Good Omens

In 1998, William Queen was a veteran law enforcement agent with a lifelong love of motorcycles and a lack of patience with paperwork. When a "confidential informant" made contact with his boss at the Bureau of Alcohol, Tobacco and Firearms, offering to take an agent inside the San Fernando chapter of the Mongols (the scourge of Southern California, and one of the most dangerous gangs in America), Queen jumped at the chance, not realizing that he was kicking-starting the most extensive undercover operation inside an outlaw motorcycle gang in the history of American law enforcement. Nor did Queen suspect that he would penetrate the gang so successfully that he would become a fully "patched-in" member, eventually rising through their ranks to the office of treasurer, where he had unprecedented access to evidence of their criminal activity. After Queen spent twenty-eight months as "Billy St. John," the bearded, beer-swilling, Harley-riding gang-banger, the truth of his identity became blurry, even to himself. During his initial "prospecting" phase, Queen was at the mercy of crank-fueled criminal psychopaths who sought to have him test his mettle and prove his fealty by any means necessary, from selling (and doing) drugs, to arms trafficking, stealing motorcycles, driving getaway cars, and, in one shocking instance, stitching up the face of a Mongol "ol' lady" after a particularly brutal beating at the hands of her boyfriend. Yet despite the constant criminality of the gang, for whom planning cop killings and gang rapes were business as usual, Queen also came to see the genuine camaraderie they shared. When his lengthy undercover work totally isolated Queen from family, his friends, and ATF colleagues, the Mongols felt like the only family he had left. "I had no doubt these guys genuinely loved Billy St. John and would have laid down their lives for him. But they wouldn't hesitate to murder Billy Queen." From

Queen's first sleight of hand with a line of methamphetamine in front of him and a knife at his throat, to the fearsome face-off with their decades-old enemy, the Hell's Angels (a brawl that left three bikers dead), to the heartbreaking scene of a father ostracized at Parents' Night because his deranged-outlaw appearance precluded any interaction with regular citizens, Under and Alone is a breathless, adrenaline-charged read that puts you on the street with some of the most dangerous men in America and with the law enforcement agents who risk everything to bring them in.

The Mammoth Book of Bikers

Shaylor was given unique access to the secret world of the HAMC, and the result is a remarkable collection of photographs that forcefully documents a group that has long been a subject of fascination, but has always remained closed to outsiders.

Satan's Choice

Walter Stadnick is not an imposing man. At five-foot-four, his face and arms scarred by fire in a motorcycle accident, he would not spring to mind as a leader of Canada's most notorious biker gang, the Hells Angels. yet through sheer guts and determination, intelligence and luck, this Hamilton-born youth who had the nickname of "Nurget" rose in the Hells Angels ranks to become national president. Not only did he lead the Angels through the violent war with their rivals the rock machine in Montreal in the Nineties, Stadnick saw opportunity to grow the Hells Angels into a national criminal gang. he was a visionary--and a highly successful one. Bikers are not known for their fondness for rival gangs. Stadnick and the Angels fought and defeated rival gangs, or used power of persuasion to patch them over. As Stadnick's influence spread, law enforcement took notice of the growing presence of the Angels in Ontario, Manitoba and British Columbia. However, Stadnick's success did not come without a price. Arrested and charged with 13 counts of first-degree murder, stadnick beat the murder charges but was convicted of gangsterism and is currently serving time. Fallen Angel details one man's improbable rise to power in one of the world's most violent organizations, while shedding light on how this enigmatic and dangerous biker gang operated and why it remains so powerful.

The Alcoholics

Henry Miller's bold, explicit novels scandalized readers and remade the literature of his day. In this

Bookmark File PDF Hells Angels A Strange And Terrible Saga

uncompromising literary manifesto he argues that sex is at the heart of his writing because it is at the heart of life - a vital force as essential as bread, money, work or play.

