In this essential book for any student of ThetaHealing, you'll learn: · the five vital steps of digging for beliefs · how to identify core beliefs and the 10 different approaches to change them · when it's appropriate to erase a belief, and when to use it as a springboard for positive change · common mistakes made in digging work and how to avoid them in your own practice With examples from Vianna's workshops, you'll soon be equipped with the right tools to dig for beliefs and enable deep, life-changing healing for yourself and others.

Metaphysical Anatomy

Providing a ground-breaking answer to the questions of how to solve the problems of cross-generational trauma, *Trauma Trails* moves beyond the rhetoric of victimhood, and provides inspiration for anyone concerned about Indigenous and non-Indigenous communities today.

Your Seven Energy Centers

For leaders at work, at home, and in our communities—an essential guide to nature-based leadership inspired by the wisdom of indigenous teachings and horses. Is there a common element to the challenges and crises of our modern age? If so, it must be disconnection—from each other, our planet, and the sense that our lives have purpose and meaning. Where can we turn for answers? In *Flying Lead Change*, leadership teacher Kelly Wendorf offers a new approach to leading and living inspired by two profound sources of ancient wisdom: original peoples and *Equus* (the horse), grounded in evidence-based principles of neuroscience. In her groundbreaking EQUUS training program, Wendorf teaches a way of leadership modeled on a 56 million-year-old system of the horse herd—a path that has allowed humans and horses alike to survive the kinds of global and societal threats we now face, such as climate change and mass extinction. Here she takes you step by step through this powerful approach, including:

- Listening—the starting point for all leadership, in which we suspend our biases and preferences
- Care—explore the ancient, indigenous understanding of care that is reciprocal, empathic, and beneficial to all
- Presence—meeting the here and now with vulnerability, openness, and a stable foundation
- Safety—how a masterful leader creates a sense of group resilience and strength by “leading from behind” for the welfare of all
- Connection—ways to move away from coercion and force to promote genuine communication and belonging
- Peace—creating group harmony right now through the surprising concepts of “congruence” and “tempo”
- Freedom—returning to our wild nature that is inherently free, unbridled, and unbroken
- Joy—moving beyond temporary happiness to a state of wholehearted engagement of life, whatever the circumstances

In horsemanship, a “flying lead change” allows a running horse to respond with breathtaking grace to changing conditions. “Collectively, we need a similar physics-defying maneuver,” Wendorf writes. “This book is for the called—thought leaders, visionaries, parents, creatives, and all those who sense we are being asked to participate in humanity’s ‘flying change’ through the way we live, love, and lead.”

The Secret of Instant Healing

The Master Key

First developed twenty years ago by Vianna Stibal, ThetaHealing is essentially applied quantum physics. Using a theta brain wave, which until now was believed to be accessible only in deep sleep or yogi-level meditation, the practitioner is able to connect with the energy of All That Is - the energy in everything - to witness healings of the physical body, and to identify and change limiting beliefs. This book is for those who have already started to experience the magic of this energy healing modality, and wish to deepen their understanding of the Seven Planes of Existence- the philosophy behind the creation of ThetaHealing. Vianna presents exciting new information to help you take your skill with this work to the next level, and brings the reader into dimensions that she believes to be the beginnings of life itself, on a journey that leads outward, past the universe, to transform beliefs, showing that with a theta state of mind it is possible to connect to a Divine Energy before it becomes anything in this universe.

Flying Lead Change

Poet William Wordsworth expressed the idea that we gradually lose our intimate knowledge of heaven as we grow up, observing that 'our birth is but a sleep and a forgetting' of our previous existence in Spirit. Dr. Wayne W. Dyer and co-

author Dee Garnes had often talked about how the ones who know the most about God are those who have just recently been wrapped in the arms of the Divine: our infants and toddlers. In fact, Dee had an interaction with her own young son that convinced her of his acquaintance with our Source if being. Curious about this phenomenon, Wayne and Dee decided to issue an invitation to parents all over the globe to share their experiences. The overwhelming response they received prompted them to put together this book, which includes the most interesting and illuminating of these stories in which boys and girls speak about their remembrances from the time before they were born. Children share their dialogues with God, talk about long-deceased family members they knew while in the dimension of spirit, verify past-life recollections, give evidence that they themselves had a hand in picking their own parents and the timing of their sojourn to Earth, and speak eloquently and accurately of a kind of Divine love that exists beyond this physical realm. This fascinating book encourages all of us, not just parents, to take a much more active role in communicating with our planet's new arrivals . . . and to realise that there is far more to this earthly experience than what we perceive with our five senses.

