The Witches' Goddess

Allison Darling, former foster child, now a stay-at-home mom of three, desperately wants to fit in with the organic latte drinking, hundred-dollar-yoga-pants-wearing moms who run Monrovia, her charming seaside village. Constantly feeling like an outsider, Allison dreams of more for her children. When the Glamour Girls, a soap-selling company run by the most charismatic and powerful women in town, recruits Allison, she jumps at the invitation. The Glamour Girls have a hand in everything in Monrovia, from bake sales to business deals. This is what Allison's wanted her whole life—to be liked. To be popular. To belong. After Allison's estranged mother passes away, she learns her family's heartbreaking legacy and the secret Allison's been fighting to suppress all her life emerges: she's a witch. What's more, she's not the only one in town. There's more to the Glamour Girls than it seems and once you're a Glamour Girl, there's no going back. Allison must use her rediscovered magic to defend Monrovia, protect her marriage and her children, and reclaim her legacy. Fighting tooth and nail for her family is easy, but what about for herself? Is it too late to confront her own demons and become the woman she dreams of being? "Katie Schickel's debut entertains while delightfully skewering our culture's obsession with domestic perfection. In the spirit of John Updike's *Witches of Eastwick* and Alice Hoffman's *Practical Magic*, Schickel casts a spell all her own. *Housewitch* takes us deep inside the dark arts of 21st century motherhood and sparkles with unexpected magic." —Amber Dermont, *New York Times* bestselling author of *The Starboard Sea* At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

A comprehensive guide to the history and practice of Angular Magic — Details the development of the magical system of the Nine Angles by the Church of Satan and the Temple of Set, as well as its internal body, the Order of the Trapezoid — Analyzes the 3 key rites of Angular Magic: Die Elektrischen Vorspiele, the Ceremony of the Nine Angles, and the Call to Cthulhu — Explores historical influences on Angular

Magic, including Pythagorean number mysticism, John Dee's Enochian magic, and the writings of H. P. Lovecraft – Includes practical examples, daily practices, and guidance on creating your own rituals Revealing the magical uses of number and geometry as tools for introspection, self-development, and creating change in both the inner and outer worlds, Toby Chappell explores the rites, history, and potent practices of Angular Magic and Infernal Geometry, the Left-Hand Path of Sacred Geometry. Focusing on the advanced magical system of the Nine Angles, he details the system's development by the early Church of Satan and later the Temple of Set, as well as its internal body, the Order of the Trapezoid. He shows how the system first emerged in the Ceremony of the Nine Angles, written by Michael Aquino and published in Anton Szandor LaVey's *The Satanic Rituals*. He explores historical influences on Angular Magic, including Pythagorean number mysticism, John Dee's Enochian magic, the theories of William Mortensen, and, most importantly, the writings of H. P. Lovecraft as well as other contributors to his Cthulhu mythos. The author analyzes the 3 key rites of Angular Magic: Die Elektrischen Vorspiele, the Ceremony of the Nine Angles, and the Call to Cthulhu, expanding upon them to demonstrate how readers can craft their own rituals. He examines the Nine Angles individually, detailing their keywords, powers, and related deities, and explains how each can be used in magical practices and as part of an ongoing initiatory process. He offers practical examples, including use of Angular Magic in divination, sigils, and magical symbols, and guidance on creating your own practices--a core component of the ever-evolving Left-Hand Path. Offering a self-directed path of magic and empowerment, previously unavailable to those outside the Temple of Set, Chappell shows how the Nine Angles must be worked with and experienced personally in order to effect true transformation and change.

