Reflections on the Revolution of our Time (Works of Harold

Free Copy The End Of Our Time

J. Laski)

In 2006 residential real estate prices peaked and started to fall, then threatened the world's financial institutions in 2007, and confronted the global economy with disaster in 2008. In the past few years, millions of people have lost very substantial portions of their wealth. And while the markets have rebounded considerably, they are still far from a full recovery. Now, professional economists, policy experts, public intellectuals, and the public at large are all struggling to understand the crisis that has engulfed us. In *The Financial Crisis of Our Time*, Robert W. Kolb provides an essential, comprehensive review of the context within which these events unfolded, arguing that while the crisis had no single cause, housing finance played a central role, and that to understand what happened, one must comprehend the mechanism by which the housing industry came into crisis. Kolb offers a history of the housing finance system as it developed throughout the twentieth century, and especially in the period from 1990 to 2006, showing how the originate-to-distribute model of mortgage financing presented market participants with a "clockwork of perverse incentives." In this system, various participants—simply by pursuing their narrow personal interests—participated in an elaborate mechanism that led to disaster. The book

Free Copy The End Of Our Time

then gives a narrative of the crisis as it developed and analyzes all of the participants in the housing market, from the home buyers to investors in collateralized debt obligations (CDOs). At each step, the book explains in a nontechnical manner the essential relationships among the market participants and zeroes in on the incentives facing each party. The book also includes an extensive glossary and a detailed, authoritative timeline of the subprime financial crisis. Offering a unique look at the participants and incentives within the housing finance industry and its role in the biggest financial catastrophe in recent history, Robert W. Kolb provides one of the most comprehensive and illuminating accounts of the events that will be studied for decades to come as the financial crisis of our time.

Ripples in Our Time Line

Our Time

While on a cruise, the subject of loyalty was raised at the dinner table. A retired school teacher lamented, "Loyalty! I sometimes wonder what that means in this day and age." This set in motion a lively

Free Copy The End Of Our Time

discussion that drew attention to loyalty as a poignant social issue in our changing society. *Loyalty in Our Time: Does Loyalty Matter Anymore?* raises some disturbing issues. From the latter part of the 20th century, society has become transfixed and divided by the growing controversy surrounding loyalty, which continues to tug at the very fabric of our society. The controversy continues in all forms of the media and on the Internet. News items have highlighted the perceived breakdown in loyalty across the board, within organisations, institutions, associations, political parties, government, partnerships, sporting clubs and teams. "Loyalty is dead!" has become a common mournful cry. The quest to gain some measure of validation for this fatalistic statement comes through a basic understanding of the concept of loyalty, as well as in real-life situations. Try raising this topic at your next dinner party or social gathering!

About the Author: Clarrie Burke was born in Port Moresby, Papua New Guinea. At the onset of World War II, his family was evacuated to Brisbane, Australia. Following his schooling in Australia, he trained as a primary teacher, and for most of his career he worked in teacher education. Upon retirement, he was an executive member of Amnesty International (Queensland) and joint coordinator of the Queensland Schools Amnesty Network. He has written articles, and conducted workshops and projects on human rights, personal ethics, and social

responsibility for youth.Publisher's website: <http://www.strategicpublishinggroup.com/title/LoyaltyInOurTime.html>

The End of Our Time

Written by an American Muslim convert who has lived nearly 40 years among the Muslims, the author presents an insiders account of Islams true place within the family of religions, what it means to be a Muslim living in the shadow of the modern world, and how to cultivate a life of spirituality through the way of Islam in todays anti-spiritual environment. Within its pages, history unfolds, mysteries are unveiled, and secrets are revealed that shed light on the great human story of spiritual awakening and fulfillment. This rigorous and highly readable introduction to Islam goes a long way to remedy the lack of historical perspective and the narrowing of intellectual and spiritual scope contributing to the outer and inner crisis of the Muslim world, as well as the poor understanding of this religion in the West. Another significant merit of Herlihys book is the way it sets out the universal principles of Islam, shared with other traditional faiths, and its emphasis on the moral and spiritual fruits of the religion. This work is an invaluable resource for Muslims and non-Muslims alike, providing as it does a solid grounding in the

