## **Kaffe Fassett's Museum Quilts**

Kaffe Fassett has led an extraordinary life and is a captivating storyteller with a vivid memory. Born in 1937, he spent much of his youth in Big Sur, California, where his parents bought a cabin from Orson Welles and transformed it into the world-famous Nepenthe restaurant, a gathering place for artists and bohemians. After attending a boarding school run by the disciples of Krishnamurti, an Indian guru, he studied painting at the School of the Museum of Fine Arts in Boston, then traveled to England, where he made his home. After an inspiring trip to Inverness, Scotland, Fassett began designing knitwear for Bill Gibb, and then the Missonis, Vogue magazine, and private clients like Lauren Bacall and Barbra Streisand, and, in the process, revolutionized the handknitting world with his explosive use of color. Further explorations led him to needlepoint, mosaics, rugmaking, tapestries, yarn and fabric design, costume and set design, and quilting. Now in his seventies, Fassett continues to produce new work and to travel worldwide to teach and lecture. In this intimate autobiography, Fassett shares rich, detailed stories about his lifelong creative journey as well as hundreds of glorious photos taken along the way. Praise for Kaffe Fassett: *Dreaming in Color*: "Kaffe Fassett is to color what Julia Child was to French cooking." –Knitters Review "Lavishly illustrated with photographs from his life and work and dishing on everyone from Dustin Hoffman to Princess Margaret, *Dreaming in Color* describes a charmed life filled with creativity, big personalities, travels and not a little serendipity." –Vogue Knitting "Shapes and patterns are everywhere; they lie waiting for the person who wants to see them. It's the bricolage aspect behind his work and, arguably, Fassett himself: arranging disparate things to create something dynamic and new." –Vogue Knitting "This book would be a beautiful gift to receive or give. It is like finding the pot of gold at the end of the rainbow." –Examiner.com "A glance through his new autobiography shows that this is a man who, in design terms, hit the ground running and has never stopped." –Selvedge magazine "Dreaming in Color, lavishly illustrated with 500 color pictures, is a feast for the eyes." –Shelf Awareness "Reading this book is like peeling an orange on a gray winter's day—every single one of your senses is sparked as you get sprayed with infectious creativity." –Knitty.com "Kaffe Fassett is a luminary in the world of textiles and knitting, spreading the gospel of color in his books and travels." –The Houston Chronicle "It is a beautiful book, no question.

This, the 12th in the series of Kaffe Fassett's highly successful patchwork and quilting books from Rowan, is photographed by Debbie Patterson against the backdrop of the picturesque town of Roussillon in the South of France. The narrow medieval streets full of colourful old buildings make a fantastic backdrop for another stunning collection of 20 new quilt designs from Kaffe and his chosen team of designers. Kaffe brings another collection of sumptuous new fabrics to patchwork enthusiasts, showing them how to create his wonderful harmonies of colour in exciting new ways. Kaffe's way with patchwork is not about tricky piecing but always about the joyous use of unexpected colour stories. Because of this, the quilts in this book show how traditional piecing can be newly interpreted with a modern twist. This time, Kaffe highlights the work of fabric designer Philip Jacobs in his Designer Profile, whose collections are a mainstay of Rowan fabric's success. Philip has an international reputation for

designing wonderful floral fabrics for major furnishing houses in the U.K. His love of natural forms and oriental art inspired him to become a textile designer, so when Kaffe invited him to design patchwork fabric for Rowan he jumped at the chance. As always, the book introduces the new range of fabrics from Rowan, with a gallery of the 20 quilts shot on location, followed by a full shot of the quilt for reference purposes, with the ingredients list of fabrics and full written instructions illustrated with coloured diagrams. Templates for the quilts appear in the appendix to the book.

Kaffe Fassett uses the colorful Venetian island of Burano to form the backdrop of another stunning collection of new quilt designs from the Kaffe Fassett Studio. Bali Brocade makes a fantastic background to Kaffe's sumptuous Shimmer Star quilt with its ripples of pattern in contrasting prints. Hot Steps is a riot of color, whereas by contrast its sister quilt, Cool Steps, in dusty blues, greens, and greys has an dreamy quality.
