"It's the rarest author who can pull off laugh-out-loud hilarious, profound, and breathlessly romantic, all in the most sparkling prose. That shortlist includes Rainbow Rowell, Nicola Yoon, and now, Carlie Sorosiak."—Jeff Zentner, Morris Award-winning author of *The Serpent King* and *Goodbye Days*
Last June, the summer camp Quinn's family owns in Winship, Maine, was still a magical place. A place where wild blueberries grew no matter the season, a legendary sea monster lurked in the waters, and Quinn fell in love with her best friend, Dylan. Then the accident happened. Now it's winter, the magic has drained from Quinn's life, and she knows it's her fault. But the new boy in town, Alexander, doesn't see her as the monster she believes herself to be. As Quinn lets herself open up again, she begins to understand the truth about love, loss, and monsters—real and imagined. Perfect for fans of Morgan Matson, Jenny Han, and Jandy Nelson, this wondrous novel was proclaimed "a striking examination of love—of friends, of family, of self—as well as of grief" by ALA Booklist in a starred review.

The Pioneer Woman Cooks

On the heels of her mother's death, Hope Logan reluctantly returned to her grandparents' home place in search of a journal that revealed explosive crimes and atrocities of the past that had haunted her grandma for nearly sixty-five years. Bitterness, unforgiveness, and anger

consumed her as she set out to solve the mystery that surrounded her grandma's life. The dark evil secret that was contained in the journal only deepened her resentment of God. Because of her quest, she came in contact with many strong believers, especially a handsome young pastor and three senior citizens. In that small town in the foothills of the mountains of North Carolina, Hope's bitterness, unforgiveness, and anger slowly began to fade in the light of the strong faith of the young pastor and three senior citizens. She discovered the true meaning of faith and hope in Christ in the midst of adversity. Carolyn Digh Griffin, a native North Carolinian, resides in Waxhaw, North Carolina, with her husband, Hoyle. She is retired from Union County Public Schools where she was an Administrative Assistant to the Assistant Superintendent. She has two daughters and four grandchildren who also reside in the Old North State.

The Good Wife's Guide (Le Ménagier de Paris)

This is the story of three women that I was privileged to know and love and will continue to love, probably till I die. I couldn't write "Dear Diary," men don't keep diaries. And "Dear Journal" sounds stupid, so I'll just tell you the story from the notes and scraps of paper I scribbled during the most interesting times. Reading it now, I don't even believe that we did some of these more ridiculous things, and I was there. My one regret, is that I had to lose one beautiful, wonderful woman to find another, but the blessing of the children lives on. I smile every day about some strange or funny incident long past. Until I wrote this, I'm sure the kids all thought I was crazy. As they would walk by, I could hear them say, "Look at him, he's doing it again." Most men are lucky to find, and love, and be loved by one jewel of a woman in their life, and rightly so. I found three. All three knew me better than I knew myself. They all knew what I thought before I thought it, what I wanted before I wanted it, and fortunately for me they acted on their thoughts. Woman is the most wonderful gift man has ever received, including life. Life without a woman is a drab, colorless existence. Man can plod through life and achieve many things, but why, if not to share it with that most wonderful of all creatures, woman. With the right woman in your life, the birds sing for you, roses bloom and their fragrance lifts your thoughts of love and carries them to that one special woman who gently receives and nourishes them, only to give them back to you tenfold. What is the perfect woman? Her presence lights up the room you are in when she enters, her voice turns on your brain with a pleasant pat, her figure stirs the lion within you every time you gaze upon her. Her smile tells you that everything's alright and assures you that her love for you is still burning bright. Her love envelopes you and warms you like a giant hand-made quilt wrapped around you. This, then, describes these women in the story I am about to tell you. I hope you can be as fortunate.

Recipe for a Perfect Wife

"They say there is no such thing as a perfect marriage, but of course there is. A perfect marriage is where two people live together for most of their lives until death separates them. What there is no such thing as is an easy marriage. And when it comes to love, people have somehow come around to equating love with ease". New York food writer Tressa returns from honeymoon worried that she has married her impossibly handsome new husband Dan out of late-thirties panic instead of love. In 1930's Ireland, her grandmother, Bernadine, is married off to the local schoolteacher after her family are unable to raise a dowry for her to marry her true love, Michael. During the first year of her marriage, Tressa distracts herself from her stay-or-go dilemma by working on her grandmother's recipes, searching for solace and answers through their preparation. Through the stories of these two women RECIPES FOR A PERFECT MARRIAGE challenges the modern ideal of romantic love as a given and ponders whether true love can really be learned. 'This story is written with so much heart, its beat is palpable in every word on every page' Cecelia Ahern, author of P.S., I LOVE YOU