Free Copy The End Of Our Time

traditional spirit of Islam. Patrick Laude, professor at Georgetown University, Edmund A. Walsh School of Foreign Service, Qatar Readers will find that this timely work by John Herlihy offers a sublime contribution to the field of Islamic Studies. Relevant for Muslims and non-Muslims alike, one of the books major themes is that the Islamic tradition converges with the unanimous tradition residing at the heart of each of the worlds religions. The book reminds us that the foundations of the modern and postmodern world were formulated in revolt from the sacred, which is an essential point to be recognized by anyone seeking to understand the crisis that consumes the contemporary epoch. This work provides ultimate answers to ultimate questions. Samuel Bendeck Sotillos, editor of Psychology and the Perennial Philosophy: Studies in Comparative Religion Amidst widespread miscomprehensions of Islam generated by Western media, readers who wish to understand the true nature of this noble tradition and its related spirituality will find this volume a trustworthy and illuminating guide. As a Western convert, philosopher, and above all practitioner, John Herlihy is well placed to dispel the fog of misunderstanding which often surrounds the subject of Islam. This book will be warmly welcomed by all those wishing to understand the timeless message of Islam, by seekers looking for practical guidance, and by those concerned with fostering a more harmonious global

Free Copy The End Of Our Time

community of religions. Harry Oldmeadow, author of Frithjof Schuon and the Perennial Philosophy.

"The Challenge of Our Time"

"The Desert Mounted Corps" by R. M. P. Preston. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and non-fiction to forgotten-or yet undiscovered gems-of world literature, we issue the books that need to be read. Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

The End of Time

A masterclass in attentive reading offering brilliant insights into two of George Eliot's novels

In Our Time

Free Copy The End Of Our Time

A national bestseller "A magisterial contribution to the history of ideas. A fresh, illuminating perspective on one of the pivotal figures of our time." —J. Anthony Lukas "[This] remarkable biography... briskly traces the story of Freud's life and education, deftly weaving the familiar narrative with a style that makes it seem fresh and lively."
—Chicago Tribune

The Desert Mounted Corps

The history of France: from the earliest period to the present time. (including a faithful account of the war with Germany, by T. Wright and lieut-colonel Williams). 3 vols. [in 4 pt.].

An historical account of the political and intellectual atmosphere of the USA in the early 20th century, which contends that the old order was being challenged and altered long before World War I. The study examines the ideas and literature of the periods before and after the War.

Unveiling the End Times in Our Time

Even though it has faded in the minds of most, the Cold War was the dominant happening in the second half of the 20th Century. The underlying cause was the Soviet Unions expansionism, which was driven by imperialist ambition overlaid with ideology. Combating this radical and highly threatening form of political and territorial aggrandizement made extraordinary demands on the Western nations, and especially the United States because of its strength and democratic tradition. These forces vied in the Hungary-Suez Crisis of 1956 as not before or after, when 200,000 Soviet troops intervened in Hungary to put down the revolution and the attendant Uprising, and, acting contrary to Western interests, Britain and France invaded the Canal Zone and the Israelis the Sinai, raising the crisis to a point of extreme danger as the East-West confrontation nearly burst its bounds. Had the allies not been halted in Egypt by the Eisenhower Administrations use of the UN Charter and UN mechanisms for maintaining peace, and the Russians not deterred from invading Western Europe by threat of U.S. nuclear retaliation, it seemed possible that the world would experience a general war with nuclear weapons as a major component. A Lesson for Our Times focuses on this possibility. While it is about the steps taken by the United States to prevent the

