The Greater Journey Americans In

Thomas Jefferson believed Native American peoples to be a noble race who were "in body and mind equal to the whiteman" and were endowed with an innate moral sense and a marked capacity for reason. Nevertheless, he believed that Native Americans were culturally and technologically inferior. Like many contemporaries, he believed that Indian lands should be taken over by white people.

Home - Urban League

Irish Americans steadily made inroads into American life and even fielded presidential candidates. World War II were descended from recent immigrants, such as the nearly one million Italian Americans who served in the Armed Forces. In many ways, during the postwar era integration became the catchword for foreign-born Americans and their children.

Native Americans and Alcoholism | Statistics, Causes & Help

Ecstasy is the popular name for the illicit, recreational drug 3,4-methylenedioxymethamphetamine or MDMA. It is known by many other terms including “ Molly, ” “ E, ” and “ X. ” History of Ecstasy. Anton Kollisch, a chemist at the pharmaceutical company Merck, first discovered MDMA in Germany in 1912.

A Guide to Drug Addiction & Recovery for African Americans

3 The suicide rate among Native American teens is 2.5 times greater than the national average. 3 Native Americans also have high rates of co-occurring disorders, which refers to having both a mental illness and a substance abuse problem. 3 Having a mental illness or having a loved one suffer from one can cause a great deal of distress.

Try to develop courage and patience in yourself to help you in the journey. Also, if you practice bearing small slights against you without lashing out, you give a gift to everyone—not only to the other person, but to everyone whom that person may harm in the future because of your anger. You can help end the cycle of inflicting pain on others.

Laotian Americans are Americans who trace their ancestry to Laos. Laotian Americans are included in the larger category of Asian Americans. The major immigrant generation were generally refugees who escaped Laos during the warfare and disruption of the 1970s, and entered refugee camps in Thailand across the Mekong River. They emigrated to the United States during the late 1970s and throughout the

Two Rice County broadband projects earn \$400,000 in state

The concept of Yugoslavia, as a single state for all South Slavic peoples, emerged in the late 17th century and gained prominence through the Illyrian Movement of the 19th century. The name was created by the combination of the Slavic words "jug" (south) and "slaveni" (Slavs). Yugoslavia was the result of the Corfu Declaration, as a joint project of the Slovene and Croatian intellectuals and
