### This is Not a Book

Take time to breathe. Take time to create. Take time to reflect, take time to let go. A book that 's unique in the way it mixes reading and doing, A Book That Takes Its Time is like a mindfulness retreat between two covers. Created in partnership with Flow, the groundbreaking international magazine that celebrates creativity, beautiful illustration, a love of paper, and life 's little pleasures, A Book That Takes Its Time mixes articles, inspiring quotes, and what the editors call "goodies" —bound-in cards, mini-journals, stickers, posters, blank papers for collaging, and more—giving it a distinctly handcrafted, collectible feeling. Read about the benefits of not multitasking, then turn to "The Joy of One Thing at a Time Notebook" tucked into the pages. After a short piece on the power of slowing down, fill in the designed notecards for a Beautiful Moments jar. Make a personal timeline. Learn the art of hand-lettering. Dig into your Beginner 's Mind. Embrace the art of quitting. Take the writing cure. And always smile. Move slowly and with intention through A Book That Takes Its Time, and discover that sweet place where life can be both thoughtful and playful.

How do you live with yourself when you decide who dies? Book One: Birthright Ava Parks would have killed for an iPhone for her sixteenth birthday. Anything would have been better than coming into her birthright of being a seeker for the Grim Reaper, an arrangement made by her fallen angel ancestor in exchange for his re-admittance to heaven. And she isn ’ t just any seeker—she finds souls that have the potential for becoming angels and sentences them to death. A year and two souls into her role as a seeker with her conscience overflowing with guilt, Ava comes up with a plan to thwart the system. When it goes awry, she is forced to submit the name of a classmate, Cole Fowler, an ornery, rough around the edges guy who always seems to come to her rescue, whether she likes it or not. Her feelings for Cole prompt her to intervene, and she saves him from death, upsetting the Grim Reaper ’ s agenda. While Ava schemes to find a way to save Cole, she learns he has some secrets of his own. She lets him believe he is protecting her, and not the other way around, until a final showdown with the Grim Reaper forces Ava to make choices Cole may never forgive. Book Two: Retribution Ava Parks ’ job as a seeker for the Grim Reaper is one she wouldn ’ t wish on anyone. It ’ s her responsibility to find souls with the potential to become angels. Last fall she learned the hard way that bucking the system has its own set of consequences, as her choices nearly killed the two people she cares about most—her mother and the boy she ’ s come to love, Cole. Now, Ava ’ s mother is fading fast. Her former handler—and the root of her problems—seems set on revenge. And Ava must confess to Cole the price he has to pay for her saving his life—a decision he may never forgive her for. Ava ’ s path to retribution is filled with twists, turns, and a whole heap of heartache. As problems mount and push her to the breaking point, she ’ s forced into the unthinkable, making her question everything she thought she knew about life, loyalty, and love.

Book Three: Sacrifice Still reeling from a recent debilitating loss, Ava is convinced she has nothing left to lose. She is proven wrong when she 's forced to cut herself off from the love of her life, Cole, in order to keep his new role as a seeker a secret. Without him by her side, Ava sets out to find other seekers and they help her embrace her new reality and better understand the system she 's entrenched in. As time passes though, nothing quells her need for vengeance against Xavier, her rogue former handler, who 's gone into hiding. Independence isn 't easy and tough choices await Ava at every turn. She must decide how much she 's willing to sacrifice to change her destiny—if she can change it at all.

Book Four: Redemption Since coming into her birthright of being a seeker for the Grim Reaper, Ava has made countless missteps trying to protect her loved ones, only to have it all backfire. Now she finally has the chance to settle the score with Xavier, the source of much of her misery, but sometimes revenge isn 't all it 's cracked up to be. Will she allow herself to take the vengeance she has thirsted for? Can she forgive herself if she doesn 't? Even worse, her enemies are after Cole, who hasn 't forgiven her leaving, and they 'll stop at nothing to find him. Ava is tired of the corruption and lies. Most of all, she 's done hiding. This time, she 's ready to rid herself—and the world—of the twisted handler-seeker system for good.