Free Copy The End Of Our Time

worst from occurring immediately, it is also about what was done to prevent a similar crisis from occurring in the future. To say that these actions were unique and effective is true but not enough. They were also unprecedented in the history of the nation, and surely the world, as well as proof that the peace-keeping system devised after World War II would function as intended if undergirded and augmented by U.S. prestige and wherewithal. Here, then, was Hungary-Suez in its totality. More should be known about the crisis for these reasons alone. This book seeks to meet that need while filling a large gap in the understanding of the Cold War. It also recalls a time when Americas conduct as the worlds primary superpower was as clear and visionary as it was purposeful and constructive, in a word, when American diplomacy was at its zenith.

The Financial Crisis of Our Time

The church is broken and we cannot fix it. Faith in God is disconnected from churches. Mainline churches are deeply divided, and their budgets and congregations have diminished, with no agreement for recovery. So what shall we do? It is time to stop talking about the problems and to consider a new vision of the church for our time. This book is a celebration of the church as the community of new life in

Free Copy The End Of Our Time

Christ. It assumes Christ intended to create a community on earth embodying grace and holiness. It begins with a new and inclusive definition of the church as a community enduring in time. It affirms the great variety of churches, all as valid expressions of the new life, and explains how and why churches are formed in different ways. The goal is for churches to celebrate the saving power of Christ and to see the glory of God revealed in the world in our time.

Reading for Our Time

Sessional Papers

This is Laski's most important book after *A Grammar of Politics*. It discusses, on a grand scale, every aspect of American public life. Laski surveys American traditions and the American spirit, political institutions, the entire educational, religious, economic and social scene, America as a world power, and Americanism as a principle of civilisation. Laski's unsurpassed knowledge of American constitutional, social and cultural history is set in the perspective of his deep study of comparative constitutional history and political

Free Copy The End Of Our Time

theory. He was one of very few people to see U.S. politics from the inside, as a result of his friendships with Roosevelt, Brandeis and Oliver Wendell Holmes.

The End of American Innocence

Richard Feynman once quipped that "Time is what happens when nothing else does." But Julian Barbour disagrees: if nothing happened, if nothing changed, then time would stop. For time is nothing but change. It is change that we perceive occurring all around us, not time. Put simply, time does not exist. In this highly provocative volume, Barbour presents the basic evidence for a timeless universe, and shows why we still experience the world as intensely temporal. It is a book that strikes at the heart of modern physics. It casts doubt on Einstein's greatest contribution, the spacetime continuum, but also points to the solution of one of the great paradoxes of modern science, the chasm between classical and quantum physics. Indeed, Barbour argues that the holy grail of physicists--the unification of Einstein's general relativity with quantum mechanics--may well spell the end of time. Barbour writes with remarkable clarity as he ranges from the ancient philosophers Heraclitus and Parmenides, through the giants of science Galileo, Newton, and Einstein, to the work of the

Free Copy The End Of Our Time

contemporary physicists John Wheeler, Roger Penrose, and Steven Hawking. Along the way he treats us to enticing glimpses of some of the mysteries of the universe, and presents intriguing ideas about multiple worlds, time travel, immortality, and, above all, the illusion of motion. The End of Time is a vibrantly written and revolutionary book. It turns our understanding of reality inside-out.

The End of the World

A BLESSING HAPPENING "IN OUR TIME"

The National Book Award finalist and debut novel by the bestselling author of *The Dinner Party*: "A readymade classic of the office-novel genre. . . . A truly affecting novel about work, trust, love, and loneliness." --Seattle Times No one knows us quite the same way as the men and women who sit beside us in department meetings and crowd the office refrigerator with their labeled yogurts. Every office is a family of sorts, and the ad agency Joshua Ferris brilliantly depicts in his debut novel is family at its strangest and best, coping with a business downturn in the time-honored way: through gossip, pranks, and

Free Copy The End Of Our Time

increasingly frequent coffee breaks. With a demon's eye for the details that make life worth noticing, Joshua Ferris tells a true and funny story about survival in life's strangest environment--the one we pretend is normal five days a week.

