Most Native American peoples shared information solely through the spoken word. These oral cultures present unique challenges to historians, and force us to look beyond traditional written sources. Folk tales offer a valuable window into the ways that Native Americans understood themselves and the wider world.

2. Colliding Cultures | THE AMERICAN YAWP

The Phoenician Religion, as in many other ancient cultures, was an inseparable part of everyday life. Gods such as Baal, Astarte, and Melqart had temples built in their name, offerings and sacrifices were regularly made to them, royalty performed as their high priests, and even ships carried their representations. Influenced by their predecessors and neighbours, the Phoenicians would spread

Kunda culture - Wikipedia

The Chicago Manual of Style is the style most commonly used by professional historians when they write and publish their work. Currently, the NHD Contest Rule Book allow citations in Chicago or MLA Style, but this resource focuses on Chicago Style.. As you complete your research, you should sort your research into primary and secondary sources. For complete definitions of primary and secondary

Mandala - Wikipedia

And though the other cultures that surrounded them were too distracted by their own internal power struggles to take these treasures by force, it would be a mix of human and natural factors — invaders from Central Asia and climate change — that would strangle the Indus culture in the end. 4. The Jiahu Culture. Period: 7,000 B.C. – 5,700 B.C.

Individualistic Cultures and Behavior - Verywell Mind

Individualistic cultures are those that stress the needs of the individual over the needs of the group as a whole. In this type of culture, people are seen as independent and autonomous. Social behavior tends to be dictated by the attitudes and preferences of individuals. Cultures in North America and Western Europe tend to be individualistic.

Sources of Our Living Tradition | UUA.org

While many cultures celebrate the aging process and venerate their elders, in Western cultures -- where youth is fetishized and the elderly are commonly removed from the community and relegated to hospitals and nursing homes -- aging can become a shameful experience. Physical signs of human aging tend to be regarded with distaste, and aging is often depicted in a negative light in popular

Phoenician Religion - Ancient History Encyclopedia

Most of our products are derived from plants and other natural sources. Many of these are produced by extraction techniques, while some are synthesized to produce the high-quality products we strive for. Each item on our catalog has years of research behind it, and we provide links to all our scientific

A mandala (Sanskrit: मण्डल, romanized: maṇḍala, lit. 'circle', [m̪aṇḍaɻ]) is a geometric configuration of symbols. In various spiritual traditions, mandalas may be employed for focusing attention of practitioners and adepts, as a spiritual guidance tool, for establishing a sacred space and as an aid to meditation and trance induction.

Annotated Bibliography | National History Day | NHD

The sources and history of the legend, however, are elusive. No other popular heroine is so celebrated but so puzzling. Trying to ascertain who she may really have been is an arduous task, and a

7 Cultures That Celebrate Aging And Respect Their Elders

Doubtful sources contain “second- and third-hand traditions that reflect for the most part vague acquaintance with the Gospel story and controversies with Christians. These sources offer nothing independent” (Evans, “Jesus in Non-Christian Sources,” p. 443). Doubtful sources include the following:
