## Boys Love Manga and Beyond

The project that captured a nation's imagination. The instructions were simple, but the results were extraordinary. "You are invited to anonymously contribute a secret to a group art project. Your secret can be a regret, fear, betrayal, desire, confession, or childhood humiliation. Reveal anything -- as long as it is true and you have never shared it with anyone before. Be brief. Be legible. Be creative." It all began with an idea Frank Warren had for a community art project. He began handing out postcards to strangers and leaving them in public places -- asking people to write down a secret they had never told anyone and mail it to him, anonymously. The response was overwhelming. The secrets were both provocative and profound, and the cards themselves were works of art -- carefully and creatively constructed by hand. Addictively compelling, the cards reveal our deepest fears, desires, regrets, and obsessions. Frank calls them "graphic haiku," beautiful, elegant, and small in structure but powerfully emotional. As Frank began posting the cards on his website, PostSecret took on a life of its own, becoming much more than a simple art project. It has grown into a global phenomenon, exposing our individual aspirations, fantasies, and frailties -- our common humanity. Every day dozens of postcards still make their way to Frank, with postmarks from around the world, touching on every aspect of human experience. This extraordinary collection brings together the most powerful, personal, and beautifully intimate secrets Frank Warren has received -- and brilliantly illuminates that human emotions can be unique and universal at the same time.

## Birdtopia: 20 Color-In Postcards

In *Stop at Nothing* Annabel Crabb brings all her wit and perceptiveness to the story of Malcolm Turnbull. This is a memorable look at the Prime Minister in action -- his flaws and achievements -- as well as his past lives and adventures. Drawing on extensive interviews with Turnbull, Crabb delves into his university exploits -- which included co-authoring a musical with Bob Ellis -- and his remarkable relationship with Kerry Packer, the man for whom he was first a prized attack dog and then a mortal enemy. She examines the extent to which Turnbull -- colourful, aggressive, humorous and ruthless -- has changed. Crabb tells how he first lost, and then won back, the Liberal leadership, and explores the challenges that now face him today as the forward-looking leader of a conservative Coalition.

## Color Me Calm

### Joyous Blooms to Color: 15 Postcards, 15 Gift Tags

Featuring beautiful selections from Johanna Basford's Lost Ocean, this set of 36 detachable postcards invites you to colour in shoals of exotic fish, curious octopuses, delicately penned seahorses and more - all while exploring the magical depths of the sea. Perfect to colour, keep and share.

### Lost Ocean Postcard Edition

From Johanna Basford, 36 postcards for coloring in and sending to friends (or keeping for yourself!) These clever postcards feature beautiful drawings from Magical Jungle, illustrator and ink evangelist Johanna Basford's wondrous expedition through the jungle. Color in the cards to bring to life speckled tree frogs and dainty hummingbirds, prowling tigers and playful monkeys, and then share the magic with your friends--that is, if you can bear to part with them! Each postcard is an invitation to an exotic rainforest teeming with creatures large and small. For explorers of all ages.

### Icons of Style Postcards

"Hidden Mountain Secret Garden: a theological contemplation on prayer" helps the reader discover the riches of mental prayer in the Catholic Tradition. In fact, the images of the "Hidden Mountain" and the "Secret Garden" are ancient metaphors for contemplative prayer, a kind of prayer that begins and ends in faith. This book is especially for those whose prayer is a search for the loving eyes of One who has conquered death. This kind of prayer beholds the wonder of Christ's living but hidden presence in one's highest thoughts and most noble aspirations as well as in one's instinctual urges and deepest longings. The ecstasy of this kind of prayer extends beyond even the vast unexplored horizons of the human heart and opens to an immensity of such excessive mercy that all else is forgotten -- and only love remains. The whole world needs this love: it is the secret garden, the hidden mountain, the inexhaustible riches only prayer knows and an excess of grace only prayer can make known. This is why Blessed John Paul II told the Church not to be afraid to open wide the doors of our hearts to Christ and it is why He told the young people of the world to be proud to proclaim the Gospel of the Lord. For those brave souls who have faithfully open their hearts to the Lord through this discipline of this kind of prayer, every Christian owes you a debt of gratitude. For those who want to join them, this work encourages you along the way -- for the journey you endeavor is at once the most perilous, the most heart-rending and the most wonderful adventure this world has ever known. "Dr. Anthony Lilles has authored an introduction to prayer that is inspiring and encouraging. For those desiring to pray this is a resource that is full of practical advice - written simply and attractively. This book bears the mark of a man - husband, father and teacher - who is not only imbued with the wisdom of the Saints, but who has also, through his own prayer, learned how all of us can, through prayer, foster faith in and love for Jesus and his Gospel." THOMAS G. WEINANDY, O.F.M., CAP. Executive Director for the Secretariat for Doctrine United States Conference of Catholic Bishops This is a wonderful book. I've taught spiritual theology many years and I wish I had had this text use. In fact, I wish I had written this book. It is scriptural, patristic, historical, theological, mystical, experiential and user friendly. Dr. Lilles

