I was born 54 years ago today. I've blogged about birthdays here a few times (2019, 2018, 2018, 2017).). There are other personal posts here, including one last month looking back at 2020. This is awkward for me. Maybe it's being generation X, or maybe spending too many years being self-effacing, or my suspicions of people who misuse autobiography to manipulate people, but it's hard for

Lucy Hale photographed kissing Skeet Ulrich – Skeet Ulrich appears to have a “pretty little” girlfriend: Lucy Hale.– The “Scream” star, 51, and the former “Pretty Little Liars” actress, 31, were photographed on a PDA-heavy lunch date in Los Angeles on Sunday – and the pair appeared to be completely smitten with one another.

Podcast Scripting: How Do I Write a Podcast Script?

After 11 games, the Bucs EPA on first down is -0.040, 24th in the NFL. For those who don't know, EPA (Expected Points Added) is a football statistic that seeks to measure the value of individual plays in terms of points. This is done by calculating the Expected Points (EP) of the down, distance, and field position situation at the start of a play and contrasting it with the situation at the
