Spells for the Solitary Witch

Cut off from the life of ranching he has come to love by his grandfather's death, John Grady Cole flees to Mexico, where he and his two companions embark on a rugged and cruelly idyllic adventure

Teaching Translation from Spanish to English

In English for the first time, an arresting novel by one of Spain's most accomplished writers.

Conéctate: Introductory Spanish

A serial killer is on the loose, abducting and murdering children in a way that confounds the police, before returning the child's body to the mother with a desperately cruel note: You Got What You Deserved. It is a perplexing and terrible case, and Police Superintendent Adam Stubo is in charge of finding the killer. In a desperate bit to get some answers he recruits legal researcher Johanne Vik, a woman with an extensive understanding of criminal history. So far the killer has abducted three children, but one child has not yet been returned to her mother. Is there a chance she is still alive? And can the pair solve the case in time?

Esperanza Rising (Scholastic Gold)

The beermat entrepreneur is a down-to-earth, easy-read guide to converting a good idea into a large and profitable business, by somebody who's been there and done it. Previous ed.: 2002.

All the Pretty Horses

Stephen is sometimes Stephanie and sometimes wonders how his past and her past are their own collective memory Advice from the Lights is a brilliant and candid exploration of gender

and identity and a series of looks at a formative past. It's part nostalgia, part confusion, and part an ongoing wondering: How do any of us achieve adulthood? And why would we want to, if we had the choice? This collection is woven from and interrupted by extraordinary sequences, including Stephanie poems about Stephen's female self; poems on particular years of the poet's early life, each with its own memories, desires, insecurities, and pop songs; and versions of poems by the Greek poet Callimachus, whose present-day incarnation worries (who doesn't?) about mortality, the favor of the gods, and the career of Taylor Swift. The collection also includes poems on politics, location, and parenthood. Taken all together, this is Stephen Burt's most personal and most accomplished collection, an essential work that asks who we are, how we become ourselves, and why we make art.

Rethinking Slave Rebellion in Cuba

These novels, written by Perla Suez in Spanish and translated into English by Rhonda Dahl Buchanan, take place in Entre RAA-os, the Argentine province where thousands of Jewish immigrants settled at the end of the nineteenth century.

Golf for Enlightenment

Students of Introductory Spanish learn best when they are connecting—with authentic culture, with each other as a community, and with the language as used in real-world settings.

Conéctate sparks the curiosity that builds these connections as students drive toward communicative and cultural confidence and proficiency. The Conéctate program's distinctive approach is built around the following principles. Focused approach: Conéctate concentrates on what Introductory Spanish students can reasonably be expected to learn, allowing for sustained engagement with the material that respects the natural process of language acquisition. An intentional focus, first on meaning and then on form, puts in action the best practices of second language pedagogy. Plus, Conéctate's reduced grammar scope leaves more time for the systematic review and recycling of vocabulary and grammar required for students to achieve mastery of first-year skills. Fortifying this process at every turn is LearnSmart™, a powerful, super-adaptive learning program that guides students on an individualized path toward mastery of all the vocabulary and grammar in Conéctate. Active learning: Conéctate gives students the opportunity to explore language and culture through interactive activities that keep them focused and engaged. Vocabulary and grammar in Conéctate are taught using an active learning approach, nudging students to discover new vocabulary and language rules through a carefully balanced mix of inductive and explicit presentations and hands-on learning. Students are similarly asked to take an active role in an immersive online game, Practice Spanish: Study Abroad, designed around a study abroad experience in which they leverage their language and cultural skills to accomplish tasks and solve problems in various real-world scenarios. Integration of culture: Building on the active learning theme, students develop and apply critical thinking skills as they draw personal conclusions about the rich culture presented throughout Conéctate. Culture is embedded within the language activities themselves, included in notes that expand on the activity at hand,

and seen through the integrated video that forms the basis for many activities in each chapter of the text. This authentic, unscripted video introduces students to useful chunks of language, real-world Spanish, and a wide range of topics related to cultural themes. Conéctate's stunning video was shot in Spain, Panama, Miami, Argentina, Costa Rica, and Mexico, and exposes students to a wide variety of people in each country who discuss topics that are familiar and engaging to students. Mobile Tools for Digital Success: The digital tools available in the Connect Spanish platform with Conéctate also successfully promote student progress by providing extensive opportunities to practice and hone their developing skills. These learning opportunities include online communicative activities, instant feedback, peerediting, sophisticated reporting, an immersive game, and an interactive eBook with embedded video and audio. The mobile-friendly platform allows students to engage in the course material anytime and everywhere. Connect is the only integrated learning system that empowers students by continuously adapting to deliver precisely what they need, when they need it, and how they need it, so that your class time is more engaging and effective.

