## **Creative Haven Floral Design Color by Number Coloring Book**

Simple Coloring Book For Adults | 50 Unique Images Our Simple Coloring Book For Adults is a wonderful collection of relaxing and easy-to-color beautiful illustrations. It is ideal for seniors, beginners, or anyone who is looking for less intricate relaxing pages to color. This book contains a balanced variety of illustrations (nature, flowers, vehicles, animals, abstract designs, inspirational affirmations and quotes), promoting mindfulness, memory stimulation, relaxation and emotional well-being. Simple Coloring Book For Adults was developed in collaboration with neuroscientists specializing in ageing and old-age brain disease prevention. Our surveys have shown that adults and seniors love coloring, but do not prefer juvenile/cartoonish designs, therefore, in this book you will find realistic illustrations and designs. Why you will love our book: Neuroscientist-approved Designs. Our designs are supported and developed in collaboration with neuroscientists, making our book especially suitable for the individuals with disorders (dementia, Alzheimer's disease, Parkinson's disease, cognitive, visual or motor impairments). Relaxing Coloring Pages. Every page you color will pull you into a relaxing world where your everyday life problems will seem to fade. Beautiful Illustrations. We've included 50 unique images for you to express your creativity and experience the therapeutic effects of self-expression through art. Single-sided Pages. Every image is placed on its own black-backed page to reduce the bleed-through problem found in other coloring books. Great for All Skill Levels. You can color every page however you want and there is no wrong way to color (even if you are a beginner). Self-reflection. This book includes a personal self-reflection journaling page that helps reinforce the positive experience of coloring and strengthen memories evoked during creative processes. Happy coloring!

## **Infinite Jest**

This new series of colouring books for grown-ups offers an inspiring adventure in doodles, shapes, and patterns. adults, and some kids! We are proud of this incredibly beautiful book we have created. It's a beautiful gift, Grab one today!

## **Zendoodle Color-by-Number: Stained Glass**

An astonishing story that puts a human face on the ongoing debate about immigration reform in the United States, now updated with a new Epilogue and Afterword, photos of Enrique and his family, an author interview, and more—the definitive edition of a classic of contemporary America Based on the Los Angeles Times newspaper series that won two Pulitzer Prizes, one for feature writing and another for feature photography, this page-turner about the power of family is a popular text in classrooms and a touchstone for communities across the country to engage in meaningful discussions about this essential American subject. Enrique’s Journey recounts the unforgettable quest of a Honduran boy looking for his mother, eleven years after she is forced to leave her starving family to find work in the United States. Braving unimaginable peril, often clinging to the sides and tops of freight trains, Enrique travels through hostile worlds full of thugs, bandits, and corrupt cops. But he pushes forward, relying on his wit, courage, hope, and the kindness of strangers. As Isabel Allende writes: “This is a twenty-first-century Odyssey. If you are going to read only one nonfiction book this year, it has to be this one.” Praise for Enrique’s Journey “Magnificent . . . Enrique’s Journey is about love. It’s about family. It’s about home.”—The Washington Post Book World “[A] searing report from the immigration frontlines . . . as harrowing as it is heartbreaking.”—People (four stars) “Stunning . . . As an adventure narrative alone, Enrique’s Journey is a worthy read. . . . Nazario’s impressive piece of reporting [turns] the current immigration controversy from a political story into a personal one.”—Entertainment Weekly “Gripping

and harrowing . . . a story begging to be told.”—The Christian Science Monitor “[A] prodigious feat of reporting . . . [Sonia Nazario is] amazingly thorough and intrepid.”—Newsday

Designs are printed on only one side of a page -- no bleed-through. Each page is micro-perforated for ease of removal and display of your artwork. Acid-free paper helps preserve your work. Birds, butterflies, woodland friends, sea creatures, moonlit skies, and more await your artistic vision! Book measures 9-1/2 inches wide by 9 inches high. For artists and colorists of all abilities. Designs by illustrator Flora Waycott.