#1 NEW YORK TIMES BESTSELLER — The author of *Small Great Things* returns with a powerful and provocative new novel about ordinary lives that intersect during a heart-stopping crisis. —Picoult at her fearless best . . . Timely, balanced and certain to inspire debate. —The Washington Post The warm fall day starts like any other at the Center—a women's reproductive health services clinic—its staff offering care to anyone who passes through its doors. Then, in late morning, a desperate and distraught gunman bursts in and opens fire, taking all inside hostage. After rushing to the scene, Hugh McElroy, a police hostage negotiator, sets up a perimeter and begins making a plan to communicate with the gunman. As his phone vibrates with incoming text messages he glances at it and, to his horror, finds out that his fifteen-year-old daughter, Wren, is inside the clinic. But Wren is not alone. tensest few hours of her young life with a cast of unforgettable characters: A nurse who calms her own panic in order to save the life of a wounded woman. A doctor who does his work not in spite of his faith but because of it, and who will find that faith tested as never before. How to Bake a Perfect Life

All I ever wanted was to be a female fighter. It was in my blood to smack people around. Some girls wore pink dresses and makeup, I wore sneakers and bruises. I was a loner, stuck to myself because I was different, until Camden Steel moved next door. I punched him in the mouth, and he saw me through rose colored glasses from that day on. I had everything I ever wanted. The boy next door, inspiring career until I didn't. He hates me. I deserve that. They say

you have to fight for what you want What they don't tell you is it'll cost you more than you're willing to give to reach the top.

Wild Blue Wonder

How to find guilt-free time for what you really want to do, and why it matters Do you feel like you're always busy, even as your to-do list continues to grow? Do you think you can't keep up as it is, let alone add another thing to your plate? An award-winning journalist, avid reader and new mom, Karma Brown dreamed of writing her first novel. But between diapers and tight deadlines, how could she? Like so many of us, she felt stretched taut and hyper-scheduled, her time a commodity over which she had lost control. For Brown, the answer to this problem was to rise earlier every day and use that time to write. Although she experienced missteps along the way, after committing to her alarm clock and an online community of early risers, she completed a debut novel that became a national bestseller. In *The 4% Fix*, Karma Brown reveals the latest research about time management and goal-setting and shares strategies that have worked for her as well as for others. Refreshingly, her jargon-free approach doesn't include time-tracking spreadsheets, tips on how to squeeze in yoga exercises while cooking dinner, or methods that add bulk to those never-ending lists. How will you use this one hour—only 4% of your day—to change your life?

One of the top-ten bestselling novels ever written. "An extravagant, absorbing novel of love, courage, ambition, war, death and passion." "The New York Times Barbara Taylor Bradford's *The Emma Harte Saga* begins with this record-shattering New York Times bestseller that traces Emma Harte's legacy through multiple generations of indomitable women. From the servants' quarters of a manor house on the brooding Yorkshire moors to the helm of a profitable international business, Emma Harte's life is a sweeping saga of unbreakable spirit and resolve. Rising from abject poverty to glittering wealth at the upper echelons of society, there is only one man the indomitable Emma cannot have—and only one she yearns for. The novel was also the subject of a popular 1984 miniseries starring Jenny Seagrove and Deborah Kerr. "A long, satisfying novel of money, power, passion and revenge set against the sweep of 20th century history." "Los Angeles Times "A wonderfully entertaining novel." "The Denver Post "A mighty saga. Little has been so riveting since *Gone with the Wind*." "Manchester Evening News "Tailor-made for fans of McCullough's *Thornbirds*." "Publishers Weekly "The storyteller of substance." Wives and Daughters