The Joke's Over

The basis for the hit TV series *Gangland Undercover!* The gripping account from an ex-con who went undercover to help the ATF infiltrate three of America's most violent biker gangs. Despite lacking any experience with motorcycle gangs, Charles Falco infiltrated three of America's deadliest biker gangs: the Vagos, Mongols, and Outlaws. In separate investigations that spanned years and coasts, Falco risked his life, suffering a fractured neck and a severely torn shoulder, working deep under cover to bring violent sociopaths to justice. His dedication was profound; Falco spent almost three years infiltrating the Vagos gang and rose to second in command of the Victorville, California chapter. He even served time in San Bernardino's Murder Unit and endured solitary confinement to protect his cover and the investigations. Falco recorded confessions of gangland-style killings and nearly became a target himself before he sought refuge in the Witness Protection Program. But discontent to remain on the sidelines and motivated by a strong sense of duty, Falco eventually left the Program and volunteer his talents again to infiltrate the Mongols and Outlaws, rising in rank to Vice President of the Petersburg, Virginia Outlaws chapter. His efforts culminated in sixty two arrests of members for various crimes, including assault and murder. Executing one of this country's most successful RICO prosecutions and effectively crippling the criminal enterprise, Falco's engrossing narrative of the dangers of the biker underworld harkens back to Hunter S. Thompson's classic *Hell's Angels*, vividly recounting a life undercover.

Please Kill Me

Running with the Devil

Here, for the first time, is the private and most intimate correspondence of one of America's most influential and incisive journalists--Hunter S. Thompson. In letters to a Who's Who of luminaries from Norman Mailer to Charles Kuralt, Tom Wolfe to Lyndon Johnson, William Styron to Joan Baez--not to mention his mother, the NRA, and a chain of newspaper editors--Thompson vividly catches the tenor of the times in 1960s America and channels it all through his own razor-sharp perspective. Passionate in their admiration, merciless in their scorn, and never anything less than fascinating, the dispatches of The

Proud Highway offer an unprecedented and penetrating gaze into the evolution of the most outrageous raconteur/provocateur ever to assault a typewriter.

Sasquatch: Legend Meets Science

In this landmark work on a subject too often dismissed as paranormal or disreputable, Jeff Meldrum gives us the first book on sasquatch to be written by a scientist with impeccable academic credentials, an objective look at the facts in a field mined with hoaxes and sensationalism. Meldrum reports on the work of a team of experts from a wide variety of fields who were assembled to examine the evidence for a large, yet undiscovered, North American primate. He reviews the long history of this mystery--which long predates the "bigfoot" flap of the late fifties--and explains all the scientific pros and cons in a clear and accessible style, amplified by over 150 illustrations. Anyone who has pondered the mysteries of human evolution will be fascinated and eager to join Dr. Meldrum in drawing their own conclusion. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Showdown

From the king of "Gonzo" journalism and bestselling author who brought you Fear and Loathing in Las Vegas comes another astonishing volume of letters by Hunter S. Thompson. Brazen, incisive, and outrageous as ever, this second volume of Thompson's private correspondence is the highly anticipated follow-up to The Proud Highway. When that first book of letters appeared in 1997, Time pronounced it "deliriously entertaining"; Rolling Stone called it "brilliant beyond description"; and The New York Times celebrated its "wicked humor and bracing political conviction." Spanning the years between 1968 and 1976, these never-before-published letters show Thompson building his legend: running for sheriff in Aspen, Colorado; creating the seminal road book Fear and Loathing in Las Vegas; twisting political reporting to new heights for Rolling Stone; and making sense of it all in the landmark Fear and Loathing on the Campaign Trail '72. To read Thompson's dispatches from these years--addressed to the author's friends, enemies, editors, and creditors, and such notables as Jimmy Carter, Tom Wolfe, and Kurt Vonnegut--is to read a raw, revolutionary eyewitness account of one of the most exciting and pivotal eras in American history.

The Great Shark Hunt

Bookmark File PDF Hells Angels A Strange And Terrible Saga

Dr. Peter S. Murphy needs fifteen thousand dollars by the end of the day, or the city of Los Angeles can say goodbye to the El Healtho clinic. A recovery center for the most severe cases of alcoholism in the state--even if no one ever does quite seem to get dry there--El Healtho has been the bane of Dr. Murphy's existence ever since he started running it. But now that its doors are about to close forever, Dr. Murphy finds he'll do anything to keep it open. Up to and including admitting Humphrey Van Twyne III, a patient with an extremely violent past whose wealthy family has the means to keep El Healtho open for business. Sure, the man isn't exactly an alcoholic. And yes, what he really needs is to be under the care of the surgeons who performed the lobotomy that's rendered Van Twyne all but a vegetable. But the money's good--until the rag-tag group of ne'er-do-wells at El Healtho begin to wreak havoc with Dr. Murphy's plans, and suddenly no one day has ever seemed so long. A literary precursor to *One Flew Over the Cuckoo's Nest*, *THE ALCOHOLICS* is Thompson like you've never read him before, a pitch-black, mad-cap portrait of deviant behavior that is at once darkly comic, humane and harrowing.

