inside a riven Buckingham Palace to provide the definitive account of the unfolding abdication crisis of 2020—dubbed *Megxit*—during which the Duke and Duchess of Sussex, Prince Harry and Meghan Markle, became royal outcasts. Through revealing interviews with royal family insiders, friends, aides, historians, royal watchers, and others with intimate knowledge of The House of Windsor, this tell-all book looks back at the events, motives and crises which led to Harry (sixth in line to the throne) dramatically abandoning his birthright—in a move not seen for nearly a century, when King Edward VIII also gave up the crown for the woman he loved as Europe teetered on the brink of fascism and war. Like Edward and Wallis Simpson, the catalyst for the scandal here is also an ambitious, controversial American woman. Dylan Howard, bestselling author of *Diana: Case Solved* and *Epstein: Dead Men Tell No Tales*, charts how Meghan's relationship with Harry was viewed as controversial from the start—and how her brief honeymoon with the British public began to sour shortly after she and Harry announced in November 2018 that they would be leaving Kensington Palace to move to Frogmore Cottage, an hour outside London. As senior royals expressed disapproval, the public at first seemed to enjoy the royal spat, with many still supporting Team Meghan—until it emerged that the bill to renovate Frogmore Cottage to Meghan's lavish expectations would be \$3 million . . . and be picked up by British taxpayers. Finally, in

Online PDF Finding Freedom Harry And Meghan And The Making Of A Modern Royal Family

a move nobody saw coming, Harry announced he was turning his back on the role he had been groomed for since birth—giving up his HRH title, repaying the renovation costs of Frogmore Cottage, abandoning his royal duties, and leaving Britain for good. Buckingham Palace reeled. Howard's unique access and insight into this constitutional crisis will not only address the tensions and tantrums behind closed palace doors, but seek to answer the questions many are still asking: Has Prince Harry ever really recovered from the death of his mother Diana—and the resentment he feels against the institution that tried to destroy her? Why did Meghan, once hailed as a breath of fresh air, rile up the monarchy? Why did she refuse to conform to royal conventions in the way that Catherine did before her? Did the public and media criticism of Meghan go too far? And just how valid are the accusations of racism? How did these modern royals treat the tabloids differently to tradition? And did it backfire? What next for Harry and Meghan? And how will they—and the institution they've turned their back on—react to their new lives outside the confines of the Palace and free from the strict codes and conventions that bind all members of the Royal Family? Caught in a trap by virtue of a life entombed in a gilded cage, *Royals at War* answers these questions and more . . . and reveals how Harry's infatuation with Meghan and desire to modernize the monarchy could yet end in disaster for the House of Windsor. Played out against the cataclysm of the British tabloid's laser focus on the duchess' every movement—for good or ill—this is the true story of Harry and Meghan's split from the Establishment . . . and perhaps just the beginning of a whole new Monarchy, redefined for the modern age.

Harry and Meghan

The first in-depth biography of the American actress and humanitarian campaigner who married Prince Harry in May 2018, written by the world's best-known royal biographer. When Meghan Markle and Prince Harry were set up by a mutual friend on a blind date in June 2016, little could they know that just sixteen months later the resulting whirlwind romance would lead to their engagement in November 2017 and marriage in May 2018. Since then, our fascination with the woman who has smashed the royal mould has rocketed. So different to those coy brides of recent history, Meghan is confident, charismatic and poised, her warm and affectionate engagement interview a stark contrast to the stilted and cold exchange between Prince Charles and Lady Diana Spencer. In this first-ever biography of the duchess-to-be, acclaimed royal biographer Andrew Morton goes back to Meghan's roots, interviewing those closest to her to uncover the story of her childhood: growing up in The Valley in LA, studying at an all-girls Catholic school and her breakout into acting. We also delve into her previous marriage and divorce in 2013, her struggles in Hollywood, as her mixed heritage was time and again used against her, and her work as a humanitarian ambassador - so redolent of Princess Diana's passions. Finishing with an account of her romance with Prince Harry, Morton reflects on the impact that Meghan has already made on the rigid traditions of the House of Windsor - not even Kate Middleton was invited to Christmas with the Queen before she had married her prince - and what the future might hold.

