The ultimate rapid language-learning guide! For those who've despaired of ever learning a foreign language, here, finally, is a book that will make the words stick. At thirty years old, Gabriel Wyner speaks six languages fluently. He didn't learn them in school -- who does? -- rather, he learned them in the past few years, working on his own and practicing on the subway, using simple techniques and free online resources. In *Fluent Forever* Wyner reveals what he's discovered. The greatest challenge to learning a foreign language is the challenge of memory; there are just too many words and too many rules. For every new word we learn, we seem to forget two old ones, and as a result, fluency can seem out of reach. *Fluent Forever* tackles this challenge head-on. With empathy for the language-challenged and abundant humor, Wyner deconstructs the learning process, revealing how to build a foreign language in your mind from the ground up. Starting with pronunciation, you'll learn how to rewire your ears and turn foreign sounds into familiar sounds. You'll retrain your tongue to produce those sounds accurately, using tricks from opera singers and actors. Next, you'll begin to tackle words, and connect sounds and spellings to imagery, rather than translations, which will enable you to think in a foreign language. And with the help of sophisticated spaced-repetition techniques, you'll be able to memorize hundreds of words a month in minutes every day. Soon, you'll gain the ability to learn grammar and more difficult abstract words--without the tedious drills and exercises of language classes and grammar books. This is brain hacking at its most exciting, taking what we know about

neuroscience and linguistics and using it to create the most efficient and enjoyable way to learn a foreign language in the spare minutes of your day.

Winner of the William Hill Sports Book of the Year, 2020 - the inside story of the Russian doping programme by the man behind it all The full story behind Oscar award-winning Icarus One of the Financial Times's 'Fifty people who shaped the decade' 'The biggest sports scandal the world has ever seen' In 2015, Russia's Anti-Doping Centre was suspended by the World Anti-Doping Agency (WADA) following revelations of an elaborate state-sponsored doping programme at the 2014 Sochi Winter Olympics. Involving a nearly undetectable steroid delivery system known as 'Duchesse cocktail', tampering and switching of urine samples, and a complex state-sanctioned cover-up, the programme was masterminded by Grigory Rodchenkov. The Rodchenkov Affair tells the full, unadulterated story that was first glimpsed in Bryan Fogel's award-winning documentary and still continues to captivate and shock the world. Charting the author's childhood growing up under the Iron Curtain, his first encounter with doping as a 22-year-old student athlete at Moscow State University, and his subsequent career working for the Soviet Olympic Committee, this breathtakingly candid journey reveals a rigged system of flawed individuals, brazen deceit and impossible moral choices.

the grounds of its length. It was originally serialized in the February, March, and April 1936 issues of *Astounding Stories*. It has been reproduced in numerous collections. The story details the events of a disastrous expedition to the Antarctic continent in September 1930, and what was found there by a group of explorers led by the narrator, Dr. William Dyer of Miskatonic University. Throughout the story, Dyer details a series of previously untold events in the hope of deterring another group of explorers who wish to return to the continent.

A masterful tale set in post-Soviet Kiev that's both darkly-funny and ominous In the widely hailed prequel to Penguin Lost, aspiring writer Viktor Zolotaryov leads a down-and-out life in poverty-and-violence-wracked Kiev—he's out of work and his only friend is a penguin, Misha, that he rescued when the local zoo started getting rid of animals. Even more nerve-wracking: a local mobster has taken a shine to Misha and wants to keep borrowing him for events. But Viktor thinks he's finally caught a break when he lands a well-paying job at the Kiev newspaper writing "living obituaries" of local dignitaries—articles to be filed for use when the time comes. The only thing is, it seems the time always comes as soon as Viktor writes the article. Slowly understanding that his own life may be in jeopardy, Viktor also realizes that the only thing that might be keeping him alive is his penguin.

RUSSIAN FOR BEGINNER

The God Delusion caused a sensation when it was published in 2006. Within weeks it became the most hotly debated topic, with Dawkins himself branded as either saint or sinner for presenting his hard-hitting, impassioned rebuttal of religion of all types. His argument could hardly be more topical. While Europe is becoming increasingly secularized, the rise of religious fundamentalism, whether in the Middle East or Middle America, is dramatically and dangerously dividing opinion around the world. In America, and elsewhere, a vigorous dispute between 'intelligent design' and Darwinism is seriously undermining and restricting the teaching of science. In many countries religious dogma from medieval times still serves to abuse basic human rights such as women's and gay rights. And all from a belief in a God whose existence lacks evidence of any kind. Dawkins attacks God in all his forms. He eviscerates the major arguments for religion and demonstrates the supreme improbability of a supreme being. He shows how religion fuels war, foments bigotry and abuses children. The God Delusion is a brilliantly argued, fascinating polemic that will be required reading for anyone interested in this most emotional and important subject.