The Hard Way Out

A young reporter's life in the 1950s. Paul Kemp breaks into the profession on a newspaper in Puerto Rico and through his eyes are portrayed colorful characters in the days when newspapers flourished.

Exile on Front Street

An anthology of top-selected Rolling Stone articles offers insight into both the late Thompson's early career and the magazine's fledgling years, in a volume that includes the stories of his infamous Freak Party sheriff campaign and his observations about the Bush-versus-Kerry presidential rivalry. By the best-selling author of *The Rum Diary*. 100,000 first printing.

Songs of the Doomed

The first volume in Hunter S. Thompson's bestselling *Gonzo Papers* offers brilliant commentary and outrageous humor, in his signature style. Originally published in 1979, the first volume of the bestselling "*Gonzo Papers*" is now back in print. *The Great Shark Hunt* is Dr. Hunter S. Thompson's largest and, arguably, most important work, covering Nixon to napalm, Las Vegas to Watergate, Carter to cocaine. These essays offer brilliant commentary and outrageous humor, in signature Thompson style. Ranging in date from the *National Observer* days to the era of *Rolling Stone*, *The Great Shark Hunt* offers

Bookmark File PDF Hells Angels A Strange And Terrible Saga

myriad, highly charged entries, including the first Hunter S. Thompson piece to be dubbed "gonzo"—"The Kentucky Derby Is Decadent and Depraved," which appeared in Scanlan's Monthly in 1970. From this essay a new journalistic movement sprang which would change the shape of American letters. Thompson's razor-sharp insight and crystal clarity capture the crazy, hypocritical, degenerate, and redeeming aspects of the explosive and colorful '60s and '70s.

The World of Sex

Lorne Campbell was an officer and enforcer for the outlaw biker club Satan's Choice for over thirty years, before patching over to the Hells Angels. The product of a violent childhood, with a hair-trigger temper and fearless nature, he just wanted a place to belong. He found brotherhood with his fellow one per centers, and a code he has lived his life by. In his time he's seen club life slip further into the criminal underworld and be transformed by cocaine dealing. He killed a rival biker to save his brothers and has been imprisoned for assault and drug trafficking. He's faced off police out to get him, taken revenge on men who betrayed him, and gone to extreme lengths to protect his honour and his club. Written with dark humour and raw honesty, and filled with unforgettable characters living life on their own terms, Satan's Choice is a unique insight into an outlaw world seen through the eyes of one proud and unrepentant biker.

The Road to Hell

The Outlaws Motorcycle Club's story is told here for the first time, by criminal underworld author and former infiltrator Alex Caine. They are the original biker gang, and their sixty years of war with the Hells Angels is the stuff of legend. Right down to their signature logo (a skull known as "Charlie"), the McCook Outlaws Motorcycle Club, formed in 1935, defined the look and sensibility of the twentieth-century biker. In the 1950s, a rising gang of toughs in California threatened to steal their thunder. But, recognizing an opportunity for expansion, the Outlaws reached out. The nascent Hells Angels sent them home to Chicago, beaten, humiliated and forever bent on the Angels' destruction. Sixty years and thousands of maimed and murdered later, the Hells Angels are a dominant criminal empire. The Outlaws, loosely allied with the number-two club in the biker universe, the Bandidos, sit contentedly as the number-three power, though they rule in places like the UK, the Great Lakes, Florida and the US Midwest. Less concerned with making money than the Angels, they continue to define the vicious biker character like few of their peers. Working undercover, Alex Caine witnessed the buffering of the big clubs' US

turfs in a Bandidos-mediated truce between the Outlaws and Angels in the 1980s. But like every deal between bikers, that one soured, and a storm of unimaginable violence and scope is brewing. The alliance is expanding and determined to unseat the Angels for once and for all. From the Hardcover edition.