Infernal Geometry and the Left-Hand Path

Book one of the New York Times-bestselling All Souls trilogy—"a wonderfully imaginative grown-up fantasy with all the magic of Harry Potter and Twilight" (People). Now "[a] hot show that's like Twilight meets Outlander" (Thrillist) airing Sundays on AMC and BBC America, as well as streaming on Sundance Now and Shudder. Deborah Harkness's sparkling debut, *A Discovery of Witches*, has brought her into the spotlight and galvanized fans around the world. In this tale of passion and obsession, Diana Bishop, a young scholar and a descendant of witches, discovers a long-lost and enchanted alchemical manuscript, Ashmole 782, deep in Oxford's Bodleian Library. Its reappearance summons a fantastical underworld, which she navigates with her leading man, vampire geneticist Matthew Clairmont. Harkness has created a universe to rival those of Anne Rice, Diana Gabaldon, and Elizabeth Kostova, and she adds a scholar's depth to this riveting tale of magic and suspense. The story continues in book two, *Shadow of Night*, and concludes with *The Book of Life*.

Explore your Inner Temple—your personal sacred space where there are no boundaries and all things are possible. With study, dedication, and practice, the lessons and exercises in this book will empower you to transform the repetitive rigors of the daily grind into a witch's web of magickal experiences. The Inner Temple of Witchcraft is a thorough course of education, introspection, meditation, and the development of the magickal and psychic abilities that are the birthright of the witch. Four introductory chapters present the history, traditions, and principles

of witchcraft, followed by thirteen lessons that start with basic meditation techniques and culminate in a self-initiation ceremony equivalent to the first-degree level of traditional coven-based witchcraft. As you progress through this year-and-a-day course of study, you will explore a wide range of topics that support and inform the dedicated witch: Ancient and modern magickal philosophy Modern scientific theories supporting a new definition of reality "Instant" magick techniques for protection, healing, and serenity Energy work and anatomy, including chakras and auras Astral travel, dreams, and spirit guides Healing techniques for body, mind, and spirit This book's non-dogmatic presentation encourages an eclectic, personal approach while providing a strong foundation for the practice of witchcraft and magick. Develop your psychic abilities and practice potent magickal techniques as you explore the source of every witch's power—the temple within. Winner of the 2003 Coalition of Visionary Resources (COVR) Award for Best Magic Book

A Practical Guide for Witches

The beloved classic novel, the basis of the classic film starring Nicole Kidman and Sandra Bullock. A perfect read for cosy Christmas nights! As children, sisters Gillian and Sally were forever outsiders in their small New England town, teased, taunted and shunned for the air of magic that seems to sparkle in the air around them. All Gillian and Sally ever wanted was to get away. And eventually they do - one marries, the other runs as far from home as she can manage. Years later, however, tragedy will bring the sisters back together. And they'll find that no matter what else may happen, they'll always have each other. An enchanting tale of love, forgiveness and family, Practical Magic is beloved of readers of all ages. *~*~*Readers love Practical Magic*~*~* "[A] delicious fantasy of witchcraft and love in a world where gardens smell of lemon verbena and happy endings are possible" Cosmopolitan "What do you do when your long lost little sister shows up on your suburban front step" a dead man in the Oldsmobile that's blocking your driveway? "You help her bury him in your backyard, underneath a wilting lilac bush that will suddenly spring back to life, bearing masses of heady flowers that remind everyone who passes by of desires they thought they'd long since stifled" Vogue "Dark comedy and a light touch carry the story along to a truly Gothic climax, complete with heaving skies and witchery on the lawn" New York Times 'A scrim of magic lies gently over [this] fictional world, in which lilacs bloom riotously in July, a lovesick boy's elbows sizzle on a diner countertop and a toad expectorates a silver ring' Publishers Weekly

Since 1960, more than 1 million people have used this classic guide to tap the incredible power of yoga. The attractive new edition, in a new size, will appeal to a wide audience of contemporary yoga students. From the Trade Paperback edition.