Modern Russian Grammar: A Practical Guide is an innovative reference guide to Russian, combining traditional and function-based grammar in a single volume. The Grammar is divided into two parts. Part A covers traditional grammatical categories such as agreement, nouns, verbs and adjectives. Part B is carefully organized around language functions covering all major communication situations. With a strong emphasis on contemporary usage, all grammar points and functions are richly illustrated with examples. Main features of the Grammar include: clear explanations emphasis on areas of particular difficulty for learners of Russian, such as numerals and verbs of motion extensive cross-referencing

**** ACCORDING TO BUSINESS INSIDER:** "Getting your MBA has never been easier. Haroun is one of the highest rated professors on Udemy, so you can expect to be in good hands through the course of your education." ****** This is the book version of the popular Udemy.com course called "An Entire MBA in 1 Course." From the Author of "101 Crucial Lessons They Don't Teach You in Business School," which Forbes magazine calls "1 of 6 books that all entrepreneurs need to read right now." This book will teach you everything you need to know about business. from starting a company to taking it public. Most business books are significantly outdated. This book leverages many online resources and makes the general business, accounting and finance process very easy to understand (and enjoyable too)! There are many incredibly engaging and entertaining video links in the book to YouTube and other sources; 'edutainment' works! Although this book is close to 400 pages, I tried to visualize the content of this book as much as possible as this is a more impactful and enjoyable way to learn

(think Pinterest versus the tiny words in the Economist)! The contents of this book are all based on my work experience at several firms, including Goldman Sachs, the consulting industry at Accenture, a few companies I have started, the hedge fund industry where I worked at Citadel and most recently, based on my experience at a prominent San Francisco based venture capital firm. I also included many helpful practical business concepts I learned while I did an MBA at Columbia University and a Bachelor of Commerce degree at McGill University. Think of this book as a "greatest hits" business summary from my MBA, undergraduate business degree, work experience in consulting, equities, hedge funds, venture capital and starting my own companies. As the title of this book suggests, this is an entire MBA in one book; it's also a practical manual to help you accomplish your business career goals. I have minimized "boring theoretical concepts" in this book in order to keep it as close to reality as possible. I hope you enjoy it! Infinite Jest

A gargantuan, mind-altering comedy about the Pursuit of Happiness in America Set in an addicts' halfway house and a tennis academy, and featuring the most endearingly screwed-up family to come along in recent fiction, Infinite Jest explores essential questions about what entertainment is and why it has come to so dominate our lives; about how our desire for entertainment affects our need to connect with other people; and about what the pleasures we choose say about who we are. Equal parts philosophical quest and screwball comedy, Infinite Jest bends every rule of fiction without sacrificing for a moment its own entertainment value. It is an exuberant, uniquely American exploration of the passions that make us human - and one of those rare books that renew the idea of what a novel can do. Colloquial Russian

An enchanting collection of the very best of Russian poetry, edited by acclaimed translator Robert Chandler together with poets Boris Dralyuk and Irina Mashinski. In the late eighteenth and early

nineteenth centuries, poetry's pre-eminence in Russia was unchallenged, with Pushkin and his contemporaries ushering in the 'Golden Age' of Russian literature. Prose briefly gained the high ground in the second half of the nineteenth century, but poetry again became dominant in the 'Silver Age' (the early twentieth century), when belief in reason and progress yielded once more to a more magical view of the world. During the Soviet era, poetry became a dangerous, subversive activity; nevertheless, poets such as Osip Mandelstam and Anna Akhmatova continued to defy the censors. This anthology traces Russian poetry from its Golden Age to the modern era, including work by several great poets - Georgy Ivanov and Varlam Shalamov among them - in captivating modern translations by Robert Chandler and others. The volume also includes a general introduction, chronology and individual introductions to each poet. Robert Chandler is an acclaimed poet and translator. His many translations from Russian include works by Aleksandr Pushkin, Nikolay Leskov, Vasily Grossman and Andrey Platonov, while his anthologies of Russian Short Stories from Pushkin to Buida and Russian Magic Tales are both published in Penguin Classics. Irina Mashinski is a bilingual poet and co-founder of the StoSvet literary project. Her most recent collection is 2013's *Ophelia i masterok* [Ophelia and the Trowel]. Boris Dralyuk is a Lecturer in Russian at the University of St Andrews and translator of many books from Russian, including, most recently, Isaac Babel's *Red Cavalry* (2014).
