Mark Z. Danielewski's House of Leaves

A steady best-seller and *The Invisible String* is reaching all over the World! OVER 400,000 copies sold! "That's impossible", said twins Jeremy & Liza after their Mom told them they're all connected by this thing called an Invisible String. "What kind of string"? They asked with a puzzled look to which Mom replied, "An Invisible String made of love." That's where the story begins. A story that teaches of the tie that really binds. *The Invisible String* reaches from heart to heart. Does everybody have an Invisible String? How far does it reach, anyway? Does it ever go away? Read all about it! **THE INVISIBLE STRING** is a very simple approach to overcoming the fear of loneliness or separation with an imaginative flair that children can easily identify with and remember. Here is a warm and delightful lesson teaching young and old that we aren't ever really alone and reminding children (and adults!) that when we are loved beyond anything we can imagine. "People who love each other are always connected by a very special String, made of love. Even though you can't see it with your eyes, you can feel it deep in your heart, and know that you are always connected to the ones you love." Thus begins this heart-warming and reassuring story that addresses the issue of "separation anxiety" (otherwise known as the sense of existential 'aleness') to children of all ages. Specifically written to address children's fear of being apart from the ones they love, *The Invisible String* delivers a particularly compelling message in today's uncertain times that though we may be separated from the ones we care for, whether through anger, or distance or even death, love is the unending connection that binds us all, and, by extension, ultimately binds every person on the planet to everyone else. Parents and children everywhere who are looking for reassurance and reaffirmation of the transcendent power of love, to bind, connect and comfort us through those inevitable times when life challenges us! Sister of My Heart

Named one of the best books of 2018 by The Washington Post, The Seattle Times, and The Advocate “Staggeringly brilliant . . . You’ll start The Maze of Windermere with bewilderment, but you’ll close it in awe.” —The Washington Post “Pitch perfect.” —New York Times Book Review When a drunken party guest challenges him to a late-night tennis match, Sandy Allison finds himself unexpectedly entangled in the monied world of Newport, Rhode Island. A former touring pro a little down on his luck, Sandy has nothing to stake against the vintage motorcycle his opponent wagers. But then Alice DuPont—the young heiress to a Newport mansion called Windermere—offers up her diamond necklace. With this reckless wager begins a dazzling narrative odyssey that braids together four centuries of aspiration and adversity in this renowned seaside society capital. A witty and urbane bachelor of the Gilded Age embarks on a high-risk scheme to marry into a fortune; a young Henry James, soon to make his mark on the world, turns himself to his craft with harrowing social consequences; an aristocratic British officer during the American Revolution carries on a courtship that leads to murder; and, in Newport’s earliest days, a tragically orphaned Quaker girl imagines a way forward for herself and the slave girl she has inherited. Gregory Blake Smith weaves these intersecting worlds into a rich, brilliant tapestry. A deftly layered novel of love, ambition, and duplicity, The Maze at Windermere charts a voyage across the ages into the maze of the human heart.

Happy Heart

"Multilayered, compassionate, and thought-provoking." — Kirkus Reviews (starred review) Thirteen-year-old Sophie isn't happy about spending the summer of 1960 at her grandmother's old house in the bayou. Bored and lonely, she can't resist exploring the house's maze, or making an impulsive wish for a fantasy-book adventure with herself as the heroine. What she gets instead is a real adventure: a trip back in time to 1860 and the race-haunted world of her family's Louisiana sugar plantation. Here, President Lincoln's Emancipation Proclamation is still two years in the future and passage of the Thirteenth Amendment is almost four years away. And here, Sophie is mistaken, by her own ancestors, for a slave.

Exit the Maze: One Addiction, One Cause, One Cure

From the award-winning author of *Mistress of Spices*, the bestselling novel about the extraordinary bond between two women, and the family secrets and romantic jealousies that threaten to tear them apart. Anju is the daughter of an upper-caste Calcutta family of distinction. Her cousin Sudha is the daughter of the black sheep of that same family. Sudha is startlingly beautiful; Anju is not. Despite those differences, since the day on which the two girls were born, the same day their fathers died--mysteriously and violently--Sudha and Anju have been sisters of the heart. Bonded in ways even their mothers cannot comprehend, the two girls grow into womanhood as if their fates as well as their hearts were merged. But, when Sudha learns a dark family secret, that connection is shattered. For the first time in their lives, the girls know what it is to feel suspicion and distrust. Urged into arranged marriages, Sudha and Anju's lives take opposite turns. Sudha becomes the dutiful daughter-in-law of a rigid small-town household. Anju goes to America with her new husband and learns to live her own life of secrets. When tragedy strikes each of them, however, they discover that despite distance and marriage, they have only each other to turn to. Set in the two worlds of San Francisco and India, this exceptionally moving novel tells a story at once familiar and exotic, seducing readers from the first page with the lush prose we have come to expect from Divakaruni. *Sister of My Heart* is a novel destined to become as widely beloved as it is acclaimed.

Walking the Labyrinth of My Heart: A Journey of Pregnancy, Grief and Infant Death breaks the lonely, silent suffering of bereaved mothers facing infant and pregnancy loss. Dianna Vagianos Armentrout details her pregnancy journey with her daughter, Mary Rose, who died an hour after birth of trisomy 18, a random genetic illness described as "incompatible with life." For five long months of pregnancy, she knew that her baby would not live and thrive, planning a funeral and seeking hospice for her unborn daughter. The heaviness of this grief, which most women bear alone, is shared here and will comfort

mothers who have experienced miscarriage, stillbirth and infant death. Through journal entries, essays and poetry, Dianna invites the reader to process grief and honor the life of the child, no matter how brief. In addition, readers will learn how to support the bereaved by remembering the baby and pregnancy. With eloquent language, fierce honesty and a record of the rawness of grief, readers in the midst of their own suffering will recognize the path that bereaved parents walk. Dianna's experiences with infertility, motherhood, infant loss and miscarriage infuse her writing with compassion for all women. Finally there is a book to honor the pregnancy, baby and loss, loving the children past their death, loving the wombs that nurtured them and accepting the sacred path of mothering children whose bodies are broken, but whose souls are intact and perfectly whole. This book shines with love and the knowledge that even the briefest life is holy. Read it. Share it. Spread the word. We no longer have to grieve our infants and pregnancies alone.

“It has been a while since I have read a book as richly sown with beauty . . . A remarkable work, remarkable for the precision and vitality of its perceptions and for the successful intricacy of its prose.”
—James Wood, *The New Yorker* A visionary novel by "one of the most talented writers of his generation"—*The Times Literary Supplement* Shortlisted for the Man Booker Prize Based on real events, *The Quickening* Maze won over UK critics and readers alike with its rapturous prose and vivid exploration of poetry and madness. Historically accurate yet brilliantly imagined, this is the debut publication of this elegant and riveting novel in the United States. In 1837, after years of struggling with alcoholism and depression, the great nature poet John Clare finds himself in High Beach—a mental institution located in Epping Forest on the outskirts of London. It is not long before another famed writer, the young Alfred Tennyson, moves nearby and grows entwined in the catastrophic schemes of the hospital's owner, the peculiar Dr. Matthew Allen, his lonely adolescent daughter, and a coterie of mysterious local characters. With lyrical grace, the cloistered world of High Beach and its residents are brought richly to life in this enchanting book.
