The core of the English language descends from Old English, the language brought with the Angle, Saxon, and Jutish settlers to what was to be called England from the 500s. The bulk of the language in spoken and written texts is from this source. As a statistical rule, around 70 percent of words in any text are Anglo-Saxon.

My head was spinning, it was my wedding night, my new husband was naked and snoring on our bed, but here I was wanking my father in law and one of his uncles. Keith moved closer, "Put your tongue out," I did, and he rubbed the tip of his cock along it, then around my ruby red lips. "Open wide!" He said, laughing.
