### The Whisper of the River

A powerful first novel about a family that slips from fortune's favor and a town broken by the forces of modernity. Across a bend of Ontario's Attawan River lies the Island, a working-class neighborhood of whitewashed houses and vine-freighted fences, black willows and decaying sheds. Here, for generations, the Walkers have lived among the other mill workers. The family's troubles begin in the summer of 1965, when a union organizer comes to town and Alf Walker is forced to choose between loyalty to his friends at the mill and advancement up the company ranks. Alf's worries are aggravated by his wife, Margaret, who has never reconciled her middle-class English upbringing to her blue-collar reality. As the summer passes, Joe, their son, is also forced to reckon with his family's standing when he falls headlong for a beautiful newcomer on a bridge—a girl far beyond him, with greater experience and broader horizons. As the threat of mill closures looms, the Walkers grapple with their personal crises, just as the rest of the town fights to protect its way of life amid the risks of unionization and the harsh demands of corporate power. Superbly crafted and deeply moving, this remarkable debut follows the Walkers

to the very bottom of their night only to confirm, in the end, life's ultimate hopefulness. The Island Walkers is at once a love letter to a place, a gripping family saga, and a testimony to the emergence of an important new novelist.

### Down Town

In his highly provocative first book, Scott Galloway pulls back the curtain on exactly how Amazon, Apple, Facebook, and Google built their massive empires. While the media spins tales about superior products and designs, and the power of technological innovation, Galloway exposes the truth: none of these four are first movers technologically - they've either copied, stolen, or acquired their ideas. Readers will come away with fresh, game-changing insights about what it takes to win in today's economy. Print run 125,000.

### Epiphany

"The Last Templar" miniseries is now available on DVD! For more information, [click here](#). "It has served us well, this myth of Christ." Pope Leo X, 16th Century In a hail of fire and flashing sword, as the burning city of Acre falls from the hands of the West in 1291, The Last Templar opens with a young Templar knight, his mentor, and a handful of others escaping to the sea carrying a mysterious chest entrusted to them by the Order's dying Grand Master. The ship vanishes without a trace. In present day Manhattan, four masked horsemen dressed as Templar Knights emerge from Central Park and ride up the Fifth Avenue steps of the Metropolitan Museum of Art during the blacktie opening of a Treasures of the Vatican exhibit. Storming through the crowds, the horsemen brutally attack anyone standing between them and their prize. Attending the gala, archaeologist Tess Chaykin watches in silent terror as the leader of the horsemen hones in on one piece in particular, a strange geared device. He utters a few cryptic Latin words as he takes hold of it with reverence before leading the horsemen out and disappearing into the night. In the aftermath, an FBI investigation is led by anti-terrorist specialist Sean Reilly. Soon, he and Tess are drawn into the dark, hidden history of the crusading Knights, plunging them into a deadly game of cat and mouse with ruthless killers as they race across three continents to recover the lost secret of the Templars. From the Paperback edition.

### Run with the Horsemen

#### Books in Series

The exhilarating, genre-bending sequel to the sensational New York Times bestseller City of Dark Magic "If you're looking for a time-travel mystery with laughs, danger, and a romantic interest clad in lederhosen (and who isn't?), look no further." "People (4 Stars) In this action-packed sequel to City of Dark Magic, we find musicologist Sarah Weston in Vienna in search of a cure for her friend Pollina, who is now gravely ill and who may not have much time left. Meanwhile, Nicolas Pertusato, in London in search of an ancient alchemical cure for the girl, discovers an old enemy is one step ahead of him. In Prague, Prince Max tries to unravel the strange reappearance of a long dead saint while being pursued by a seductive red-headed historian with dark motives of her own. In the city of Beethoven, Mozart, and Freud, Sarah becomes the target in a deadly web of intrigue that involves a scientist on the run, stolen art, seductive pastries, a few surprises from long-dead alchemists, a distractingly attractive horseman who's more than a little bloodthirsty, and a trail of secrets and lies. But nothing will be more dangerous than the brilliant and vindictive villain who seeks to bend time itself. Sarah must travel deep into an ancient mystery to save the people she loves.

### All that is Solid Melts Into Air

A beautiful lost classic of nature writing which sits alongside Tarka the Otter, Watership Down, War Horse and The Story of a Red Deer This is the story of Wulfgar, the dark-furred fox of Dartmoor, and of his nemesis, Scoble the trapper, in the seasons leading up to the pitiless winter of 1947. As breathtaking in its descriptions of the natural world as it is perceptive its portrayal of damaged humanity, it is both a portrait of place and a gripping story of survival. Uniquely straddling the worlds of animals and men, Brian Carter's A Black Fox Running is a masterpiece: lyrical, unforgiving and unforgettable.

