### Comrade Pavlik

A Library Journal 2020 Title to Watch Russia's epic and dramatic history told in an accessible, lively and short form, from Ivan the Terrible to Vladimir Putin via Catherine the Great, the Russian Revolution and the fall of the USSR. Russia is a country with no natural borders, no single ethnic group, no true central identity. At the crossroads of Europe and Asia, it has been subject to invasion by outsiders, from Vikings to Mongols, from Napoleon's French to Hitler's Germans. In order to forge an identity, it has mythologized its past to unite its people and to signal strength to outsiders. In *A Short History of Russia*, Mark Galeotti explores the history of this fascinating, glorious, desperate and exasperating country through two intertwined issues: the way successive influences from beyond its borders have shaped Russia, and the way Russians came to terms with this influence, writing and rewriting their past to understand their present and try to influence their future. In turn, this self-invented history has come to affect not just their constant nation-building project but also their relations with the world.

### Magic Nesting Doll

The villagers are afraid of her, so Baba Yaga disguises herself as a grandmother.

### Baba Yaga the Witch and Other Legendary Creatures of Russia

Let's go to España! This educational book will take you to see the wonderful places in Spain, meet their meet and even experience their culture. It's amazing how an educational book can give you all these without leaving your home country. The secret is in the powerful combination of carefully selected information and pictures. ### An Illustrated History of Russia

**NEW YORK TIMES BESTSELLER** □ The magnum opus and latest work from Svetlana Alexievich, the 2015 winner of the Nobel Prize in Literature—a symphonic oral history about the disintegration of the Soviet Union and the emergence of a new Russia **NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY THE WASHINGTON POST AND PUBLISHERS WEEKLY** □ **LOS ANGELES TIMES BOOK PRIZE WINNER NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The New York Times** □ **The Washington Post** □ **The Boston Globe** □ **The Wall Street Journal** □ **NPR** □ **Financial Times** □ **Kirkus Reviews** When the Swedish Academy awarded Svetlana Alexievich the Nobel Prize, it cited her for inventing “a new kind of literary genre,” describing her work as “a history of emotions—a history of the soul.” Alexievich’s distinctive documentary style, combining extended individual monologues with a collage of voices, records the stories of ordinary women and men who are rarely given the opportunity to speak, whose experiences are often lost in the official histories of the nation. In *Secondhand Time*, Alexievich chronicles the demise of communism. Everyday Russian citizens recount the past thirty years, showing us what life was like during the fall of the Soviet Union and what it’s like to live in the new Russia left in its wake. Through interviews spanning 1991 to 2012, Alexievich takes us behind the propaganda and contrived media accounts, giving us a panoramic portrait of contemporary Russia and Russians who still carry memories of oppression, terror, famine, massacres—but also of pride in their country, hope for the future, and a belief that everyone was working and fighting together to bring about a utopia. Here is an account of life in the aftermath of an idea so powerful it once dominated a third of the world. A magnificent tapestry of the sorrows and triumphs of the human spirit woven by a master, *Secondhand Time* tells the stories that together make up the true history of a nation. “Through the voices of those who confided in her,” *The Nation* writes, “Alexievich tells us about human nature, about our dreams, our choices, about good and evil—in a word, about ourselves.” Praise for Svetlana Alexievich and *Secondhand Time* “The nonfiction volume that has done the most to deepen the emotional understanding of Russia during and after the collapse of the Soviet Union of late is Svetlana Alexievich’s oral history *Secondhand Time*.”—David Remnick, *The New Yorker* “Like the greatest works of fiction, *Secondhand Time* is a comprehensive and unflinching exploration of the human condition. . . . In its scope and wisdom, *Secondhand Time* is comparable to *War and Peace*.”—*The Wall Street Journal* “Already hailed as a masterpiece across Europe, *Secondhand Time* is an intimate portrait of a country yearning for meaning after the sudden lurch from Communism to capitalism in the 1990s plunged it into existential crisis.”—*The New York Times* “This is the kind of history, otherwise almost unacknowledged by today’s dictatorships, that matters.”—*The Christian Science Monitor* “In this spellbinding book, Svetlana Alexievich orchestrates a rich symphony of Russian voices telling their stories of love and death, joy and sorrow, as they try to make sense of the twentieth century.”—J. M. Coetzee

### From Russia with Love! Russian for Kids (Paperback)

#### Babushka Baba Yaga

An exuberantly illustrated introduction to the early life of abstract painter Vasya [Wassily] Kandinsky describes how his creative life was profoundly shaped by a neurological condition called "synesthesia," which caused him to experience colors as sounds, and sounds as colors.

