Ancient Greece

Looks at the people and events that shaped British history

The Trial of Mary Queen of Scots

Writing on a small island in the Firth of Forth in the 1440s, Walter Bower set out to tell the whole story of the Scottish nation in a single huge book, the *Scotichronicon* - 'a history book for Scots'. It begins with the mythical voyage of Scota, the Pharaoh's daughter, from Egypt with the Stone of Destiny. The land that her sons discovered in the Western Ocean was named after her: Scotland. It goes on to describe the turbulent events that followed, among them the wars of the Scots and the Picts (begun by a quarrel over a dog); the poisoning of King Fergus by his wife; Macbeth's usurpation and uneasy reign; the good deeds of Margaret, queen and saint; Bruce's murder of the Red Comyn; the founding of Scotland's first university at St Andrews; the 'Burnt Candlemas'; and the endless troubles between Scotland and England. Weaving in and out of the events of Bower's factual history, like a wonderful pageant, are other subjects that fascinated him: harrowing visions of hell and purgatory, extraordinary miracles; the exploits of knights and beggars, merchants and monks; the ravages of flood and fire; the terrors of the plague; and the answers to such puzzling questions as what makes a good king, and why Englishmen have tails. In 1998 Donald Watt and his team of scholars completed the first modern edition and translation of *Scotichronicon* in nine volumes. It has been described as 'a massive achievement for Scottish cultural history' (Sally Mapstone) and 'an open invitation to join a voyage of discovery' (Books in Scotland). This selection from the whole of *Scotichronicon* puts Bower's epic of Scotland into the hands of the general reader. It is a marvellous and unforgettable story. Perhaps its importance is best summed up by Bower himself, who wrote at the end of it: *Non Scotus est Christe cui liber non placet iste* - Christ! He is not a Scot who is not pleased with this book! A History Book for Scots is selected from the complete edition of *Scotichronicon* by WALTER BOWER, edited by D E R WATT and a team of scholars, in nine volumes. This monumental work of scholarship, in which the original Latin text appears side by side with a translation in modern English, was completed in 1998. Extensive introductory material and notes guide the reader through the complexities of Bower's history and its background.

A History Of Scotland

“ A brisk and accessible guide to a thousand years of reiving and rivalry in the Highlands. ” —The Scotsman

How the Scots Invented the Modern World

Westminster, the release of the Lockerbie bomber, and the fallout from the 2008 global financial crash. This edition also touches on the independence referendum, the future of the United Kingdom now that the Scottish National Party is in power, and Britain's impending exit from the European Union. Written with wit and scholarship, Scotland presents a highly readable account that disentangles the complex history of Scotland from its beginnings to the present. This book offers a rich record of Scotland's art, politics, intellectual life, and national identity.

The Scottish Historical Review

A People's History of Scotland

A vivid, comprehensive history of Scotland ranges from its earliest Stone Age settlers, through the influence of the many invaders--Romans, Picts, Vikings, and the English--on the country, to recent movements to promote Scottish independence from Britain, documenting the political, cultural, economic, and other forces that have shaped the nation. Reprint.

The Highland Clans

For over sixty years, the Scottish National Dictionary Association has supported and encourage the Scots language. Its first main objective was reached in 1976 with the publication of the Scottish National Dictionary, a major historical work in ten volumes. Since then it has produced more dictionaries, bringing the riches of the standard works to a wider public. The Concise Scots Dictionary contains meanings, spelling variants, pronunciation, information on when and where words are used, grammatical information, idioms and phrases, etymologies and details of Scottish life then and now.

A Concise History of Britain, 1707-1975

The dramatic story of Scotland - by charismatic television historian, Neil Oliver. Scotland is one of the oldest countries in the world with a vivid and diverse past. Yet the stories and figures that dominate Scottish history - tales of failure, submission, thwarted ambition and tragedy - often badly serve this great nation, overshadowing the rich tapestry of her intricate past. Historian Neil Oliver presents a compelling new portrait of Scottish history, peppered with action, high drama and centuries of turbulence that have helped to shape modern Scotland. Along the way, he takes in iconic landmarks and historic architecture; debunks myths surrounding Scotland's famous sons; recalls forgotten battles; charts the growth of patriotism; and explores recent political developments, capturing Scotland's sense of identity and celebrating her place in the wider world.

