When you read publications of Jehovah's Witnesses or visit the jw.org website, you can be confident the facts have been carefully researched and are accurate.

The Art Science Of Respect

The term science comes from the Latin word scientia, meaning "knowledge".It can be defined as a systematic attempt to discover, by means of observation and reasoning, particular facts about the world, and to establish laws connecting facts with one another and, in some cases, to make it possible to predict future occurrences.