### Where the Horses Run

## Taming the Four Horsemen

"Compelling, radiantly written" --Library Journal A lawman turned wrangler and a desperate Englishwoman risk everything for a wounded horse--and for each other. For fans of Linda Lael Miller, Jodi Thomas, and Catherine Anderson. Wounded in body and spirit after a shootout, Rayford Jessup leaves his career as a lawman and uses his gift with damaged horses to bring meaning to his solitary life. Hired by a Scotsman in Heartbreak Creek to purchase thoroughbreds, he travels to England, unaware that a traumatized horse and a beautiful Englishwoman will change his life forever. Josephine Cathcart loves two things: her illegitimate son and her injured stallion. Faced with her father's looming bankruptcy, she must choose between a loveless marriage to the man who ruined her, or risk her horse and her future on a handsome, taciturn Texan and a high-stakes horse race. But as vengeful forces conspire against them, will Rafe's love and healing touch be enough to save her horse and protect her and her son?

## Forthcoming Books

Southern storyteller James Aloysius "Buster" Holcombe, Jr., shares his own inimitable perspective on the history of the South as he chronicles the events that have shaped America from Reconstruction, through two world wars and the Depression, to racial integration and the present-day inhabitants of his rural town. By the author of Run with the Horsemen. Reprint.

## The Wee Free Men

## When All the World Was Young

A mountain patrol leads Wyoming game warden Joe Pickett into a dangerous situation in this gripping novel from #1 New York Times bestselling author C. J. Box. It's Joe Pickett's last week as a temporary game warden in the mountain town of Baggs, Wyoming, but his conscience won't let him leave without checking out the strange reports coming from the wilderness: camps looted, tents slashed, elk butchered. What awaits him is like something out of an old campfire tale, except this story is all too real--and all too deadly.

## Christmas Gift!

The experience of modernization -- the dizzying social changes that swept millions of people into the capitalist world -- and modernism in art, literature and architecture are brilliantly integrated in this account.

## Behold a Pale Horse

## The Publishers Weekly

"These stories focus on the Byzantine social politics within small Georgia towns; they typically display an earthy vernacular, gossipy digressions, and down-home wisdom".--Library Journal.

## Sail

Bill Cooper, former United States Naval Intelligence Briefing Team member, reveals information that remains hidden from the public eye. This information has been kept in Top Secret government files since the 1940s. His audiences hear the truth unfold as he writes about the assassination of John F. Kennedy, the war on drugs, the Secret Government and UFOs. Bill is a lucid, rational and powerful speaker who intent is to inform and to empower his audience. Standing room only is normal. His presentation and information transcend partisan affiliations as he clearly addresses issues in a way that has a striking impact on listeners of all backgrounds and interests. He has spoken to many groups throughout the United States and has appeared regularly on many radio talk shows and on television. In 1988 Bill decided to "talk" due to events then taking place worldwide, events which he had seen plans for back in the early '70s. Since Bill has been "talking," he has correctly predicted the lowering of the Iron Curtain, the fall of the Berlin Wall and the invasion of Panama. All Bill's predictions were on record well before the events occurred. Bill is not a psychic. His information comes from Top Secret documents that he read while with the Intelligence Briefing Team and from over 17 years of thorough research. "Bill Cooper is the world's leading expert on UFOs." -- Billy Goodman, KVEG, Las Vegas. "The onlt man in America who has all the pieces to the puzzle that has troubled so many for so long." -- Anthony Hilder, Radio Free America "William Cooper may be one of America's greatest heros, and this story may be the biggest story in the history of the world." -- Mills Crenshaw, KTALK, Salt Lake City. "Like it or not, everything is changing. The result will be the most wonderful experience in the history of man or the most horrible enslavement that you can imagine. Be active or abdicate, the future is in your hands." -- William Cooper, October 24, 1989.

## The Penguin Book of Hollywood

A powerful polemic on the major threats facing the world today and how they can be overcome. Our world is facing catastrophes of many kinds, from the climate crisis to global outbreaks of deadly diseases. But could we look back at the collapse of previous civilisations to see what lessons might be learned? The explorer and campaigner Robin Hanbury-Tenison believes we urgently need to tackle the four harbingers of catastrophe: The White Horse of Pestilence and Pandemics – many remote tribal societies have lives that are healthier than ours – what can we learn from them? The Red Horse of War – can we avoid conflict through promoting prosperity and renewable energy for all? The Black Horse of Famine – is now the time to use technology we've had since World War II to influence the weather? The Pale Horse of Death – will geoengineering help to undo the appalling pollution we are inflicting on the planet, especially the oceans? The lessons of *Taming The Four Horsemen* are clear: if we humans are to survive we need to make transformative changes now.