## The Prince of Princes

Acclaimed New York Times journalist and author Chris Hedges offers a critical -- and fascinating -- lesson in the dangerous realities of our age: a stark look at the effects of war on combatants. Utterly lacking in rhetoric or dogma, this manual relies instead on bare fact, frank description, and a spare question-and-answer format. Hedges allows U.S. military documentation of the brutalizing physical and psychological consequences of combat to speak for itself. Hedges poses dozens of questions that young soldiers might ask about combat, and then answers them by quoting from medical and psychological studies. □ What are my chances of being wounded or killed if we go to war? □ What does it feel like to get shot? □ What do artillery shells do to you? □ What is the most painful way to get wounded? □ Will I be afraid? □ What could happen to me in a nuclear attack? □ What does it feel like to kill someone? □ Can I withstand torture? □ What are the long-term consequences of combat stress? □ What will happen to my body after I die? This profound and devastating portrayal of the horrors to which we subject our armed forces stands as a ringing indictment of the glorification of war and the concealment of its barbarity.

## A Brief History of Russia

Recounting tales of spying, murder, missing children, and lost treasure, Hopkinson reveals the inside story on the famous fortress in the heart of Moscow that has withstood fires, invaders, and revolutions for almost 700 years. Includes a fold-out map. Original.

## Russian History: A Very Short Introduction

Learn about the land of kimchi □ Korea! It is an Asian powerhouse that stands next to Japan in terms of technological achievements. Through this educational book, your child can go on a virtual tour around the country. Aside from the learnings, your child will also love the pictures and presentation of information here. Grab a copy now!

## Rose Blanche

David Crowe draws from previously untapped East European, Russian, and traditional sources to explore the life, history, and culture of the Gypsies, or Roma, from their entrance into the region in the Middle Ages until the present.

## Egg & Spoon

Some young readers may be unfamiliar with the child-stealing witch well known to Russian folklore. After reading this captivating book, they'll know all about Baba Yaga and other legendary creatures of Russia, such as the Brosno Dragon. This high-interest volume features colorful images paired with stimulating text. Eye-catching sidebars are included throughout the book and feature even more information about these interesting stories and creatures. This innovative book is sure to be a hit with curious readers of many ages and abilities.

## The Littlest Matryoshka

An injured goose rescued by Babushka, having broken the painted eggs intended for the Easter Festival in Moscva, lays thirteen marvelously colored eggs to replace them, then leaves behind one final miracle in egg form before returning to her own kind.

## A Short History of Russia

Among the least-chronicled aspects of post-World War II European intellectual and cultural history is the story of the Russian intelligentsia after Stalin. Vladislav Zubok turns a compelling subject into a portrait as intimate as it is provocative. Zhivago's children, the spiritual heirs of Boris Pasternak's noble doctor, were the last of their kind - an intellectual and artistic community committed to a civic, cultural, and moral mission.

Join kids from all over the world on a globe-trotting adventure with the Living in series—sure to be a hit with children, parents, educators, and librarians alike!

### Breaking Stalin's Nose

It was September, 1932. Gerasimovka, Western Siberia. Two children are found dead in the forest outside a remote village. Both have been repeatedly stabbed and their bloody bodies are covered in sticky, crimson cranberry juice. Who committed these horrific murders has never been proved, but the elder boy, thirteen-year-old Pavlik Morozov, was quickly to become the most famous boy in Soviet history - statues of him were erected, biographies published, and children across the country were exhorted to emulate him. Catriona Kelly's aim is not to find out who really killed the boys, but rather to explore how Stalin's regime turned Pavlik into a hero designed to produce good Soviet citizens. Pavlik's story is intriguing and multi-layered: did he denounce his own father to the authorities? Was he murdered by members of his own family? Did he ever belong to the Pioneers, the Communist youth organization who claimed him as member No. 001? This is the first book in English on Pavlik's legend, using previously inaccessible local archives.

### The Noisy Paint Box

### History of Russia in 100 Minutes

Tolstaya's essays in this compact, historically significant volume offer a fascinating, highly intelligent analysis of Russian society and politics (Publishers Weekly). These twenty pieces address the politics, culture, and literature of Russia with both flair and erudition. Passionate and opinionated, often funny, and using ample material from daily life to underline their ideas and observations, Tatyana Tolstaya's essays range across a variety of subjects. They move in one unique voice from Soviet women, classical Russian cooking, and the bliss of snow to the effect of Pushkin and freedom on Russia writers; from the death of the czar and the Great Terror to the changes brought by Gorbachev, Yeltsin, and Putin in the last decade. Throughout this engaging volume, the Russian temperament comes into high relief. Whether addressing literature or reporting on politics, Tolstaya's writing conveys a deep knowledge of her country and countrymen. Pushkin's Children is a book for anyone interested in the Russian soul.

Tolstaya is simply the most fearless female observer of the very male-centric culture . . . of the USSR.