Concise historical proofs respecting the Gael of Alban; or, Highlanders of Scotland, as descended of the Caledonian Picts

This new captivating history book takes you on a remarkable journey from the earliest extensive historical record of Scotland through the long struggle

toward nationhood, all the way to Postwar Scotland. A sense of poetic irony registers when one learns that Scotland has never won a major military battle when the odds were in their favor.

The Royal Scots

The Royal Scots are Scotland's oldest infantry regiment, with a tradition that stretches back to 1633. This first concise history of the regiment is based largely on the recollections of several generations of Royal Scots - men like Private McBane, who carried his three-year-old son into battle at Malplaquet, and Private Begbie, the youngest soldier to serve in the First World War. These first-hand accounts take the reader through the great wars of the eighteenth century, when Britain was a rising global power, through the setbacks and the triumphs of the Napoleonic Wars and on to the glorious years of the nineteenth century. The two world wars of the twentieth century saw the Royals expand in size, and there are full accounts of its meritorious service on all the main battle fronts. More recently, the regiment has been involved in operations in the Balkans and Iraq. In 2006, in one of the most radical changes in the country's defence policy, the Royal Scots will be amalgamated into the new Royal Regiment of Scotland. Royal Scots is, therefore, a timely celebration of the British Army's most venerable regiment, right of the line and second to none.

The Athenaeum

Scotland: A Concise History

An exciting account of the origins of the modern world Who formed the first literate society? Who invented our modern ideas of democracy and free market capitalism? The Scots. As historian and author Arthur Herman reveals, in the eighteenth and nineteenth centuries Scotland made crucial contributions to science, philosophy, literature, education, medicine, commerce, and politics—contributions that have formed and nurtured the modern West ever since. Herman has charted a fascinating journey across the centuries of Scottish history. Here is the untold story of how John Knox and the Church of Scotland laid the foundation for our modern idea of democracy; how the Scottish Enlightenment helped to inspire both the American Revolution and the U.S. Constitution; and how thousands of Scottish immigrants left their homes to create the American frontier, the Australian outback, and the British Empire in India and Hong Kong. How the Scots Invented the Modern World reveals how Scottish genius for creating the basic ideas and institutions of modern life stamped the lives of a series of remarkable historical figures, from James Watt and Adam Smith to Andrew Carnegie and Arthur Conan Doyle, and how Scottish heroes continue to inspire our contemporary culture, from William “ Braveheart ” Wallace to James Bond. And no one who takes this incredible historical trek will ever view the Scots—or the modern West—in the same way again.

Enlightenment and the Highland Clearances, and right up to devolution, Scotland is the definitive history of a country that has experienced centuries of dramatic change. Michael Lynch, named as 'one of the most influential historians in Scotland of the last thirty years', has penned an extraordinary one-volume history of the country that spans twenty centuries, from the Picts to the present day. Thrilling, comprehensive, provocative and timely, Scotland is a monumental work of scholarship." --

Great Britain

Ireland, more than any other country, seems to hold people from other parts of the world in awe. Its people, landscape, culture and misfortunes have provided writers and poets with endless inspiration and its history is no less colorful and exciting.

