Readings from Thirukkural

Dated the 14th of December 1908, A Letter to a Hindu was a letter written by Leo Tolstoy to Tarak Nath Das, a Bengali revolutionary and scholar, in response to a request for support for India's separation from British rule, which argued that the Indian people should seek to free themselves from British rule through non-violent protests and strikes, and other forms of peaceful resistance. The letter soon gained international attention after it was published in the Free Hindustan, and it came to the attention of the young Mahatma Gandhi. Drawing on a variety of sources, cultures and teachings, Tolstoy's letter was instrumental in forming Gandhi's views on non-violent resistance - as Gandhi himself acknowledges in his introduction: 'To me, as a humble follower of that great teacher whom I have long looked upon as one of my guides, it is a matter of honour to be connected with the

The Smile of Murugan

Tiruvalluvanayanar Arulicceyta Tirrukkural = the 's Acired' Kurrall of Tiruvalluva-Nayanar

Details the transformation of Tamil literary culture that came with colonialism and the encounter with Western modernity. A true tour de force, this book documents the transformation of one Indian literature, Tamil, under the impact of colonialism and Western modernity. While Tamil is a living language, it is also India's second oldest classical language next to Sanskrit, and has a literary history that goes back over two thousand years. On the basis of extensive archival research, Sascha Ebeling tackles a

Read Book Online Tirukkural Translation In English With Tamil Commentary

host of issues pertinent to Tamil elite literary production and consumption during the nineteenth century. These include the functioning and decline of traditional systems in which poet-scholars were patronized by religious institutions, landowners, and local kings; the anatomy of changes in textual practices, genres, styles, poetics, themes, tastes, and audiences; and the role of literature in the politics of social reform, gender, and incipient nationalism. The work concludes with a discussion of the most striking literary development of the time—the emergence of the Tamil novel. “Colonizing the Realm of Words is a major contribution to the study of Tamil literature ... The book gives a wonderful, detailed picture of the biographies, writings and contexts of some of the most important authors in Tamil of the nineteenth century.” — Relegere: Studies in Religion and Reception “...[Ebeling] provides a detailed philological study of the Tamil texts, especially the poetics of Minatcicundaram Pillai and the Pulavars and the emergence of the Tamil novel. The transliterated Tamil texts following the epilogue make this book valuable indeed.” — CHOICE “This is a pathbreaking study of textual materials that have not been examined before in an English-language publication. It fills a major gap in our understanding of nineteenth-century literary culture in South India specifically and in India generally.” —Srilata Raman,

The Music of India

Thiruvalluvar, the author of the Tamil
treatise Thirukkural is considered to have
lived sometime between 3rd century BC and 1st
century AD. Thirukkural perhaps was a fitting
reply to a host of conflicting and competing
views that existed in Tamil speaking
countries of the period on the right way of
living, family, religion and governance,
supported by various religions that reached
the Tamil soil as well as those of indigenous
ones and by philosophers who accompanied
traders from far off countries. But
unfortunately Thiruvalluvar himself did not
give interpretation to his tersest couplets.
The interpretations presented in 13th
century and earlier, in spite of the noble
intention and extraordinary scholarship of
the interpreters, I am afraid, understated
its universality. Several centuries later,
claims and counterclaims were made by the

Read Book Online Tirukkural Translation In English With Tamil Commentary

proponents of different religions including Christianity and the latest from atheists. I tried to remove the guise and achieved considerable success in this attempt. Fresh interpretations, which I believe truthfully reflect the thought of Thiruvalluvar, are provided in this book for nearly 360 couplets out of 1330 couplets. This conviction stems from my fresh look at Thirukkural that successfully shed away all the contradictions and unacceptable and unviable constructs it had to live with through the earlier interpretation(s). Thirukkural consists of 133 chapters with 10 couplets in each chapter. Each chapter is a life skill coaching material. They show how to live a soul-evolving life in the three arenas namely family, work and love. A soul which achieves full evolvment through numerous reincarnations reaches puthezhir ulagam (celestial abode). Thank you for buying this book. Contact me if you may at prof_venkat1947@yahoo.co.in.

