Rick Warren is arguably the most influential man in American religion today. Megachurch pastor, friend of world leaders, and trend-setting spiritual entrepreneur, he is widely recognized as the new public face of evangelical Christianity in America. No other modern churchman has matched his success as a leader and motivator of Christians. His book, *The Purpose-Driven Life*, is the bestselling nonfiction hardcover of all time, with more than 25 million copies sold. At a time when evangelicalism stands at a political and cultural crossroads, his stature continues to rise. But who is Rick Warren? What can be learned from the story of the man behind the message? And what does his life say about the state of Christianity today? *Prophet of Purpose: The Life of Rick Warren* traces the road Warren has traveled, the influences in his life, his trials and temptations, and the opposition he has encountered along the way. Honest, thorough, and insightful, it explores his spiritual coming of age during the turbulent 1960s, his principled determination to sit out the divisive battles between fundamentalists and moderates in the Southern Baptist Convention in the late 1970s, and his audacious endeavor in the 1980s to build a "church for people who hate church" in the suburbs of Los Angeles. From a handful of worshippers meeting in a tiny apartment, he grew a vibrant congregation of over 22,000 and a

global network of pastors who follow his strategies for building churches and transforming lives. In this unofficial biography, Jeffery L. Sheler, who had unfettered access to Warren and those closest to him, presents an intimate portrait of Warren as a man of faith and vision but also of flesh and blood and human foibles—a pastor, communicator, philanthropist, and family man who is driven by a sense of divine purpose to complete the course his God has set before him. Prophet of Purpose brings Warren and his mission to life and provides a provocative glimpse into the potential future of Christianity in America. From the Hardcover edition.

Prophet

A concise and authentic account of the life of the Prophet Muhammad written by Yusuf Islam, formerly known as Cat Stevens.

The Prophet

Few political figures of the twentieth century have aroused such intensities of fierce admiration and reactionary fear as Russian revolutionary Leon Trotsky. His extraordinary life and extensive writings have left an indelible mark on the revolutionary consciousness. Yet there was once a danger that his life and influence would be relegated to the footnotes of history. Published over the course of ten years, beginning in 1954, Deutscher's magisterial three-volume biography turned back the tide of Stalin's propaganda, and has since been praised by everyone from Tony Blair to Graham Greene. In this definitive work, now reissued in a single volume, Trotsky's true stature emerges as the most heroic, and ultimately tragic, character of the Russian Revolution. From the Trade Paperback edition.

In the Footsteps of the Prophet

Joseph Smith was a prophet of God just like Abraham or Moses. But he wasn't always a prophet. He grew up like other farm boys did--working, playing, and growing up in a big family. But then God called him to do a mighty work. Joseph translated the Book of Mormon and organized the Lord's church. In the end, evil people killed him. This is his stor

What Life was Like in the Lands of the Prophet

Mohammed's life by a priest in India who worked from the earliest Islamic sources.

The Life of the Prophet Muhammad

Compiled in the 12th century AD by a prominent Egyptian scholar, this is the first volume in a full examination of the background, life and mission of the prophet Muhammad.

The Life of the Prophet Muhammad

A prophet has is about to board a ship home after 12 years in exile, when he is stopped by a group of people. His teachings to them, discussing love, marriage, crime, freedom and law among many other aspects of everyday life, form the 26 poetic essays of Gibran's work. The work has been a bestseller since its first publication.

Goodnight Stories from the Life of the Prophet Muhammad (Goodword)

A book on seerah, the life of the Prophet Muhammad, is always a unique study, in that the Prophet of Islam was the seal of the prophets and came to mankind to establish the divine religion in its original form. His life and his teachings, the touchstones of sublimity, faith and purity, have naturally been the subjects of extensive research. Since the advent of Islam, numerous valuable books have been written depicting his life and emphasizing the timelessness of his teachings. In this book on seerah, the author focuses on the continuing relevance of the Prophet's life and teachings in the contemporary context and endeavours to underline those aspects of the Prophet which have won the hearts of millions of people.