Keys to a Successful Retirement

This is the first Charango method to use conventional musical notation, and the only bilingual (Spanish and English) text of its kind. These characteristics make the method attractive to musicians with a wide variety of cultural backgrounds, interests and skill levels. The method is comprised of two parts: A first section regarding strumming techniques and a second section regarding melodic plucking techniques. the first section provides a clear and precise method

for learning the rasgueo repique and tremolo skills central to the Charango repertoire. the second section, meanwhile, provides an indispensable guide to expressive techniques for embellishing melodic lines including hammer-ons and pull-offs, trills, simultaneous melodies and arpeggios. The method is appropriate for a wide range of musical skill levels, from beginners to accomplished Charanguists who want to improve their technical chops. Exercises are clear and progressive. In the event that the student is not familiar with music theory, an appendix clarifies the basics of musical notation. In addition to 201 written exercises for the Charango solo, the method includes 23 South American folk music classics arranged for Charango and guitar accompaniment. It thus serves as both a pedagogical tool and a source of performance repertoire. the musical scores included in the method are accompanied by a CD of recorded exercises and a free audio download of repertoire played by recognized Chilean instrumentalists.

It Would Be Night in Caracas

In the United States of Earth, Madrid, 2109, the number of techno-human deaths is rapidly growing. Detective Bruna Husky is hired to discover what's behind this wave of insanity. She must trust no one, because those who call themselves allies are ready to betray her.

The World's Biggest Fart

Jessica Arnold started illustrating and writing her own books by hand at the age of seven. Her first book, "I am Good at Lots of Things" was begun when she was 7 and completed when she was twelve using the original story and illustrations. It has since become a must read, feel good book for kids. "I am Good at Lots of Things" is a story about Alex, a girl who feels like she never has any luck. She learns that even if she doesn't win, trying and not giving up is really what makes someone a winner. Great for self-esteem, this novel is written by a child who has had challenges and wanted to share her experiences!

How Happiness Happens

While many professional translators believe the ability to translate is a gift that one either has or does not have, Allison Beeby Lonsdale questions this view. In her innovative book, she demonstrates how teachers can guide their students by showing them how insights from communication theory, discourse analysis, pragmatics, and semiotics illuminate the translation process. Challenging long-held assumptions, she establishes a fascinating framework on which to base the structure of a professional prose-translation class. Her original contributions to the question of directionality and to the specific strategies of translating are applicable to not only the teaching of translation from Spanish to English, but to other teaching situations and to other pairs of languages as well. She also reviews the latest attempts in translation theory to define and contextualize ideal translator competence, student translator competence, and general translation strategies. Beeby Lonsdale completes her book by applying her conclusions to selecting and organizing the content of teaching translation from Spanish to

English. She illustrates one or more of the basic translation principles through 29 teaching units, which are prefaced by objectives, tasks, and commentaries for the teacher, and through 48 task sheets, which show how to present the material to students.

Clinical Neuroradiology

Part human and part robot, private investigator Bruna Husky has been hired to locate a stolen diamond. But as Bruna s leads start to drop dead, her case becomes about much more than a stolen gem and much more dangerous. Traversing the galaxy, Bruna races against the clock to uncover a nuclear power conspiracy that threatens all sentient beings. Traveling from a distant planet populated by an extreme religious sect to landscapes destroyed by rising sea levels, Bruna tries to solve the puzzle of why so many people around her are suffering from toxic radiation. Meanwhile she must cope with a new love and the knowledge of when she will die, to the exact day. Designed for combat, Bruna can manipulate a plasma gun better than she can navigate matters of the heart. This tale of romance, prejudice, and ecoterrorism makes

clear that though the future might appear very different in many ways, history can't help but repeat itself."

The War of Art

A debut novel about luck and love, and winning a sweepstakes, with a cast of characters who will charm readers from the very first page The HomeSweetHome Network has just announced this year's lucky winner of a brand-new, fully loaded dream home: Janine Brown of Cedar Falls, Iowa. For Janine "Janey" Brown, hearing her name called on the TV has the hallmarks of one of her aunt Midge's harebrained plans designed to bring Janey into a world outside the one she once shared with her fiancé. Janey, however, is reluctant to give up the safety and sanctity she finds in her tiny kitchen, submerging her anxiety and grief in the pursuit of the perfect pot-au-feu. Meanwhile, across town, Janine "Nean" Brown just knows that this house is her destiny. Good fortune took its sweet time showing up in her life, but better late than never. And now that it's here, the house promises an escape from the latest in her revolving door of crappy jobs and drunk boyfriends. This house will turn her into someone the world sees, instead of the bedraggled girl who others look past without a thought. Both Janine Browns head for Christmas Cove, Maine, to claim the prize they both rightfully think is theirs. When their lives and personalities intersect, however, they discover that more than just a million-dollar dream home awaits them at the water's edge. These three women (oh yes, Aunt Midge comes along for the ride!) arrive at their newfound mansion only to uncover what exactly it means to truly be "home." Filled with wit and charm, *The Good Luck Girls of Shipwreck Lane* is