## Free Copy Secret Garden 20 Postcards

takes us through the spiritual journey of prayer, citing Fathers and doctors, saints and even sinners to guide us on our Christian way toward contemplation. Weaving many themes into a harmonious whole, he opens up the life of contemplation for all Christians, our baptismal birthright in a way that is accessible and attractive. This is a book one will read more than once. FR. GILES DIMOCK, O.P., S.T.D University Parish of St. Thomas Aquinas At the University of Virginia In this book we find the real meat of the new evangelization. The church in America will not be renewed by "facts about Jesus" but only through one's choice to let Christ reach the heart and change it from within. It is an ancient message received by only few: Do not be afraid of letting go of what now defines you. Let Christ tell you who you are. Dr. Lilles is one of the ablest guides to lead us through to such a choice. Will I stay with knowledge about Jesus or will I enter the garden of prayer and finally come to know Him!! Do not be afraid to be loved, read this book. DEACON JAMES KEATING, PH.D, Institute for Priestly Formation, Omaha, NE

Fall under the spell of the #1 New York Times Bestseller! This magical coloring book by Johanna Basford takes colorists through an enchanted forest to discover what lies in the castle. Similarly interactive like SECRET GARDEN, ENCHANTED FOREST also features hidden objects and fun mazes. Beginning at the entrance to a fairy-tale forest, the journey progresses through highly embellished woods and through intricate flora. Castles, treasure chests, and other magical elements add a fairy tale narrative to the designs. Special features include a gate-folded two-page spread, and a colorable jacket.

### Thank You Coloring Postcards

Spread joy and inspiration with twenty-four colorable postcards to send to friends and family (or enjoy yourself!), from the creators of the Whatever Is Lovely coloring book. Featuring inspirational quotes and beautiful artwork from the award-winning Whatever Is Lovely coloring book, this set of twenty-four detachable, colorable postcards offers a peaceful escape from the stress and busyness of everyday life. Quotes from contemporary voices, familiar hymns, and Scripture are included on the back of the cards. Each card has a splash of metallic ink, so they are pretty enough to send before being colored. That way, you can color them yourself or let the recipient have all the fun! You might even decide to keep them yourself to display in your home! Artists of all ages will enjoy coloring and displaying these beautiful cards!

### Miniature Secret Garden

From the same ink artist and original publisher who brought you SECRET GARDEN and

### American Gargoyles

"Daydreams" postcards are meant to be colored and shared: send them in the mail or frame them on your wall. Illustrator Hanna Karlzon is stirred by the nature that surrounds her in her native northern Sweden; she finds inspiration from her mother's garden and childhood memories, playing in the forest or in fields of flowers. Her dreamlike elements of a Swedish summer will lull anyone into a coloring daydream. "Winter Dreams 20 Postcards" also available. Complete your collection of Hanna Karlzon coloring books with "Daydreams," the hardbound, 96-page edition, and Hanna Karlzon's newest 96-page hardbound coloring book, "Summer Nights Coloring Book." Also available is the "Daydreams Artist's Edition" containing 20 illustrations oversized art card paper, perfect for expert and budding artists alike. Hanna Karlzon is an Umea, Sweden-based illustrator and creator of the best-selling coloring books, "Dagdrommar" and "Sommarnatt," previously published in Sweden. She creates elaborately detailed images using India ink to detail pictures from her own imagination and loves to draw flowers, forests, houses, and animals. She draws her inspiration from the natural world that surrounds her studio in northern Sweden and adds in some art nouveau, punk rock, and often

a hint of '70s design to the mix.

### Summer Nights 20 Postcards

Our lives become busier with each passing day, and as technology escalates, so does our access to work, obligations, and stress. Constant stimulation and expectation have left us burnt out and distanced from the present moment. "Now" has become something that happens online, not in the space and time that we physically occupy. Color Me Calm is a guided coloring book designed for harried adults. Art therapist Lacy Mucklow and artist Angela Porter offer up 100 coloring templates all designed to help you get coloring and get relaxed. Organized into seven therapeutically-themed chapters including Mandalas, Water Scenes, Wooded Scenes, Geometric Patterns, Flora & Fauna, Natural Patterns, and Spirituality - the book examines the benefits of putting pencil to paper and offers adults an opportunity to channel their anxiety into satisfying, creative accomplishment. Part of the international bestselling Color Me series, Color Me Calm is the perfect way step back from the stress of everyday life, color, and relax! Don't forget to try Color Me Happy and Color Me Stress-Free!

### Flower Garden 20 Postcards

When Lily climbs out of her flower for the very first time, she is keen to explore and make friends, but where to start? As she glances around she spies a special poem, written on a leafy scroll, offering clues to help her explore Flower Fairyland and reach the Secret Garden. Flutter with her as she finds new friends to help her solve the riddles and travel with her through the enchanted door to the most beautiful place in all Flower Fairyland. This beautiful gift book contains different pop-ups on each spread.