Ben Dickinson, Elle

### Living in . . . Russia

[A] superb history. In these thrilling, highly readable pages, we meet Rasputin, the shaggy, lecherous mystic; we visit the gilded ballrooms of the doomed aristocracy; and we pause in the sickroom of little Alexei, the hemophiliac heir who, with his parents and four sisters, would be murdered by the Bolsheviks in 1918. The Wall Street Journal Here is the tumultuous, heartrending, true story of the Romanovs—at once an intimate portrait of Russia's last royal family and a gripping account of its undoing. Using captivating photos and compelling first person accounts, award-winning author Candace Fleming (Amelia Lost; The Lincolns) deftly maneuvers between the imperial family's extravagant lives and the plight of Russia's poor masses, making this an utterly mesmerizing read as well as a perfect resource for meeting Common Core standards. "An exhilarating narrative history of a doomed and

## Free Reading History Of Russia For Kids A History Series Children Explore Histories Of The World Edition

clueless family and empire." "Jim Murphy, author of Newbery Honor Books *An American Plague* and *The Great Fire* "For readers who regard history as dull, Fleming's extraordinary book is proof positive that, on the contrary, it is endlessly fascinating, absorbing as any novel, and the stuff of an altogether memorable reading experience." "Booklist, Starred "Marrying the intimate family portrait of Heiligman's *Charles and Emma* with the politics and intrigue of Sheinkin's *Bomb*, Fleming has outdone herself with this riveting work of narrative nonfiction that appeals to the imagination as much as the intellect." "The Horn Book, Starred Winner of the Los Angeles Times Book Prize for Young Adult Literature Winner of the Boston Globe's Horn Book Award for Nonfiction A Robert F. Sibert Honor Book A YALSA Excellence in Nonfiction Award Finalist Winner of the Orbis Pictus Award for Outstanding Nonfiction From the Hardcover edition.

## History Of Korea For Kids: A History Series - Children Explore Histories Of The World Edition

At the height of the Russian industrial revolution, legions of children toiled in factories, accounting for fifteen percent of the workforce. Yet, by the end of the nineteenth century, their numbers had been greatly reduced, thanks to legislation that sought to protect the welfare of children for the first time. *Russia's Factory Children* presents the first English-language account of the changing role of children in the Russian workforce, from the onset of industrialization until the Communist Revolution of 1917, and profiles the laws that would establish children's labor rights. In this compelling study, Boris B. Gorshkov examines the daily lives, working conditions, hours, wages, physical risks, and health dangers to children who labored in Russian factories. He also chronicles the evolving cultural mores that initially welcomed child labor practices but later shunned them. Through extensive archival research, Gorshkov views the evolution of Russian child labor law as a reaction to the rise of industrialism and the increasing dangers of the workplace. Perhaps most remarkable is his revelation that activism, from the bourgeoisie, intellectuals, and children themselves, led to the conciliation of legislators and marked a progressive shift that would impact Russian society in the early twentieth century and beyond.

## Zhivago's Children

This autobiographical fiction of Soviet life just prior to Stalin's Great Purge intertwines the story of Sasha Pankratov, a Russian student unjustly arrested, imprisoned, and exiled, with the story of Stalin's obsession with power

## Where Is the Kremlin?

"This volume offers a lively introduction to Russia's dramatic history and the striking changes that characterize its story. Distinguished authors Barbara Alpern Engel and Janet Martin show how Russia's peoples met the constant challenges posed by geography, climate, availability of natural resources, and devastating foreign invasions, and rose to become the world's second largest land empire. The book describes the circumstances that led to the world's first communist society in 1917, and traces the global consequences of Russia's long confrontation with the United States, which took place virtually everywhere and for decades provided a model for societies seeking development independent of capitalism. This book also brings the story of Russia's arduous and costly climb to great power to a personal level through the stories of individual women and men-leading figures who played pivotal roles as well as less prominent individuals from a range of social backgrounds whose voices illuminate the human consequences of sweeping historical change. As was and is true of Russia itself, this story encompasses a wide variety of ethnicities, peoples who became part of the Russian empire and suffered or benefited from its leaders' efforts to meld a multiethnic polity into a coherent political entity. The

## Free Reading History Of Russia For Kids A History Series Children Explore Histories Of The World Edition

book examines how Russia served as a conduit for people, ideas, and commodities flowing between east and west, north and south, and absorbed and adapted influences from both Europe and Asia and how it came to play an increasingly important role on a regional and, ultimately, global scale"--

### Spain For Kids: People, Places and Cultures - Children Explore The World Books

Russia's Story From The Legendary Past To The Controversial Present.

### The Railway Children

During World War II, a young German girl's curiosity leads her to discover something far more terrible than the day-to-day hardships and privations that she and her neighbors have experienced.

### What Every Person Should Know About War

After quite an adventure, the smallest of six nesting dolls finds her way back to her sisters.

