February Revolution that was focused in and around the then-capital

1917. Free history. 21 February

The February 1917 Revolution . Although many wanted a revolution, no one expected it to happen when it did and how it did. On Thursday, February 23, 1917, women workers in Petrograd left their factories and entered the streets to protest. It was International Women's Day and the women of Russia were ready to be heard.

Bloody Sunday: Prelude to the Russian Revolution of 1917

Russia's Soviet era was distinguished not by economic growth or human development, but by the use of the economy to build national power. On the centenary of the Bolshevik revolution of 1917, this column shows that while the education of women and better survival rates of children improved opportunities for many citizens, Soviet Russia was a tough and unequal environment in
