Julian of Norwich

A fresh and contemporary translation of one of the best loved and influential mystical texts of all time, The Showings of Julian of Norwich brings the message and spirituality of this 14th century mystic to 21st century readers. Julian of Norwich, a contemporary of Geoffrey Chaucer, was an English anchoress in East Anglia. At the age of 30, suffering from a severe illness and believing she was on her deathbed, Julian had a series of intense visions of

Jesus, which she recorded and then expanded on later in her life. Her message for today's readers is simply this: She reveals the feminine face of the Divine and reminds us to see God there. All our failings are an opportunity to learn and grow; that they should be honored, but not dwelled upon. God's love has nothing to do with love and retribution and everything to do with love and compassion. In spite of all appearances, all is well.

Words of Love

The novel *Orange Lily*, originally published in 1879, is set in the area surrounding the small village of Carrowdore in County Down, Northern Ireland. Its eponymous heroine, Lily Keag, is a farmer's daughter whose love for her childhood sweetheart, Tom Coulter, is thwarted by a class divide that few would have dared cross in nineteenth-century Ulster. She was dubbed 'Orange Lily' partly because of her reddish hair, but also because of her father's position as Master of the 'Ballyboly' Orange Lodge. But beyond the story of the trials and tribulations of the star-crossed lovers is a wealth of social and linguistic history of the region, including the hierarchy from the 'big house' down, customs, beliefs, traditions, and Ulster-Scots vocabulary. May Crommelin (1849-1930) was born at Carrowdore Castle and spent a good part of her formative years there. She travelled widely and wrote numerous novels and travel books, as well as short stories and articles for magazines. Her sympathy with the Orange dimension of local folk-culture is perhaps surprising, coming, as it does, from a 'gentry' perspective, and from an author who circulated among Victorian London's literati (her sister was married to the poet laureate, John Masefield). But the Crommelin ancestors had been French Huguenots who first fought with King William III in 1690, and then settled in Ulster under his royal patronage, as May Crommelin was always proud to remind the world. This new edition, edited, introduced and glossed by Dr Philip Robinson, also includes the short stories *The Witch of Windy Hill* and *An Old Maid's Marriage*.

Troilus and Criseyde

This accessible introduction to Julian of Norwich's reflection and commentary on a series of her mystical visions opens up her profoundly hopeful vision of humanity and God, her creative imagery and her rigorous honesty about the spiritual life.

The Erg Book

Revelations of Divine Love - Julian of Norwich.. Julian of Norwich (c. 8 November 1342 - c. 1416) was an English anchoress and an important Christian mystic and theologian. Her Revelations of Divine Love, written around 1395, is the first book in the English language known to have been written by a woman The Revelations of Divine Love (which also bears the title A Revelation of Love - in Sixteen Shewings above the first chapter) is a 14th-century book of Christian mystical devotions written by Julian of Norwich. It includes her sixteen mystical visions and contemplations on universal love and hope in a time of plague, religious schism, uprisings and war. Published in 1395, it is the first published book in the English language to be written by a woman At the age of thirty, 13 May 1373, Julian was struck with a serious illness. As she prayed and prepared for death, she received a series of sixteen visions on the Passion of Christ and the Virgin Mary. Saved from the brink of death, Julian of Norwich dedicated her life to solitary prayer and the contemplation of the visions she had received. She wrote a short account of her visions probably soon after the event. About twenty or thirty years after her illness, near the end of the fourteenth century, she wrote down her visions and her understanding of them. Whereas Latin was the language of religion in her day, Julian of Norwich wrote in a straightforward Middle English, perhaps because she had no other medium in which to express herself (she describes herself as a simple creature unlettered, Rev. chap. 2). Unfortunately the original manuscript no longer exists in any known archive.

How John Wrote the Book of Revelation is the first of its kind, and introduces genetic literary reconstruction to Biblical studies. It enables the reader to produce prior drafts of Hebrew and Christian Scriptures, thereby allowing the reader to apply the literary science of genetic criticism to a book in the Bible. How John Wrote the Book of Revelation takes the most difficult book to understand in the Christian Scriptures and reveals the sequence in which it was written, from the very first line to the final parallel. This provides the reader, for the first time, with the experience of observing how a Biblical book was written, and does this from an intimate perspective, as though they were looking over John's shoulders as he crafted it. How John Wrote the Book of Revelation is the first book that teaches the reader how to read Revelation the way it was written. After centuries of blind guess work trying to divine meaning, and weak interpretations of symbols, this book finally presents a clear, precise, and consistent method. It is a guidebook to identify all the rich symbols and their meanings within Revelation. Inside the pages of this book is the all-encompassing theory of construction for the book of Revelation. It includes three prior drafts of the book of Revelation, along with hundreds of charts and illustrations. How John Wrote the Book of Revelation is like no other book that has been written before, and sets a new paradigm for all Biblical works.