## The Book Publishing Annual

Since the death of her husband, Anne Dunne and her three children have struggled in every way. In a last ditch effort to save the family, Anne plans an elaborate sailing vacation to bring everyone together once again. But only an hour out of port, everything is going wrong. The teenage daughter, Carrie, is planning to drown herself. The teenage son, Mark, is high on drugs and ten-year-old Ernie is nearly catatonic. This is the worst vacation ever. Anne manages to pull things together bit by bit, but just as they begin feeling like a family again, something catastrophic happens. Survival may be the least of their concerns. Written with the blistering pace and shocking twists that only James Patterson can master, *SAIL* takes "Lost" and "Survivor" to a new level of terror.

## The Island Walkers

The incredible true story of how a cycle of rain, cold, disease, and warfare created the worst famine in European history—years before the Black Death, from the author of *Justinian's Flea* and the forthcoming *Miracle Cure* In May 1315, it started to rain. For the seven disastrous years that followed, Europeans would be visited by a series of curses unseen since the third book of Exodus: floods, ice, failures of crops and cattle, and epidemics not just of disease, but of pike, sword, and spear. All told, six million lives—one-eighth of Europe's total population—would be lost. With a category-defying knowledge of science and history, William Rosen tells the stunning story of the oft-overlooked Great Famine with wit and drama and demonstrates what it all means for today's discussions of climate change. From the Trade Paperback edition.

## Paperbound Books in Print

In this timeless, touching holiday memoir drawing on his own experiences as a child of the Depression, master storyteller Ferrol Sams rekindles the sentiment and spirit of the Christmas season in a book that will capture the hearts of generations to come.

## What Einstein Told His Barber

This is the story of Christopher Wilder: the surf-loving son of a decorated naval war hero born in the suburbs of Sydney, who became the most wanted man in America — a psychopathic serial killer who slaughtered more than sixteen young women in the USA and is the prime suspect in the infamous Australian Wanda Beach murders. Wilder was handsome and charming, and time and time again he managed to convince beautiful young women that he was a fashion photographer looking to help them start a career in modelling. What followed were some of the most brutal, sadistic crimes the world has ever seen — as well as a years-long police operation, dogged by missed opportunities and bad decisions, to track the killer down. Featuring new evidence unearthed from case files and interviews with FBI agents, witnesses and survivors, some of whom have spoken for the first time since the horrendous crimes were committed, *The Pretty Girl Killer* takes us right into the mind and moment of one of Australia's most heinous exports.

## Nowhere to Run

Czechoslovakia, October 1937. Vast crowds have gathered to watch the threatened nation's most prestigious sporting contest: the Grand Pardubice steeplechase. Notoriously dangerous, the race is considered the ultimate test of manhood and fighting spirit. The Nazis have sent their paramilitary elite—SS officers on a mission to crush the “subhuman Slavs”. The local cavalry officers have no hope of stopping them. But there is one other contestant: a countess riding a little golden mare—The story of Lata Brandisová is by turns enigmatic and inspiring. Born into privilege, she spent much of her life in poverty. Modest and shy, she refused to accept the constraints society placed on her because of her gender. Instead, with quiet courage, she repeatedly achieved what others said was impossible and rose above scandal to become her nation's figurehead in its darkest hour. Unbreakable is a story of endurance and defiance in an age of prejudice, fear, sexism, class hatred, and nationalism. Filled with eccentric aristocrats, socialite spies, daredevil jockeys—and a race so brutal that some consider merely taking part in it a sign of insanity—Unbreakable brings to life a unique hero, and an unforgettable love affair between a woman and a horse.

## The Last Templar

## The Pretty Girl Killer

What makes ice cubes cloudy? How do shark attacks make airplanes safer? Can a person traveling in a car at the speed of sound still hear the radio? Moreover, would they want to? Do you often find yourself pondering life's little conundrums? Have you ever wondered why the ocean is blue? Or why birds don't get electrocuted when perching on high-voltage power lines? Robert L. Wolke, professor emeritus of chemistry at the University of Pittsburgh and acclaimed author of *What Einstein Didn't Know*, understands the need to well, understand. Now he provides more amusing explanations of such everyday phenomena as gravity (If you're in a falling elevator, will jumping at the last instant save your life?) and acoustics (Why does a whip make such a loud cracking noise?), along with amazing facts, belly-up-to-the-bar bets, and mind-blowing reality bites all with his trademark wit and wisdom. If you shoot a bullet into the air, can it kill somebody when it comes down? You can find out about all this and more in an astonishing compendium of the proverbial mind-boggling mysteries of the physical world we inhabit. Arranged in a question-and-answer format and grouped by subject for browsing ease, *WHAT EINSTEIN TOLD HIS BARBER* is for anyone who ever pondered such things as why colors fade in sunlight, what happens to the rubber from worn-out tires, what makes red-hot objects glow red, and other scientific curiosities. Perfect for fans of *Newton's Apple*, *Jeopardy!*, and *The Discovery Channel*, *WHAT EINSTEIN TOLD HIS BARBER* also includes a glossary of important scientific buzz words and a comprehensive index. --> From the Trade Paperback edition.