Revolutionary Witchcraft

My name is Elizabeth Anne Hawksmith, and my age is three hundred and eighty-four years. Each new settlement asks for a new journal, and so this *Book of Shadows* begins In the spring of 1628, the Witchfinder of Wessex finds himself a true Witch. As Bess Hawksmith watches her mother swing from the Hanging Tree she knows that only one man can save her from the same fate at the hands of the panicked mob: the Warlock Gideon Masters, and his *Book of Shadows*. Secluded at his cottage in the woods, Gideon instructs Bess in the Craft, awakening formidable powers she didn't know she had and making her immortal. She couldn't have foreseen that even now, centuries later, he would be hunting her across time, determined to claim payment for saving her life. In present-day England, Elizabeth has built a quiet life for herself, tending her garden and selling herbs and oils at the local farmers' market. But her solitude abruptly ends when a teenage girl called Tegan

starts hanging around. Against her better judgment, Elizabeth begins teaching Tegan the ways of the Hedge Witch, in the process awakening memories--and demons--long thought forgotten. Part historical romance, part modern fantasy, Paula Brackston's New York Times bestseller, *The Witch's Daughter*, is a fresh, compelling take on the magical, yet dangerous world of Witches. Readers will long remember the fiercely independent heroine who survives plagues, wars, and the heartbreak that comes with immortality to remain true to herself, and protect the protégé she comes to love.

The Modern Witchcraft Grimoire

Founded in 1971 by Elizabeth Pepper, the art director of *Gourmet* magazine for many years, *The Witches' Almanac* is a witty, literate, and sophisticated publication that appeals to general reads as well as hard-core Wiccans. At one level, it is a pop reference that will fascinate anyone interested in folklore, mythology and culture, but at another, it is the most sophisticated and wide-ranging annual guide available today for the mystic enthusiast. Modeled after the *Old Farmers' Almanac*, it includes information related to the annual Moon Calendar (weather forecasts and horoscopes), as well as legends, rituals, herbal secrets, mystic incantations, interviews and many a curious tale of good and evil. Although it is an annual publication, much of the content is both current and timeless - not specific to the date range of each issue. The theme of Issue 39 (Spring 2020 - Spring 2021) is *Stones - the Foundation of Earth*. Also included are articles on: *Celestial Powers: Lightning Gods, Bolts from the Blue*; *Gargoyles*; *How to work with the Spirits of the Land*; *The Art of Embodying Godforms in Ritual*; *Holey Stones*; *Borges Beasts* and much more.

Buckland's Complete Book of Witchcraft

Witchcraft and yoga share many similarities that are, for the first time, explored in combination in this groundbreaking new title from Sarah Robinson, certified yoga instructor and experienced witch.

The Mindful Witch

As the architecture of the soul, the chakra system is the yoke of yoga--the means whereby mind and body, heaven and earth, and spirit and matter are joined together in the divine union that is the true meaning of yoga. In this long-awaited book by acclaimed chakra expert Anodea Judith, you will learn how to use yoga's principles and practices to awaken the subtle body of energy and connect with your highest source. Using seven vital keys to unlock your inner temple, you will be guided through practices that open and activate each chakra through postures, bioenergetic exercises, breathing practices, mantras, guided meditation, and yoga philosophy. With beautiful step-by-step photographs for each of the poses, along with guidelines for deeper alignment and activation of the energy body, this book is a valuable resource for teachers and students alike. Praise: "Anodea Judith's *Chakra Yoga* is a wonderful companion to her decades of books and teachings. Providing exploration through yogic methods for liberating, transforming, and balancing our energetic body and life, it is a gift to the world."--Shiva Rea,

founder of Prana Vinyasa and author of Tending the Heart Fire "For decades, I have been waiting, wishing, longing for such a book as Anodea Judith's Chakra Yoga. As always with Anodea, the book is exquisitely presented, deep, practical, inspiring, easy to follow, contemporary. A MUST HAVE. Enjoy the ride!" Margot Anand, author of The Art of Everyday Ecstasy

