Alexander the Great in the Middle Ages

The Alexander Romance by Ps.-Callisthenes is a historical commentary on a third century AD Greek fictional biography of Alexander the Great, the anonymous *Historia Alexandri Magni*. The text is used as a source for the Ancient History of Greece, Macedonia and Egypt.

The Medieval Alexander

The Romance of Alexander and Roxana

Alexander the Great (356-333 BC) was to capture the imagination of his contemporaries and future generations. His image abounds in various cultures and literatures - Eastern and Western - and spread around the globe through oral and literary media at an astonishing rate during late antiquity and the early Islamic period. The first *Iskandarnama*, or 'The Book of Alexander', now held in a private collection in Tehran, is

Read Free The Medieval Romance Of Alexander The Deeds And Conquests Of Alexander The Great

the oldest prose version of the Alexander romance in the Persian tradition. Thought to have been written at some point between the eleventh and fourteenth centuries by an unknown author, the lively narrative recasts Alexander as Iskandar, a Muslim champion - a king and prophet, albeit flawed but heroic, and remarkably appropriated to Islam, though the historic Alexander lived and died some 1,000 years before the birth of the faith. This new English translation of the understudied text is the first to be presented unabridged and sheds fresh light onto the shape and structure of this vital document. In so doing it invites a reconsideration of the transformation of a Western historical figure - and one-time mortal enemy of Persia - into a legendary hero adopted by Iranian historiographic myth-making. Evangelos Venetis, the translator, also offers a textual analysis, providing much-needed context and explanations on both content and subsequent reception. This landmark publication will be invaluable to students and scholars of classical Persian literature, ancient and medieval history and Middle East studies, as well as to anyone studying the Alexander tradition.

considered a masterpiece of Persian literature and the primary source for the Alexander stories of both the Middle East and Europe.

Medieval Narratives of Alexander the Great

Join New York Times bestselling author Brenda Joyce for an epic story of undying love and forbidden desire in the Highlands... When Rivalry Becomes Passion With warfare blazing through Scotland, the fate of the Comyn-MacDougall legacy depends on one woman. Recently orphaned, young Margaret Comyn must secure her clan's safety through an arranged marriage. But when an enemy invasion puts her at the mercy of the notorious Wolf of Lochaber, her every loyalty—and secret want—will be challenged. And a Kingdom Is at Stake Legendary warrior Alexander "the Wolf" MacDonald rides with Robert Bruce to seize the throne of Scotland. But when he takes the fiery Lady Margaret prisoner, she quickly becomes far more than a valuable hostage. For the passion between them threatens to betray their families, their country...and their hearts.

A Companion to Alexander Literature in the Middle Ages

Alexander the Great of Macedon was no

Read Free The Medieval Romance Of Alexander The Deeds And Conquests Of Alexander The Great

stranger to controversy in his own time. Conqueror of the Greek states, of Egypt and of the Persian Empire as well as many of the principalities of the Indus Valley, he nevertheless became revered as well as vilified. Was he a simply a destroyer of the ancient civilizations and religions of these regions, or was he a hero of the Persian dynasties and of Islam? The conflicting views that were taken of him in the Middle East in his own time and the centuries that followed are still reflected in the tensions that exist between east and west today. The story of Alexander became the subject of legend in the medieval west, but was perhaps even more pervasive in the east. The Alexander Romance was translated into Syriac in the sixth century and may have become current in Persia as early as the third century AD. From these beginnings it reached into the Persian national epic, the Shahnameh, into Jewish traditions, and into the Quran and subsequent Arab romance. The papers in this volume all have the aim of deepening our understanding of this complex development. If we can understand better why Alexander is such an important figure in both east and west, we shall be a little closer to understanding what unites two often antipathetic worlds. This volume collects the papers delivered at the conference of the same title held at the University of Exeter from July 26-29 2010. More than half the papers were by invited speakers and were designed to provide a

Investigations into the heroic - or not - behaviour of the protagonists of medieval romance.