Dead End in Norvelt

Gonzo journalist and literary roustabout Hunter S. Thompson flies with the angels—Hell's Angels, that is—in this short work of nonfiction. "California, Labor Day weekend . . . early, with ocean fog still in the streets, outlaw motorcyclists wearing chains, shades and greasy Levis roll out from damp garages, all-night diners and cast-off one-night pads in Frisco, Hollywood, Berdoo and East Oakland, heading for the Monterey peninsula, north of Big Sur. . . The Menace is loose again." Thus begins Hunter S. Thompson's vivid account of his experiences with California's most notorious motorcycle gang, the Hell's Angels. In the mid-1960s, Thompson spent almost two years living with the controversial Angels, cycling up and down the coast, reveling in the anarchic spirit of their clan, and, as befits their name, raising hell. His book successfully captures a singular moment in American history, when the biker lifestyle was first defined, and when such countercultural movements were electrifying and horrifying America. Thompson, the creator of Gonzo journalism, writes with his usual bravado, energy, and brutal honesty, and with a nuanced and incisive eye; as *The New Yorker* pointed out, "For all its uninhibited and sardonic humor, Thompson's book is a thoughtful piece of work." As illuminating now as when originally published in 1967, *Hell's Angels* is a gripping portrait, and the best account we have of the truth behind an American legend. From the Hardcover edition.

Hells Angels at War

Chrissie Hynde, for nearly four decades the singer/songwriter/ undisputed leader of the Pretenders, is a justly legendary figure. Few other rock stars have managed to combine her swagger, sexiness, stage presence, knack for putting words to music, gorgeous voice and just all-around kick-assedness into such a potent and alluring package. From "Tattooed Love Boys" and "Brass in Pocket" to "Talk of the Town" and "Back on the Chain Gang," her signature songs project a unique mixture of toughness and vulnerability that millions of men and women have related to. A kind of one-woman secret tunnel linking punk and new wave to classic guitar rock, she is one of the great luminaries in rock history. Now, in her no-holds-barred memoir *Reckless*, Chrissie Hynde tells, with all the fearless candor, sharp humor and depth of feeling we've come to expect, exactly where she came from and what her crooked, winding path to stardom

Bookmark File PDF Hells Angels A Strange And Terrible Saga

entailed. Her All-American upbringing in Akron, Ohio, a child of postwar power and prosperity. Her soul capture, along with tens of millions of her generation, by the gods of sixties rock who came through Cleveland—Mitch Ryder, David Bowie, Jeff Back, Paul Butterfield and Iggy Pop among them. Her shocked witness in 1970 to the horrific shooting of student antiwar protestors at Kent State. Her weakness for the sorts of men she calls "the heavy bikers" and "the get-down boys." Her flight from Ohio to London in 1973 essentially to escape the former and pursue the latter. Her scuffling years as a brash reviewer for New Musical Express, shop girl at the Malcolm McLaren and Vivienne Westwood boutique 'Craft Must Wear Clothes But The Truth Loves To Go Naked', first-hand witness to the birth of the punk movement, and serial band aspirant. And then ,at almost the last possible moment, her meeting of the three musicians who comprised the original line-up of The Pretenders, their work on the indelible first album "The Pretenders," and the rocket ride to "Instant" stardom, with all the disorientation and hazards that involved. The it all comes crashing back down to earth with the deaths of lead guitarist James Honeyman Scott and bassist Peter Farndon, leaving her bruised and saddened, but far from beaten. Because Chrissie Hynde is, among other things, one of rock's great survivors. We are lucky to be living in a golden age of great rock memoirs. In the aptly titled Reckless, Chrissie Hynde has given us one of the very best we have. Her mesmerizing presence radiates from every line and page of this book.

The Master and Margarita

Narrated by the visionary founding member, Hell's Angel provides a fascinating all-access pass to the secret world of the notorious Hell's Angels Motorcycle Club. Sonny Barger recounts the birth of the original Oakland Hell's Angels and the four turbulent decades that followed. Hell's Angel also chronicles the way the HAMC revolutionized the look of the Harley-Davidson motorcycle and built what has become a worldwide bike-riding fraternity, a beacon for freedom-seekers the world over. Dozens of photos, including many from private collections and from noted photographers, provide visual documentation to this extraordinary tale. Never simply a story about motorcycles, colorful characters, and high-speed thrills, Hell's Angel is the ultimate outlaw's tale of loyalty and betrayal, subcultures and brotherhood, and the real price of freedom.

