A Snarky Adult Colouring Book

Now a Netflix Original Series In the satirical tradition of the New York Times bestseller *Stuff White People Like* comes this witty companion book to the “incredibly entertaining” (Indiewire) film of the same name, which “heralds a fresh and funny new voice” (Variety). Right out of college, Justin Simien wrote a screenplay about the nuanced experiences of four black students on a predominantly white college campus. The film, *Dear White People*,

garnered a Sundance Award for “Breakthrough Talent” and has been hailed by critics everywhere. Channeling the sensibility of the film into this book, Simien will keep you laughing with his humorous observations, even if you haven’t seen the satiric film. News Flash—the minimum number of black friends needed to not seem racist has just been raised to two. Rather than panic, readers are advised to purchase a copy of Dear White People. Whether you are a dear white person wondering why your black office mate is avoiding eye contact with you after you ran your fingers through her hair, or you’re a black nerd who has to break it to your white friends that you’ve never seen *The Wire*, this myth-busting, stereotype-diffusing guide to a post-Obama world has something for you! With decision-making trees to help you decide when it’s the right time to wear Blackface (hint: probably never) and quizzes to determine whether you’ve become the Token Black Friend™, *Dear White People* is the ultimate silly-yet-authoritative handbook to help the curious and confused navigate racial microaggressions in their daily lives. Based on the eponymous, award-winning film, which has been lauded as “a smart, hilarious satire,” this tongue-in-cheek guide is a must-have that anybody who is in semi-regular contact with black people can’t afford to miss!

What Nurses Really Want To Say A Snarky Adult Coloring Book

Rian Thompson thought she joined the gym to get healthy. Little did she know she was about to add hundred and ninety pounds of swoonworthy abdominal muscles and arrogance to her life. Every day in Rians's life follows a predictable pattern, and she wouldn't have it any other way. She's got a nice job, a nice place to live, and a nice family – even if they are a little wedding-zilla-ish at the moment. She doesn't need anything spectacular to be happy. She just needs to get healthy – mentally, physically. . . and maybe spiritually if that happens. But she'll settle for two out of three until her sister finally gets hitched. Carlos Davies thought his life was perfect. Little did he know it was about to be turned upside down by a woman who is not his type. In Carlos's mind, his life is damn

ENT Life: A Snarky Coloring Book for Adults: 50 Funny Colouring Pages for Ear Nose & Throat Doctors, Otolaryngology Fellows, Sur

A new, sexy standalone novel from #1 New York Times Bestseller, Vi Keeland. Terminated for inappropriate behavior. I couldn't believe the letter in my hands. Nine years. Nine damn years I'd worked my butt off for one of the largest companies in America, and I was fired with a form letter when I returned home from a week in Aruba. All because of a video taken when I was on vacation with my friends—a private video made on my private time. Or so I thought... Pissed off, I cracked open a bottle of wine and wrote my own letter to the gazillionaire CEO telling him what I thought of his company and its practices. I didn't think he'd actually respond. I certainly never thought I'd suddenly become pen pals with the rich jerk. Eventually, he realized I'd been wronged and made sure I got my job back. Only...it wasn't the only thing Grant Lexington wanted to do for me. But there was no way I was getting involved with my boss's boss's boss. Even if he was ridiculously gorgeous, confident, and charming. It would be completely wrong, inappropriate even. Sort of like the video that got me into trouble to begin with. Two wrongs don't make a right. But sometimes it's twice as fun.

Open this book and you'll soon find yourself immersed in the wonderful gingerbread world of Victorian architecture and interior design. From a nostalgic introduction by John Philip Sousa III to the charming original illustrations of Daniel Lewis, *The Victorian House Coloring Book* invites children and colorists to re-create the furnishings, color schemes, and rich decorations of a lovely Victorian home. Comprising a complete household tour, these

beautifully authentic illustrations depict the exterior, attic, front hallway, parlor, library, dining room, kitchen, three bedrooms, bathroom (including a water closet), and basement. In addition, a delightful double-page spread shows the garden with a gazebo. Typical of Victorian-era house, which often combined several architectural styles, the house shown here blends a simple Italianate exterior with such Second Empire features as a mansard roof and dormer windows. Other styles often featured in such homes include Queen Anne and Romanesque revivals, Carpenter Gothic and Stick, and Eastlake. A well-researched and informative text by Kristin Helberg accompanies each illustration, commenting on furnishings and architectural details and providing insight into the historical background and everyday life of the era. Dollhouse buffs, who consistently prefer the Victorian style to all others, will welcome this handsome book, while designers and illustrators will be especially pleased that all the illustrations are royalty free.