Alexander the Great in the Persian Tradition

Empire of Magic offers a genesis and genealogy for medieval romance and the King Arthur legend through the history of Europe's encounters with the East in crusades, travel, missionizing, and empire formation. It also produces definitions of "race" and "nation" for the medieval period and posits that the Middle Ages and medieval fantasies of race and religion have recently returned. Drawing on feminist and gender theory, as well as cultural analyses of race, class, and colonialism, this provocative book revises our understanding of the beginnings of the nine hundred-year-old cultural genre we call romance, as well as the King Arthur legend. Geraldine Heng argues that romance arose in the twelfth century as a cultural response to the trauma and horror of taboo acts -- in particular the cannibalism committed by crusaders on the bodies of Muslim enemies in

Read Free The Medieval Romance Of Alexander The Deeds And Conquests Of Alexander The Great

Syria during the First Crusade. From such encounters with the East, Heng suggests, sprang the fantastical episodes featuring King Arthur in Geoffrey of Monmouth's chronicle *The History of the Kings of England*, a work where history and fantasy collide and merge, each into the other, inventing crucial new examples and models for romances to come. After locating the rise of romance and Arthurian legend in the contact zones of East and West, Heng demonstrates the adaptability of romance and its key role in the genesis of an English national identity. Discussing Jews, women, children, and sexuality in works like the romance of Richard Lionheart, stories of the saintly Constance, Arthurian chivalric literature, the legend of Prester John, and travel narratives, Heng shows how fantasy enabled audiences to work through issues of communal identity, race, color, class and alternative sexualities in socially sanctioned and safe modes of cultural discussion in which pleasure, not anxiety, was paramount. Romance also engaged with the threat of modernity in the late medieval period, as economic, social, and technological transformations occurred and awareness grew of a vastly enlarged world beyond Europe, one encompassing India, China, and Africa. Finally, Heng posits, romance locates England and Europe within an empire of magic and knowledge that surveys the world and makes it intelligible -- usable -- for the future.

Read Free The Medieval Romance Of Alexander The Deeds And Conquests Of Alexander The Great

Empire of Magic is expansive in scope, spanning the eleventh to the fifteenth centuries, and detailed in coverage, examining various types of romance -- historical, national, popular, chivalric, family, and travel romances, among others -- to see how cultural fantasy responds to changing crises, pressures, and demands in a number of different ways. Boldly controversial, theoretically sophisticated, and historically rooted, Empire of Magic is a dramatic restaging of the role romance played in the culture of a period and world in ways that suggest how cultural fantasy still functions for us today.

Brill's Companion to the Reception of Alexander the Great

Walter of Châtillon's Latin epic on the life of Alexander the Great was a twelfth- and thirteenth-century "best-seller:" scribes produced over two hundred manuscripts. The poem follows Alexander from his first successes in Asia Minor, through his conquest of Persia and India, to his progressive moral degeneration and his poisoning by a disaffected lieutenant. The *Alexandreis* exemplifies twelfth-century discourses of world domination and the exoticism of the East. But at the same time it calls such dreams of mastery into question, repeatedly undercutting as it does Alexander's claims to

Read Free The Medieval Romance Of Alexander The Deeds And Conquests Of Alexander The Great

heroism and virtue and by extension, similar claims by the great men of Walter's own generation. This extraordinarily layered and subtle poem stands as a high-water mark of the medieval tradition of Latin narrative literature. Along with David Townsend's revised translation, this edition provides a rich selection of historical documents, including other writings by Walter of Châtillon, excerpts from other medieval Latin epics, and contemporary accounts of the foreign and "exotic."

Romance and Reason

Elizabeth Wydeville, Queen consort to Edward IV, has traditionally been portrayed as a scheming opportunist. But was she a cunning vixen or a tragic wife and mother? As this extraordinary biography shows, the first queen to bear the name Elizabeth lived a tragedy, love, and loss that no other queen has since endured. This shocking revelation about the survival of one woman through vilification and adversity shows Elizabeth as a beautiful and adored wife, distraught mother of the two lost Princes in the Tower, and an innocent queen slandered by politicians.

The themes of magic and the supernatural in medieval romance are here fully explored and put into the context of thinking at the time in this first full study of the subject.

