Their families hate each other, but Lorenzo de Medici and Ginevra de Pazzi are irrevocably drawn together in a struggle to preserve the honor and glory of 15th-century Florence. That struggle will take them to the innermost sanctums of artists and philosophers and will also lead them to broken alliances, dangerous intrigues, even to the brink of war.

The Strange Case of Billy Biswas

Fully authorized by the Margaret Mitchell estate, Rhett Butler's People is the astonishing and long-awaited novel that parallels the Great American Novel, *Gone With The Wind*. Twelve years in the making, the publication of Rhett Butler's People marks a major and historic cultural event. Through the storytelling mastery of award-winning writer Donald McCaig, the life and times of the dashing Rhett Butler unfolds. Through Rhett's eyes we meet the people who shaped his larger than life personality as it sprang from Margaret Mitchell's unforgettable pages: Langston Butler, Rhett's unyielding father; Rosemary his steadfast sister; Tunis Bonneau, Rhett's best friend and a onetime slave; Belle Watling, the woman for whom Rhett cared long before he met Scarlett O'Hara at Twelve Oaks Plantation, on the fateful eve of the Civil War. Of course there is Scarlett. Katie Scarlett O'Hara, the headstrong, passionate woman whose life is inextricably entwined with Rhett's: more like him than she cares to admit; more in love with him than she'll ever know Brought to vivid and authentic life by the hand of a master, Rhett Butler's People fulfills the dreams of those whose imaginations have been indelibly marked by *Gone With The Wind*.

The Earl Not Taken

Here is an award-winning, new translation that brings to light Gregory's complex identity as an early mystic. Gregory (c. 332-395) was one of the Greek Cappadocian Fathers, along with St. Basil the Great and St. Gregory Nazianzen.

Organizational Change

One month after her novel *Gone With the Wind* was published, Margaret Mitchell sold the movie rights for fifty thousand dollars. Fearful of what the studio might do to her story—"I wouldn't put it beyond Hollywood to have . . . Scarlett seduce General Sherman," she joked—the author washed her hands of involvement with the film. However, driven by a maternal interest in her literary firstborn and compelled by her Southern manners to answer every fan letter she received, Mitchell was unable to stay aloof for long. In this collection of her letters about the 1939 motion picture classic, readers have a front-row seat as the author watches the Dream Factory at work, learning the ins and outs of filmmaking and discovering the peculiarities of a movie-crazed public. Her ability to weave a story, so evident in *Gone With the Wind*, makes for delightful reading in her correspondence with a who's who of Hollywood, from producer David O. Selznick, director George Cukor, and screenwriter Sidney Howard, to cast members Clark Gable, Vivien Leigh, Leslie Howard, Olivia de Havilland and Hattie McDaniel. Mitchell also wrote to thousands of others—aspiring actresses eager to play Scarlett O'Hara; fellow Southerners hopeful of seeing their homes or their grandmother's dress used in the film; rabid movie fans determined that their favorite star be cast; and creators of songs, dolls and Scarlett panties who were convinced the author was their ticket to fame and fortune. During the film's production, she corrected erring journalists and the producer's over-the-top publicist who fed the gossip mills, accuracy be damned. Once the movie finished, she struggled to deal with friends and strangers alike who "fought and trampled little children and connived and broke the ties of lifelong friendship" to get tickets to the premiere. But through it all, she retained her sense of humor. Recounting an acquaintance's denial of the rumor that the author herself was going to play Scarlett, Mitchell noted he "ungallantly stated that I was something like fifty years too old for the part." After receiving numerous letters and phone calls from the studio about Belle Watling's accent, the author related her father was "convulsed at the idea of someone telephoning from New York to discover how the madam of a Confederate bordello talked." And in a chatty letter to Gable after the premiere, Mitchell coyly admitted being "feminine enough to be quite charmed" by his statement to the press that she was "fascinating," but added: "Even my best friends look at me in a speculative way—probably wondering what they overlooked that your sharp eyes saw!" As *Gone With the Wind* marks its seventy-fifth anniversary on the silver screen, these letters, edited by Mitchell historian John Wiley, Jr., offer a fresh look at the most popular motion picture of all time through the eyes of the woman who gave birth to Scarlett.

Gone with the Wind

The study of mental imagery has been a central concern of modern psychology, but most of what we know concerns visual imagery. A number of researchers, however, have recently begun to explore auditory imagery; this foundation-level volume presents their work. The topics covered are diverse, a reflection of the fact that auditory imagery seems relevant to numerous research domains -- from the ordinary memory rehearsal of undergraduates to the delusional voices of schizophrenics, from music imagery to imagery for speech. The chapters also address the parallels (and contrasts) between visual and auditory imagery, the relations between "inner speech" and overt speech, and between the "inner ear" and actual hearing.

This book provides a valuable resource for students in many areas: imagery, working memory, music, speech, auditory perception, schizophrenia, or deafness.

The Winds of Tara

Scarlett's in trouble at school. Again. With black fingernails and dyed ketchup-red hair, she's not your average twelve-year-old Londoner. So her mum—sick of trying to get her into another school—ships Scarlett to her father's cottage in Ireland. Having to learn Gaelic in a one-room

schoolhouse and enduring a new stepmum and younger stepsister is just too much. Scarlett wants to leave—until she meets Kian. He seems too good to be true with his dark, rugged looks, kind nature, and horse named Midnight. As Kian helps Scarlett let go of her anger, she begins to accept her family, her friendships, and most of all, her dreams. A captivating new novel from a writer reviewers have called "a British import with a refreshingly light touch."

