In the 1950s, a young Indianapolis minister named Jim Jones preached a curious blend of the gospel and Marxism. His congregation was racially integrated, and he was a much-lauded leader in the contemporary civil rights movement. In this riveting narrative, Jeff Guinn examines Jones's life, from his extramarital affairs, drug use, and fraudulent faith healing to the fraught decision to move almost a thousand of his followers to a settlement in the jungles of Guyana in South America. Guinn provides stunning new details of the events leading to the fatal day in November, 1978 when more than nine hundred people died--including almost three hundred infants and children--after being ordered to swallow a cyanide-laced drink. Guinn examined thousands of pages of FBI files on the case, including material released during the course of his research. He traveled to Jones's Indiana hometown, where he uncovered fresh information from Jonestown survivors.

But before she ends it all, Nao first plans to document the life of her great grandmother, a Buddhist nun who’s lived more than a century. A diary is Nao’s only solace—and will touch lives in ways she can scarcely imagine. Across the Pacific, we meet Ruth, a novelist living on a remote island who discovers a collection of artifacts washed ashore in a Hello Kitty lunchbox—possibly debris from the devastating 2011 tsunami. As the mystery of its contents unfolds, Ruth is pulled into the past, into Nao’s drama and her unknown fate, and forward into her own future. Temple Tales

This book uses a verse by verse approach to understand the Tabernacle. When I prayed about starting this book, the answer was, "at the beginning." After I began writing, that made sense. To understand the Tabernacle, we have to understand God's personality. That's when items in the Tabernacle began to come alive. What better way to understand the Tabernacle than to study the subject the way Moses recorded it? I can't think of a better way. I'm sure after reading this book, you'll agree. Can anyone improve on the sequence God gave Moses? The

For the Jewish people the fall of Jerusalem was a disaster. Following the destruction of the Temple, and their defeat in the second century Bar Kokhba revolt, they became a people without a home. Dispersed all over the world, their religion changed from one based on a central authority in Jerusalem, to one which was dependent on the authority of individual community-based rabbis. The destruction of Jerusalem also had a major impact on the development of Christianity. Originally Christianity took two major forms, a Jewish version and one based on the teachings of St. Paul. With the Roman destruction of Judea, and the dispersion of the Jews, the Paulinian form was the only one left standing. One can only speculate what both Christianity and Judaism would look like today if Jerusalem had not been destroyed. In For the Temple, a young Jewish boy is swept up in the events surrounding the

fierce longing—an audacious, darkly observant, and mordantly funny literary debut for fans of Emma Cline, Ottessa Moshfegh, and Jenny Offill. One year ago, the person Olivia adores most in the world, her father, left home for a meditation retreat in the mountains and never returned. Yearning to make sense of his shocking departure and to escape her overbearing mother—a woman as grounded as her father is mercurial—Olivia runs away from home and retraces his path to a place known as the Levitation Center. Once there, she enrolls in their summer program for troubled teens, which Olivia refers to as “Buddhist Boot Camp for Bad Girls”. Soon, she finds herself drawn into the company of a close-knit trio of girls determined to transcend their circumstances, by any means necessary. Led by the elusive and beautiful Serena, and her aloof, secretive acolytes, Janet and Laurel, the girls decide this is the summer they will finally achieve enlightenment—and learn to levitate, to defy the weight of their bodies, to experience ultimate lightness. But as desire and danger intertwine, and Olivia comes ever closer to discovering what a body—and a girl—is capable of, it becomes increasingly clear that this is an advanced and perilous practice, and there’s a chance not all of them will survive. Set over the course of one fateful summer that unfolds like a fever dream, *The Lightness* juxtaposes fairy tales with quantum physics, cognitive science with religious fervor, and the passions and obsessions of youth with all of these, to explore concepts as complex as faith and as simple as loving people—even though you don’t, and can’t, know them at all.

They were young, brilliant, and bold. They set out to conquer the world. But the world had other plans for them. Bestselling author Susan Jane Gilman's new memoir is a hilarious and harrowing journey, a modern heart of darkness filled with Communist operatives, backpackers, and pancakes. In 1986, fresh out of college, Gilman and her friend Claire yearned to do something daring and original that did not involve getting a job. Inspired by a place mat at the International House of Pancakes, they decided to embark on an ambitious trip around the globe, starting in the People's Republic of China. At that point, China had been open to independent travelers for roughly ten minutes. Armed only with the collected works of Nietzsche, an astrological love guide, and an arsenal of bravado, the two friends plunged into the dusty streets of Shanghai. Unsurprisingly, they quickly found themselves in over their heads. As they ventured off the map deep into Chinese territory, they were stripped of everything familiar and forced to confront their limitations amid culture shock and government surveillance. What began as a journey full of humor, eroticism, and enlightenment grew increasingly sinister-becoming a real-life international thriller that transformed them forever. Undress Me in the Temple of Heaven is a flat-out page-turner, an astonishing true story of hubris and redemption told with Gilman's trademark compassion, lyricism, and wit.

made an important contribution to the development of camouflage in the First World War, working in particular on tree observation posts and arguing tirelessly for camouflage netting. George Alfred Henty (8 December 1832 - 16 November 1902) was a prolific English novelist and war correspondent. He is best known for his historical adventure stories that were popular in the late 19th century. His works include *The Dragon & The Raven* (1886), *For The Temple* (1888), *Under Drake's Flag* (1883) and *In Freedom's Cause* (1885). G. A. Henty was born in Trumpington, near Cambridge. He was a sickly child who had to spend long periods in bed. During his frequent illnesses he became an avid reader and developed a wide range of interests which he carried into adulthood. He attended Westminster School, London, and later Gonville and Caius College, Cambridge, where he was a keen sportsman. He left the university early without completing his degree to volunteer for the Army Hospital Commissariat when the Crimean War began. He was sent to the Crimea and while there he witnessed the appalling conditions under which the British soldier had to fight. His letters home were filled with vivid descriptions of what he saw. His father was impressed by his letters and sent them to *The Morning Advertiser* newspaper which printed them. This initial writing success was a factor in Henty's later decision to accept the offer to become a special correspondent, the early name for journalists now better known as war correspondents. Shortly before resigning from the army as a captain in 1859 he married Elizabeth Finucane. The couple had four children. Elizabeth died in 1865 after a long illness and shortly after her death Henty began writing articles for the *Standard* newspaper. In 1866 the newspaper sent him as their special correspondent to report on the Austro-Italian War where he met Giuseppe Garibaldi. He went on to cover the 1868 British punitive expedition to Abyssinia, the Franco-Prussian War, the Ashanti War, the Carlist