### Pushkin's Children

After a father's abrupt arrest, his wife and children must leave their comfortable London home for a small cottage that sits near a bustling railway. While the mother struggles to make ends meet, siblings Roberta (nicknamed Bobbie), Peter and Phyllis adapt to their gloomy present with hopes of a brighter future. Bobbie is the oldest of three middleclass children thrust into poverty after their father is falsely imprisoned. She and her siblings, Peter and Phyliss, learn to embrace their new surroundings including the busy railway station. The children are frequent visitors of the local hub, engaging in an array of innocent yet spirited adventures. Throughout their stay, they befriend multiple passengers, one of whom may be the key to their father's freedom. The author creates an authentic portrayal of real-world conflict and consequences. Despite countless challenges, the children manage to find unique opportunities in the face of adversity. They are presented as resourceful and self-sufficient protagonists whose ingenuity makes them the heroes of their own story. With an eye-catching new cover, and professionally typeset manuscript, this edition of *The Railway Children* is both modern and readable.

### Catherine the Great

Different countries carry revolutions differently. You probably know how Americans carried theirs, but do you know how the Russian Revolution went? If not, then this is the book to read. Inside its pages are important facts that will help create an overall picture of the key players and events that brought about change in the Russian leadership and society. Grab a copy today!

### Words on Fire

New York Times bestselling author Jennifer A. Nielsen transports readers to a corner of history with this inspiring story of a girl who discovers the strength of her people united in resisting oppression.

### Secondhand Time

From Newbery Honor-winning author Eugene Yelchin comes another glimpse into Soviet Russia. For twelve-year-old Arcady, soccer is more than just a game. Sent to live in a children's home after his parents are declared enemies of the state, it is a means of survival, securing extra rations, respect, and

## Free Reading History Of Russia For Kids A History Series Children Explore Histories Of The World Edition

protection. Ultimately, it proves to be his chance to leave. But in Soviet Russia, second chances are few and far between. Will Arcady seize his opportunity and achieve his goal? Or will he miss his shot? This title has Common Core connections.

### A History of the Gypsies of Eastern Europe and Russia

A history of one of Russia's greatest leaders explores the life and career of Potemkin, lover of Catherine the Great and architect of Russian imperial power.

### The Russian Revolution - History Books for Kids | Children's History

A leading international authority discusses all aspects of Russian history, from the struggle by the state to control society to the transformation of the nation into a multi-ethnic empire, Russia's relations with the West and the post-Soviet era. Original.

### Let's Learn About Russia

In this tour de force, master storyteller Gregory Maguire offers a dazzling novel for fantasy lovers of all ages. Elena Rudina lives in the impoverished Russian countryside. Her father has been dead for years. One of her brothers has been conscripted into the Tsar's army, the other taken as a servant in the house of the local landowner. Her mother is dying, slowly, in their tiny cabin. And there is no food. But then a train arrives in the village, a train carrying untold wealth, a cornucopia of food, and a noble family destined to visit the Tsar in Saint Petersburg — a family that includes Ekaterina, a girl of Elena's age. When the two girls' lives collide, an adventure is set in motion, an escapade that includes mistaken identity, a monk locked in a tower, a prince traveling incognito, and — in a starring role only Gregory Maguire could have conjured — Baba Yaga, witch of Russian folklore, in her ambulatory house perched on chicken legs.

### Children of the Arbat

Describes the life and times of Catherine the Great, one of Russia's longest rulers.

### A Short History of Russia

A Newbery Honor Book. Sasha Zaichik has known the laws of the Soviet Young Pioneers since the age of six: The Young Pioneer is devoted to Comrade Stalin, the Communist Party, and Communism. A Young Pioneer is a reliable comrade and always acts according to conscience. A Young Pioneer has a right to criticize shortcomings. But now that it is finally time to join the Young Pioneers, the day Sasha has awaited for so long, everything seems to go awry. He breaks a classmate's glasses with a snowball. He accidentally damages a bust of Stalin in the school hallway. And worst of all, his father, the best Communist he knows, was arrested just last night. This moving story of a ten-year-old boy's world shattering is masterful in its simplicity, powerful in its message, and heartbreaking in its plausibility. One of Horn Book's Best Fiction Books of 2011

### Russia in World History

Serves as a guide to the history and culture of Russia. This book details the social, economic, and political changes and crises that the people of Russia have had to endure. It includes a chronology, bibliography, and, suggested readings. It also covers the conquest and rule of Russia by the Mongol

## Free Reading History Of Russia For Kids A History Series Children Explore Histories Of The World Edition

Golden Horde as well as the reign of terror.

### Russia's Factory Children

Badger Girl's delighted to find the biggest turnip she's ever seen growing in her vegetable garden, but when the time comes to harvest the giant root, she's unable to pull it up without help from family and friends.