The Five Books of Moses: A Translation with Commentary

The epic story of Rama, which is part of the Indian collective consciousness, has been retold in many regional languages. Pre-eminent among the many vernacular retellings of the Ramayana is the twelfth-century Tamil version by Kamban. The son of a temple drummer, Kamban is reputed to have had an impressive mastery of Tamil and Sanskrit classics. Fascinated by the lore of Ramayana, he immersed himself totally in it. Though Kamban acknowledges his indebtedness to the Sanskrit version of the Ramayana by Valmiki, his is an independent work, enriched by various religious, philosophical and literary influences. The Kamba Ramayana differs from Valmiki's in significant ways. Though cast in the heroic mould of a Purushotama or 'the best among men', Valmiki's Rama is still a man. Kamban, on the other hand, never allows the reader to forget the godhood of Rama. His Ravana too, though flawed, is a heroic figure. While Valmiki's diction is sparse and direct, Kamban's exuberant prose sparkles with wit and inventiveness. Translated into English by the late P.S. Sundaram, this edition has been abridged and edited by his long-time friend N.S. Jagannathan.

translation retains the magic and poetry of the original. A major new addition to the Penguin Classics The classic Tamil work now finally available in an accessible single volume edition

Poems of Love and War

Readings from Thirukkural

The real greatness of Tirukkural is its survival, even after the onslaughts of many heterogeneous creeds. In the last two thousand years, it never failed to attract any scholar or lover of wisdom. They have glorified Valluvar and his monumental magnum opus "The Kural" with scintillating tributes. It is true that the great poet of modern times Mahakavi Subramaniya Bharathi aptly said that "Tamilnadu gave Valluvar to the world! And thereby gained the everlasting fame!" The purpose of this anthology is to bring out the Rev. Dr. G. U. Pope's Tirukkural translation in English along with the erudite Tamil Scholar Dr. Mu. Varadarajan's Tamil commentary for the benefit of scholars and students. We have compiled and published Rev. G. U. Pope's English translation of the Tirukkural is a fitting tribute to this great classic, a valuable contribution to English and a great service to Tamil. This is a labour of love

Read Book Online Tirukkural Translation In English With Tamil Commentary

which will earn for the author the admiration and gratitude of the Tamil-loving public. Dr. Mu. Varadarajan reveals a fine grasp of the genius of Tiruvalluvar and commands the most refined temperament to render into lucid commentary the terse and highly condensed poetical expressions of Tiruvalluvar. May this work bring a great flood of many-sided enlightenment and delight to all. As a great thinker, of Tiruvalluvar actually transgresses the frontiers of language and creed. His scripture of Universalism has induced to recognize him as one of the great philosophers, to be placed in the midst of Socrates, Kant and Confucius, the illustrious moral philosophers of the mankind. In the sphere of political science and public administration, Valluvar seems supreme in his treatment and humanistic approach than Aristotle, Kautilya, Kamantaka, Sukkra, Machiavelli and Harold Laski.

Encyclopaedia of Indian Literature

A classic is a piece of work that stands the test of time. A classic is for all ages: past, present, and future. Thiruvalluvar's Thirukkural is a classic. It is a highly resourceful management literature. I have been profusely using Kurals in my teaching, training, coaching and talks to drive home some of the best management concepts and practices. This book traces the modern

management practices to the wisdom in Thirukkural. Do you want to appreciate Thirukkural's contribution to management? Explore.

Tirukkural

An ancient Tamil didactic verse work.

The Book of Psalms: A Translation with Commentary

A celebrated work by the greatest poet of classical Tamil literature Tiruvalluvar probably lived and wrote between the second century BC and the eighth century AD though his dates have not been conclusively established. The work by which he is known, the Kural, comprises 1,330 couplets and is divided into three sections—Virtue, Wealth and Love—and is based on the first three of the four supreme aims prescribed by Hindu tradition: dharma (virtue), artha (wealth), kama (love) and moksha (salvation). Taken together, the three books of the Kural inform, criticize and teach the reader, in brilliantly styled and pithy verse, about life, love and the ways of the world. Translated and edited with an introduction by P.S. Sundaram