Les Faicts Et Les Conquestes D'Alexandre Le Grand

The corpus of Palaiologan romances consists of about a dozen works of imaginative fiction from the thirteenth to the fifteenth centuries which narrate the trials and tribulations of aristocratic young lovers. This volume brings together leading scholars of Byzantine literature to examine the corpus afresh and aims to be the definitive work on the subject, suitable for scholars and students of all levels. It offers interdisciplinary and transnational approaches which demonstrate the aesthetic and cultural value of these works in their own right and their centrality to the medieval and early modern Greek, European and

Read Free The Medieval Romance Of Alexander The Deeds And Conquests Of Alexander The Great

Mediterranean literary traditions. From a historical perspective, the volume also emphasizes how the romances represent a turning point in the history of Greek letters: they are a repository of both ancient and medieval oral poetic and novelistic traditions and yet are often considered the earliest works of Modern Greek literature.

A Rose in the Storm

Drawing on decades of research on Alexander literature from all over the world, this book is bound to become a medievalist's best companion. It studies Alexander romances from the East and the West in literary form and content.

Magic and the Supernatural in Medieval English Romance

Explores the significance of Alexander the Great in French medieval literature and culture.

The Alexander Romance in Persia and the East

In the Middle Ages, the life story of Alexander the Great was a well-traveled tale. Known in numerous versions, many of them derived from the ancient Greek Alexander

Read Free The Medieval Romance Of Alexander The Deeds And Conquests Of Alexander The Great

Romance, it was told and re-told throughout Europe, India, the Middle East, and Central Asia. The essays collected in *Alexander the Great in the Middle Ages* examine these remarkable legends not merely as stories of conquest and discovery, but also as representations of otherness, migration, translation, cosmopolitanism, and diaspora. Alongside studies of the Alexander legend in medieval and early modern Latin, English, French, German, and Persian, *Alexander the Great in the Middle Ages* breaks new ground by examining rarer topics such as Hebrew Alexander romances, Coptic and Arabic Alexander materials, and early modern Malay versions of the Alexander legend. Brought together in this wide-ranging collection, these essays testify to the enduring fascination and transcultural adaptability of medieval stories about the extraordinary Macedonian leader.

Medieval Romance and Material Culture

As the first study of the manuscripts and readership of the earliest surviving romance of Alexander the Great in England, this book discusses each codex and its unique text informed by current attitudes towards Alexander and examines his reception as a model of imperial authority or failure.

The Exploitations of Medieval Romance

Read Free The Medieval Romance Of Alexander The Deeds And Conquests Of Alexander The Great

The Alexander Romance is a difficult text to define and to assess justly. From its earliest days it was an open text, which was adapted into a variety of cultures with meanings that themselves vary, and yet seem to carry a strong undercurrent of homogeneity: Alexander is the hero who cannot become a god, and who encapsulates the desires and strivings of the host cultures. The papers assembled in this volume, which were originally presented at a conference at the University of Wrocław, Poland, in October 2015, all face the challenge of defining the Alexander Romance. Some focus on quite specific topics while others address more overarching themes. They form a cohesive set of approaches to the delicate positioning of the text between history and literature. From its earliest elements in Hellenistic Egypt, to its latest reworkings in the Byzantine and Islamic Middle East, the Alexander Romance shows itself to be a work that steadily engages with such questions as kingship, the limits of human (and Greek) nature, and the purpose of history. The Romance began as a history, but only by becoming literature could it achieve such a deep penetration of east and west.

The Alexander Romance by Ps.-Callisthenes

This story of love and adventure follows the career of Alexander the Great. The romance was suggested by studies of the times of Philip of Macedon and Alexander, and it was because of the interest it excited, and not a

Read Free The Medieval Romance Of Alexander The Deeds And Conquests Of Alexander The Great

desire to write an historical romance, that they had their origin. The novel is followed by a chapter giving an historical account of the life and deeds of the heroic prince during the period covered by the love story. The romantic love of Alexander for Roxana has interested mankind for two thousand years, and will continue to interest it as long as the world lasts. Scarcely less interesting are the picturesque events connected with the tragic lives of Darius, the Persian king, and his beautiful Queen, Statira, of which this story has much to say. The romance deals with the lives of many exalted men and women, not because they are exalted or of historical interest, but that they form a part of the love story. The romantic nature of Alexander's life and conquests makes his history in itself as interesting as the most absorbing novel.