Loyalty in Our Time

Eve Otto explains, "When I began writing this book, I had in the back of my mind that those who are young now might someday be interested in what life was like when their grandparents were growing up -- how life changed drastically with the coming of World War II in Europe and the turbulent years that followed the traumas of our emigration to America with our three young children and the difficult adjustments we had to make. My book, then, is sort of a legacy to them."

Then We Came to the End

An ENGAGING and PROVOCATIVE new novel that CHALLENGES all the political, social, and economic INADEQUACIES of the AMERICAN CIVIL RIGHTS System. In a dazzling display of political insight and masterful storytelling, Sylvester Stephens presents a new novel about

Free Copy The End Of Our Time

what has been wrong throughout America's past -- and what can be made right in its future. Solomon Chambers is born in Saginaw, Michigan, in 1940. His parents and his uncle moved to Michigan from Mississippi years earlier, hoping to avoid the racism of their home state. Solomon eventually becomes a lawyer, and when his uncle is murdered in Mississippi he serves as a witness for the prosecution -- and has his first real brush with the reality of racism. Later, in the year 2007, Affirmative Action and the Voting Rights Acts are abolished. When African-Americans charge the United States government with violating their constitutional rights, Solomon is called to try the most significant case of his career, and one of the most important in history. Full of powerful political commentary and dramatic narrative, *Our Time Has Come* is the inspiring story of a man who must confront himself and his own history -- and fight for a just future that can heal the pains of a violent past.

The End of Poverty

Are we in imminent danger of extinction? Yes, we probably are, argues John Leslie in his chilling account of the dangers facing the human race as we approach the second millenium. *The End of the World* is a sobering assessment of the many disasters that scientists have

Free Copy The End Of Our Time

predicted and speculated on as leading to apocalypse. In the first comprehensive survey, potential catastrophes - ranging from deadly diseases to high-energy physics experiments - are explored to help us understand the risks. One of the greatest threats facing humankind, however, is the insurmountable fact that we are a relatively young species, a risk which is at the heart of the 'Doomsday Argument'. This argument, if correct, makes the dangers we face more serious than we could have ever imagined. This more than anything makes the arrogance and ignorance of politicians, and indeed philosophers, so disturbing as they continue to ignore the manifest dangers facing future generations.

Our Times, Our Lives

“The one who reads this is blessed, and those who hear the words of this prophecy and keep what is written in it are blessed, because the time is near!” –Revelation 1:3 (HCSB) Respected Bible teacher and beloved pastor Adrian Rogers takes readers on a breathtaking journey through the “blessing book” of Revelation with Unveiling the End Times in Our Time. Indeed, Revelation offers every Christian believer a dramatic and hope-filled overview of what the end of days will be like. Although some think Revelation is confusing, or even scary, with

Free Copy The End Of Our Time

its talk of dragons and beasts, the text contains a proper understanding of where his- tory is headed. Rogers makes clear how the signs of the times already reveal God's plan for bringing his people to full redemption, empowering us to live boldly while expecting the return of King Jesus as the triumphant Lamb.

Until the End of Time

The first major Russian novel, A Hero of Our Time was both lauded and reviled upon publication. Its dissipated hero, twenty-five-year-old Pechorin, is a beautiful and magnetic but nihilistic young army officer, bored by life and indifferent to his many sexual conquests. Chronicling his unforgettable adventures in the Caucasus involving brigands, smugglers, soldiers, rivals, and lovers, this classic tale of alienation influenced Tolstoy, Dostoyevsky, and Chekhov in Lermontov's own century, and finds its modern-day counterparts in Anthony Burgess's A Clockwork Orange, the novels of Chuck Palahniuk, and the films and plays of Neil LaBute.