Kelly Harms's enchanting and heartfelt debut--a testament to the many, many ways love finds us, the power of a home-cooked meal, and just what it means to be lucky.

Rituals of Islamic Spirituality

This superbly illustrated textbook, endorsed by the European Society of Neuroradiology, explains in detail the clinical importance of neuroradiology in complementing history taking and physical examination during the workup of patients suspected of having neurological, neurosurgical, or psychiatric disorders. The role of imaging of the brain and spinal cord is described across the full range of relevant conditions, including, for example, cerebrovascular diseases, trauma, CSF disorders, developmental malformations, autoimmune diseases, epilepsy, tumors and tumor-like conditions, neurodegenerative diseases, metabolic conditions, and bipolar and depressive disorders. The structured approach to imaging and image analysis will ensure that the book is an invaluable resource for neuroradiologists in training and clinicians alike. Starting from the clinical indication, suggestions for imaging protocols are provided and checklists of common findings and aspects key to interpretation are presented. The book is published within the SpringerReference program, which combines thorough coverage with access to living editions constantly updated via a dynamic peer-review process.

Weight of the Heart

"Angels are our guides, guardians and friends. The more you understand how to work with angels, the more effectively they can help you in every area of your life. This essential guide to your angelic guides, guardians and friends shares ten practical steps to make the angels a part of your life. Separate chapters cover each of the seven archangels and describe the spiritual gifts, practical assistance, and world service associated with each one. You will also learn ways to connect with the angels personally and call them into action when and where you need them the most. "Whether for love, healing, protection, guidance or illumination, angels stand ready to help you in many practical and personal ways. And as Elizabeth Clare Prophet says, working with angels also puts us in touch with our higher self." —Bodhi Tree Book Review"

The Beermat Entrepreneur

Envisioning La Escalera--an underground rebel movement largely composed of Africans living on farms and plantations in rural western Cuba--in the larger context of the long emancipation struggle in Cuba, Aisha Finch demonstrates how organized slave resistance became critical to

the unraveling not only of slavery but also of colonial systems of power during the nineteenth century. While the discovery of La Escalera unleashed a reign of terror by the Spanish colonial powers in which hundreds of enslaved people were tortured, tried, and executed, Finch revises historiographical conceptions of the movement as a fiction conveniently invented by the Spanish government in order to target anticolonial activities. Connecting the political agitation stirred up by free people of color in the urban centers to the slave rebellions that rocked the countryside, Finch shows how the rural plantation was connected to a much larger conspiratorial world outside the agrarian sector. While acknowledging the role of foreign abolitionists and white creoles in the broader history of emancipation, Finch teases apart the organization, leadership, and effectiveness of the black insurgents in midcentury dissident mobilizations that emerged across western Cuba, presenting compelling evidence that black women played a particularly critical role.

Breaking Out of Beginner's Spanish

"La frontera I heard it for the first time back in the late 1940s when Papa and Mama told me and Roberto, my older brother, that someday we would take a long trip north, cross la frontera,

enter California, and leave our poverty behind." So begins this honest and powerful account of a family's journey to the fields of California -- to a life of constant moving, from strawberry fields to cotton fields, from tent cities to one-room shacks, from picking grapes to topping carrots and thinning lettuce. Seen through the eyes of a boy who longs for an education and the right to call one place home, this is a story of survival, faith, and hope. It is a journey that will open readers' hearts and minds.

Spanish Stories

The New York Times bestselling author of *The House of the Spirits* and *A Long Petal of the Sea* tells the story of one unforgettable woman—a slave and concubine determined to take control of her own destiny—in this sweeping historical novel that moves from the sugar plantations of Saint-Domingue to the lavish parlors of New Orleans at the turn of the 19th century “Allende is a master storyteller at the peak of her powers.”—*Los Angeles Times* The daughter of an African mother she never knew and a white sailor, Zarité—known as Tété—was born a slave on the island of Saint-Domingue. Growing up amid brutality and fear, Tété found solace in the traditional rhythms of African drums and the mysteries of voodoo. Her life changes when twenty-year-old Toulouse Valmorain arrives on the island in 1770 to run his

father's plantation, Saint Lazare. Overwhelmed by the challenges of his responsibilities and trapped in a painful marriage, Valmorain turns to his teenaged slave Tété, who becomes his most important confidant. The indelible bond they share will connect them across four tumultuous decades and ultimately define their lives.