Lost Prophet

All Praise is due to Allah, the Lord of the Worlds, the [One Who] Sustains the Heavens and Earths, Director of all that is created, who sent the Messengers (may the peace and blessings of Allah be upon all of them) to rational beings, to guide them and explain the religious laws to them with clear proofs and undeniable arguments. I praise Him for all of His bounties. I ask Him to increase His Grace and Generosity. I bear witness that there is none worthy of worship except Allah alone, who has no partner, the One, Who Subdues, the Generous, the Forgiving. I bear witness that our leader Muhammad is His servant and Messenger, His beloved and dear one, the best of all creation. He was honoured with the Glorious Qur'an that has been an enduring miracle throughout the years. He was also sent with his guiding Sunnah that shows the way for those who seek guidance. Our leader Muhammad has been particularised with the characteristic of eloquent and pithy speech, and simplicity and ease in the religion. May the peace and blessings of Allah be upon him, the other Prophets and Messengers, all of their families and the rest of the righteous. NO Copyrights!!! This book can be printed or reproduced or utilized in any form or by any electronic, mechanical, or other means, now known or hereafter invented, including photocopying and recording, without permission from the publisher for the sake of spreading the True teachings of Islam.

The Prophet

Bayard Rustin is one of the most important figures in the history of the American civil rights movement. Before Martin Luther King, before Malcolm X, Bayard Rustin was working to bring the cause to the forefront of America's consciousness. A teacher to King, an international apostle of peace, and the organizer of the famous 1963 March on Washington, he brought Gandhi's philosophy of nonviolence to America and helped launch the civil rights movement. Nonetheless, Rustin has been largely erased by history, in part because he was an African American homosexual. Acclaimed historian John D'Emilio tells the full and remarkable story of Rustin's intertwined lives: his pioneering and public person and his oblique and stigmatized private self. It was in the tumultuous 1930s that Bayard Rustin came of age, getting his first lessons in politics through the Communist Party and the unrest of the Great Depression. A Quaker and a radical pacifist, he went to prison for refusing to serve in World War II, only to suffer a sexual scandal. His mentor, the great pacifist A. J. Muste, wrote to him, "You were capable of making the 'mistake' of thinking that you could be the leader in a revolution at the same time that you were a weakling in an extreme degree and engaged in practices for which there was no justification." Freed from prison after the war, Rustin threw himself into the early campaigns of the civil rights and anti-nuclear movements until an arrest for sodomy nearly destroyed his career. Many close colleagues and friends abandoned him. For years after, Rustin assumed a less public role even though his influence was everywhere. Rustin mentored a young and inexperienced Martin Luther King in the use of nonviolence. He planned strategy for the Southern Christian Leadership Conference until Congressman Adam Clayton Powell threatened to spread a rumor that King and Rustin were lovers. Not until Rustin's crowning achievement as the organizer of the 1963 March on Washington would he finally emerge from the shadows that homophobia cast over his career. Rustin remained until his death in 1987 committed to the causes of world peace, racial equality, and economic justice. Based on more than a decade of archival research and interviews with dozens of surviving friends and colleagues of Rustin's, *Lost Prophet* is a triumph. Rustin emerges as a hero of the black freedom struggle and a singularly important figure in the lost gay history of the mid-twentieth century. John D'Emilio's compelling narrative rescues a forgotten figure and brings alive a time of great hope and great tragedy in the not-so-distant past.

The Prophet

Provides an overview of life in the Islamic world from 570 to 1405.

The biography of the Prophet Muhammad. An easy and wonderful read.

The Life of Muhammad

By analyzing the Prophet's conduct in war and his measures for ensuring peace the misperception that Islam is inextricably linked with violence can be allayed. The major battles in the early history of Islam are studied in the wider context of Islamic teachings on war and peace, as are the Qur'anic verses which allow Muslims to wage war, if necessary.

The Prophet

The Life of Jehoshua, the Prophet of Nazareth

The Life and Work of the Prophet of Islam

Prophet Musa Ibn Imran known as Prophet Moses AS in the Bible, considered a prophet and messenger in Islam, is the most frequently mentioned individual in The Holy Quran, his name being mentioned 136 times. The Noble Quran states that Prophet Musa AS or Moses was sent by Allah SWT (God) to the Pharaoh of Egypt and his establishments and the Israelites for guidance and warning. Prophet Musa AS is mentioned more in The Holy Quran than any other individual, and his life is narrated and recounted more than that of any other prophet. According to Islam, all Muslims must have faith in every prophet (nabi) and messenger (rasul) which includes Prophet Musa AS (Moses) and his brother Prophet Aaron AS (Harun).