The Road

NATIONAL BESTSELLER WINNER OF THE PULITZER PRIZE The searing, post-apocalyptic novel about a father and son's fight to survive. A father and his son walk alone through burned America. Nothing moves in the

Summary of Hell's Angels: A Strange and Terrible Saga

The classic collaboration from the internationally bestselling authors Neil Gaiman and Terry Pratchett, soon to be an original series starring Michael Sheen and David Tennant. "Good Omens . . . is something like what would have happened if Thomas Pynchon, Tom Robbins and Don DeLillo had collaborated. Lots of literary inventiveness in the plotting and chunks of very good writing and characterization. It's a wow. It would make one hell of a movie. Or a heavenly one. Take your pick."—Washington Post According to The Nice and Accurate Prophecies of Agnes Nutter, Witch (the world's only completely accurate book of prophecies, written in 1655, before she exploded), the world will end on a Saturday. Next Saturday, in fact. Just before dinner. So the armies of Good and Evil are amassing, Atlantis is rising, frogs are falling, tempers are flaring. Everything appears to be going according to Divine Plan. Except a somewhat fussy angel and a fast-living demon—both of whom have lived amongst Earth's mortals since The Beginning and have grown rather fond of the lifestyle—are not actually looking forward to the coming Rapture. And someone seems to have misplaced the Antichrist . . .

Fallen Angel

In this breathtaking cultural history filled with exclusive, never-before-revealed details, celebrated rock journalist Joel Selvin tells the definitive story of the Rolling Stones' infamous Altamont concert, the disastrous historic event that marked the end of the idealistic 1960s. In the annals of rock history, the Altamont Speedway Free Festival on December 6, 1969, has long been seen as the distorted

Bookmark File PDF Hells Angels A Strange And Terrible Saga

twin of Woodstock—the day that shattered the Sixties' promise of peace and love when a concertgoer was killed by a member of the Hells Angels, the notorious biker club acting as security. While most people know of the events from the film Gimme Shelter, the whole story has remained buried in varied accounts, rumor, and myth—until now. Altamont explores rock's darkest day, a fiasco that began well before the climactic death of Meredith Hunter and continued beyond that infamous December night. Joel Selvin probes every aspect of the show—from the Stones' hastily planned tour preceding the concert to the bad acid that swept through the audience to other deaths that also occurred that evening—to capture the full scope of the tragedy and its aftermath. He also provides an in-depth look at the Grateful Dead's role in the events leading to Altamont, examining the band's behind-the-scenes presence in both arranging the show and hiring the Hells Angels as security. The product of twenty years of exhaustive research and dozens of interviews with many key players, including medical staff, Hells Angels members, the stage crew, and the musicians who were there, and featuring sixteen pages of color photos, Altamont is the ultimate account of the final event in rock's formative and most turbulent decade.

Reckless

The definitive collection of first-hand accounts of the world's outlaw motorcycle gangs Outlaw bikers consider themselves 'the last free people in society', unconstrained by the regulations that rule ordinary citizens. And they guard their privacy jealously. Drawing on 17 years of studying and participating in biker culture, Arthur Veno has compiled the ultimate collection of original biker writing. Here are insider accounts of landmark incidents in bike folklore, plus reprints of classic writing from biker-originated magazines, handouts, websites and books. Gangs featured include the Bandidos, Hells Angels, Henchmen MC, the Outlaws, the Mongols, Annihilators, the Diablos, Gypsy Jokers, the Rebels, the Straight Satans, and the Vagos. And with contributors such as Freewheelin' Frank (one-time secretary of Hells Angels), Edward Winterhalder (among the most powerful members of the Bandidos), and Sonny Barger (founder of the Hell's Angels). Also included are those rare accounts by outsiders that have managed successfully to 'look in' on the gangs: including Hunter S. Thompson in his 'Hell's Angels - A Strange and Terrible Modern Saga'; William Queen the undercover agent who infiltrated America's violent outlaw motorcycle gang the Mongols; and Daniel R. Wolf's account of riding with the Rebels.

Iggy Pop, Richard Hell, the Ramones, and scores of other punk figures lend their voices to this decisive account of that explosive era. This 20th anniversary edition features new photos and an afterword by the authors. "Utterly and shamelessly sensational."—Newsday

The Sparrow

First published in 1990, Songs of the Doomed is back in print -- by popular demand! In this third and most extraordinary volume of the Gonzo Papers, Dr. Hunter S. Thompson recalls high and hideous moments in his thirty years in the Passing Lane -- and no one is safe from his hilarious, remarkably astute social commentary. With Thompson's trademark insight and passion about the state of American politics and culture, Songs of the Doomed charts the long, strange trip from Kennedy to Quayle in Thompson's freewheeling, inimitable style. Spanning four decades -- 1950 to 1990 -- Thompson is at the top of his form while fleeing New York for Puerto Rico, riding with the Hell's Angels, investigating Las Vegas sleaze, grappling with the "Dukakis problem," and finally, detailing his infamous lifestyle bust, trial documents, and Fourth Amendment battle with the Law. These tales -- often sleazy, brutal, and crude -- are only the tip of what Jack Nicholson called "the most baffling human iceberg of our time." Songs of the Doomed is vintage Thompson -- a brilliant, brazen, bawdy compilation of the greatest sound bites of Gonzo journalism from the past thirty years.