## **Large Print Easy Color and Frame - Mindfulness (Coloring Book)**

The bestselling author of *A Hundred Summers* brings the Roaring Twenties brilliantly to life in this enchanting and compulsively readable tale of intrigue, romance, and scandal in *New York Society*, brimming with lush atmosphere, striking characters, and irresistible charm. As the freedom of the Jazz Age transforms New York City, the iridescent Mrs. Theresa Marshall of Fifth Avenue and Southampton, Long Island, has done the unthinkable: she's fallen in love with her young paramour, Captain Octavian Rofrano, a handsome aviator and hero of the Great War. An intense and deeply honorable man, Octavian is devoted to the beautiful socialite of a certain age and wants to marry her. While times are changing and she does adore the Boy, divorce for a woman of Theresa's wealth and social standing is out of the question, and there is no need; she has an understanding with Sylvo, her generous and well-respected philanderer husband. But their relationship subtly shifts when her bachelor brother, Ox, decides to tie the

knot with the sweet younger daughter of a newly wealthy inventor. Engaging a longstanding family tradition, Theresa enlists the Boy to act as her brother's cavalier, presenting the family's diamond rose ring to Ox's intended, Miss Sophie Fortescue—and to check into the background of the little-known Fortescue family. When Octavian meets Sophie, he falls under the spell of the pretty ingénue, even as he uncovers a shocking family secret. As the love triangle of Theresa, Octavian, and Sophie progresses, it transforms into a saga of divided loyalties, dangerous revelations, and surprising twists that will lead to a shocking transgression . . . and eventually force Theresa to make a bittersweet choice. Full of the glamour, wit and delicious twists that are the hallmarks of Beatriz Williams' fiction and alternating between Sophie's spirited voice and Theresa's vibrant timbre, *A Certain Age* is a beguiling reinterpretation of Richard Strauss's comic opera *Der Rosenkavalier*, set against the sweeping decadence of Gatsby's New York.

## **Color and Frame 3 in 1 Animals**

How can teachers make sure that all students gain the reading skills they need to be successful in school and in life? In this book, Karen Tankersley describes the six foundational "threads" that students need to study in order to become effective readers: phonemic awareness, phonics and decoding, vocabulary, fluency, comprehension, and higher-order processing. For each area, the author explains how students acquire the reading skills they need and offers a series of skill-building strategies and activities that teachers can use in the classroom. Although reading is perhaps most intensely taught in the kindergarten and 1st-grade classrooms, Tankersley emphasizes that helping students become lifelong readers is a task for all teachers, including content-area teachers in middle and high schools. *The Threads of Reading*

addresses key questions about literacy, such as \* What makes a difference in reading achievement? \* How much reading time is enough? \* How can teachers use writing to build reading skills? \* How can teachers help students make meaning from their reading? The strategies in this book address many situations, from individual instruction to small- or large-group instruction, from kindergarten to high school. Teachers will appreciate the multitude of activities provided, and administrators will learn to better evaluate the reading programs in place in their districts and schools. Grounded in both research and "teacher lore" from actual classrooms, this book is a solid guide to helping students become lifelong readers. Note: This product listing is for the Adobe Acrobat (PDF) version of the book.

## **Large Print Easy Adult Coloring Book FOR WOMEN**

Winner of the Newbery Medal and the National Book Award! This #1 New York Times bestselling, modern classic in which boys are forced to dig holes day in and day out is now available with a splashy new look. Stanley Yelnats is under a curse. A curse that began with his no-good-dirty-rotten-pig-stealing-great-great-grandfather and has since followed generations of Yelnatses. Now Stanley has been unjustly sent to a boys' detention center, Camp Green Lake, where the boys build character by spending all day, every day digging holes exactly five feet wide and five feet deep. There is no lake at Camp Green Lake. But there are an awful lot of holes. It doesn't take long for Stanley to realize there's more than character improvement going on at Camp Green Lake. The boys are digging holes because the warden is looking for something. But what could be buried under a dried-up lake? Stanley tries to dig up the truth in this inventive and darkly humorous tale of crime and punishment—and redemption. Includes a double bonus: an excerpt from *Small Steps*, the follow-up to *Holes*, as well as an excerpt from Louis Sachar's new middle-grade novel, *Fuzzy Mud*. "A smart jigsaw puzzle of a novel." --The New York Times **WINNER OF THE BOSTON GLOBE-HORN BOOK AWARD A NEW YORK TIMES BOOK REVIEW NOTABLE CHILDREN'S BOOK SELECTED FOR NUMEROUS BEST BOOK OF THE YEAR AND ALA HONORS**

