The Sutton Hoo Story Encounters

What did the Sutton Hoo dig find? The 27-metre-long ship was the big find, and it contained the grave and ceremonial treasure of an Anglo-Saxon ruler from the seventh century. It's now thought to be the resting place of Raedwald, who died in around 624, and was intended as a vast monument visible from the river below.

This is the story of three well-meaning but flawed people: Paul Rivers, an ailing mathematician lovelessly married to an English émigré; Christina Peck, an upper-middle-class suburban housewife, happily married homemaker with two young daughters, with hiding a secret past; and Jack Jordan, an ex-convict who has found in his Christian faith

Snowflakes May Have Different Designs, But They Always

Panzer ace (tank ace) is a contemporary term used in English-speaking popular culture to describe highly decorated German tank ("panzer") commanders and crews during World War II. While the concept was not prevalent within the Wehrmacht, it was common in the Waffen-SS to reward its most successful personnel, as the organisation was far more attuned to the propaganda imperatives of Nazi Germany.