The Healthy Witch

From the best-known authors on witchcraft, a three-part reference for discovering and celebrating the Female Principle of Divinity. The Witches' Goddess is of great practical value in discovering and celebrating the transforming energy of the Female Principle of Divinity. A companion to The Witches' God, this is an important, three-part work by the Farrars, providing an in-depth exploration of the Goddess in her many aspects at a time when Western Culture is awakening to the influence of Feminine Divinity, both individually and collectively. In part one, they outline the numerous faces of the Goddess: her presence throughout history, her Earth and Moon symbolism, her Madonna and Magdalene disguises, her revelation in Woman, and her influence today. In part two, they examine thirteen goddesses from history, including Ishtar, Isis, Hecate, and Aphrodite, and offer rituals for invoking them. Part three is a comprehensive dictionary of more than 1,000 goddesses from cultures all over the world and throughout time. Each section features helpful line drawings, diagrams, and photographic illustrations. The Witches' Goddess is part of The Paranormal, a series that resurrects rare titles, classic publications, and out-of-print texts, as well as publishes new supernatural and otherworldly ebooks for the digital age. The series includes a range of paranormal subjects from angels, fairies, and UFOs to near-death experiences, vampires, ghosts, and witchcraft.

A Discovery of Witches

Yoga today connotes many images and ideas -- from holy men on a high mountaintop to throngs of young women toting designer mats. Yoga, meaning 'union,' is actually a many-layered discipline designed to help an individual attain health, serenity, focus, and ultimately, union with the Divine. Aleister Crowley was one of the first Europeans to practice yoga and believed the practice was essential to spiritual growth, stating that 'Magick is a Pyramid built layer by layer. The work of the Body of Light -- with the technique of Yoga -- is the foundation of the whole.' This succinct and uniquely helpful book explores the frequently overlooked importance of bringing a healthy body and a clear-thinking mind to the practice of ceremonial magick or Wicca. While many books on magick discuss the importance of ritual, almost none point to the physical, spiritual, and moral quality necessary to make those rituals effective. Spiritual power demands physical health and the contemporary western practitioner can learn much from the ancient tradition of yoga.

Buried Magic

Do you want to start practicing magic spells to improve your life condition? Not sure how to begin? Then keep on reading Wiccan Spells Wicca, despite not being restricted only to witchcraft, is still known for its ambition to work within the natural order to create change, to

improve life, and to impact the Universe through magic. Wiccan Magick, however, is different to the kind of magic you have seen in movies and read about in books. Other than the addition of a 'k', the most notable difference is that the magic of real life, the kind of magic that practitioners of Wicca attempt to use, does not spark and flare, it does not explode nor does the tip of their wands or flesh of their palms sparkle with a bright white, orange, or yellow glow. Wiccan Magick is not supernatural by any means, unlike the magic you have heard of. It is entirely natural. Part of the natural order of the universe. And, it operates at a level that is difficult to perceive at times, but which can be seen all around you when you are attuned to the order within the world. All that glitters is not gold, and Wiccan Magick is barely perceptible except to those that know its ways. Within this book, we will go over some of the more important rituals as well as some of the most useful spells within Wicca, but by no means will we be covering the entire spell book. In fact, no one could because new spells are being created every day. As we discussed before, Wicca is a very personalized religion and so is the process of casting spells. The exact wordage used in this book can be adopted, but the most powerful spells are those that are created by you, with your own words. Only you know what is most powerful to you and it is by harnessing your own inner power that the Magick is able to work. There are several important tools and certain knowledge that you will need to put the spells listed below to good use. Do not worry, we'll cover it all in the book. When you are finished with this book, you will know what you have to do to get started casting these spells and taking part in these rituals This guide will focus on the following: □ The Correct Way to Perform Rituals □ Spellcraft - How Real Witches Cast Spells □ Rule of 3 and Wiccan Code of Conduct □ Joining A Coven □ Types of Spell □ Herb and Candle Spell □ Healing Love Spell □ Money Attraction Spell □ Spells for Each Phase of The Lunar Cycle (Step by Step) Even if you've never cast a spell before, you will learn to cast the most powerful one, for any purpose to be attuned to the world and to fill in your own book of shadows. Now, if you want mastering witch spells, please let me show you how.