In a world searching for happiness, bestselling author Max Lucado provides a personal plan for a life filled with lasting and fulfilling joy, supported by Jesus' teaching and modern research. Do you feel happy? How long has it been since you felt a level of contagious, infectious, unflappable, unstoppable happiness? Maybe your answer is, "All the time." If so, God bless you! (And consider suggesting this book to someone who needs it.) For many of us the answer is, "Well, it's been a while. I used to be happy, but then life took its toll." Only one-third of Americans surveyed said they were happy. How can this be? Education is accessible to most. We've made advancements in everything from medicine to technology, yet 66 percent of us can't find an adequate reason to check the "yes" box on the happiness questionnaire. Worldwide, people profess that happiness is their most cherished goal. Marketers get this. "Want to be happy?" they ask. Eat at this restaurant, drive this car, wear this dress. Happiness happens when you lose the weight, get the date, find the mate, or discover your fate. It's wide, this way to happiness. Yet, for all its promise, it delivers a fragile joy; here one day, tomorrow scattered by the winds of comparison, disappointment, or unmet expectations. Max writes, "There is another option. It requires no credit card, monthly mortgage, or stroke of fortune. Age

and ethnicity aren't factors an unexpected door to joy." In this book Max shares the unexpected path to a lasting happiness, one that produces reliable joy in any season of life. Based on the teachings of Jesus and backed by modern research, *How Happiness Happens* presents a surprising but practical way of living that will change you from the inside out. Also available in Spanish.

Good Luck is a whimsical fable that teaches a valuable lesson: good luck doesn't just come

your way—it's up to you to create the conditions to bring yourself good luck. Written by Alex Rovira and Fernando Trias de Bes—two leading marketing consultants—this simple tale is universally applicable and uniquely inspirational. Good Luck tells the touching story of two old men, Max and Jim, who meet by chance in Central Park fifty years after they last saw each other as children. Max achieved great success in life; Jim sadly did not. The secret to Max's success lies in a story his grandfather told him long ago. This story within a story has a tone reminiscent of the classic *The Alchemist* and shows how to seize opportunity and achieve success in life. In a surprise ending, Good Luck comes full circle, offering the reader inspiration, instruction, and an engaging tale.

The Circuit

Scorching novel from a star of Cuban fiction. The return of Mario Conde.

I am Good at Lots of Things

Many language books are boring—this one is not. Written by a native English speaker who learned Spanish the hard way—by trying to talk to Spanish-speaking people—it offers English speakers with a basic knowledge of Spanish hundreds of tips for using the language more fluently and colloquially, with fewer obvious "gringo" errors. Writing with humor, common sense, and a minimum of jargon, Joseph Keenan covers everything from pronunciation, verb usage, and common grammatical mistakes to the subtleties of addressing other people, "trickster" words that look alike in both languages, inadvertent obscenities, and intentional swearing. He guides readers through the set phrases and idiomatic expressions that pepper the native speaker's conversation and provides a valuable introduction to the most widely used Spanish slang. With this book, both students in school and adult learners who never want to see another classroom can rapidly improve their speaking ability. *Breaking Out of Beginner's Spanish* will be an essential aid in passing the supreme language test—communicating fluently with native speakers.

Beautiful and Dark

What keeps so many of us from doing what we long to do? Why is there a naysayer within? How can we avoid the roadblocks of any creative endeavor—be it starting up a dream business venture, writing a novel, or painting a masterpiece? *The War of Art* identifies the enemy that every one of us must face, outlines a battle plan to conquer this internal foe, then pinpoints just how to achieve the greatest success. *The War of Art* emphasizes the resolve needed to recognize and overcome the obstacles of ambition and then effectively shows how to reach the highest level of creative discipline. Think of it as tough love . . . for yourself.