The End of Our Time Together

Free Copy The End Of Our Time

Islam for Our Time

Beloved pastor Adrian Rogers guides readers through the prophetic "blessing book" of Revelation, making clear the signs in our times that point to God's plan for his people in the end times.

End of All Things

Defining the Church for Our Time

Our Turn, Our Time is an amazing collection of essays written by women who are committed to celebrating and valuing the passage into the second half of life. These women are redefining the role older women play in contemporary society by embracing creativity, spirituality, and sisterhood. These essays are filled with insight, humor, and compassion on a broad variety of topics: the richness of women's groups, the rewards of volunteering, the power of crone ceremonies, the fires of creative expression, the challenges of a changing body, and the confidence that comes from success in later life.

Individually, the essays are inspirational and motivating. As a

Free Copy The End Of Our Time

collection, the book becomes a unique support system for women as they age together, providing the opportunity to embrace each passing year with grace and enthusiasm. You will not find celebrities in this book. Our Turn, Our Time is written by everyday women for everyday women, creating equality and unity. The women in this book are positive role models and they will encourage other women to have an enriching, uplifting, and a refreshingly new perspective on the second half of life!

Our Time

Active-duty LGBT soldiers share their stories of serving under "Don't Ask, Don't Tell," revealing an intimate portrait of military life. Our Time marks the end of more than a decade of silence, giving voice to the LGBT men and women who served under "Don't Ask, Don't Tell." These individuals enlisted knowing that the military would ask them to bury an integral part of themselves and yet joined because of their deep belief that the values of the military were worth the tremendous sacrifice. Our Time is their story. Edited by air force officer J. D. Smith, a cofounder of the underground LGBT military organization OutServe, Our Time is a collection of remarkable depth and diversity. We witness the abuse—physical and mental—endured at the hands of

Free Copy The End Of Our Time

fellow soldiers and superiors. We see the hardships faced by their families and partners and feel the pain of the choice between military and self. There are also examples of humanity at its very best: leaders with the courage to support their comrades in the face of tremendous pressure, friendships forged and minds opened, and love that endures the very toughest of odds. Throughout we are reminded of the bravery and selflessness of the men and women who chose to serve our country and defend our liberties while their own freedom was withheld. At once a testament to the wrongs of the policy and a celebration of the good that endured in spite of it, Our Time marks the start of a new era in our national history.

Our Time on the River

Lewis P. Simpson towers among scholars of American literary studies, as an intellectual historian of the South and American literary culture and a revered essayist. His last book, *Imagining Our Time*, offers a wide-ranging, erudite, and enlightening look at the culture of letters in American society. Primarily through an examination of the works of some of the leading writers of the twentieth century, many of whom Simpson knew intimately, this final volume provides insight into the struggles and concerns unique to prominent American

Free Copy The End Of Our Time

thinkers, literary artists, and critics contemporary to his own lifetime. Often moving from an intriguing anecdote or recollection to a rigorous discussion of ideas, Simpson's style is captivating. He begins with speculation on Eric Voegelin's interest in Julien Benda's polemic *La Trahison des Clercs* and follows with thoughts on the declining faith in the university as an embodiment of humanistic letters and learning, surveying the American Republic as far back as Benjamin Franklin. In successive chapters, Simpson pays tribute to Malcolm Cowley as a "hero of the literary art" and probes Robert Penn Warren's fixation with Thomas Jefferson as manifested in the writing and complete rewriting of *Brother to Dragons*. He ruminates on the vocation of the critic as practiced by Lionel Trilling and Diana Trilling, and the literary and cultural politics of the 1930s. Brief portraits of Andrew Lytle and Louis D. Rubin, Jr., appear, as well as a poignant argument for the autobiographical cast of Eudora Welty's writing. A lengthy, riveting consideration of Simpson's friend Walker Percy and Percy's quest for identity as a modern Christian novelist alienated from the society around him forms the core of the volume. Fred Hobson's introduction fittingly rounds out *Imagining Our Time*, offering an intimate appreciation of Lewis Simpson—who will remain a giant among scholars of southern literary studies.