The Little Book of Energy Healing Techniques

How consciousness and quantum energies affect your genetic expression and the development of disease and chronic health conditions • Draws on cellular medicine, genetics, quantum physics, and consciousness studies to define the real underlying mechanisms of disease and how they can be addressed • Explains how consciousness influences quantum DNA to erase the genetic imprint of illness, allowing your body to remember how to function efficiently and effectively • Shares the author's discoveries that enabled her to successfully heal the cellular dysfunction at the root cause of her cancer, tumors, chronic inflammation, and toxicity • Explores consciousness tools to re-encode DNA and includes detailed scripts for techniques that readers can apply to their own healing journeys Drawing on new advancements in quantum physics, cellular medicine, genetics, and consciousness studies, as well as her own journey of self-healing from a number of challenging health conditions, Althea S. Hawk reveals how you can consciously influence your DNA and re-encode it to

improve your health and alter your genetic destiny. Sharing the discoveries that enabled her to successfully heal from her cancer, tumors, toxicity, and inflammatory-related conditions, the author explains how genes are not solely responsible for creating disease. She shows how human physiology interacts with the quantum energies of our external and personal environments and how the resulting information triggers the development and persistence of disease and chronic conditions. We each inherit susceptibilities, but it is our unique experience of these environmental factors, as well as our beliefs, thoughts, and emotions, that alter the way our genes are expressed. Detailing how our DNA is both quantum-energetic and biological-chemical, Hawk explains how your environment and your consciousness influence your quantum DNA, which in turn interacts with your biological DNA. By working directly with energetic information that affects how your quantum and biological DNA communicate, you can alter the expression of your genes by re-encoding the gene sequences on your physical DNA, erasing the imprint of illness and enabling your body to remember how to function properly. Hawk explores consciousness tools and mind-body techniques to re-encode your DNA, such as sound and breathing work, DNA marker removal, recalibration of Akashic information, and cellular communication exercises that readers can apply to their own healing journeys.

Memories of Heaven

How to Read the Akashic Records

MARCELO GARCIA—considered by many to be the best pound-for-pound Brazilian jiu-jitsu fighter in the world—has proven time and again that his unique style of grappling is one of the most effective forms of Brazilian jiu-jitsu in existence. In *Advanced Brazilian Jiu-Jitsu*, Marcelo unveils the system of techniques that allowed him to conquer the world of BJJ. As a five-time BJJ World Champion and a four-time ADCC Submission Grappling World Champion, Marcelo has shown that his style of fighting translates to both gi and no-gi competitions, making his system a must for all who train in the grappling arts. Through detailed narrative and more than 2,000 step-by-step color photographs, Marcelo breaks down the arm drag, methods for taking and sustaining back control, finishes from the back, and a plethora of takedowns and guard passes. Leaving no stone unturned, he also sheds new light on the guillotine choke and omoplata submissions. To avoid watering down the pages with redundant transitions and submissions that are well known and widely taught in jiu-jitsu schools across the globe, Marcelo only covers the techniques that are unique to his system. Unlike a lot of jiu-jitsu systems, which include techniques that are limited in range and application, each submission covered in this technical manual is practical and guaranteed to work on opponents both large and small. Having competed in the Absolute Open Weight Division his entire life, Marcelo discarded the techniques that didn't work on larger, stronger opponents. What you are left with is a highly effective and efficient system of grappling that works for and on everyone. Let *Advanced Brazilian Jiu-Jitsu* elevate your

grappling game to the next level.

Body into Balance

David Cowan's first book, Navigating the Collapse of Time, introduced readers to the consciousness shift in "reality" that we are currently experiencing. Dowsing Beyond Duality draws on those principles and theories and presents an easy and powerful means to keep our energy balanced in this time of great change. Working with Erina Cowan, David Cowan presents a comprehensive course based on the Course in Miracles principle that we know all we need to know within our

divine selves. They teach us to use the science of spiritual dowsing to access physical, mental, and emotional healing. Dowsing Beyond Duality goes well beyond just getting 'yes and no' answers from a pendulum. The Cowans show how to use the pendulum—not only to find lost objects or make daily decisions—but also to deepen one's self-realization, to move beyond the duality of the third dimension, and create positive change in one's life and in the world. With more than 75 charts, the Cowans guide readers through specific movements of the pendulum that release limiting beliefs and unconscious resistance. Dowsing Beyond Duality shows readers how to use spiritual dowsing to deepen self-realization and find truth and peace of mind in their lives.

Essential ThetaHealing® handbook for practitioners explaining how we can connect with the Creator for spiritual elevation. When we enter a theta brain state, we can connect to the Creator of All That Is. Discover how to improve this connection to achieve deep inner healing. Founded by Vianna Stibal, ThetaHealing® is a powerful healing modality through which we can change limiting beliefs to receive deep emotional and physical healing. While in the Theta state, we're able to connect with the divine energy that flows through all things: The Creator of All That Is. Vianna is often asked: 'How do I know I'm connected to the Creator, or if it's just my own thoughts?' The true answer is that to know the difference between your thoughts and divine inspiration, you must first understand yourself. This in-depth guide for ThetaHealing practitioners will teach you how to experience knowing yourself on an intimate level, so you can recognize this difference and establish clear and enlightened communication with the Creator. Vianna shares powerful teachings, downloads, exercises, and her own experiences to illustrate how to recognize the belief systems, inner aspects, and subconscious selves preventing you from fully bonding with the energy of the Creator, and how to navigate and understand your own mind.