Island Beneath the Sea

This study examines the emergence of new forms of Islamic spirituality in Indonesia identified as *Majlis Dhikr*. These *Majlis Dhikr* groups have proliferated on Java in the last two decades, both in urban and rural areas, and have attracted followers from a wide social background. The diverse aspects of these *Majlis Dhikr* groups - their rituals, teachings and strategies of dissemination as well as the popular understanding of these rituals and their contestation by critics and opponents - are examined in detail and illustrated by reference to three particular groups - *Salawat Wahidiyat*, *Istighathat Ihsaniyyat* and *Dhikr al-Ghafilin* each of which has its

own distinctive features and notable religious leadership. These Majlis Dhikr groups regard their activities as legitimate ritual practices that are in accordance with the legacy of Islamic Sufism based on the interpretation of the Qur'anic and Prophetic tradition.

Spanish Short Stories for Beginners

DESTINOS is an innovative beginning Spanish program based on a 26-week television series premiering on PBS in the fall of 1992. The 52 half-hour shows of the series use the powerful appeal of a uniquely Hispanic genre -- the telenovela (soap opera) -- to make language and culture come alive. The situation and context of each episode introduce students to the basic structures, language functions and vocabulary groups of Spanish that are then presented in the print materials. (Most grammar explanations and exercises are in the workbook/study guides.) This complete one-year course is designed to help students develop communicative proficiency -- listening, speaking, reading, and writing -- as well as cultural awareness in Spanish. The plot of DESTINOS is designed to engage student viewers from the very beginning. A wealthy Mexican patriarch, nearing the end of his life, reveals a secret he has kept from his family for many years. His revelation leads to some important questions that must be answered before he dies. Raquel Rodríguez, a Mexican-American lawyer, embarks on a search for those answers, a search that takes her to Spain, Argentina, Puerto Rico, and back to Mexico. Students and viewers can join in the search -- learning Spanish and about the rich and diversified cultural context in which it is spoken throughout the world.

The House on Mango Street

Deepak Chopra has discovered the delights—and frustrations—of golf, and he is passionate about the game. Confronted by the wild ups and downs of his own play, he consulted with golf professionals and developed a new approach to the game that any golfer can follow—from the novice to the expert. The results can be measured not only in increased enjoyment and skill, but also in greater wisdom about life beyond the 18th hole. Chopra's own game has improved dramatically since incorporating the elements of his program. Instead of focusing on the mechanics of a “perfect” swing, Chopra reveals how golf can be mastered through mindfulness, a form of awareness that combines sharp focus and relaxation at the same time. Expanded awareness, he tells us, can accomplish much more than external mechanics to improve one's game. But *Golf for Enlightenment* is also an engrossing story about Adam, an Everyman who is playing a terrible round of golf when he meets a mysterious young teaching pro named Leela. In seven short but profound lessons detailing spiritual strategies, she teaches Adam the essence of a game that has much to explain about life itself. Chopra has spent the last year taking the unique message in *Golf for Enlightenment* nationwide, teaching the essential tenets of his program at lectures and seminars to golfers everywhere. His message continues to help players turn an obsession into a positive life path.

The Entre Ríos Trilogy

Told with gripping intensity, *It Would be Night in Caracas* chronicles one woman's desperate battle to survive amid the dangerous, sometimes deadly, turbulence of modern Venezuela and the lengths she must go to secure her future. In Caracas, Venezuela, Adelaida Falcón stands over an open grave. Alone, she buries her mother—the only family she has ever known—and worries that when night falls thieves will rob the grave. Even the dead cannot find peace here. Adelaida had a stable childhood in a prosperous Venezuela that accepted immigrants in search of a better life, where she lived with her single-mother in a humble apartment. But now? Every day she lines up for bread that will inevitably be sold out by the time she reaches the registers. Every night she tapes her windows to shut out the tear gas raining down on protesters. When looters masquerading as revolutionaries take over her apartment, Adelaida must make a series of gruesome choices in order to survive in a country disintegrating into anarchy, where citizens are increasingly pitted against each other. But just how far is she willing to go? A bold new voice from Latin America, Karina Sainz Borgo's touching, thrilling debut is an ode to the Venezuelan people and a chilling reminder of how quickly the world we know can crumble.

Written by the best-selling author of *The Wiccan Handbook*, *Spells for the Solitary Witch* is clear and easy to follow. *Spells for the Solitary Witch* explains how to prepare and cast spells 87 spells in all together with the materials needed for each spell and the incantations to say that will ensure the best results. Tailored to the needs of solitary witches, Holland suggests alternatives to hard-to-find ingredients, as well as directions about where to find specific ingredients crucial to a spells success. "Solitary Witches," writes Holland, "are those who practice the Craft without a coven or other group. Some Witches are solitary because of circumstances, but the rest of us are solitary by choice we feel no need to join a formal group. We like our independence and prefer the freedom to do things our own way"