Julian's Gospel

On the heels of her mother's death, Hope Logan reluctantly returned to her grandparents' home place in search of a journal that revealed explosive crimes and atrocities of the past that had haunted her grandma for nearly sixty-five years. Bitterness, unforgiveness, and anger consumed her as she set out to solve the mystery that surrounded her grandma's life. The dark evil secret that was contained in the journal only deepened her resentment of God. Because of her quest, she came in contact with many strong believers, especially a handsome young pastor and three senior citizens. In that small town in the foothills of the mountains of North Carolina, Hope's bitterness, unforgiveness, and anger slowly began to fade in the light of the strong faith of the young pastor and three senior citizens. She discovered the true meaning of faith and hope in Christ in the midst of adversity. Carolyn Digh Griffin, a native North Carolinian, resides in Waxhaw, North Carolina, with her husband, Hoyle. She is retired from Union County Public Schools where she was an Administrative Assistant to the Assistant Superintendent. She has two daughters and four grandchildren who also reside in the Old North State.

Be Still and Know

The first fully-realized biography of Julian of Norwich—theologian, anchorite, and visionary of the Middle Ages. A groundbreaking and sometimes controversial biography that offers full tribute to the mystic Julian of Norwich. In May 1373, a thirty year-old woman living in East Anglia suffered an illness. She received visions—what she later called "sixteen showings"—revealing to her secrets of the love of God. When she fully recovered, Julian recorded and richly explored those revelations, creating what became the first English-language book written by a woman. Drawing on Julian's own writings, Frykholm's biography paints a vivid picture of the 14th century and this remarkable woman's place in it. Through plague, church corruption, economic devastation, and great personal loss, she presciently addressed her culture's greatest fears and anxieties. Ultimately, Julian of Norwich's life is shrouded in mystery, and yet she has become a significant figure in contemporary spirituality today. "Frykholm has audaciously done something many people would have said was not possible: written [Julian's] biography. Frykholm has combined a careful reading of Julian's writings (at times scrupulous, at times midrashic, but at all times attentive) with a deep immersion in the scholarship of 14th-century England to offer an informed and absorbing account of Julian's life." -Lauren F. Winner, Books & Culture "[Frykholm's] narrative, which she calls 'an act of empathetic imagination,' crackles with life." -The Denver Post "A sympathetic and realistic portrayal of a saint who, as it turns out, is both holy (that is, set apart) and as complicated as you and me. It reads with the energy of a novel and the insight of a spiritual classic." -Jonathan Wilson-Hartgrove, Christianity Today

Hope Returns

Julian of Norwich (ca. 1343–ca. 1416), a contemporary of Geoffrey Chaucer, William Langland, and John Wyclif, is the earliest woman writer of English we know about. Although she described herself as "a simple creature unlettered," Julian is now widely recognized as one of the great speculative

theologians of the Middle Ages, whose thinking about God as love has made a permanent contribution to the tradition of Christian belief. Despite her recent popularity, however, Julian is usually read only in translation and often in extracts rather than as a whole. This book presents a much-needed new edition of Julian's writings in Middle English, one that makes possible the serious reading and study of her thought not just for students and scholars of Middle English but also for those with little or no previous experience with the language. • Separate texts of both Julian's works, *A Vision Showed to a Devout Woman* and *A Revelation of Love*, with modern punctuation and paragraphing and partly regularized spelling. • A second, analytic edition of *A Vision* printed underneath the text of *A Revelation* to show what was left out, changed, or added as Julian expanded the earlier work into the later one. • Facing-page explanatory notes, with translations of difficult words and phrases, cross-references to other parts of the text, and citations of biblical and other sources. • A thoroughly accessible introduction to Julian's life and writings. • An appendix of medieval and early modern records relating to Julian and her writings. • An analytic bibliography of editions, translations, scholarly studies, and other works. The most distinctive feature of this volume is the editors' approach to the manuscripts. Middle English editions habitually retain original spellings of their base manuscript intact and only emend that manuscript when its readings make no sense. At once more interventionist and more speculative, this edition synthesizes readings from all the surviving manuscripts, with careful justification of each choice involved in this process. For readers who are not concerned with textual matters, the result will be a more readable and satisfying text. For Middle English scholars, the edition is intended both as a hypothesis and as a challenge to the assumptions the field brings to the business of editing.

How John Wrote the Book of Revelation: From Concept to Publication

The most engaging and complete collection available of this 14th century English mystic *The Revelations of Julian of Norwich* is the first book written in English by a woman — in this case, by a 14th century recluse who recounts the poignant, subtle, and radical insights granted to her in sixteen visions of the crucified Christ as she lay on what was believed to be her deathbed. Julian's miraculous recovery from that illness then led to twenty more years of reflection and contemplation on those revelations and finally to her writing a detailed account of her mystical experience. Her work — in the same Middle English as her contemporary Geoffrey Chaucer — is dense, deeply intuitive, and theologically complex. *The Complete Julian* is the first book to offer a modern translation of all of Julian's writings (including her complete *Revelations*), a complete analysis of her work, as well as original historical, religious, and personal background material that helps the reader comprehend the depth and profundity of her life and work. "[Julian's *Revelations*] may well be the most important work of Christian reflection in the English language." — Rowan Williams, the Archbishop of Canterbury

The favoured Linus blankets of both organised religion and New Age philosophies come under his razor-sharp scrutiny, opening up liberating, new areas of exploration for the sincere, spiritual seeker. If you're asking life's big questions, then Divine Love is surely the book for you.

