Mythology Zeus's nurse. Both the early 3rd-century BC poet Callimachus, and the mid 3rd-century BC poet Apollonius of Rhodes, name Adrasteia (here possibly another name for Nemesis) as a nurse of the infant Zeus. According to Callimachus, Adrasteia, along with the ash-tree nymphs, the Meliae, laid Zeus "to rest in a cradle of gold", and fed him with honeycomb, and the milk of the goat Amaltheia.

The soul, according to Aristotle, is a grounding principle of sorts. It is the realization of life. The soul is the one thing that enables a body to engage in the necessary activities of life and they build upon one another. the more parts of the soul a being possesses, the more evolved and developed he is. the three types of soul are the nutritive soul, the sensible soul, and the rational soul.

*Notes about Greek mythology groups: ADDucation's list of greek group names is primarily compiled from the works of Hesiod (Theogony c700 BC) and Homer (Iliad and Odyssey 760-710 BC) because these authority sources are credited by ancient authors with establishing Greek religious customs. We have also referenced other sources, including later Roman sources, as indicated.