Guide to Linear Algebra

More than seventy years after its publication in 1936, Margaret Mitchell's *Gone with the Wind* has never been out of print. An icon of American culture, it has had similar success abroad, popular in Japan, Russia, and post – World War II Europe, among other places and times. This work analyzes the continuations of Mitchell's novel: the authorized sequels, *Scarlett* by Alexandra Ripley and Rhett Butler's *People* by Donald McCaig; the unauthorized parody *The Wind Done Gone* by Alice Randall and a politically correct parody; and the many fan fiction stories posted online. The book also explores *Gone with the Wind*'s ambiguous ending, the perceived need to publish an authorized sequel, and the legal battle to determine who may re-write *Gone with the Wind*.

Digging Up Jerusalem

Illustrated Uncle Tom's Cabin and the Emancipation Proclamation

In this daring and provocative literary parody which has captured the interest and imagination of a nation, Alice Randall explodes the world created in *GONE WITH THE WIND*, a work that more than any other has defined our image of the antebellum South. Taking sharp aim at the romanticized, whitewashed mythology perpetrated by this southern classic, Randall has ingeniously conceived a multilayered, emotionally complex tale of her own - that of Cynara, the mulatto half-sister, who, beautiful and brown and born into slavery, manages to break away from the damaging world of the Old South to emerge into full life as a daughter, a lover, a mother, a victor. *THE WIND DONE GONE* is a passionate love story, a wrenching portrait of a tangled mother-daughter relationship, and a book that "celebrates a people's emancipation not only from bondage but also from history and myth, custom and stereotype" (San Antonio Express-News).

This volume engages the concept and related notions of cultural hegemony, cultural erosion, cultural hybridity and cultural survival by considering whether five regimes in Asia deploy policies aimed at extirpating the language, religion, arts, customs or other elements of the cultures of non-dominant peoples.

From Fields of Gold

The Time Returns

This work, a revision of the author's Claremont dissertation, examines how women's differing roles in the ancient Greco-Roman world are reflected in the Gospel portraits of women. Focusing on women's varying portrayals in meal or banquet settings, Corley uncovers evidence that women's roles were undergoing radical social change throughout the Greco-Roman world--both in moving toward equality and in returning to a more traditional role. Such spadework helps us in analyzing the conflicting portrayals of women in the New Testament Gospels of Matthew, Mark, and Luke. Bibliography, notes and an index of ancient sources render this an invaluable tool for studying women in the Synoptics and ancient social attitudes toward women. This volume should be of particular interest to pastors and teachers, as well as college, university, and seminary students.

New Orleans Legacy

"Exquisitely imagined, deeply researched . . . brings to the foreground the most enigmatic and fascinating figure in *Gone with the Wind*. This is a brave work of literary empathy by a writer at the height of his powers, who demonstrates a magisterial understanding of the period, its clashing cultures, and its heartbreaking crises." —Geraldine Brooks, author of *March* The only authorized prequel to Margaret Mitchell's *Gone with the Wind*—the unforgettable story of Mammy. On a Caribbean island consumed by the flames of revolution, an infant girl falls under the care of two French émigrés, Henri and Solange Fournier, who take the beautiful child they call Ruth to the bustling American city of Savannah. What follows is the sweeping tale of Ruth's life as shaped first by her strong-willed mistress, and then by Solange's daughter Ellen and Gerald O'Hara, the rough Irishman Ellen chooses to marry; the Butler family of Charleston and their unexpected connection to Mammy Ruth; and finally Scarlett O'Hara—the irrepressible Southern belle Mammy raises from birth. As we witness the lives of three generations of women, gifted storyteller Donald McCaig reveals a nuanced portrait of Mammy, at once a proud woman and a captive, a strict disciplinarian who has never experienced freedom herself. Through it all, Mammy endures, a rock in the river of time. Set against the backdrop of the South from the 1820s until the dawn of the Civil War, here is a remarkable story of fortitude, heartbreak, and indomitable will—and a tale that will forever illuminate your reading of Margaret Mitchell's *Gone with the Wind*.

A Love Divine

Helen Bannerman, who was born in Edinburgh in 1863, lived in India for thirty years. As a gift for her two little girls, she wrote and illustrated The Story of Little Black Sambo (1899), a story that clearly takes place in India (with its tigers and "ghi," or melted butter), even though the names she gave her characters belie that setting. For this new edition of Bannerman's much

beloved tale, the little boy, his mother, and his father have all been give authentic Indian names: Babaji, Mamaji, and Papaji. And Fred Marcellino's high-spirited illustrations lovingly, memorably transform this old favorite. He gives a classic story new life.

Flesh and Bone

Margaret Mitchell was as complex and compelling as her legendary heroine, Scarlett O'Hara, and her story is as dramatic as anything out of her own imagination—indeed, it is the basis for the legend she created. *Gone With the Wind* took the American reading public by storm and went on to become the most popular motion picture of all time. It was a phenomenon whose success has never been equaled—and it shattered Margaret Mitchell's private life. In this commemorative reprint of *Road to Tara*, Anne Edwards tells the real story of Margaret Mitchell and the extraordinary novel that has become part of our heritage.