A Long Strange Trip

A real-life crime adventure that takes you on a behind-the-scenes look at the Hells Angels, and what it takes to take down one of their most prominent leaders. The story traces how the lives of the authors, a Hells Angel president and an honest, hard-working cop, collide and result in an unlikely friendship.

A Wayward Angel

'We were somewhere around Barstow on the edge of the desert when the drugs began to take hold. I remember saying something like, "I feel a bit lightheaded; maybe you should drive "'

Altamont

A kid raised by his father's fists on the wrong side of a blue-collar town, Lorne Campbell grew up watching the local bikers ride past, making him wonder what that kind of freedom and power would feel like. He soon found out. At the age of 17, he became the youngest-ever member of the Satan's Choice Motorcycle Club and spent the next five decades living a life for which he does not ask forgiveness, only that his story finally be told, and that his family finally understand what drove him to live the way he did.

Hell's Angel

In his bestselling *Hells Angels: Taking Care of Business*, Yves Lavigne blew the lid off an organization that few knew anything about beyond the romanticized image of tough guys, their Harleys and their women. His equally successful sequel, *Hells Angels: Into the Abyss*, got up close and personal with the Angels, on an exclusive ride with an FBI informant inside the gang. Now, in this third book in his trilogy, Lavigne exposes the slick, technology-savvy new breed of Hells Angels and how they're becoming a very real threat to society in Canada, the US and throughout the world. Even more importantly, he reveals just how powerless law enforcement agencies are to stop what is equivalent to a multi-million dollar corporation that just happens to have the number-one market share in the illegal drugs industry. In 1998, Hells Angels turned 50, doubling in size in the last decade. Yet, most politicians, police officers and the public still haven't responded to the fact that the gang has evolved into a major organized crime force, capable of manipulating both the legal system and the media with deadly professional ease. With his usual meticulous research and insider's knowledge, Lavigne reports on the latest from the Angels' front lines: the purchase of hotels, real estate and businesses for the express use of laundering money; the growing global network of chapters; and the ineffectual response of law enforcement agencies to the escalating violence, gang rivalry and crime. Featuring new and dramatic photographs, maps of club locations and Hells Angels documents, "Hells Angels at War" is both a revealing expose and a not-to-be ignored wake-up call to eliminate this evolving and even deadlier evil, now.

Breaking the Code

I hadn't planned on writing a book when I quit the Hells Angels. After forty years in the Hells Angels,

Bookmark File PDF Hells Angels A Strange And Terrible Saga

George Christie was ready to retire. As president of the high-profile Ventura charter of the club, he had been the yin to Sonny Barger's yang. Barger was the reckless figurehead and de facto world leader of the Hells Angels. Christie was the negotiator, the spokesman, the thinker, the guy who smoothed things out. He was the one who carried the Olympic torch and counted movie stars, artists, rock musicians, and police chief captains among his friends. But leaving the Hells Angels isn't easy, and within two weeks of retirement, he was told he was "out bad"—blackballed by his fellow Angels, prohibited from wearing the club patch, and even told he should remove his Death Head tattoo. Now Christie sets out to tell his story. *Exile on Front Street* is the tale of how a former Marine gave up a comfortable job with the Department of Defense and swore allegiance to the Hells Angels. In this revealing, hard-hitting memoir, he recounts his life as an outlaw biker with the world's most infamous motorcycle club.

Unrepentant

Dead End in Norvelt is the winner of the 2012 Newbery Medal for the year's best contribution to children's literature and the Scott O'Dell Award for Historical Fiction! Melding the entirely true and the wildly fictional, *Dead End in Norvelt* is a novel about an incredible two months for a kid named Jack Gantos, whose plans for vacation excitement are shot down when he is "grounded for life" by his feuding parents, and whose nose spews bad blood at every little shock he gets. But plenty of excitement (and shocks) are coming Jack's way once his mom loans him out to help a feisty old neighbor with a most unusual chore—typewriting obituaries filled with stories about the people who founded his utopian town. As one obituary leads to another, Jack is launched on a strange adventure involving molten wax, Eleanor Roosevelt, twisted promises, a homemade airplane, Girl Scout cookies, a man on a trike, a dancing plague, voices from the past, Hells Angels . . . and possibly murder. Endlessly surprising, this sly, sharp-edged narrative is the author at his very best, making readers laugh out loud at the most unexpected things in a dead-funny depiction of growing up in a slightly off-kilter place where the past is present, the present is confusing, and the future is completely up in the air.

