It's a Wonderful Life

James Stewart stars as banker George Bailey who has a nervous breakdown and comes to wish that he had never been born. Enter guardian angel Clarence who shows him how great his life has been and how his life has affected everyone else's for the better.

The "It's a Wonderful Life" Book

Presents a collection of essays that combine history, analysis, and love for movies covering such films as "All About Eve," "Casablanca," "Lawrence of Arabia," and "Schindler's List."

The It's a Wonderful Life Trivia Book

This book looks at why Frank Capra's It's a Wonderful Life is either the most inspirational or the cruelest film American cinema has ever produced. It depicts, perhaps unwittingly, an ontological war in which two well-matched adversaries fight a series of pitched battles that neither side can win without producing tragic remainders.

It's a Wonderful Life

Here's a fun, nostalgic, encouraging month's worth of reading for the busy holiday season: It's a Wonderful Life, a brand-new Christmas devotional. This 31-day book includes brief readings based on Christmas classics—stories, books, movies, poems, and songs. Each entry draws a spiritual point from the particular works, whether sacred or secular, accompanied by relevant quotations, scriptures, and prayers. Entries range from the namesake 1946 film starring Jimmie Stewart, to Charles Dickens' A Christmas Carol, to the 1965 television favorite A Charlie Brown Christmas—and end with the actual account of Jesus' birth from Luke 2. It really is a wonderful life—because of Christmas!

Wonderful Life: The Burgess Shale and the Nature of History

A blazingly funny, heartfelt memoir from the daughter of the larger-than-life woman who ran Sticky Fingers Brownies, an underground bakery that distributed thousands of marijuana brownies per month and helped provide medical marijuana to AIDS patients in San Francisco--for fans of Armistead Maupin and Patricia Lockwood During the '70s in San Francisco, Alia's mother ran the underground Sticky Fingers Brownies, delivering upwards of 10,000 illegal marijuana edibles per month throughout the circus-like atmosphere of a city in the throes of major change. She exchanged psychic readings with Alia's future father, and thereafter had a partner in business and life. Decades before cannabusiness went mainstream, when marijuana was as illicit as heroin, they ingeniously hid themselves in plain sight, parading through town--and through the scenes and upheavals of the day, from Gay Liberation to the tragedy of the Peoples Temple--in bright and elaborate outfits, the goods wrapped in hand-designed packaging and tucked into Alia's stroller. But the stars were not aligned forever and, after leaving the city and a shoulda-seen-it-coming divorce, Alia and her mom returned to San Francisco in the mid-80s, this time using Sticky Fingers' distribution channels to provide medical marijuana to friends and former customers now suffering the depredations of AIDS. Exhilarating, laugh-out-loud funny, and heartbreaking, Home Baked celebrates an eccentric and remarkable extended family, taking us through love, loss, and finding home.

It is a Wonderful Life for Kids

The actress who played Jimmy Stewart's youngest on-screen daughter presents 250 old-fashioned recipes inspired by life in fictional Bedford Falls, from Potter Pot Pie and Violet's Spicy Chicken to Silver Bells Christmas Cookies.

A Wonderful Life

A children's book for all ages: After learning of her father's need for prayer, Zuzu falls asleep while repeating, "Please bring Daddy back." In her dream, she embarks on a journey to find her father and heal her wilting rose. While her flower loses petals with each person she meets, she is concerned that her gift is falling apart and will soon be gone. What she finds is that the greatest gift of all is caring for others and that never dies.

How the Other Half Learns

It's a Wonderful Life

A bestselling modern classic—both poignant and funny—about a boy with autism who sets out to solve the murder of a neighbor's dog and discovers unexpected truths about himself and the world. Nominated as one of America's best-loved novels by PBS's The Great American Read Christopher John Francis Boone knows all the countries of the world and their capitals and every prime number up to 7,057. He relates well to animals but has no understanding of human emotions. He cannot stand to be touched. And he detests the color yellow. This improbable story of Christopher's quest to investigate the suspicious death of a neighborhood dog makes for one of the most captivating, unusual, and widely heralded novels in recent years.