Freud: A Life for Our Time

A Hero Of Our Time

A coach is part teacher, part parent, part student, part mentor, and part guru. He must possess a stern hand and a comforting touch—and the wisdom to discern when each is needed. Each decision he makes is a part of a perilous high wire act that can propel a team forward or send a season tumbling downward. But when does a coach truly become a coach? Is it after some athletic director looks across the desk, offers his hand, and says, “Congratulations, you’ve got the job?” Is it after that first win? That first championship? Or is it when all those nagging questions in the back of the mind finally stop nagging? Scott Illiano, head baseball coach of the West Essex High School Knights, chronicles his incredible journey from waiter in a chain restaurant to veteran coach in *Our Time*. Discover how an unproven coach and a patchwork group of underdogs battle injuries, biting cold temperatures, and fierce competition in their quest to win the Greater Newark Tournament, the oldest and most prestigious baseball tournament in the state of New Jersey. Twenty kids and four coaches share a dream

Free Copy The End Of Our Time

and a whole lot of heart. Through their journey, in victory and defeat, struggle and success, readers will find out when a coach becomes a coach.

A Hero of Our Time

When My Time Comes

What you DON'T know - can kill you! End of All Things, the most powerful Book of our time, is a modern-day true story of God speaking verbally to two people. His reason? To announce His shocking new revelations exposing the world's big secrets, lies, and mysteries for the first time in history. Revealing: The cause and cure for Cancer! Solid, irrefutable new proof of how the Catholic Church has diabolically tricked all its members into worshipping Satan and cursing God and themselves! What happens during and after death. Financial success. Faith healing. Demons and personal exorcism. Breaking the Bermuda Triangle mystery. The Anti Christ. How science is killing us. UFO's, and where they come from. When the end of the world began! When the Rapture began! Other human life forms. Precisely why

Free Copy The End Of Our Time

killers kill. An electric car never needing a plug-in - never needing gasoline? And much more. Forget about personal opinions and theories. This is the truth of God's second Book! This most powerful Book of our time, was written by Fred May; a retired Los Angeles television producer-director-announcer. Formerly a successful radio disc jockey, he was also a prominent hard-hitting news commentator on the number one radio station in Los Angeles. Fred worked with and interviewed many celebrities; from presidents to superstars. End of All Things is shockingly revealing, boldly blunt, witty, adventurous, poetic, and soaringly-beautiful. Please refer to my video for more information: "End of All Things"

Imagining Our Time

From Diane Rehm, renowned radio host--one of the most trusted voices in the nation--and best-selling author: a book of candor and compassion, addressing the urgent, hotly contested cause of the Right-to-Die movement, of which she is one of our most inspiring champions. Soon to be a public television documentary of the same name, featuring the author. Through interviews with terminally ill patients, and with physicians, ethicists, spouses, relatives, and representatives of those who vigorously oppose the movement, Rehm gives voice to a broad

Free Copy The End Of Our Time

range of people who are personally linked to the realities of medical aid in dying. The book presents the fervent arguments--both for and against--that are propelling the current debates across the nation about whether to adopt laws allowing those who are dying to put an end to their suffering. With characteristic even-handedness, Rehm skillfully shows both sides of the argument, providing the full context for this highly divisive issue. With a highly personal foreword by John Grisham, *When My Time Comes* is a response to many misconceptions and misrepresentations of end-of-life care; it is a call to action--and to conscience--and it is an attempt to heal and soothe our hearts, reminding us that death, too, is an integral part of life.