Children will get to know the prophet - including general facts about his life, his personality traits and his behaviors - inviting them to follow his steps and good habits. Included How It All Began The Children of Ishmael The Promise At Zamzam The Elephant Refuses To Move The Prophet Is Born A Time With Halimah The Orphan's Childhood The Prophet's Marriage The Coming of The Archangel Gabriel The First Muslimsr The King Who Believed The Cruelty of Quraysh The Year of Sorrow The Night Journey And The Ascent To Heaven The Treaty of 'Aqabah Al-Hijrah Arrival In Yathrib The Battle Of Badr Uhud-Defeat Comes From Disobedience The Battle Of The Trench The Treaty Of Hdaybiyah The Invitation Entry Into Mecca The Lesson Of Pride At The Valley Of Hunayn Tabuk-The Test Of Faith The Farewell Pilgrimage The Prophet's Death

The Prophet of Song

The life and legacy of one of Mohammad's closest confidants and Islam's patron saint: Ali ibn Abi Talib Ali ibn Abi Talib is arguably the single most important spiritual and intellectual authority in Islam after prophet Mohammad. Through his teachings and leadership as fourth caliph, Ali nourished Islam. But Muslims are divided on whether he was supposed to be Mohammad's political successor—and he continues to be a polarizing figure in Islamic history. Hassan Abbas provides a nuanced, compelling portrait of this towering yet divisive figure and the origins of sectarian division within Islam. Abbas reveals how, after Mohammad, Ali assumed the spiritual mantle of Islam to spearhead the movement that the prophet had led. While Ali's teachings about wisdom, justice, and selflessness continue to be cherished by both Shia and Sunni Muslims, his pluralist ideas have been buried under sectarian agendas and power politics. Today, Abbas argues, Ali's legacy and message stands against that of ISIS, Al-Qaeda, and Taliban.

The Life of Joseph Smith, the Prophet

Compiled in the fourteenth century AD by an eminent Syrian scholar, the al-Sira al-Nabawiyya by Ibn Kathir is a full examination, in chronological order, of the background, life and mission of the Prophet Muhammad, peace be upon him. Drawn from the earliest and most reliable Arabic sources, it offers, in this English translation, the fullest available account of the most significant historical circumstances and personalities in the founding of Islam. Ibn Kathir's work is a fine example of Islamic scholarship; the quotations and anecdotes that constitute its core are evaluated in terms of the trustworthiness of their sources. The various versions related through differing lines of transmission are noted, and Ibn Kathir gives both his own assessments and those of the earliest Islamic authorities concerning the likely authenticity of these records. The comments and conversations, derived from ancient texts, that are quoted in this work constitute the basis of our knowledge of Islam during the lifetime of its founder.

Life and Teachings of the Prophet Muhammad

Born in the mountains of northern Lebanon, Kahlil Gibran (1883-1931) - mystic, society philosopher, author of one of the most enduring works of the 20th century, The Prophet - immigrated to the United States in 1895. A gifted artist, who specialized in painting for some years before he turned to writing, Gibran - although initially spurned by those whose approval he sought - was in time beloved by a number of prominent avant-gardists and hobnobbed with the rich and famous of Henry James's turn-of-the-century Boston. He then set his sights on the bohemian world of Greenwich Village in its early heyday before World War I. Gibran is known for the peace and optimism that permeates his work. Paradoxically, however, his life was littered with personal tragedies, conflicted sexuality, and deep heartache. Robin Waterfield skillfully traces Gibran's development from wounded Romantic and angry young man to his final metamorphosis as the Prophet of New York and shows what influences- psychological, social, and literary - led to these various phases. In fact, the road to the extraordinary success of The Prophet was not smooth or peaceful and tragically, Gibran himself did not live to see the phenomenal sales the book subsequently

achieved. A complete reappraisal of all the remaining primary sources on Gibran's life and character, PROPHEET is a brilliant work that reveals this Svengali-like guru of the New Age as a deeply unhappy, even tortured man.
