## How toys became gendered – and why it'll take more than a

Domestic abuse is a gendered crime. Every case of domestic abuse should be taken seriously and each individual given access to the support they need. All victims should be able to access appropriate support.

## COVID-19: the gendered impacts of the outbreak - The Lancet

Republicans and media personalities mercilessly mocked House Democrats for using "gendered language" despite just having passed a new rules package banning such language in the U.S. House of Representatives. On Monday, the House passed new rules banning any non-inclusive terms, including "father, mother, son, daughter, brother, sister, uncle, aunt

Policies and public health efforts have not addressed the gendered impacts of disease outbreaks.<sup>1</sup> The response to coronavirus disease 2019 (COVID-19) appears no different. We are not aware of any gender analysis of the outbreak by global health institutions or governments in affected countries or in preparedness phases. Recognising the extent to which disease outbreaks affect women and men

The social justice monster has come full circle and is now devouring its 'Dr. Frankenstein' creator, Robert Bridge writes. One might be forgiven for thinking, at a time when panic over a pandemic is sweeping the land, and a political battle over control of the White House is raging, the Democrats would take a break from stoking partisan fires.