Furious Love

A behind-the-scenes look into the life of Meghan Markle and her romance with Prince Harry—a dishy, delightful must-read filled with exclusive insights for anyone obsessed with the Royal Family. Leslie

Online PDF Finding Freedom Harry And Meghan And The Making Of A Modern Royal Family

Carroll's books on royalty are "an irresistible combination of People Magazine and the History Channel."—Chicago Tribune When Prince Harry of Wales took his American girlfriend, Meghan Markle, to have tea with his grandmother the queen, avid royal watchers had a hunch that a royal wedding was not far off. That prediction came true on November 27, 2017, when the gorgeous, glamorous twosome announced their engagement to the world. As they prepare to tie the knot in a stunning ceremony on May 19, 2018, that will be unprecedented in royal history, people are clamoring to know more about the beautiful American who captured Prince Harry's heart. Born and raised in Los Angeles to a white father of German, English, and Irish descent and an African American mother whose ancestors had been enslaved on a Georgia plantation, Meghan has proudly embraced her biracial heritage. In addition to being a star of the popular television series *Suits*, she is devoted to her humanitarian work—a passion she shares with Harry. Though Meghan was married once before, Prince Harry is a modern royal, and the Windsors have welcomed her into the tight-knit clan they call "The Firm." Even a generation ago, it would have been unthinkable, as well as impermissible, for any member of Great Britain's royal family to consider marrying someone like Meghan. Professional actresses were considered scandalous and barely respectable. And the last time an American divorcee married into the Royal Family, it provoked a constitutional crisis! In *American Princess*, Leslie Carroll provides context to Harry and Meghan's romance by leading readers through centuries of Britain's rule-breaking royal marriages, as well as the love matches that were never permitted to make it to the altar; followed by a never-before-seen glimpse into the little-known life of the woman bringing the Royal Family into the 21st century; and her dazzling, thoroughly modern romance with Prince Harry.

Harry and Meghan the Wedding Album

Once a reckless rebel and now a respected role model, Prince Harry is one of the world's most popular royals and the force behind giving the British royal family a twenty-first century makeover. How has he done it? This insightful new biography is a three-dimensional look at what Harry is really like as a person, both on and off royal duty. It is written by distinguished journalist and author Angela Levin, who accompanied Prince Harry on many of his engagements and had exclusive access to him at Kensington Palace. The book unwraps the real man behind the camera, and his own perceptive insights. It delves into his troubled childhood and the lasting effect of losing his adored mother, Diana, Princess of Wales, so young. It explores his rebellious teenage years and the key defining moments that have enabled him to face his demons and use this experience to help others who struggle with mental, emotional and physical pain. Angela Levin found a complex man who has inherited his late mother's extraordinary charisma and is determined to "make a difference." After finding the love of his life in Meghan Markle, and in anticipation of their marriage this year, this is an investigation into the real life of Prince Harry.

Meghan

From royal expert Katie Nicholl, author of the bestselling *William and Harry* and *Kate* comes the most intimate and informative portrait yet of Prince Harry, his marriage to Meghan Markle, and how their union is modernizing the Royal Family. From his earliest public appearances as a mischievous redheaded toddler, Prince Harry has captured the hearts of royal enthusiasts around the world, while his marriage to Meghan Markle has only endeared him further. In *Harry and Meghan*, Britain's leading expert on the young royals offers an in-depth look at the wayward prince turned national treasure. Nicholl sheds new light on growing up royal, Harry's relationship with his mother, his troubled youth and early adulthood, and how his military service in Afghanistan inspired him to create his legacy, the Invictus Games. She uncovers new information about Harry's past relationships and reveals the true story of his romance with Meghan Markle, the smart and spirited American who captured his heart. *Harry and Meghan: Life, Loss, and Love* features interviews with friends, those who have worked with

Online PDF Finding Freedom Harry And Meghan And The Making Of A Modern Royal Family

the prince, and former Palace aides. Nicholl reveals behind-the-scenes details about the run up to the couple's spectacular wedding day, their first tours as a married couple, and their preparations for the arrival of the youngest new royal. Harry and Meghan is a compelling portrait of the Royal Family's most popular royal couple and the story of the most gripping royal romance in a decade. Previously published as *Harry: Life, Loss, and Love*.