'Now listen with good will, as I go straight to my subject matter, in which you may hear the double sorrows of Troilus in his love for Criseyde, and how she forsook him before she died' Like Romeo and Juliet, or Tristan and Iseult, the names of Troilus and Criseyde will always be united: a pair of lovers whose names are inseparable from passion and tragedy. Troilus and Criseyde is Chaucer's masterpiece and was prized for centuries as his supreme achievement. The story of how Troilus and Criseyde discover love and how she abandons him for Diomedes after her departure from Troy is dramatically presented in all its comedy and tragic pathos. With its deep humanity and penetrating insight, Troilus and Criseyde is now recognized as one of the finest narrative poems in the English language. Revelation

The story of the eventful and controversial life of Margery Kempe - wife, mother, businesswoman, pilgrim and visionary - is the earliest surviving autobiography in English. Here Kempe (c.1373-c.1440) recounts in vivid, unembarrassed detail the madness that followed the birth of the first of her fourteen children, the failure of her brewery business, her dramatic call to the spiritual life, her visions and uncontrollable tears, the struggle to convert her husband to a vow of chastity and her pilgrimages to Europe and the Holy Land. Margery Kempe could not read or write, and dictated her remarkable story late in life. It remains an extraordinary record of human faith and a portrait of a medieval woman of unforgettable character and courage.

All Shall be Well

Julian of Norwich, a medieval English mystic who spent the latter part of her life as an enclosed anchoress, is largely known through her extraordinary Revelations, one of the most popular and influential works of Christian mysticism. It was also the first book ever written by a woman in the English language. But until now, the woman herself was an elusive figure. In this fascinating work, Veronica Mary Rolf has offered a convincing reconstruction of Julian's life, along with a comprehensive commentary on her Revelations—rendered here in a new translation from the Middle English.

'All shall be well, and all shall be well, and all manner of thing shall be well' Julian of Norwich is one of the most celebrated figures of the English Middle Ages. She is esteemed as one of the subtlest writers and profoundest thinkers of the period for her account of the revelations that she experienced in 1373. Julian lived as an anchoress in Norwich, and after recovering from a serious illness she described the visions that had come to her during her suffering. She conceived of a loving and compassionate God, merciful and forgiving, and believed in our ability to reach self-knowledge through sin. She wrote of God as our mother, and embraced strikingly independent theological opinions. This new translation conveys the poise and serenity of Julian's prose style to the modern reader. It includes both the short and long texts, written twenty years apart, through which Julian developed her ideas. In his introduction Barry Windeatt considers Julian's astonishingly positive vision of humanity and its potential for spiritual transformation. Say Her Name

Inspired by the author's own experience, this is "a beautiful love story, and an extraordinary story of loss" (Colm Tóibín). In 2005, celebrated novelist Francisco Goldman married Aura Estrada at a Mexican hacienda. More than twenty years his junior, Aura was a gifted young writer on the cusp of her own brilliant career, and the two were deeply in love. Then, a month before their second anniversary, Aura broke her neck bodysurfing while they were on vacation. Goldman was blamed by Aura's family—and crippled by his own grief and self-recrimination. In the aftermath of the accident, he wrote *Say Her Name*, pouring his feelings of love and unspeakable loss into a fictionalized account of their brief time together. Hungry to keep Aura alive in his memory, Goldman collects everything he can about his dead wife. From her childhood and university days in Mexico City with her fiercely devoted mother to her studies at Columbia University, through the couple's time in New York City and travels to Mexico and Europe, Goldman seeks her essence and grieves her loss, using the writings she left behind as his prism. Filled with "propulsive drama" (The Boston Globe), *Say Her Name* is a tribute to Aura, who she was and who she would've been, that "will transport you into the most primal joy in the human repertoire—the joy of loving" (San Francisco Chronicle).

Social networking via the internet has created an environment where people of all ages, races, nations and socio-economic classes can interact with each other seemingly as equals. It is into this sphere that two individuals, Svetlana Marisova and Ted van Zutphen, met in early 2010 to begin a relationship that culminates with the release of "Be Still and Know." To call what they have an online relationship barely begins to describe what continues to transpire between and through these two people. Over the eighteen months that they interacted via the internet van Zutphen and Marisova became inseparable as a love developed between them that echoes that between other lovers in history: lovers such as Heloise and Abelard, Jane Frances de Chantal and Francis de Sales, Dante and Beatrice. Their love was intensified as they were both haunted by what Marisova called 'the rapid approach of my use by date' caused by brain cancer. For both of them every moment mattered and every word mattered. With an inevitability that no longer surprises they discovered the power and wonder of haiku crafted in the Japanese tradition. Over the next eighteen months they grew together beyond the restrictions of space and time but each