Hell's Angels: A Strange and Terrible Saga

The complete history of one of the most long-lived and legendary bands in rock history, written by its official historian and publicist—a must-have chronicle for all Dead Heads, and for students of rock and the 1960s' counterculture. From 1965 to 1995, the Grateful Dead flourished as one of the most beloved, unusual, and accomplished musical entities to ever grace American culture. The creative synchronicity

among Jerry Garcia, Bob Weir, Phil Lesh, Bill Kreutzmann, Mickey Hart, and Ron "Pigpen" McKernan exploded out of the artistic ferment of the early sixties' roots and folk scene, providing the soundtrack for the Dionysian revels of the counterculture. To those in the know, the Dead was an ongoing tour de force: a band whose constant commitment to exploring new realms lay at the center of a thirty-year journey through an ever-shifting array of musical, cultural, and mental landscapes. Dennis McNally, the band's historian and publicist for more than twenty years, takes readers back through the Dead's history in *A Long Strange Trip*. In a kaleidoscopic narrative, McNally not only chronicles their experiences in a fascinatingly detailed fashion, but veers off into side trips on the band's intricate stage setup, the magic of the Grateful Dead concert experience, or metaphysical musings excerpted from a conversation among band members. He brings to vivid life the Dead's early days in late-sixties San Francisco—an era of astounding creativity and change that reverberates to this day. Here we see the group at its most raw and powerful, playing as the house band at Ken Kesey's acid tests, mingling with such legendary psychonauts as Neal Cassady and Owsley "Bear" Stanley, and performing the alchemical experiments, both live and in the studio, that produced some of their most searing and evocative music. But McNally carries the Dead's saga through the seventies and into the more recent years of constant touring and incessant musical exploration, which have cemented a unique bond between performers and audience, and created the business enterprise that is much more a family than a corporation. Written with the same zeal and spirit that the Grateful Dead brought to its music for more than thirty years, the book takes readers on a personal tour through the band's inner circle, highlighting its frenetic and very human faces. *A Long Strange Trip* is not only a wide-ranging cultural history, it is a definitive musical biography.

Fear and Loathing in America

The shocking true story of a Canadian biker turned informant, in the vein of *Gangland Undercover* and *Under and Alone* Dave Atwell was a regular suburban Canadian kid who rose to the heights of society, rubbing elbows with billionaires as a personal security specialist before getting involved with some of the country's most notorious gangsters as a member of first the Para-Dice Riders and then the Hells Angels. He was sergeant at arms for Toronto's notorious downtown chapter of the Hells Angels, and he saw it all: the drug trafficking, the violence and the structure of the organization. First his involvement with the gang cost him his career in personal security, and then it threatened to cost him everything. Atwell opted to work with the police, becoming the highest-ranking Hells Angel in history to cooperate with law enforcement. Wearing the gang's colours as a soldier among the men who called him a brother,

Atwell reported the Hells Angels' activities to law enforcement. He risked his life providing valuable information aimed at taking down the club. In the harrowing and revelatory *The Hard Way Out*, Atwell retraces his days living a dual life as biker and informant, surrounded by major drug trafficking and the violent, paranoid and increasingly suspicious bikers who stood to lose their livelihoods and potentially their freedom unless they found the rat they knew was hidden in their midst. Written by bestselling crime author Jerry Langton, this is a high-octane true story that will have you on the edge of your seat.