17 Carnations

Discover the full and fascinating story of Prince Philip—one of the most important, influential, and elusive royals—in this colorful and revelatory biography written by the renowned royal family expert and editor-in-chief of *Majesty* magazine. The son of Greek and Danish royalty, consort to the queen, and the grandfather of Princes Harry and William, Prince Philip has been at the heart of the royal family for decades—yet he remains an enigma to many. Now, Ingrid Seward, the editor-in-chief of *Majesty* magazine, brings her decades of experience covering the royal family to this fascinating and insightful biography of Queen Elizabeth II's husband, and father, grandfather, and great-grandfather of the next three kings of England. From his early childhood in Paris among aristocrats and his mother's battle with schizophrenia to his distinctive military service during World War II and marriage to Elizabeth in 1947, Seward chronicles Philip's life and reveals his many faces—as a father, a philanthropist, a philanderer, and a statesman. Though it would take years for Philip to find his place in a royal court that initially distrusted him, he remains one of the most complex, powerful, yet confounding members of Britain's royal family. Entertaining, eye-opening, and informative, *Prince Philip* is perfect for any anglophile and fans of the series *The Crown*.

This Is a Book for People Who Love the Royals

The true story for fans of the PBS Masterpiece series *Victoria*, this page-turning biography reveals the real woman behind the myth: a bold, glamorous, unbreakable queen—a Victoria for our times. Drawing on previously unpublished papers, this stunning portrait is a story of love and heartbreak, of devotion and grief, of strength and resilience. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE NEW YORK TIMES • ESQUIRE • THE CHICAGO PUBLIC LIBRARY “Victoria the Queen, Julia Baird's exquisitely wrought and meticulously researched biography, brushes the dusty myth off this extraordinary monarch.”—The New York Times Book Review (Editor's Choice) When Victoria was born, in 1819, the world was a very different place. Revolution would threaten many of Europe's monarchies in the coming decades. In Britain, a generation of royals had indulged their whims at the public's expense, and republican sentiment was growing. The Industrial Revolution was transforming the landscape, and the British Empire was commanding ever larger tracts of the globe. In a world where women were often powerless, during a century roiling with change, Victoria went on to rule the most powerful country on earth with a decisive hand. Fifth in line to the throne at the time of her birth, Victoria was an ordinary woman thrust into an extraordinary role. As a girl, she defied her mother's meddling and an adviser's bullying, forging an iron will of her own. As a teenage queen, she eagerly grasped the crown and relished the freedom it brought her. At twenty, she fell passionately in love with Prince Albert of Saxe-Coburg and Gotha, eventually giving birth to nine children. She loved sex and delighted in power. She was outspoken with her ministers, overstepping conventional boundaries and

Online PDF Finding Freedom Harry And Meghan And The Making Of A Modern Royal Family

asserting her opinions. After the death of her adored Albert, she began a controversial, intimate relationship with her servant John Brown. She survived eight assassination attempts over the course of her lifetime. And as science, technology, and democracy were dramatically reshaping the world, Victoria was a symbol of steadfastness and security—queen of a quarter of the world's population at the height of the British Empire's reach. Drawing on sources that include fresh revelations about Victoria's relationship with John Brown, Julia Baird brings vividly to life the fascinating story of a woman who struggled with so many of the things we do today: balancing work and family, raising children, navigating marital strife, losing parents, combating anxiety and self-doubt, finding an identity, searching for meaning.

