Length and shortness of days are, no doubt, relative; and it is difficult to say what term of life would not have seemed short to men as they looked back upon it. To Jacob, at the age of a hundred and thirty, it appeared that "few and evil had the days of the years of his life been" (Genesis 47:9). Methuselah, perhaps, thought the same.

Bing: On The Shortness Of Life

Key symptoms: The more common and sometimes severe symptoms of COVID-19 are fever, cough, and shortness of breath. Two additional common symptoms are fatigue and loss of appetite. Less commonly, people may have diarrhea, nausea, or vomiting. Some people report a lack of taste or smell. A significant number of people experience no symptoms (it
