24 completely unique unicorn coloring pages for kids ages 4-8! Unicorns are so much fun to color because they lead such interesting, magical lives! They meet princesses, dragons and mermaids. They visit castles and enchanted woodlands, fly through stars and rainbow skies and even wind up in the Land of Sweets! Share the fun and magic of unicorns with a special child! This coloring book is a great non-screen activity to stimulate a child's creativity and imagination. It makes a perfect gift! About this unicorn coloring book: * Contains 34 completely unique coloring pages. There are NO duplicate images in this book. * The pages are single-sided to prevent bleed-through, and so that pages can be removed and displayed without losing an image on the back. * We have carefully designed each page to be entertaining and suitable for children in the 4 to 8 year-old age range. We have avoided overly-intricate designs as well as overly-simplistic ones. We believe children of this age love coloring fun scenes that fire up their imaginations, not a book full of simple shapes. * The pages are a nice, large 8.5x11 size. Magic Unicorns Coloring Book

Manga are comics created in Japan or by creators in the Japanese language, conforming to a style developed in Japan in the late 19th century. They have a long and complex pre-history in earlier Japanese art. The term manga in Japan is a word used to refer to both comics and cartooning. "Manga" as a term used outside Japan refers to comics originally published in Japan. In Japan, people of all ages read manga. The medium includes works in a broad range of genres: action-adventure, business and commerce, comedy, detective, historical drama, horror, mystery, romance, science fiction and fantasy, sexuality, sports and games, and suspense, among others. Many manga are translated into other languages.