Diana in Private

"Saturday Night Live head writer and Weekend Update co-anchor, Colin Jost, has six sets of stitches on his face alone. He's been punched in at least four different sketches on Saturday Night Live, including once by his boss, Lorne Michaels. But if there's one trait that makes someone well suited to comedy, it's being able to take a punch—metaphorically and, occasionally, physically. From growing up as an overweight kid in a family of firefighters on Staten Island to commuting three hours a day to high school and "seeing the sights" (like watching a Russian woman throw a stroller off the back of a ferry) to attending Harvard while Facebook was created (and choosing comedy instead!), Colin shares how he has navigated the world like a "slightly smarter Forrest Gump." You'll also discover things about Colin that will surprise and confuse you. You'll go behind the scenes at SNL (where he's written some of the most iconic sketches and characters of the past fifteen years) and Weekend Update (where he's been "the white guy next to Leslie Jones.") And you'll experience the life of a touring stand-up comedian—from performing in rural cafeterias at noon to opening for Dave Chappelle at Radio City Music Hall. For every accomplishment (hosting the Emmys), there is a setback (hosting the Emmys). And for every absurd moment (watching paramedics give CPR to a raccoon), there is an honest, emotional one (recounting his mother's experience on the scene of the Twin Towers' collapse on 9/11.) A Very Punchable Face reveals the brilliant mind behind some of the dumbest sketches on television and lays bare the heart and humor of a hardworking guy—with a face you can't help but want to punch"--

My Story

In 1977, Robert Lacey's bestselling MAJESTY was the first serious biography of Elizabeth II, defining the affection for the Queen that underlay the popular success of the Silver Jubilee. Now, on the fiftieth anniversary of her accession, ROYAL brings her remarkable story up to date. It provides a fresh portrait of her relationship with Prince Philip, and its effect on their children; it describes how the Queen has worked to live up to and maintain her strongly held beliefs, shaped over the years by the wishes and dreams - and sometimes the anger and unhappiness - of the people; and it explains how and why the monarchy continues to enjoy such enduring support. In addition, the Jubilee Paperback edition has been updated to reflect all the fast-changing events of the Jubilee year, specifically: * The controversy over the work activities of Prince Edward and Sophie * Prince Harry's escapades with drink and drugs * The death of Princess Margaret * The death of royal critic Lord Altrincham

American Princess

The authoritative biography of Prince Harry by noted royal family biographer Penny Junor, author of Prince William: The Man Who Will Be King and The Firm: The Troubled Life of the House of Windsor. Prince Harry, one of the most popular members of the British royal family, has had a colorful life. After losing his mother at 12 years old, he spent his teenage years making questionable choices

Online PDF Finding Freedom Harry And Meghan And The Making Of A Modern Royal Family

under intense international media scrutiny, becoming known for his mischevious grin, shock of red hair, and the occassional not-so-royal indiscretion. As he's grown, he has distinguished himself through military service, flying helicopters for the RAF. He served in Afghanistan and continues to devote himself to his military career. He also follows in his mother's footsteps with charity work--he is the founder of Sentebale, a charity to help orphans in Lesotho, and works with many other charitable organziations to help young people in society and to conserve natural resources. As he reaches his thirtieth birthday, Prince Harry is proving himself a prince of the people. With unprecedented access to the most important figures in his life, Penny Junor is able get the truth about who this mercurial and fascinating royal son really is. A modern biography of a modern prince, this book offers an insider's look at the life of the man who is fourth in line to Britain's throne.

American Baby

Meghan Misunderstood is a pioneering book that sets the record straight on the most talked about, unfairly vilified and misrepresented woman in the world.

The Real Diana

The definitive account of the love affair that has captured the nation - Prince Harry and Meghan Markle. After much speculation in the national media, Prince Harry finally confirmed the rumours about his relationship with American actress Meghan Markle. Now, on the news of their much-anticipated engagement, prominent columnist Emily Herbert tells the exclusive story of how the American actress stole the heart of a much-loved British Prince. From how they met, their courtship and how they fell in love, as well as insight into Ms. Markle's upbringing in America, readers will learn exactly how the Prince's heart was finally won. Revealing the truth behind the headlines and the media speculation, Harry & Meghan: The Love Story lets readers into the heart of a thoroughly modern royal love affair.