Spiral binding allows pages to lay flat while coloring. Great for adults and children! 64 pages

## **Color & Frame Coloring Book - Christmas**

Named one of the most important nonfiction books of the 21st century by Entertainment Weekly, Slate, Chronicle of Higher Education, Literary Hub, Book Riot, and Zora A tenth-anniversary edition of the iconic bestseller—"one of the most influential books of the past 20 years," according to the Chronicle of Higher Education—with a new preface by the author "It is in no small part thanks to Alexander's account that civil rights organizations such as Black Lives Matter have focused so much of their energy on the criminal justice system." —Adam Shatz, London Review of Books Seldom does a book have the impact of Michelle Alexander's *The New Jim Crow*. Since it was first published in 2010, it has been cited in judicial decisions and has been adopted in campus-wide and community-wide reads; it helped inspire the creation of the Marshall Project and the new \$100 million Art for Justice Fund; it has been the winner of numerous prizes, including the prestigious NAACP Image Award; and it has spent nearly 250 weeks on

the New York Times bestseller list. Most important of all, it has spawned a whole generation of criminal justice reform activists and organizations motivated by Michelle Alexander's unforgettable argument that "we have not ended racial caste in America; we have merely redesigned it." As the Birmingham News proclaimed, it is "undoubtedly the most important book published in this century about the U.S." Now, ten years after it was first published, The New Press is proud to issue a tenth-anniversary edition with a new preface by Michelle Alexander that discusses the impact the book has had and the state of the criminal justice reform movement today.

## **The New Jim Crow**

Get ready for the coolest cats around! Thirty delightful illustrations feature an adorable array of curious cats relaxing at the beach, chasing butterflies, frolicking with friends, catching fish, and showing off in a variety of playful poses.

## **Color and Frame Coloring Book in the Garden**

This New York Times bestselling book is filled with hundreds of fun, deceptively simple, budget-friendly ideas for sprucing up your home. With two home renovations under their (tool) belts and millions of hits per month on their blog [YoungHouseLove.com](http://YoungHouseLove.com), Sherry and John Petersik are home-improvement enthusiasts primed to pass on a slew of projects, tricks, and techniques to do-it-yourselfers of all levels. Packed with 243 tips and ideas—both classic and unexpected—and more than 400

photographs and illustrations, this is a book that readers will return to again and again for the creative projects and easy-to-follow instructions in the relatable voice the Petersiks are known for. Learn to trick out a thrift-store mirror, spice up plain old roller shades, "hack" your Ikea table to create three distinct looks, and so much more.

You can colour every flower plan with practical colorings or let your creativeness run wild and use the shades of your choice!

## **Large Print Easy Color & Frame - Stress Free (Coloring Book)**

A gargantuan, mind-altering comedy about the Pursuit of Happiness in America Set in an addicts' halfway house and a tennis academy, and featuring the most endearingly screwed-up family to come

along in recent fiction, *Infinite Jest* explores essential questions about what entertainment is and why it has come to so dominate our lives; about how our desire for entertainment affects our need to connect with other people; and about what the pleasures we choose say about who we are. Equal parts philosophical quest and screwball comedy, *Infinite Jest* bends every rule of fiction without sacrificing for a moment its own entertainment value. It is an exuberant, uniquely American exploration of the passions that make us human - and one of those rare books that renew the idea of what a novel can do. "The next step in fiction Edgy, accurate, and darkly witty Think Beckett, think Pynchon, think Gaddis. Think." --Sven Birkerts, *The Atlantic*