Bell, Book and Camera

On the Winter Solstice, thirteen women across the world see the same terrifying vision. Their world is about to experience ravaging destruction. All that is now sacred will be destroyed. Each answers the call, to journey to Egypt, and save the wisdom of the Goddess: She who is Kali Ma from the jungles of Arya, Tiamet from the Roof of the World, Badh of the Cailleach from the land of Eiru, Awa from the Land of Yemaya, Uxua of Ix Chel from the Yucatan, Parasfahe from the Land of Inanna all racing against time and history to bring us their story. This is the history before history. This is herstory, as it emerged. An imagining or is it a remembering? of the end of patriarchy and the emergence of global patriarchy, this book brings alive long dead cultures from around the world and brings us closer to the lost wisdoms that we know in our bones. Sisters of the Solstice Moon is a story of vast richness and complexity, in the tradition of speculative historical novel series, Clan of the Cave Bear and The Mists of Avalon. Gina Martin creates a magical weaving of exotic landscapes, perennial wisdom, ritual and remembering. Journey into myth, and allow it to become real. The first in the When She Wakes series.

The Complete Illustrated Book of Yoga

[A dense and scholarly book about . . . the relationship between the Nazi party and the occult . . . reveals stranger-than-fiction truths on every page.] Daily Telegraph The Nazi fascination with the occult is legendary, yet today it is often dismissed as Himmler's personal obsession or wildly overstated for its novelty. Preposterous though it was, however, supernatural thinking was inextricable from the Nazi project. The regime enlisted astrology and the paranormal, paganism, Indo-Aryan mythology, witchcraft, miracle weapons, and the lost kingdom of Atlantis in reimagining German politics and society and recasting German science and religion. In this eye-opening history, Eric Kurlander reveals how the Third Reich's relationship to the supernatural was far from straightforward. Even as popular occultism and superstition were intermittently rooted out, suppressed, and outlawed, the Nazis drew upon a wide variety of occult practices and esoteric sciences to gain power, shape propaganda and policy, and pursue their dreams of racial utopia and empire. [Kurlander] shows how swiftly irrational ideas can take hold, even in an age before social media. [The Washington Post] Deeply researched, convincingly authenticated, this extraordinary study of the magical and supernatural at the highest levels of Nazi Germany will astonish. [The Spectator] A trustworthy [book] on an extraordinary subject. [The Times] A fascinating look at a little-understood aspect of fascism. [Kirkus Reviews] Kurlander provides a careful, clear-headed, and exhaustive examination of a subject so lurid that it has probably scared away some of the serious research it merits. [National Review]

Bewitching the Elements

"Lisa Lister is an uber-goddess of humour, wisdom, fun and cheek. She's just what THIS doctor ordered." — Dr Christiane Northrup, author of *Goddesses Never Age* and *Making Life Easy* A witch is a wise woman, a healer. Yet for so long the word "witch" has had negative connotations. In this book, third generation hereditary witch Lisa Lister explains the history behind witchcraft, why identifying as a healer in past centuries led women to be burned at the stake, and why the witch is reawakening in women across the world today. All women are witches, and when they connect to source, trust their intuition, and use their magic, they can make medicine to heal themselves and the world. This book is a re-telling of Herstory, an overview of the different schools of witchcraft and the core principles and practices within them. Discover ancient wisdom made relevant for modern witches: — The wheel of the year, the sabbats, the cycles of the moon. — Tools to enhance your intuition, including oracle cards and dowsing, so that you can make decisions quickly and comfortably. — Understanding the ancient use of the word "medicine". — How to work with herbs, crystals, and power animals so that you have support in your spiritual work. — How to build and use a home altar to focus your intentions and align you with seasonal cycles, the moon cycles, and your own intentions for growth. — Cleanse, purify, and create sacred space. — Work with the elements to achieve deep connection with the world around you. In addition, Lisa teaches personal, hands-on rituals and spells from her family lineage of gypsy witch magic to help you heal, manifest, and rediscover your powers. Above all, Lisa shows that we really are "the granddaughters of the witches that they couldn't burn".