Tarot

The thrilling and definitive account of the Abdication Crisis of 1936 On December 10, 1936, King Edward VIII brought a great international drama to a close when he abdicated, renouncing the throne of the United Kingdom for himself and his heirs. The reason he gave when addressing his subjects was that he could not fulfill his duties without the woman he loved—the notorious American divorcee Wallis Simpson—by his side. His actions scandalized the establishment, who were desperate to avoid an international embarrassment at a time when war seemed imminent. That the King was rumored to have Nazi sympathies only strengthened their determination that he should be forced off the throne, by any means necessary. Alexander Larman's *The Crown in Crisis* will treat readers to a new, thrilling view of this legendary story. Informed by revelatory archival material never-before-seen, as well as by interviews with many of Edward's and Wallis's close friends, Larman creates an hour-by-hour, day-by-day suspenseful narrative that brings readers up to the point where the microphone is turned on and the king speaks to his subjects. As well as focusing on King Edward and Mrs. Simpson, Larman looks closely at the roles played by those that stood against him: Prime minister Stanley Baldwin, his private secretary Alec Hardinge, and the Archbishop of Canterbury Cosmo Lang. Larman also takes the full measure of those who supported him: the great politician Winston Churchill, Machiavellian newspaper owner Lord Beaverbrook, and the brilliant lawyer Walter Monckton. For the first time in a book about the abdication, readers will read an in-depth account of the assassination attempt on Edward's life and its consequences, a first-person chronicle of Wallis Simpson's scandalous divorce proceedings, information from the Royal Archives about the government's worries about Edward's relationship with Nazi high-command Ribbentrop and a boots-on-the-ground view of how the British people saw Edward

as they watched the drama unfold. You won't be able to put down *The Crown in Crisis*, a full panorama of the people and the times surrounding Edward and the woman he loved.

Royal

****THE INSTANT NEW YORK TIMES BESTSELLER**** Veteran style journalist Elizabeth Holmes expands her popular Instagram series, *So Many Thoughts*, into a nuanced look at the fashion and branding of the four most influential members of the British Royal Family: Queen Elizabeth II; Diana, Princess of Wales; Catherine, The Duchess of Cambridge; and Meghan, The Duchess of Sussex. Kate Middleton and Meghan Markle are global style icons, their every fashion choice chronicled and celebrated. With all eyes on them, the duchesses select clothes that send a message about their values, interests, and priorities. Their thoughtful sartorial strategies follow in the footsteps of Queen Elizabeth II and Diana, Princess of Wales, two towering figures known for using their personal style to great acclaim. With one section devoted to each woman, *HRH* is a celebration of their stories and their style, pairing hundreds of gorgeous photographs with extensive research. A picture emerges of the British monarchy's evolution and the power of royal fashion, showing there's always more than what meets the eye.

Harry

The bestselling behind-the-scenes memoir of the royal family by a cousin who served in MI5—and as one of the Queen's bridesmaids. Includes photos! A Sunday Times number one bestseller in the United Kingdom, this is the intimate and revealing autobiography of Margaret Rhodes, first cousin of Queen Elizabeth II and niece of Queen Elizabeth, the Queen Mother. Margaret was born into the Scottish aristocracy, into a now almost vanished world of privilege. Royalty often came to stay, and her house was run in the style of *Downton Abbey*. During the Second World War, she "lodged" at Buckingham Palace while she worked for MI5. She was a bridesmaid at the wedding of her cousin, Princess Elizabeth, to Prince Philip. Three years later, the King and Queen attended her own wedding, in which Princess Margaret was a bridesmaid. In 1990, she was appointed as a lady-in-waiting to the Queen Mother, acting also as her companion, which she describes in touching detail. In the early months of 2002, she spent as much time as possible with her ailing aunt and was at her bedside when she died. The next morning, she went to Queen Elizabeth's bedroom to pray, and in farewell dropped her a final curtsy. The Queen Mother regarded Margaret Rhodes as her "third daughter," and she has been extremely close to her cousins, the Queen and Princess Margaret, throughout their lives. Full of charming anecdotes, fascinating characters, and personal photographs, this is an unparalleled insight into the private life of the British monarchy. "Surprisingly addictive." —*New Zealand Herald*