My name is Ree. Some folks know me as The Pioneer Woman. After years of living in Los Angeles, I made a pit stop in my hometown in Oklahoma on the way to a new, exciting life in Chicago. It was during my stay at home that I met Marlboro Man, a mysterious cowboy with steely blue eyes and a muscular, work-honed body. A strict vegetarian, I fell hard and fast, and before I knew it we were married and living on his ranch in the middle of nowhere, taking care of animals, and managing a brood of four young children. I had no idea how I'd wound up there, but I knew it was exactly where I belonged. The Pioneer Woman Cooks is a homespun collection of photography, rural stories, and scrumptious recipes that have defined my experience in the country. I share many of the delicious cowboy-tested recipes I've learned to make during my years as an accidental ranch wife—including Rib-Eye Steak with Whiskey Cream Sauce, Lasagna, Fried Chicken, Patsy's Blackberry Cobbler, and Cinnamon Rolls—not to mention several "cowgirl-friendly" dishes, such as Sherried Tomato Soup, Olive Cheese Bread, and Crème Brûlée. I show my recipes in full color, step-by-step detail, so it's as easy as pie to follow along. You'll also find colorful images of rural life: cows, horses, country kids, and plenty of chaps-wearing cowboys. I hope you get a kick out of this book of mine. I hope it makes you smile. I hope the recipes bring you recognition, accolades, and marriage proposals. And I hope it encourages even the most harried urban cook to slow down, relish the joys of family, nature, and great food, and enjoy life.

Love Tap

Thomas Day, an 18th-century British writer and radical, knew exactly the sort of woman he wanted to marry. Pure and virginal like an English country maid yet tough and hardy like a Spartan heroine, she would live with him in an isolated cottage, completely subservient to his whims. But after being rejected by a number of spirited young women, Day concluded that the perfect partner he envisioned simply did not exist in frivolous, fashion-obsessed Georgian society. Rather than conceding defeat and giving up his search for the woman of his dreams, however, Day set out to create her. So begins the extraordinary true story at the heart of *How to Create the Perfect Wife*, prize-winning historian Wendy Moore's captivating tale of one man's mission to groom his ideal mate. A few days after he turned twenty-one and inherited a large fortune, Day adopted two young orphans from the Foundling Hospital and, guided by the writings of Jean-Jacques Rousseau and the principles of the Enlightenment, attempted to teach them to be model wives. After six months he discarded one girl, calling her "invincibly stupid," and focused his efforts on his remaining charge. He subjected her to a number of cruel trials—including dropping hot wax on her arms and firing pistols at her skirts—to test her resolve but the young woman, perhaps unsurprisingly, eventually rebelled against her domestic slavery. Day had hoped eventually to marry her, but his peculiar experiment inevitably backfired—though not before he had taken his theories about marriage, education, and femininity to shocking extremes. Stranger than fiction, blending tragedy and farce, *How to Create the Perfect Wife* is an engrossing tale of the radicalism—and deep contradictions—at the heart of the Enlightenment.

REVIEWS "Recipe for a Perfect Wife masterfully bridges the lives of two women, living sixty years apart, who refuse to fall victim to the patriarchy. While Karma Brown's signature style remains, it's laced with something sinister and dark. A brilliant, brooding, timely novel, fraught with tension, that packs a punch. Brown knows how to keep readers riveted until the very last page." — Mary Kubica, New York Times bestselling author of *The Good Girl* "Recipe for a Perfect Wife is a bold, intoxicating, page-turner. Karma Brown has long been a favorite of mine and this book is proof she just keeps getting better and better. This is a thrilling, audacious story about women daring to take control." — Taylor Jenkins Reid, New York Times bestselling author of *Daisy Jones & The Six* "A sly, smart look at two women across two different decades as they navigate marriage, secrets, and society's expectations. Brown's vivid storytelling deftly explores the joys and limitations of the role of wife— a wonderful read." — Fiona Davis, national bestselling author of *The Chelsea Girls* "I already knew that Karma Brown's contemporary novels are exemplars of thoughtful, compelling, and truly original fiction. What I didn't know before reading *Recipe For a Perfect Wife* is that she is equally at home when writing historical fiction. In her hands, the constrained and often suffocating lives of 1950s women— illuminated in a deftly handled dual narrative that alternates between the present day and 60 years ago— are revealed with real sensitivity, depth, and at times tenderness. And true to Karma Brown, this is also a nail-biter of a tale, and one that kept me up long past my bedtime. This is a delicious and thoroughly satisfying book." — Jennifer Robson, bestselling author of *The Gown* "Karma Brown has outdone herself with best book yet. Dual storylines set decades apart offer one of the most emotionally stirring explorations of women's lives I have ever read. *Recipe for a Perfect Wife* is page-turning look at identity, love, legacy, marriage, and yes--food. I devoured it!" — Jamie Brenner, bestselling author of *Drawing Home* "Recipe for a Perfect Wife is as witty, charming, and insightful as anything Karma Brown has written to date, but it's also got something more: it cuts straight to the heart of modern marriage by going back in time. Flawless transitions between past and present remind us of how far we've come while Brown's penetrating prose deftly underscores the importance of staying the course on the journey ahead. This timely novel is alarming and unforgettable, illuminating and ominous— and perfect for your next book club discussion!" — Marissa Stapley, bestselling author of *The Last Resort* "Recipe for a Perfect Wife is that wonderful combination of fun to read, thought provoking, and mystery. #1 NATIONAL BESTSELLER A PENGUIN BOOK CLUB PICK "Recipe for a Perfect Wife is a bold, intoxicating, page-turner. Karma Brown has long been a favorite of mine and this book is proof she just keeps getting better and better. This is a thrilling, audacious story about women daring to take control."--Taylor Jenkins Reid, New York Times bestselling author of Daisy Jones and the Six When Alice Hale reluctantly leaves a promising career in publicity, following her husband to the New York suburbs, she is unaccustomed to filling her days alone in a big, empty house. However, she is determined to become a writer--and to work hard to build the kind of life her husband dreams of, complete with children. At first, the old house seems to resent Alice as much as she resents it, but when she finds an old cookbook buried in a box in the basement, she becomes captivated by the cookbook's previous owner: 1950s housewife Nellie Murdoch. As Alice cooks her way through the past, she begins to settle into her new surroundings, even as her friends and family grow concerned that she has embraced them too fully: wearing vintage dresses and pearls like a 1950s housewife, making elaborate old-fashioned dishes like Baked Alaska, and drifting steadily away from her usual pursuits. Alice justifies the changes merely as research for her novel but when she discovers that Nellie left clues about her own life within the cookbook's pages--and in a mysterious series of unsent letters penned to Nellie's mother--she quickly realizes that the housewife's secrets may have