Through air, harness the breath, balance the body, and find presence in the moment. Through fire, embody passion, burning away what no longer serves you, and learn to constructively work with anger. Through water, explore your emotional depths and come back to the heart. Through spirit, connect to your own sense of power, embracing all of the lessons of the elements. Committing to a path that serves our authentic selves is a radical act. When we do this work alongside nature, by turning to the elements, we find a map back to our intuitive and energetic wisdom.

Housewitch

Lilith has been feared, worshipped, analyzed, and dissected by many, yet she remains an enigma cloaked in a riddle of witchcraft. Today, she has found a place of elevation as a quintessential goddess in an array of occult practices, revered for her fierce independence, carnal appetite, and thirst for equality. The *GLAM Witch* plants the practice of modern witchcraft in Lilith's garden of glittery fruit. Laid out over a sparkling assemblage of chapters, a modern mystic will explore the theory, practice, and lifestyle of the Great Lilithian Arcane Mysteries (GLAM). Learn Lilith's story and how to apply her archetype to a magical path. Open your third eye to intuition with signs and synchronicity. Discover Lilith's astrological significance to help navigate the shadow self. Witch-craft a glamour poppet for attraction and beauty. Embrace your sexuality to harness power through orgasm. Neutralize negativity with the application of bitchcraft. Loaded with spells and rituals to cultivate confidence, sizzle with sensuality, and stand up to adversity, *The GLAM Witch* is a guide to spiritual empowerment and establishing unapologetic authenticity through magical means.

The Glam Witch

A fiery, intersectional guide for activists and witches alike, *Revolutionary Witchcraft* is an empowered introduction to the history and practice

of politically-motivated magic. From the politically charged origins of the word "witch" to the present-day magical resistance, this bold handbook explores the role of witchcraft in our modern world. Author, activist, and practicing witch Sarah Lyons takes readers on a journey through a leftist history of magic -- from the witch hunts of early modern England, through the Salem Witch Trials, and up to our present moment. Pairing mystical acts, including sigil magic and soul flight, with core organizing tactics, like power mapping and protests, *Revolutionary Witchcraft* offers a blueprint for building a politically grounded magical praxis. From social justice to environmental activism, this radical reimagining of political activism addresses today's most pressing problems with empowering, inclusive rituals and magical actions. Each chapter introduces a key concept, like dreaming big, experiencing magical initiation, and joining the revolution, supported by a surprising historical case study on the power of mystical action. Full of actionable ideas for magical organizing, and an appendix packed with customizable spells, *Revolutionary Witchcraft* is the perfect companion for the magical uprising.

Psychic Witch

A collection of more than fifty stories about witches from around the world. There are tales of banshees, crones and beauties in disguise from China, Siberia, the Caribbean, Armenia, Portugal and Australia. The characters featured include Italy's Witch Bea-Witch, Lilith, Kali, and Twitti Glyn Hec. Alluring women, enchantresses, wise old ladies and bewitching women: they are all here and ready to haunt, entice, possess, transform, challenge - and sometimes even to help.

The Inner Temple of Witchcraft

Discover an Ancient Path to Power, Wisdom & Magick What do you think of when you hear the word witch? Through centuries of persecution, our society has been indoctrinated into thinking that witches are evil villains. Author and proud witch Danielle Dulsky debunks this interpretation and reveals the true nature of Witchcraft: an ancient spiritual path that rejects religious dogma in favor of female empowerment and a deep reverence for the Earth. In a collaborative, conversational tone, *Woman Most Wild* reclaims the Earth-centered power of aligning with our wildest, freest selves to create an inclusive world for all. The three keys to liberating your inner witch and owning your power are:
• Wild Rhythm: aligning yourself with the cycles of nature
• Wild Ritual: understanding the importance of ritual and ceremony
• Wild Circle: bonding with like-minded seekers Dulsky's tools for embracing and experiencing the power of these keys, including moon rituals, healing meditations, yoga postures, circle work, and Goddess encounters, will guide you toward joining the cosmic dance befitting the divine, limitless woman you are.