Charles at Seventy - Thoughts, Hopes & Dreams

For more than 200 years the younger members of the British royal family – including future monarchs – have lived at Kensington Palace, alongside royal aunts and uncles, distant cousins and assorted aristocratic eccentrics. Kensington Palace has been the scene of countless bizarre events – here, for example, the young Queen Victoria was held a virtual prisoner for eighteen years; and it was from Kensington Palace that Queen Caroline ran the country while her husband George II moved his pictures around. In more recent times, Kensington Palace was famously the scene of Charles and Diana's nightmare marriage and Charles's serial adulteries. But then Kensington Palace has a long history of royal philandering. George II installed his wife and mistress in the palace, for example, and made his mistress sleep in a room so damp there were said to be mushrooms growing on the walls. And then there were the eccentrics. George III's sixth son, Augustus, Duke of Sussex, became a virtual recluse at the

Online PDF Finding Freedom Harry And Meghan And The Making Of A Modern Royal Family

palace. He collected hundreds of clocks and mechanical toys, thousands of early Bibles and dozens of songbirds that were allowed to fly freely through the royal apartments. Today, the palace is home to the future King William and his wife Catherine, and until recently home to the newly married Duke and Duchess of Sussex, Harry and Meghan. The palace has been described as a royal menagerie, a hive of industrious freeloaders, an ant heap and even a lunatic asylum. Tom Quinn takes the reader behind the official version of palace history to discover intriguing, sometimes wild, often scandalous, but frequently heart-warming stories.

Prince Harry

NEW YORK TIMES BESTSELLER • The life and loves of Prince Charles are illuminated in a major new biography from the New York Times bestselling author of *Elizabeth the Queen*—perfect for fans of *The Crown*. Sally Bedell Smith returns once again to the British royal family to give us a new look at Prince Charles, the oldest heir to the throne in more than three hundred years. This vivid, eye-opening biography—the product of four years of research and hundreds of interviews with palace officials, former girlfriends, spiritual gurus, and more, some speaking on the record for the first time—is the first authoritative treatment of Charles’s life that sheds light on the death of Diana, his marriage to Camilla, and his preparations to take the throne one day. Prince Charles brings to life the real man, with all of his ambitions, insecurities, and convictions. It begins with his lonely childhood, in which he struggled to live up to his father’s expectations and sought companionship from the Queen Mother and his great-uncle Lord Mountbatten. It follows him through difficult years at school, his early love affairs, his intellectual quests, his entrepreneurial pursuits, and his intense search for spiritual meaning. It tells of the tragedy of his marriage to Diana; his eventual reunion with his true love, Camilla; and his relationships with William, Kate, Harry, and his grandchildren. Ranging from his glamorous palaces to his country homes, from his globe-trotting travels to his local initiatives, Smith shows how Prince Charles possesses a fiercely independent spirit and yet has spent more than six decades waiting for his destined role, living a life dictated by protocols he often struggles to obey. With keen insight and the discovery of unexpected new details, Smith lays bare the contradictions of a man who is more complicated, tragic, and compelling than we knew, until now. Praise for *Prince Charles* “[Smith] understands the British upper classes and aristocracy (including the royals) very well indeed. . . . [She] makes many telling, shrewd points in pursuit of realigning the popular image of Prince Charles.”—William Boyd, *The New York Times Book Review* “[A] masterly account.”—*The Wall Street Journal* “Thoroughly researched and insightful . . . In this profile, it is clear [Smith] got inside the circular barriers that protect the man and his position. The Charles that emerges is, as the subtitle suggests, both a paradox and a creature of his passions.”—*The Washington Times* “[A] compellingly juicy bio . . . Windsor-philes will be mesmerized.”—*People* “Prince Charles paints an affectingly human portrait. . . . Smith writes about [Charles’s life] with a skill and sympathy she perfected in her 2012 biography of Charles’s mother.”—*The Christian Science Monitor* “Comprehensive and admirably fair . . . Until his accession to the throne, Smith’s portrait will stand as the definitive study.”—*Booklist* (starred review) “[A] fascinating book that is not just about a man who would be king, but also about the duties that come with privilege.”—Walter Isaacson “Sally Bedell Smith has given us a complete and compelling portrait of the man in the shadow of the throne. It’s all here, from the back stairs of the palaces to the front pages of the tabs.”—Tom Brokaw