### Coloring Flower Mandala Postcards

Colour it in psychedelic colours, in tasteful tones, in all shades of orange! But just colour it! Recapture the purest sense of creativity by colouring in the most beautiful figurative designs - flowers, birds, butterflies - provided by a leading textile designer. By adding the key ingredient of colour you add your own spark of creativity to great designs. The design team, who work closely with Tate Modern in London, provide 24 postcards with six different designs to choose from. You can experiment with the colour combinations, using crayons, pencils, felt/fibre tip pens, and even paint on these uncoated postcards. A brief introduction gives some tips on using colours and suggests colour combinations to use on the specific designs, but you are encouraged to let your own creativity get to work! Great fun for all those looking for a burst of creative expression and useful for designers of all types who want to experiment with colour. The cards can be kept together in the book or detached, framed or posted to a friend.

### Cassidy Jones and the Secret Formula

You have found the key to the secret garden, now open the gates and marvel at the uniqueness of each plant and flower petal! Shower these flowers with colors and try to understand how individual lines and forms create unique patterns that deserve your focus and attention. So what are you waiting for? Secure a copy of this coloring book today!

### Colour Yourself to Happiness Postcard Book

Readers who enjoyed Frances Hodgson Burnett's *A Lady of Quality*, a tale about a spunky girl named Clorinda who uses her wiles to triumph over adversity, will love *His Grace of Osmonde*, a sequel of sorts that retells the story at the heart of *A Lady of Quality* from the perspective of the Duke who plays a central role in the previous novel.

### Flower Garden Artist's Edition

Based on a lifetime spent working with small children in Australian playgroups, *Everyday Play* is filled with ideas to help children reach their optimum wellbeing through exploration, experimentation and discovery. With an emphasis on practical, open-ended and easily replicated ideas, this fresh, contemporary book is perfect for parents, grandparents, group-learning situations and home learning.

### Whatever Is Lovely Postcard Book

The contributors analyse the subject of Asian pop culture arranged under three headings: 'Television Industry in East Asia', 'Transnational-Crosscultural Receptions of TV Dramas' and 'Nationalistic reactions'.

### Postcard Colouring Book

*Boys Love Manga and Beyond* looks at a range of literary, artistic and other cultural products that celebrate the beauty of adolescent boys and young men. In Japan, depiction of the 'beautiful boy' has long been a romantic and sexualized trope for both sexes and commands a high degree of cultural visibility today across a range of genres from pop music to animation. In recent decades, 'Boys Love' (or simply BL) has emerged as a mainstream genre in manga, anime, and games for girls and young women. This genre was first developed in Japan in the early 1970s by a group of female artists who went on to establish themselves as major figures in Japan's manga industry. By the late 1970s many amateur women fans were getting involved in the BL phenomenon by creating and self-publishing homoerotic parodies of established male manga characters and popular media figures. The popularity of these fan-made products, sold and circulated at huge conventions, has led to an increase in the number of commercial titles available. Today, a wide range of products produced both by professionals and amateurs are brought together under the general rubric of 'boys love,' and are rapidly gaining an audience throughout Asia and globally. This collection provides the first comprehensive overview in English of the BL phenomenon in Japan, its history and various subgenres and introduces translations of some key Japanese scholarship not otherwise available. Some chapters detail the historical and cultural contexts that helped BL emerge as a significant part of girls' culture in Japan. Others offer important case studies of BL production, consumption, and circulation and explain why BL has become a controversial topic in contemporary Japan.

### Stop at Nothing

Introducing Hanna Karlzon's series, *Summer Nights*. ### Magical Jungle: 36 Postcards to Color and Send

### Color Me Mindful: Tropical

One day Sophie comes home from school to find two questions in her mail: "Who are you?" and "Where does the world come from?" Before she knows it she is enrolled in a correspondence course with a mysterious philosopher. Thus begins Jostein Gaarder's unique novel, which is not only a mystery, but also a complete and entertaining history of philosophy.

### GenderSpeak

"Francis Xavier's arrival in Japan in 1549 initiated a radically different approach to the spread of Christianity, one which was to distinguish the Jesuits from all other Europeans for the next two hundred years: his insistence that his missionaries should respect and understand Japanese culture. Alessandro Valignano then developed this approach, both in Japan and in China, where Jesuits gained Confucian scholar status as an introduction to their missionary life, and even became key figures in the Chinese civil service." "Highly readable and stylishly written, this long-awaited book is the first to recount the absorbing story of the Jesuit missions in both civilisations. It shows how the Jesuits' sensitivity to Japanese and Chinese culture directly and consciously contradicted the imperialism of the Spanish and the Portuguese, and allowed the possibility of dialogue between East and West which other European stances excluded. It is a richly detailed account, exploring the first attempt by western European Christians to realise the universality of Christianity outside European culture, and will be welcomed by students of Japanese and Chinese History, Church History, Religious Studies and Missiology."--BOOK JACKET. Title Summary field provided by Blackwell North America, Inc. All Rights Reserved

### 642 Things to Draw

### Secret Garden Artist's Edition

Wander along a flowery, winding path with these beautifully rendered 15 postcards and 15 gift tags to color and cut out!