Fear and Loathing in Las Vegas (Harper Perennial Modern Classics)

In this definitive, up-to-the-minute account of the Hells Angels in Canada, two veteran journalists investigate why the recent imprisonment of feared biker leader, Maurice "Mom" Boucher, is too little, too late. By the spring of 2002, Boucher was safely in prison but the Hells Angels had grown to 37 chapters with close to 600 members across the country. They had taken over the drug trade and continued their rapid expansion into Ontario with a recent, high-profile enlistment -- or patchover -- of 168 members from other gangs. In Winnipeg, gang warfare turned ugly as the Hells muscled out the competition and firebombed a policeman's home. In Vancouver, they secured a stranglehold on smuggling in the all-important West Coast port. *The Road to Hell* is the story of how the Hells have taken over the Canadian crime scene: how politicians dithered while overburdened prosecutors burned out and lost major cases; how police brass squabbled while a handful of dedicated cops worked years to amass their evidence; how a few citizens stood up the bikers and paid for that bravery with their lives. Murder plots, drug deals, money laundering and assassinations are brought to life through never-before-revealed police files, wiretaps and surveillance tapes. In gripping prose, the authors tell all about Boucher's war on the justice system; how he finally lost in Quebec, thanks in part to Danny Kane, a reluctant biker turned informer; but how across Canada the Hells have succeeded in building a national crime empire. The RCMP and then the police in Montreal would run Danny Kane as one of the most successful -- and most secretive -- agents ever to infiltrate organized crime. Kane would climb all the way to the top: from a lowly hangaround to a trusted confidante of the Quebec Nomads, the elite chapter led by the top Hells Angels lieutenants of Maurice "Mom" Boucher. And through his entire six-year-career as a spy, few people -- even inside the police -- would ever know about his dangerous double life. -- from *The Road to Hell* From the Hardcover edition.

Hell's Angels

A history of the Hell's Angels Motorcycle Club that graduated from murder, rape, and terrorism to murder, rape, terrorism, and drugs

Under and Alone

A mysterious stranger appears in a Moscow park. Soon he and his retinue have astonished the locals with the magic show to end all magic shows. But why are they really here, and what has it got to do with the beautiful Margarita, or her lover, the Master, a silenced writer? A carnival for the senses and a diabolical extravaganza, this most exuberant of Russian novels was staged in this adaptation at Chichester Festival Theatre.

Vagos, Mongols, and Outlaws

Traces the author's friendship and working relationship with Hunter S. Thompson, discussing their collaborative efforts through Gonzo Journalism while covering such subjects as the civil rights movement and Watergate, in a personal account that also evaluates Thompson's 2005 suicide. 50,000 first printing.

Charlie and the Angels

The Rum Diary

A visionary work that combines speculative fiction with deep philosophical inquiry, *The Sparrow* tells the story of a charismatic Jesuit priest and linguist, Emilio Sandoz, who leads a scientific mission entrusted with a profound task: to make first contact with intelligent extraterrestrial life. The mission begins in faith, hope, and beauty, but a series of small misunderstandings brings it to a catastrophic end. Praise for *The Sparrow* "A startling, engrossing, and moral work of fiction."—*The New York Times Book Review* "Important novels leave deep cracks in our beliefs, our prejudices, and our blinders. *The Sparrow* is one of them."—*Entertainment Weekly* "Powerful . . . *The Sparrow* tackles a difficult subject with grace and intelligence."—*San Francisco Chronicle* "Provocative, challenging . . . recalls both Arthur C. Clarke and H. G. Wells, with a dash of Ray Bradbury for good measure."—*The Dallas Morning News* "[Mary Doria] Russell shows herself to be a skillful storyteller who subtly and expertly builds suspense."—*USA Today* From the Trade Paperback edition.

Proud Highway

Droban chronicles the inside story of the ATF's infiltration of the Hells Angels, one of the most notorious and violent outlaw motorcycle gangs in history.

Hells Angels Motorcycle Club

The inside story of the street war between Canada's most violent biker gangs—the Outlaws and the Hell's Angels. Once bikers who road together, Mario Parente and Walter Stadnick, are now mortal enemies, chiefs, respectively, of the Outlaws and Hell's Angels, embroiled in a bloody turf war over control of the lucrative drug, prostitution, and vice markets in Ontario's Golden Horseshoe. Written with the cooperation of Mario Parente, *Showdown* describes the biker gang equivalent of the Godfather, the violent power shifts as Satan's Choice, a rival gang falls into disarray, and as Parente gears up to protect Southwest Ontario from Stadnick's vision of making the Hell's Angels the largest criminal biker gang in Canada. A gang's-eye look at the 2006 Shedden Massacre, where eight men were slaughtered. An account that lets Mario Parente go on the record with his story of the biker wars. With frightening and compelling detail, *Showdown* lets readers experience firsthand the personalities and day-to-day workings behind the brutal and deadly rivalries that mark one piece of Canada's criminal underworld.