Complete with over 50 spells and information on the magickal tools and traditions of witchcraft, *The Book of Spells* is the ultimate guide to healing, manifesting your desires, and diving confidently into the mysteries of magick. Calling upon ancient powers and the ways of the Witch, *The Book of Spells* contains rituals and visualizations for releasing negativity, increasing bliss, healing a broken heart, finding your Spirit guides, embarking on the adventure of astral flight, and more. With the help of timeless myths and fables, as well as author Jamie Della's personal anecdotes, each spell offers empowering insight to help you uncover your innate Divine essence. This beautifully gilded compendium includes need-to-know information on Sabbats and ancient traditions, Gods and Goddesses, and tools of the Craft such as

herbs, crystals, tarot archetypes, moon phases, and runes. The Book of Spells is the perfect beginner's guide to following the Path, practicing the Craft, and incorporating magick into your daily life. Advance praise for The Book of Spells "This book opens the door to a life of magic and inspiration. The most wonderful thing about it is that Jamie actually lives by the book. She's the real deal! The Book of Spells is personal, engaging, and empowering. Her information about the Craft is heartfelt, user-friendly, and a treasure trove of witchy wisdom. You'll love this book whether you are a novice or an expert. Enjoy!" Victoria Bearden, nationally renowned astrologer and psychic "What a sweet book this is. Spells and a lot more for people new to the Craft written by an experienced Witch who practices what she preaches." Barbara Arding, author of Goddess Meditations and Finding New Goddesses "Creative, ethical, and respectful of tradition but modern in focus, these spells are focused on self-healing, rather than forcing your will on others." Anna Korn, Adocentyn Research Library "Young and old alike find a rainbow of solutions in Jamie Della's self-empowering Book of Spells. Simultaneously bold and inviting, Della's unswerving devotion to self-love, self-awareness, and growth shines through on every page of this gem of a soul's companion guidebook." Tania Pryputniewicz, author of November Butterfly

Wiccan Spells

The witch as a cultural archetype has existed in some form since the beginning of recorded history. Her nature has changed through technological developments and sociocultural shifts--a transformation most evident in her depictions on screen. This book traces the figure of the witch through American screen history with an analysis of the entertainment industry's shifting boundaries concerning expressions of femininity. Focusing on films and television series from The Wizard of Oz to The Craft, the author looks at how the witch reflects alterations of gender roles, religion, the modern practice of witchcraft, and female agency.

The Book of Spells

Since Phyllis Currot first published Book of Shadows, the story of her spiritual journey and initiation as a High Priestess in the Wiccan community, Witchcraft has captured America's imagination as a theme for fiction, television shows, and films. Now America's highest-profile Witch returns to dispel more myths and misrepresentations of her faith, and to share a practical guide to the beautiful spiritual rituals and philosophies behind Wiccan tradition. Rich with enchanting stories from Currot's own experiences and detailed advice for creating potions, working with Nature, and finding the Divine within, Witch Crafting is much more than just another superficial recipe book. Currot's unique guidebook integrates the inspiration of religious wisdom with sound, practical information. Witch Crafting reveals how to: incorporate Wiccan practices into your daily life; master the secret arts of effective spell casting; create sacred space and personal rituals; perform divinations for insight and success; and tap the magical power of altered states, such as dreaming meditation, prayer, and trance. Perfect for beginners or seasoned practitioners, Witch Crafting is the ideal handbook for anyone seeking to unlock the divine power that makes real magic happen, and to experience the power and gifts of the universe more fully.