been anything but harmless. As she uncovers a more sinister side to Nellie's marriage and with pressure mounting in her own relationship, Alice realizes that to protect herself she must harbour and hatch a few secrets of her own

I Am Smart, I Am Blessed, I Can Do Anything!

The year is 1911 when twenty-year-old heiress Peggy Batternberg is invited to spend the summer in America's Playground. The invitation to Coney Island is unwelcome. Despite hailing from one of America's richest families, Peggy would much rather spend the summer working at the Moonrise Bookstore than keeping up appearances with New York City socialites and her snobbish, controlling family. But soon it transpires that the hedonism of Coney Island affords Peggy the freedom she has been yearning for, and it's not long before she finds herself in love with a troubled pier-side artist of humble means, whom the Batternberg patriarchs would surely disapprove of. Disapprove they may, but hidden behind their pomposity lurks a web of deceit, betrayal and deadly secrets. And as bodies begin to mount up amidst the sweltering clamour of Coney Island, it seems the powerful Batternbergs can get away with anything—even murder. Extravagant, intoxicating and thumping with suspense, bestselling Nancy Bilyeau's magnificent *Dreamland* is a story of corruption, class and dangerous obsession.

Come Away with Me

In the closing years of the fourteenth century, an anonymous French writer compiled a book addressed to a fifteen-year-old bride, narrated in the voice of her husband, a wealthy, aging Parisian. The book was designed to teach this young wife the moral attributes, duties, and conduct befitting a woman of her station in society, in the almost certain event of her widowhood and subsequent remarriage. The work also provides a rich assembly of practical materials for the wife's use and for her household, including treatises on gardening and shopping, tips on choosing servants, directions on the medical care of horses and the training of hawks, plus menus for elaborate feasts, and more than 380 recipes. *The Good Wife's Guide* is the first complete modern English translation of this important medieval text also known as *Le Ménagier de Paris* (the Parisian household book), a work long recognized for its unique insights into the domestic life of the bourgeoisie during the later Middle Ages. *The Good Wife's Guide*, expertly rendered into modern English by Gina L. Greco and Christine M. Rose, is accompanied by an informative critical introduction setting the work in its proper medieval context as a conduct manual. This edition presents the book in its entirety, as it must have existed for its earliest readers. The *Guide* is now a treasure for the classroom, appealing to anyone studying medieval literature or history or considering the complex lives of medieval women. It illuminates the milieu and composition process of medieval authors and will in turn fascinate cooking or horticulture enthusiasts. The work illustrates how a (perhaps fictional) Parisian householder of the late fourteenth century might well have trained his wife so that her behavior could reflect honorably on him and enhance his reputation.