Home Baked

The New York Times bestselling, IACP award-winning cookbook (and a Cooking Light Top 100 Cookbook of the Last 25 Years) from the celebrated food blogger and founder of smittenkitchen.com. Deb Perelman loves to cook. She isn't a chef or a restaurant owner—she's never even waitressed. Cooking in her tiny Manhattan kitchen was, at least at first, for special occasions—and, too often, an unnecessarily daunting venture. Deb found herself overwhelmed by the number of recipes available to her. Have you ever searched for the perfect birthday cake on Google? You'll get more than three million results. Where do you start? What if you pick a recipe that's downright bad? With the same warmth, candor, and can-do spirit her award-winning blog, Smitten Kitchen, is known for, here Deb presents more than 100 recipes—almost entirely new, plus a few favorites from the site—that guarantee delicious results every time. Gorgeously

illustrated with hundreds of her beautiful color photographs, The Smitten Kitchen Cookbook is all about approachable, uncompromised home cooking. Here you'll find better uses for your favorite vegetables: asparagus blanketing a pizza; ratatouille dressing up a sandwich; cauliflower masquerading as pesto. These are recipes you'll bookmark and use so often they become your own, recipes you'll slip to a friend who wants to impress her new in-laws, and recipes with simple ingredients that yield amazing results in a minimum amount of time. Deb tells you her favorite summer cocktail; how to lose your fear of cooking for a crowd; and the essential items you need for your own kitchen. From salads and slaws that make perfect side dishes (or a full meal) to savory tarts and galettes; from Mushroom Bourguignon to Chocolate Hazelnut Crepe Cake, Deb knows just the thing for a Tuesday night, or your most special occasion.

extraordinary life of Addie LaRue, and a dazzling adventure that will play out across centuries and continents, across history and art, as a young woman learns how far she will go to leave her mark on the world. But everything changes when, after nearly 300 years, Addie stumbles across a young man in a hidden bookstore and he remembers her name. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Chasing the Scream

In a series of essays that explore the notion of what brings significance to our existences, clarifying why we have this longing beyond the present moment and an insatiable dissatisfaction with where we are, scholar Frank Martela tackles the subject of finding meaning in life. With beautiful decorative elements and an engaging design, the book approaches its subject in a readily digestible form. It grapples with some of life's most pressing questions, like "Is happiness a worthy goal?" and "What is the foundation for meaning in a secular society?" and "Is life an existential void?" yet Martela answers these questions and more in a relaxed, conversational tone and with a wry sense of humor, placing some of life's greatest philosophical concerns and quandaries into a modern-day context. Martela quickly and concisely gets to the heart of the matter: your place in the world and how to find meaning in life as countless thinkers and philosophers have done before, yet the emphasis here is on what we do with the life we have and how we can make it more meaningful. Part prescriptive and part armchair philosophy book, *A Wonderful Life* is accessible to everyone, from the well-read scholar to the apprentice as well as anyone curious about how to extract the greatest meaning and sense of purpose from their existence.

It's a Wonderful Life

Even the most ardent fans of *It's a Wonderful Life* will be surprised and delighted by the insightful discussions of film details, cast anecdotes, curiosities, and gaffes found in this charming guide. The Great Movies

Gathers more than two hundred questions and answers about the movie, its screenplay, and cast, and includes reminiscences of the cast and crew

Frank Capra and It's a Wonderful Life

Although Christ did not promise us a life free of difficulty, He did promise us fullness of joy when we walk with Him. This journal is designed as a tool to both aid and encourage Christian women in their spiritual walk. Part 1 includes instructional material to encourage you in developing a daily walk with the Lord. This section also includes daily Bible reading schedules and a prayer list. Part 2 is your daily journal, and it includes a full year's worth of pages to use during your devotional time. With prompts for noting what God is teaching you through His Word, what you are thankful for, and more, each page will become a record of God's goodness in your life.

The Curious Incident of the Dog in the Night-Time

Paul Williams is an alcoholic. Tracey Jackson is not. But together, these two close friends have written *Gratitude and Trust*, a book designed to apply the principles of the recovery movement to the countless people who are not addicts but nevertheless need effective help with their difficulties and pain. Williams, the award-winning songwriter, actor, and performer, has embraced a traditional alcoholism recovery plan for more than two decades of sobriety. Jackson, a well-known TV and film writer—and veteran of many years of traditional therapy—has never been a drunk or a drug abuser, but she realized that many of the tenets of Williams's program could apply to her. In *Gratitude and Trust*, Williams and Jackson ask: What happens to those who struggle with vexing problems yet are not full-blown addicts? Are there any lessons to be learned from the foundational and time-tested principles of the recovery movement? Whether you're tethered to your phone or you turn to food for comfort; whether you're a perfectionist and can't let things go or are too afraid to fail to even try; whether you can find intimacy only on the Internet or you've been involved in a string of nasty relationships—the first step toward feeling better about yourself and your life is the realization that you are what's standing in

It's a Wonderful Life

Frank Capra's 1946 film It's a Wonderful Life is one of the most beloved holiday classics of our time. In it, the great Jimmy Stewart plays George Bailey, a man about to give up on life until his guardian angel shows him how his town, family, and friends are all the richer for having known him. Millions of fans tune in every year to see George Bailey realize his blessings, and Clarence get his wings. Now one of the cast members of the film has compiled a beautiful keepsake book of memorable lines of dialogue and scenes from It's a Wonderful Life. Jimmy Hawkins played Tommy Bailey, the youngest of the Bailey children. Over the years he has stayed in touch with other cast and crew members and reminisced with them about their favorite moments in the film. From the first scene to the last, this marvelous collection captures the spirit of the film and preserves the favorite screen moments of its cast and crew.