The Alexander Romance

Alexander the Great (356-333 BC) was transformed into a legend by all those he met, leaving an enduring tradition of romances across the world. Aside from its penetration into every language of medieval Europe, the Alexander romance arguably had its greatest impact in the Persian language. Haila Manteghi here offers a complete survey of that deep tradition, ranging from analysis of classical Persian

Read Free The Medieval Romance Of Alexander The Deeds And Conquests Of Alexander The Great

poetry to popular romances and medieval Arabic historiography. She explores how the Greek work first entered the Persian literary tradition and traces the development of its influence, before revealing the remarkable way in which Alexander became as central to the Persian tradition as any other hero or king. And, importantly, by focusing on the often-overlooked early medieval Persian period, she also demonstrates that a positive view of Alexander developed in Arabic and Persian literature before the Islamic era. Drawing on an impressive range of sources in various languages - including Persian, Arabic and Greek - Manteghi provides a profound new contribution to the study of the Alexander romances. Beautifully written and with vibrant literary motifs, this book is important reading for all those with an interest in Alexander, classical and medieval Persian history, the early Islamic world and classical reception studies.

Medievalism

Darius III ruled over the Persian Empire and was the most powerful king of his time, yet he remains obscure. In the first book devoted to the historical memory of Darius III, Pierre Briant describes a man depicted in ancient sources as a decadent Oriental who lacked Western masculine virtues and was in every way the opposite of Alexander the

Medieval French Alexander, The

The reader is presented here with a study of the text of a Hebrew manuscript which is a medieval version of the Alexander Romance or the legendary history of Alexander the Great. The Hebrew text in this unique manuscript, known as MS London, is a translation of the *Historia de Preliis Alexandri Magni*, a widespread Latin version on the Alexander Romance. The Latin text was very useful for establishing an almost complete text of the London version and for identifying names and terms. A comparison of our text with other Hebrew sources on Alexander was of similar help in establishing a correct reading. The introduction which precedes the text and the English translation offers a survey of research into the history and development of Alexander traditions in Greek, Latin and Hebrew literature as well as a detailed analysis of the present text concerning its language, style and themes. This study is concluded by selective notes to the text and indices on personal and geographical names and foreign terms with their Latin equivalents.

Alexander the Great

Mystery surrounds the parentage of Alexander,

Read Free The Medieval Romance Of Alexander The Deeds And Conquests Of Alexander The Great

the prince born to Queen Olympias. Is his father Philip, King of Macedonia, or Nectanebo, the mysterious sorcerer who seduced the queen by trickery? One thing is certain: the boy is destined to conquer the known world. He grows up to fulfil this prophecy, building a mighty empire that spans from Greece and Italy to Africa and Asia. Begun soon after the real Alexander's death and expanded in the centuries that followed, The Greek Alexander Myth depicts the life and adventures of one of history's greatest heroes - taming the horse Bucephalus, meeting the Amazons and his quest to defeat the King of Persia. Including such elements of fantasy as Alexander's ascent to heaven borne by eagles, this literary masterpiece brilliantly evokes a lost age of heroism.

Darius in the Shadow of Alexander

Written sometime in the 1170s, Walter of Chatillon's Latin epic on the life of Alexander the Great loomed as large on literary horizons as the works on Jean de Meun, Dante, or Boccaccio. Within a few decades of its composition, the poem had become a standard text of the literary curriculum. Virtually all authors of the thirteenth through fifteenth centuries knew the poem. And an extraordinary two hundred surviving manuscripts, elaborately annotated, attest both to the popularity of the

The Greek Alexander Romance

Perceforest is one of the largest and certainly the most extraordinary of the late Arthurian romances, and is almost completely unknown except to a handful of scholars. But it is a work of exceptional richness and importance, and has been justly described as "an encyclopaedia of 14th-century chivalry" and "a mine of folkloric motifs". Its contents are drawn not only from earlier Arthurian material, but also from romances about Alexander the Great, from Roman histories and from medieval travel writing - not to mention oral tradition, including as it does the first and unexpurgated version of the story of the Sleeping Beauty. Out of

Read Free The Medieval Romance Of Alexander The Deeds And Conquests Of Alexander The Great

this, the author creates a remarkable prehistory of King Arthur's Britain, describing how Alexander the Great gives the island to Perceforest, who has to purge the island of magic-wielding knights descended from Darnant the Enchanter, despite their supernatural powers. Perceforest then founds the knightly order of the "Franc Palais", an ideal of chivalric civilisation which prefigures the Round Table of Arthur and indeed that of Edward III; but that civilisation is, as the author shows, all too fragile. The action all takes place in a pagan world of many gods, but the temple of the Sovereign God, discovered by Perceforest, prefigures the Christian world and the coming of the Grail and Arthur. Nigel Bryant has recently adapted this immense romance into English; even in his version, which gives a complete account of the whole work but links extensive sections of full translation with compressed accounts of other passages, it runs to nearly half a million words. A Perceforest Reader is an ideal introduction to the remarkable world portrayed in this late flowering of the Arthurian imagination.

