Anyone who has ever adored a pet will fall in love with the Poor Little Puppy. The world has become a big, scary place for an abandoned sweet little dog. Feeling sad and alone, Poor Little Puppy wanders the streets searching for something to eat, a place to sleep, and most of all, a new family to love. Almost hit by a car crossing the street, Poor Little Puppy is rescued by a kind man. Unable to keep the hound himself, the man knows a little boy who is also sad and lonely because his cat died. A beautifully illustrated, rhyming picture book for children and pet lovers of all ages, Poor Little Puppy follows the journey from misfortune to a joyous new life.

25 pages of whimsical black and white drawings from illustrator April Pedersen grace this wonderfully thought out and caring coloring book about a dog named Ranger, chained in the backyard and like all dogs, wishing to be free. Ranger tells the kids about his hopes and dreams, and how he was ultimately saved from a life no dog should have to suffer. By the end of his tale, his fans will be smiling and proclaiming themselves to be Happy Dogs right along with him. The coloring book features 6 pages of Happy Activities for kids, including a maze, connect the leash, and draw a tail on the pup. Perfect for all ages from 3 and up, this makes an incredible addition to any and all classroom humane education efforts.

The Complete Guide to Australian Cattle Dogs

From the award-winning author Peg Kehret comes a collection of true stories about the amazing lives of eight shelter dogs. Many of these dogs were unwanted because of their size, behavior, or medical condition. All of the dogs found owners who loved and cared for them and ultimately helped change their lives in tremendous ways. The dogs have changed the owners' lives, too.

"In this book, photographer Traer Scott presents over fifty endearing and frequently heartrending portraits of shelter dogs. These images capture the genuine spirit of dogs of all ages, sizes, breeds, and temperaments, whether playful, proud, inquisitive, or shy. Above all, these photographs reveal the strikingly intense emotion, dignity, and even humor that Scott saw in each face, despite the dog's circumstances. By documenting the soulful, unique characters of just a few of the hundreds of dogs she has encountered in her volunteer work, Scott raises awareness of animal rescue and welfare causes, and particularly the need for more adoptive homes for abandoned animals. This collection of portraits is a tribute to all dogs and will appeal to animal lovers every where."--BOOK JACKET.

Fizz and the Dog Academy Rescue: Fizz 2

This coloring book features over 40 realistic hand-drawn Brittany dogs. The illustrations have been sketched from photographs submitted by American Brittany Rescue, Inc. volunteers and supporters. Many of these dogs found their forever homes through ABR or are currently fostered by volunteers. Some are cherished family members of people who follow the progress of ABR dogs. Others wait at Rainbow Bridge. All of the Brittans are rendered in a life-like manner. The drawings remain free from overly-intricate designs, permitting family members and breed fanciers to recognize and appreciate each Britt. This allows the drawings to appeal to all colorists, both adults and children alike. Purchase several copies and enjoy coloring with your children or grandchildren. These bright, high-spirited Brittans are

engaged in a variety of different poses and activities. Some of the backgrounds are multi-layered and whimsical, while others include the flavor of the original photograph. Brittanys are a medium-sized compact sporting breed. Brittany's coats are patterned in striking 'patches' of orange-and-white or liver-and-white or are often tri-color or roan. Both boast a ticking pattern across their faces and legs, fondly referred to as their 'dots' or 'freckles.' They are friendly and sensitive people-oriented dogs who revel in daily exercise and attention. Relax and unwind. Escape from technology. Bring these sweet Brittanys to life. Over 40 pages of dogs to color! Single-sided pages enable less chance of bleed-through and permit easy removal. Each page measures 8-1/2 by 11 inches. For best results, use colored pencils or markers with blotter paper. Great gift for both Brittany enthusiasts and all dog lovers. Happy coloring for Brittanys!

Rescue Dogs

A beautiful photo book showcasing more than 50 heroic dogs "in uniform" and their stories, from photographer Liz Stavrinos and author John Schlimm. *Extraordinary Dogs* portrays more than fifty working dogs, along with the police officers, firefighters, veterans, and other trained volunteer handlers who serve side-by-side with them. Their moving stories and beautiful photographs are an unprecedented glimpse at Comfort Dogs and Search and Rescue Dogs, along with bomb-detecting TSA dogs and canine ambassadors from across the United States. * The stories of the Lutheran Church Charities K-9 Comfort Dogs take readers behind the scenes of their headlining deployments—such as the Boston Marathon bombing, Superstorm Sandy, and the mass shooting at Marjory Stoneman Douglas High School. * Search and Rescue K-9 teams reveal what it's really like to travel into the eye of natural disasters, accidents, crime scenes, and the worst terrorist strike in recorded history. * At Washington Dulles International Airport, readers meet several of the Department of Homeland Security's TSA dogs whose sole job it is to keep the flying public safe from explosives and other dangers. *Extraordinary Dogs* is both a portrait of what love, hope, courage, and heroism look like in their purest forms and a tribute to the eternal and impactful bonds we forge with our furry friends.

A fascinating look at rescue dogs--where they come from, why every dog lover should consider adopting one, and how to make them part of your family. America's leading undercover animal investigator, Pete Paxton, has, among other exploits, infiltrated more than seven hundred puppy mills, worked undercover to close one of the largest and most infamous puppy mills in the United States, and shuttered the most notorious trafficker of dogs for experimentation in history. In this book, he shares stories of the amazing dogs he has rescued and brought to loving families, and also offers invaluable guidance and wisdom for anyone living with rescue dogs. Far too many people think rescue dogs have irredeemable anxieties, behavior issues, or other problems. In truth, rescue dogs can--and do--become wonderful companions. This groundbreaking book will help readers understand these dogs' unique ways of thinking, learning, and loving, and leaves no questions unanswered about the plight of dogs commercially bred in the United States--and what every dog lover can do about it.

Professional search and rescue workers consider Susan Bulanda's Ready! Training the Search and Rescue Dog "the bible of Search and Rescue (SAR)," the most sought-after book of its kind detailing canine search and rescue. This second edition, expanded and revised with new color photography, provides readers with the necessary training methods for dogs in various SAR disciplines, including wilderness, evidence, cadaver, water, avalanche, and disaster searches. The author, an experienced SAR professional, details the goals, target skills, and potential problems at each training level of every SAR discipline. Ready! provides descriptions of every type of search, including specific training methods to accomplish each SAR discipline. Professional and volunteer SAR workers will profit from the Bulandas' expertise on training the dog to alert, managing the search mission, choosing and socializing a SAR dog, and how to train dogs for specific commands (such as bar, turn around, go to an object, check, slow, crawl through and others). Readers curious about the fascinating work of the SAR canine will enjoy the general chapters about the history of SAR, an explanation of how dogs use scent to locate people or objects, and the functions of the SAR dog. This highly specialized training manual offers precise direction for SAR workers for every possible kind of mission, identifying the goals, target skills, methods and problem solving for each type of search. Color photographs and line drawings help to elucidate difficult concepts explained in the text. A resources section and index conclude this 254-page volume.