It's a Wonderful Life

It's a Wonderful Life

George and Mary Bailey's eight-year-old son Tommy gets some help from an angel-in-training named Arthur. Based on the movie "It's a Wonderful Life."

ITS A WONDERFUL LIFE JOURNAL

The New York Times Bestseller The Book Behind the Viral TED Talk For the first time, the startling full story of the disastrous war on drugs--propelled by moving human stories, revolutionary insight into addiction, and fearless international reporting. What if everything you think you know about addiction is wrong? One of Johann Hari's earliest memories is of trying to wake up one of his relatives and not be able to. As he grew older, he realized he had addiction in his family. Confused, unable to know what to do, he set out on a three-year, 30,000-mile journey to discover what really causes addiction--and what really solves it. He uncovered a range of remarkable human stories--of how the war on drugs began with Billie Holiday, the great jazz singer, being stalked and killed by a racist policeman; of the scientist who discovered the surprising key to addiction; and of the countries that ended their war on drugs--with extraordinary results. His discoveries led him to give a TED talk and animation which have now been viewed more than 25 million times. This is the story of a life-changing journey that showed the world the opposite of addiction is connection.

Zuzu's Petals

The film classic, "It's a Wonderful Life," named the most inspirational American film ever produced, has entertained and inspired millions of viewers since its release in 1946. In fact, many families make watching this story of George Bailey an annual, Christmas tradition. Now pastor and author Greg Asimakoupoulos has taken the movie's message a step further with a new book Finding God in "It's a Wonderful Life." The film was not made as a religious piece at all, but, as Greg asserts and proves, we can see God at work in every scene. And he shows us how, in chapters such as "Broken Banister Knobs," "Learning to Dance with Adversity," "Reclaiming 320 Sycamore Street," "When God Sends an Angel instead of Money," "Saving Harry Bailey," "Suffering When It's Not Your Fault," and so much more. Each chapter highlights an important movie scene, relationship, or theme and makes a spiritual point. Even those who haven't seen the film will understand the plot as Greg describes it, and people who know the movie so well they can recite the dialogue will find themselves nodding in agreement, appreciating Greg's thoughtful insights. The chapters are concise and written in an engaging style--an easy read. And each one concludes with "Questions for Reflection." These questions can be helpful for individuals, of course, but will also be ideal for group discussions.

It's a Wonderful Life

A black and white classic brilliantly crafted by director Frank Capra. James Stewart plays George

Chronicles the private life of the beloved American film star, following Stewart from his youth in a small town in Pennsylvania to the heights of Hollywood stardom, and covers topics such as his military service and family life.

It's a Wonderful Life

The promise of public education is excellence for all. But that promise has seldom been kept for low-income children of color in America. In *How the Other Half Learns*, teacher and education journalist Robert Pondiscio focuses on Success Academy, the network of controversial charter schools in New York City founded by Eva Moskowitz, who has created something unprecedented in American education: a way for large numbers of engaged and ambitious low-income families of colour to get an education for their children that equals and even exceeds what wealthy families take for granted. Her results are astonishing, her methods unorthodox. Decades of well-intended efforts to improve our schools and close the 'achievement gap' have set equity and excellence at war with each other: If you are wealthy, with the means to pay private school tuition or move to an affluent community, you can get your child into an excellent school. But if you are poor and black or brown, you have to settle for 'equity a

It's a Wonderful Life

From the brilliant mind of Japanese artist Bunpei Yorifuji comes *Wonderful Life with the Elements*, an illustrated guide to the periodic table that gives chemistry a friendly face. In this super periodic table, every element is a unique character whose properties are represented visually: heavy elements are fat, man-made elements are robots, and noble gases sport impressive afros. Every detail is significant, from the length of an element's beard to the clothes on its back. You'll also learn about each element's discovery, its common uses, and other vital stats like whether it floats—or explodes—in water. Why bother trudging through a traditional periodic table? In this periodic paradise, the elements are people too. And once you've met them, you'll never forget them.