Medieval Romance, Medieval Contexts

Now reissued in an updated paperback edition, this groundbreaking account of the Medieval Revival movement examines the ways in which the style of the medieval period was re-established in post-Enlightenment England—from Walpole and Scott, Pugin, Ruskin, and Tennyson to Pound, Tolkien, and Rowling. “Medievalism . . . takes a panoramic view of the ‘recovery’ of the Medieval in English literature, visual arts and culture. . . . Ambitious, sweeping, sometimes idiosyncratic, but always interesting.”—Rosemary Ashton, *Times Literary Supplement* “Deeply researched and stylishly written, Medievalism is an unalloyed delight that will instruct and amuse a wide readership.”—Edward Short, *Books & Culture*

A Dictionary of Medieval Romance and Romance Writers

The Alexander Romance, a fabulous pseudo-history of the life of Alexander the Great compiled in late Antiquity, was one of the most popular secular texts in Europe during the Middle Ages. Its subsequent influence on the development of French and German literature has been significant. Professor Ross was a leading authority on the history and transmission of the Latin and French versions of the Romance, and his work has

Read Free The Medieval Romance Of Alexander The Deeds And Conquests Of Alexander The Great

done much to clarify the spread of the Alexander legend in medieval European literature. This volume brings together all of David Ross's papers on the Alexander Romance, dealing separately with the Latin versions and their French and German reworkings. These include the first publication of a number of original texts in Latin and in German. There is also a valuable section on the development of the accompanying picture-cycle to the Romance, which derives from late-antique sources.

The Persian Alexander

Published posthumously, Cary's study on the perception of Alexander the Great in the Middle Ages, was edited by D. J. A. Ross.

Medieval French Alexander, The

Within a century of the Arab Muslim conquest of vast territories in the Middle East and North Africa, Islam became the inheritor of the intellectual legacy of classical antiquity. In an epochal cultural transformation between the eighth and tenth centuries CE, most of what survived in classical Greek literature and thought was translated from Greek into Arabic. This translation movement, sponsored by the ruling Abbasid dynasty, swiftly blossomed into the creative expansion and reimagining of

Read Free The Medieval Romance Of Alexander The Deeds And Conquests Of Alexander The Great

classical ideas that were now integral parts of the Islamic tradition. Romance and Reason, the lavishly illustrated catalogue accompanying the exhibition of the same name at New York University's Institute for the Study of the Ancient World, explores the breadth and depth of Islamic engagement with ancient Greek thought. Drawing on manuscripts and artifacts from the collections of the National Library of Israel and prominent American institutions, the catalogue's essays focus on the portrayal of Alexander the Great as ideal ruler, mystic, lover, and philosopher in Persian poetry and art, and how Islamic medicine, philosophy, and science contended with and developed the classical tradition. Contributors include Roberta Casagrande-Kim, Leigh Chipman, Steven Harvey, Y. Tzvi Langermann, Rachel Milstein, Julia Rubanovich, Samuel Thrope, and Raquel Ukeles. The core of this book on the French verse Alexander in France and Italy was written by eminent Alexander specialist David J.A. Ross, who left an incomplete typescript at his death. The baton was taken up by an international team of specialists in medieval literature and art history, Maud Perez-Simon, author of *Les manuscrits du Roman d'Alexandre en prose*, and Alison Stones, author of *Manuscripts Illuminated in France: Gothic Manuscripts 1260-1320*. In its emphasis on illustration, this book complements the volumes of the Alexander Redivivus series and offers new perspectives on the reception of one of the most popular medieval heroes of history and legend. It forms a sequel to Ross's collected essays and his *Illustrated Medieval Alexander-Books in Germany and the Netherlands*, to the work of the editors in the field of medieval manuscripts, and to vol. 1 in the *Manuscripta Illuminata* series, on the illustrations of Valerius Maximus in French.