Our Time Has Come

'After all that - how, you might wonder, could one not become a fatalist?' Lermontov's hero, Pechorin, is a young army officer posted to the Caucasus, where his adventures - amorous and reckless - do nothing to alleviate his boredom and cynicism. World-weary and self-destructive, Pechorin is alienated from those around him yet he is full of passion and romantic ardour, sensitive as well as arrogant. His complex, contradictory character dominates *A Hero of Our Time*, the

Free Copy The End Of Our Time

first great Russian novel, in which the intricate narrative unfolds episodically, transporting the reader from the breathtaking terrain of the Caucasus to the genteel surroundings of spa resorts. Told in an engaging yet pointedly ironic style, the story expresses Lermontov's own estrangement from the stifling conventions of bourgeois society and the oppression of Russian autocracy, but it also captures a longing for freedom through acts of love and bravery. This new edition also includes Pushkin's *Journey to Arzrum*, in which Pushkin describes his own experiences of Russia's military campaigns in the Caucasus and which provides a fascinating counterpoint to Lermontov's novel. ABOUT THE SERIES: For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, helpful notes to clarify the text, up-to-date bibliographies for further study, and much more.

The End of Our Time

An international economic advisor shares a wide-spectrum theory about how to enable economic success throughout the world, posing solutions

Free Copy The End Of Our Time

to top political, environmental, and social problems that contribute to poverty.

THE END OF TIMES:THE WHISPERER BOOK I

Unveiling the End Times in Our Time

This compelling book is a deeply informed reflection on the nature of historical and scientific knowledge. Renowned historian John Lukacs asserts that now, even at the end of the modern age, our understanding of the universe is based on what we fallible human beings have imagined and defined in a historical continuum; it is religion that is the source of the highest form of knowledge.

A Lesson for Our Times

Memories: Blood, Sweat, and Fears And a Little Bit More is a collection of actual experiences, some tragedies, some heartfelt emotions, and even some humorous stories that have become lasting and lifelong memories for the writer. The components blood, sweat, and

Free Copy The End Of Our Time

fears play a pivotal role in this author's storage of memories. She has shared intimate personal experiences where blood, sweat, and fears were an intricate part in creating these memories. She has captured these components and written about her experiences in a simple, southern style, as if the reader is sitting there with the writer as she tells her stories.

Our Turn Our Time

At the End of an Age

1968. Steve's older brother has just broken the news that he's quit college to enlist in the army. Before David departs for Vietnam in September, their father decides to send the brothers on a canoe trip down the Susquehanna River. Steve knows that David isn't happy about the plan, and he's not looking forward to being trapped with his swaggering, tough-guy brother either. "Look out for each other!" is the last thing they hear Dad shout as they round a bend out of sight, David in the rear, controlling the canoe. At first narrow and quiet as a stream, the river soon grows wider and more complicated, carrying

Free Copy The End Of Our Time

the boys through gritty small-town America on a journey that pushes their adversarial relationship into new territory. There is no map or guide for this trip: just two brothers going forward, navigating the twists and turns of the river, learning to fight for each other. In this lyrical first novel, Don Brown tells the powerful story of two brothers coming of age in a challenging time.

The End of Our Time, Together with an Essay on The General Line of Soviet Philosophy

Instant New York Times Best-seller From the world-renowned physicist and best-selling author of *The Elegant Universe* comes a captivating exploration of deep time and humanity's search for purpose. "Few humans share Greene's mastery of both the latest cosmological science and English prose." —The New York Times (notable book of 2020) *Until the End of Time* is Brian Greene's breathtaking new exploration of the cosmos and our quest to find meaning in the face of this vast expanse. Greene takes us on a journey from the big bang to the end of time, exploring how lasting structures formed, how life and mind emerged, and how we grapple with our existence through narrative, myth, religion, creative expression, science, the quest for truth, and a

Free Copy The End Of Our Time

deep longing for the eternal. From particles to planets, consciousness to creativity, matter to meaning—Brian Greene allows us all to grasp and appreciate our fleeting but utterly exquisite moment in the cosmos.
