### She Regrets Nothing

If Ridley Jones had slept ten minutes later or had taken the subway instead of waiting for a cab, she would still be living the beautiful lie she used to call her life. She would still be the privileged daughter of a doting father and a loving mother. Her life would still be perfect—with only the tiny cracks of an angry junkie for a brother and a charming drunk with shady underworld connections for an uncle to mar the otherwise flawless whole. But that's not what happened. Instead, those inconsequential decisions lead her to perform a good deed that puts her in the right place at the right time to unleash a chain of events that brings a mysterious package to her door—a package which informs her that her entire world is a lie. Suddenly forced to question everything she knows about herself and her family, Ridley wanders into dark territory she never knew existed, where everyone in her life seems like a

stranger. She has no idea who's on her side and who has something to hide—even, and maybe especially, her new lover, Jake, who appears to have secrets of his own. Sexy and fast-paced, *Beautiful Lies* is a true literary thriller with one of the freshest voices and heroines to arrive in years. Lisa Unger takes us on a breathtaking ride in which every choice Ridley makes creates a whirlwind of consequences that are impossible to imagine . . . . ### Tell Me Lies

Tell Me Lies is a rampaging last collection by the late and much lamented Shadow Poet Laureate. The title-poem is a 21st-century remix of his celebrated anti-war poem, 'To Whom It May Concern (Tell me lies about Vietnam)', first performed at the anti-Vietnam War protest in Trafalgar Square in 1964. Much and nothing has changed since then, and Mitchell's new (now sadly final) poems are just as powerfully relevant 40 years on. Completed just before his death, the book is quintessential Adrian Mitchell with visions of war and peace, celebrations, elegies, daft adventures, and exuberant outbursts - like his version of Beowulf told from the point of view of Grendel the Swamp Monster. His poetry's simplicity, clarity, passion and humour show Adrian Mitchell's allegiance to a vital, popular tradition embracing William Blake as well as the ballads and the blues. His most nakedly political poems - about war, Vietnam, prisons and racism - became part of the folklore of the Left, sung and recited at demonstrations and mass rallies. His childlike questioning was a constant reminder from the 60s onwards that poetry is first and foremost an assertion of the human spirit. A pacifist

prophet who remained true to his heartfelt beliefs, Mitchell reported back for half a century from a world blighted by war, compromise, double-talk and pragmatism without losing his innocence, integrity and impish sense of humour. Angela Carter described him as a 'joyous, acrid and demotic tumbling lyricist Pied Piper determinedly singing us away from catastrophe'. Now out of print, the whole collection is included in *Come On Everybody: Poems 1953-2008*.

### The Lies We Told

The award-winning, bestselling French novel by Philippe Besson—"the French Brokeback Mountain" (Elle)—about an affair between two teenage boys in 1984 France, translated with subtle beauty and haunting lyricism by the iconic and internationally acclaimed actress/writer Molly Ringwald. We drive at high speed along back roads, through woods, vineyards, and oat fields. The bike smells like gasoline and makes a lot of noise, and sometimes I'm frightened when the

wheels slip on the gravel on the dirt road, but the only thing that matters is that I'm holding on to him, that I'm holding on to him outside. Just outside a hotel in Bordeaux, Philippe chances upon a young man who bears a striking resemblance to his first love. What follows is a look back at the relationship he's never forgotten, a hidden affair with a gorgeous boy named Thomas during their last year of high school. Without ever acknowledging they know each other in the halls, they steal time to meet in secret, carrying on a passionate, world-altering affair. Dazzlingly rendered in English by Ringwald in her first-ever translation, Besson's powerfully moving coming-of-age story captures the eroticism and tenderness of first love—and the heartbreaking passage of time.