The Athenaeum

The saga of the Vikings rises and falls on the banks of history, ebbing and flowing with popular opinion and whimsical anecdotes. The Vikings are routinely typecast and labeled anywhere from bloodthirsty tyrants to valiant heroes. They have been condemned as pirates and praised as explorers. We have all heard the stories of the fierce warriors with long ships and horned helmets storming onto the shores of medieval Europe; but who were these men really? Inside you will read about From the Fury of the Northmen Retaliation, Royal Ambition, and Bribery The Viking Age of Exploration and Expansion Tidings from the East The End of the Viking Age The Vikings Come to Christ The Second Viking Invasion This book helps to unravel the mystery. Helping to finally shed the light on why the Vikings abruptly descended onto the world stage in such dramatic fashion, this book begins to explore the motives of the Viking exodus like no other and takes an in depth evaluation of all the geographical, political, economic and religious underpinnings that led the Viking Age.

captured the hearts of millions of fans. Here is the story that started it all, introducing two remarkable characters, Claire Beauchamp Randall and Jamie Fraser, in a spellbinding novel of passion and history that combines exhilarating adventure with a love story for the ages. One of the top ten best-loved novels in America, as seen on PBS' s The Great American Read! Scottish Highlands, 1945. Claire Randall, a former British combat nurse, is just back from the war and reunited with her husband on a second honeymoon when she walks through a standing stone in one of the ancient circles that dot the British Isles. Suddenly she is a Sassenach—an “ outlander ” —in a Scotland torn by war and raiding clans in the year of Our Lord . . . 1743. Claire is catapulted into the intrigues of a world that threatens her life, and may shatter her heart. Marooned amid danger, passion, and violence, Claire learns her only chance of safety lies in Jamie Fraser, a gallant young Scots warrior. What begins in compulsion becomes urgent need, and Claire finds herself torn between two very different men, in two irreconcilable lives. This eBook includes the full text of the novel plus the following additional content: • An excerpt from Diana Gabaldon ' s Dragonfly in Amber, the second novel in the Outlander series • An interview with Diana Gabaldon • An Outlander reader ' s guide Praise for Outlander “ Marvelous and fantastic adventures, romance, sex . . . perfect escape reading. ” —San Francisco Chronicle “ History comes deliciously alive on the page. ” —New York Daily News

A History of Scotland

"The Scots," said a censorious English member of Parliament in 1607, "have not suffered above two kings to die in their beds these two hundred years." He may have exaggerated, but undeniably Scotland has a rough and bloodstained history.

A History Book for Scots

A People's History of Scotland looks beyond the kings and queens, the battles and bloody defeats of the past. It captures the history that matters today, stories of freedom fighters, suffragettes, the workers of Red Clydeside, and the hardship and protest of the treacherous Thatcher era. With riveting storytelling, Chris Bambery recounts the struggles for nationhood. He charts the lives of Scots who changed the world, as well as those who fought for the cause of ordinary people at home, from the poets Robbie Burns and Hugh MacDiarmid to campaigners such as John Maclean and Helen Crawford. This is a passionate cry for more than just independence but also for a nation based on social justice.

Born on the Links encompasses the entire 600-year history of golf, from the links in Scotland in the fifteenth century up to the present. It not only covers golf's origins, evolution, and development of the rules, equipment, and playing fields, but also features accounts of its greatest players and historic events.

Vikings

A history that is equally entertaining and enlightening, illustrating all of the changes of power and intricacies that are necessary to understand the interrelation between England and Scotland and the Highland and Lowland populations. It shows how Duncan (1034-40) emerged from 'the union of the four peoples' as the first king of a united Scotland and provides detailed, reign-by-reign accounts from then on. Above all Professor Mackie reveals how the Scots long pursued an independent line - in religion, law, culture and foreign policy - that helped them keep at bay the Romans, the French and the English.

Scotland

Concise Scots Dictionary

The treason trial and execution of Mary Queen of Scots in 1586 constitutes a crucial moment in English history. This brief history with documents uses the conflict between Mary and her cousin Elizabeth Tudor, Queen of England, and its violent outcomes to explore a variety of important themes in English history including religion, nationality, sovereignty, gender, and the legitimacy of female rule. An extensive introduction discusses the trial and the events that precipitated it and offers relevant background on the political and religious history of sixteenth-century England. Nine primary documents--including treatises on the legitimacy of female rule, trial records, Elizabeth's speeches to parliament, letters between Mary and Elizabeth, and accounts of the trial by contemporaries--immerse the reader in debates and controversies surrounding the two queens and the trial.
