Anwar Montan. an orphaned product of an illicit fourteenth-century love affair is exiled from an aristocratic family by a grandfather who wants him dead. He is an outsider, growing up facing hardships and fighting for acceptance at a school for troubadours. Armed with no more than a thirst for knowledge of the world and a curiosity about his place in it, he enlists in his mentor's pursuit of the most important challenge of his young life - to help uncover evidence of a nefarious cabal's plot to oust Queen Joanna I. Anwar learns to interpret the puzzles and patterns in the world and becomes an elite code-breaker with help from his mentor, archivist Master Henri G é rard, who has been robbed of his own family's legacy by the conspirators. Anwar and G é rard's mission is abruptly interrupted when Anwar is unjustly conscripted into an indenture with the mercenary brigade of

the leader of the cabal, Enis Charbonneau. Anwar finds love with Charbonneau's private nurse while convalescing, but shortly after finding this hope for a life worth living, G é rard is murdered by the cabal. Anwar is framed, forcing him to escape and leave behind the woman he loves in order to avenge Gerard's killing. He must outwit the conspirators before they have murdered everyone else that he loves and dethroned the Queen

Liberating the Soul

On July 28, 2012, three senior citizens broke into one of the most secure nuclear-weapons facilities in the world. An 82 Catholic nun, a Vietnam veteran, and a house smeared the walls with human blood and spray-painted quotes from the Bible. Then they waited to be arrested. This simple act spawned a complex discussion. In *Almighty*, Washington Post writer Dan Zak examines how events over the past 70 years led to this act, one of the most successful and high-profile demonstrations of anti-nuclear activism.

New Plan

The Works of Samuel Taylor Coleridge

Sophia has booked the vacation of a lifetime. A week on a deserted island. Hoping for a retreat and recharge from her life in the middle of a Northwest winter, she sets out to enjoy seclusion and sun in paradise. Flying halfway around the world, Sophia boards the yacht chartered to take her to the secluded island in the Maldives. There she meets Lucas, a fellow vacationer. Tall, dark, and handsome, Lucas is a cowboy, misplaced in the tropics. Shunning Sophia's attempt at friendship, Lucas keeps to himself until the two travelers are thrust into an unwelcome adventure. Sophia soon learns that Lucas may be her only hope for survival, and that paradise is not so easily reached.

The Gospel in the Church

Letters of Benjamin Dias Fernandez on the Evidences of Christianity

Friends' Review

Elisha; translated from the German. pt. 1

What do you do when you're granted Gods power for a whole year—no strings attached—by an urbane, bald-headed heavenly messenger named Chet? That's the question facing Charlie Wiggins, the hapless car salesman who chronicles his run-in with omnipotence in the outrageous, wickedly funny *Almighty Me*. Author Robert Bausch aims his inspired social satire at men and women, love and marriage, and he hits the comic mark full center. Endearing and dark, side-splitting and thought-provoking, *Almighty Me* probes the nature of our earthly perplexities as it celebrates the loving and fallible human heart. Charlie Wiggins is not very different from you and me. To do good in the world is his first inclination, but doing good is harder than it looks, because Charlie can't seem to focus on anything but his own crumbling marriage. With the power of God, it's easy enough to make himself the star salesman at the dealership, or to cure his boss's

embarrassing speech problem, or even to bring his mother-in-law back from the dead. But to turn his adored wife, Dorothy, away from her determined quest for independence? That's where this befuddled acting deity discovers that omnipotence has its limitations. "In the face of that conscious choice to strive for what she needed, my 'power' seemed helpless. Either it was not adequate—and God's power is tremendously overrated—or women have unbelievable strength, and even God pales in the face of a woman's will." Only a guided tour of heaven convinces Charlie that it's time to deal with the world at large. To his horror, he learns the chilling answer to his question "Why me?" and decides to confront his cosmic responsibilities. When he does, both Dorothy and God himself are in for a big surprise.

Analytical Concordance to the Bible

That One Almighty Thing

In this book noted scholar Thomas L. Pangle brings back a lost and crucial dimension of political theory: the mutually illuminating encounter between skeptically rationalist political philosophy and faith-based political theology guided ultimately by the authority of the Bible. Focusing on the chapters of Genesis in which the foundation of the Bible is laid, Pangle provides an interpretive reading illuminated by the questions and concerns of the Socratic tradition and its medieval heirs in the Christian, Jewish, and Islamic worlds. He brings into contrast the rival interpretive framework set by the biblical criticism of the modern rationalists Hobbes and Spinoza, along with their heirs from Locke to Hegel. The full meaning of these diverse philosophic responses to the Bible

Free Reading That One Almighty Thing

is clarified through a dialogue with hermeneutic discussions by leading political theologians in the Judaic, Muslim, and Christian traditions, from Josephus and Augustine to our day. Profound and subtle in its argument, this book will be of interest not only to students and scholars of politics, philosophy, and religion but also to thoughtful readers in every walk of life who seek to deepen their understanding of the perplexing relationship between religious faith and philosophic reason. -- James V. Schall
